These forward-looking statements concern our goals, beliefs, expectations, strategies, objectives, plans, future operating results and underlying assumptions, and other statements that are not necessarily based on historical facts. In particular, they include statements relating to, among other things, future actions, strategies, future performance, the outcome of contingencies such as legal proceedings and future financial results. These also include statements regarding (i) the effect of our election to be taxed as a REIT and maintain REIT status for federal income tax purposes; (ii) the holding of our non-qualifying REIT assets in one or more taxable REIT subsidiaries; (iii) our announced dividend policy including the frequency and amount of any dividend we may pay; (iv) potential growth opportunities, including future expansion of the geographic diversity of our existing asset portfolio through acquisitions and our investment in the joint venture (the “Gaylord Rockies joint venture”) that owns the Gaylord Rockies Resort & Convention Center in Aurora, Colorado (“Gaylord Rockies”); (v) the Company’s future consolidation of the results of operations of the Gaylord Rockies joint venture; (vi) Marriott International, Inc.’s (“Marriott”) ability to effectively manage our hotels and other properties; (vii) our anticipated capital expenditures and investments; (viii) the potential operating and financial restrictions imposed on our activities under existing and future financing agreements and other contractual arrangements with third parties, including management agreements with Marriott; and (ix) any other business or operational matters. We have based these forward-looking statements on our current expectations and projections about future events.

Although we believe that the expectations reflected in such forward-looking statements are based upon reasonable assumptions, beliefs and expectations, our actual results could differ materially from the results anticipated by the forward-looking statements as a result of many known and unknown factors including, but not limited to, those discussed in Item 1A, “Risk Factors,” Item 7, “Management’s Discussion and Analysis of Financial Condition and Results of Operations,” and elsewhere in this report. Any forward-looking statement made in this Annual Report on Form 10 K speaks only as of the date on which the statement is made. New risks and uncertainties may arise from time to time, and it is impossible for us to predict these events or how they may affect us. We have no duty to, and do not intend to, update or revise the forward-looking statements we make in this report, except as may be required by law.

#### Item 1. Business

##### Overview

Ryman is the successor to Gaylord Entertainment Company (“Gaylord”), a Delaware corporation originally incorporated in 1956. As part of the plan to restructure our business operations to facilitate our qualification as a real estate investment trust (“REIT”) for federal income tax purposes, Gaylord merged with and into its wholly-owned subsidiary, Ryman, on October 1, 2012, with Ryman as the surviving corporation, and Ryman succeeded to and began conducting, either directly or indirectly, all of the business conducted by Gaylord immediately prior to the merger. Ryman is a Delaware corporation that began operating as a self-advised and self-administered REIT for federal

income tax purposes on January 1, 2013. We specialize in group-oriented, destination hotel assets in urban and resort markets. As a REIT, we generally will not be subject to federal corporate income taxes on that portion of our capital gain or ordinary income from our REIT operations that is distributed to our stockholders. This treatment substantially eliminates the federal “double taxation” on earnings from our REIT operations, or taxation once at the corporate level and again at the stockholder level, that generally results from investment in a regular C corporation. Our non-REIT operations, which

consist of the activities of our taxable REIT subsidiaries (“TRSs”) that lease or sublease our hotels from our qualified REIT subsidiaries, as well as businesses within our Entertainment segment, continue to be subject, as applicable, to federal and state corporate income taxes.

Our owned assets include a network of four upscale, meetings-focused resorts totaling 8,114 rooms that are managed by Marriott under the Gaylord Hotels brand. These four resorts, which we refer to as our Gaylord Hotels properties, consist of the Gaylord Opryland Resort & Convention Center in Nashville, Tennessee (“Gaylord Opryland”), the Gaylord Palms Resort & Convention Center near Orlando, Florida (“Gaylord Palms”), the Gaylord Texan Resort & Convention Center near Dallas, Texas (“Gaylord Texan”) and the Gaylord National Resort & Convention Center near Washington D.C. (“Gaylord National”). Other owned hotel assets managed by Marriott include the Inn at Opryland, a 303 room overflow hotel adjacent to Gaylord Opryland, and the AC Hotel at National Harbor, Washington D.C. (“AC Hotel”), a 192 room overflow hotel adjacent to Gaylord National. We also own a 61.2% interest in a joint venture that owns Gaylord Rockies, which opened in December 2018 and is managed by Marriott under the Gaylord Hotels brand. For more information regarding the Company’s increase of its ownership in the Gaylord Rockies joint venture as of December 31, 2018, see “Gaylord Rockies Joint Venture” below.

We also own and operate media and entertainment assets including the Grand Ole Opry, the legendary weekly showcase of country music’s finest performers for over 90 years; the Ryman Auditorium, the storied live music venue and former home of the Grand Ole Opry located in downtown Nashville; WSM-AM, the Opry’s radio home; Ole Red, a brand of Blake Shelton-themed bar, music venue and event spaces, with a flagship location in Nashville that opened in May 2018; and three Nashville-based assets managed by Marriott – Gaylord Springs Golf Links (“Gaylord Springs”), the Wildhorse Saloon, and the General Jackson Showboat (“General Jackson”).

Our operations are organized into three principal business segments: (i) Hospitality, which includes our hotel properties and the results of hotel operations, as well as the Gaylord Rockies joint venture; (ii) Entertainment, which includes our Grand Ole Opry assets, the Ryman Auditorium, WSM-AM, Ole Red, and our other Nashville-based attractions, among others; and (iii) Corporate and Other, which includes corporate expenses. These three business segments — Hospitality, Entertainment, and Corporate and Other — represented approximately 88%, 12%, and 0%, respectively, of our total revenues for the fiscal year ended December 31, 2018.

Financial information by business segment and for each of our Gaylord Hotels properties as of December 31, 2018 and for each of the three years then ended appears in Item 6, “Selected Financial Data,” Item 7, “Management’s Discussion and Analysis of Financial Condition and Results of Operations,” and in “Note 14 – Financial Reporting by Business Segments” to our consolidated financial statements included in this Annual Report on Form 10 K.

## Our Strategic Plan

Our goal is to become the nation’s premier hospitality REIT for group-oriented, destination hotel assets in urban and resort markets.

- Existing Hotel Property Design. Our hotel properties focus on the large group meetings market in the United States and incorporate meeting and exhibition space, signature guest rooms, food and beverage offerings, fitness and spa facilities and other attractions within a large hotel property so attendees’ needs are met in one location. This strategy creates a better experience for both meeting planners and guests, and has led to our current hotel properties claiming a place among the leading convention hotels in the country.
- Expansion of Hotel Asset Portfolio. While our short-term capital allocation strategy has focused on returning capital to stockholders through the payment of dividends, part of our long-term growth strategy includes acquisitions of other hotels, particularly in the group meetings sector of the hospitality industry, either alone or through joint ventures or alliances with one or more third parties. We intend to pursue

attractive investment opportunities which meet our acquisition parameters, specifically, group-oriented large hotels and overflow hotels with existing or potential leisure appeal. We are generally interested in highly accessible upper-upscale assets with over 400 hotel rooms in urban and resort group destination markets. We also consider assets that possess or are located near convention centers that present a repositioning opportunity and/or would

significantly benefit from capital investment in additional rooms or meeting space. We plan to expand the geographic diversity of our existing asset portfolio through acquisitions. To this end, we recently increased our investment in the Gaylord Rockies joint venture to 61.2%. As a REIT, we do not view independent, large-scale development of resort and convention hotels as part of our long-term growth strategy.

- **Leverage Brand Name Awareness.** We believe the Grand Ole Opry is one of the most recognized entertainment brands in the United States. We promote the Grand Ole Opry name through various media, including our WSM-AM radio station, the Internet and television, and through performances by the Grand Ole Opry's members, many of whom are renowned country music artists. As such, we have alliances in place with multiple distribution partners in an effort to foster brand extension. We believe that licensing our brand for products may provide an opportunity to increase revenues and cash flow with relatively little capital investment. We are continuously exploring additional products, such as television specials and retail products, through which we can capitalize on our brand affinity and awareness. To this end, we have invested in four Blake Shelton-themed multi-level bar, music venue and event spaces in Nashville, Orlando, Gatlinburg Tennessee, and Tishomingo Oklahoma, named after the Shelton hit "Ol' Red."

## Description of our Hotel Portfolio

Our Gaylord Hotels properties incorporate meeting, convention and exhibition space with a large hotel property so the attendees never have to leave the location during their meetings. This concept of a self-contained destination dedicated primarily to the meetings industry has placed our Gaylord Hotels properties among the leading convention hotels in the country.

Marriott is responsible for the day-to-day management of our Gaylord Hotels, Gaylord Rockies, the Inn at Opryland, and the AC Hotel. We believe that our Gaylord Hotels properties have benefitted and will continue to benefit from Marriott's expansive sales force and popular frequent traveler program, as well as their ability to manage group business.

Based on our information and information and data obtained from Smith Travel Research, the top 10 hotels within the United States with the highest square footage of self-contained exhibit and meeting space as of January 2019 are as follows:
