PROXY STATEMENT

FOR 2017 ANNUAL MEETING OF STOCKHOLDERS

to be held on Monday, June 5, 2017 at 10:00 a.m. PDT

This proxy statement and the enclosed form of proxy are furnished in connection with the solicitation of proxies by our Board of Directors (the “Board”) for use at the annual meeting of stockholders to be held at 10:00 a.m. PDT on Monday, June 5, 2017, and any postponements or adjournments thereof, which we refer to as the Annual Meeting. The Annual Meeting will be held at Quotient’s headquarters located at 400 Logue Avenue, Mountain View, California 94043. This proxy statement and the accompanying form of proxy are first being mailed to stockholders on or about April 24, 2017. Our annual report for the year ended December 31, 2016 is enclosed with this proxy statement. This proxy statement contains important information for you to consider when deciding how to vote on the matters brought before the Annual Meeting. Please read it carefully.

QUESTIONS AND ANSWERS

The information provided in the “question and answer” format below is for your convenience only and is merely a summary of the information contained in this proxy statement. You should read this entire proxy statement carefully. Information contained on, or that can be accessed through, our website is not intended to be incorporated by reference into this proxy statement and references to our website address in this proxy statement are inactive textual references only.

What matters am I voting on?

You will be voting on:

- a proposal for the election of two Class III directors to hold office until the 2020 Annual Meeting of Stockholders and until their successors are elected and qualified, subject to earlier resignation or removal;
 - a proposal to ratify the appointment of Ernst & Young LLP, as our independent registered public accounting firm for the year ending December 31, 2017; and
 - any other business that may properly come before the Annual Meeting.
- How does the Board recommend I vote on these proposals?

The Board recommends a vote:

• FOR the election of Andrew J. Gessow and Scott D. Raskin, as Class III directors to hold office until the 2020 Annual Meeting of Stockholders and until their successors are elected and qualified, subject to earlier resignation or removal; and

FOR the appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2017.

Who is entitled to vote?

Holders of our common stock as of the close of business on April 19, 2017 (the “Record Date”), may vote at the Annual Meeting. As of the Record Date, we had 90,303,447 shares of common stock outstanding. In deciding all matters at the Annual Meeting, each holder of common stock of Quotient will be entitled to one vote for each share of common stock held as of the close of business on the Record Date. We do not have cumulative voting rights for the election of directors.

Registered Stockholders. If your shares are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares, and the proxy materials were provided to you directly by us. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote in person at the Annual Meeting.

Street Name Stockholders. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name and the proxy materials were forwarded to you by your broker or nominee who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker or nominee how to vote your shares. Beneficial owners are also invited to attend the Annual Meeting. However, since beneficial owners are not stockholders of record, you may not vote your shares in person at the Annual Meeting unless you follow your broker's procedures for obtaining a legal proxy. If you request a printed copy of the proxy materials by mail, your broker or nominee will provide a voting instruction card for you to use. Throughout this proxy, we refer to stockholders who hold their shares through a broker, bank or other nominee as "street name holders."

How do I vote?

If you are a stockholder of record, there are four ways to vote:

- vote by Internet— visit <http://www.voteproxy.com>, 24 hours a day, seven days a week, until 11:59 p.m. EDT on June 4, 2017 (have your proxy card in hand when you visit the website)
- vote by telephone—call toll-free at 1-800-PROXIES (1-800-776-9437) (have your proxy card in hand when you call); or
- vote by mail—simply complete, sign and date the enclosed proxy card and return it before the Annual Meeting in the envelope provided.
- vote in person—we will provide a ballot to stockholders who attend the Annual Meeting and wish to vote in person; Street name holders may submit their voting instructions by Internet or telephone using the information provided by their respective brokers or other nominees and may complete and mail voting instruction forms to their respective brokers or nominees. However, street name holders may not vote by written ballot at the Annual Meeting unless they obtain a legal proxy from their respective brokers or nominees.

Can I change my vote?

Yes. If you are a stockholder of record, you can change your vote or revoke your proxy any time before the Annual Meeting by:

- entering a new vote by Internet or by telephone (until 11:59 p.m. EDT on June 4, 2017);
- returning a later-dated proxy card so that it is received prior to the Annual Meeting;
- notifying the Secretary of Quotient, in writing, at the address listed on the front page; or
- completing a written ballot at the Annual Meeting.

Street name holders may change their voting instructions by submitting new instructions by Internet or by telephone or returning a later-dated voting instruction form to their respective brokers or nominees. In addition, street name holders who obtain a legal proxy from their respective brokers or nominees may change their votes by completing a ballot at the Annual Meeting.

What do I need to do to attend the Annual Meeting in person?

Seating will begin at 9:30 a.m. PDT and the meeting will begin at 10:00 a.m. PDT. On the day of the meeting, each stockholder will be required to present valid picture identification such as a driver's license or passport. Street name holders will also be required to present proof of beneficial ownership as of the Record Date, such as your most recent account statement reflecting your stock ownership prior to the Record Date, along with a copy of the voting instruction card provided by your broker, bank, trustee or other nominee or similar evidence of ownership.

Use of cameras, recording devices, computers and other personal electronic devices will not be permitted at the Annual Meeting. Photography and video are prohibited at the Annual Meeting.

Please allow ample time for check-in. Persons will be subject to search.

What is the effect of giving a proxy?

Proxies are solicited by and on behalf of our Board. Steven R. Boal and Connie Chen have been designated as proxies by our Board. When proxy votes are properly dated, executed and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, however, the shares will

be voted in accordance with the recommendations of our Board as described above. If any matters not described in the Proxy Statement are properly presented at the Annual Meeting, the proxy holders will use their own judgment to determine how to vote your shares. If the Annual Meeting is adjourned, the proxy holders can vote your shares at the adjourned meeting date as well, unless you have properly revoked your proxy instructions, as described above.

What is a quorum?

A quorum is the minimum number of shares required to be present at the Annual Meeting for the meeting to be properly held under our Amended and Restated Bylaws (our “Bylaws”), and Delaware state law. The presence, in person or by proxy, of a majority of the voting power of the shares of stock entitled to vote at the meeting will constitute a quorum at the meeting. A proxy submitted by a stockholder may indicate that the shares represented by the proxy are not being voted (“stockholder withholding”) with respect to a particular matter. In addition, a broker may not be permitted to vote on shares held in street name on a particular matter in the absence of instructions from the beneficial owner of the stock (“broker non-vote”). The shares subject to a proxy which are not being voted on a particular matter because of either stockholder withholding or broker non-votes will count for purposes of determining the presence of a quorum. Abstentions are counted in the determination of a quorum.

How many votes are needed for approval of each matter?

¶ Proposal No. 1: The election of directors requires a plurality of the votes cast by the holders of shares represented in person or by proxy at the meeting and entitled to vote thereon to be approved. “Plurality” means that the nominees who receive the largest number of votes cast “FOR” are elected as directors. As a result, any shares not voted “FOR” a particular nominee (including as a result of stockholder withholding or a broker non-vote) will not be counted in such nominee’s favor.

¶ Proposal No. 2: The ratification of the appointment of Ernst & Young LLP must receive the affirmative vote of a majority of the votes cast by the holders of shares represented in person or by proxy at the meeting and entitled to vote thereon to be approved. Abstentions are considered votes present and entitled to vote on this proposal, and thus have the same effect as a vote “AGAINST” the proposal.

How are proxies solicited for the Annual Meeting?

The Board is soliciting proxies for use at the Annual Meeting. All expenses associated with this solicitation will be borne by Quotient. We will reimburse brokers or other nominees for reasonable expenses that they incur in sending these proxy materials to you if a broker or other nominee holds your shares.

How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions?

Brokerage firms and other intermediaries holding shares of common stock in street name for customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely directions, your broker will have discretion to vote your shares on our sole routine matter—the proposal to ratify the appointment of Ernst & Young LLP (Proposal No. 2). Your broker will not have discretion, absent direction from you, to vote on the election of directors (Proposal No. 1), which is considered a “non-routine” matter.

Why did I receive a one-page notice in the mail regarding the internet availability of proxy materials instead of a full set of proxy materials?

Quotient uses the internet as the primary means of furnishing proxy materials to stockholders. We are sending a Notice of Internet Availability of Proxy Materials (the “Notice of Internet Availability”) to our stockholders with instructions on how to access the proxy materials online or request a printed copy of the materials.

Stockholders may follow the instructions in the Notice of Internet Availability to elect to receive future proxy materials in print by mail or electronically by email. We encourage stockholders to take advantage of the availability of the proxy materials online to help reduce the environmental impact of our annual meetings, and reduce Quotient's printing and mailing costs.

I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

Quotient has adopted a procedure called "householding." Under this procedure, Quotient may deliver a single copy of the Notice of Internet Availability and, if you requested printed versions by mail, this Proxy Statement and the Annual Report to multiple

stockholders who share the same address, unless Quotient has received contrary instructions from one or more stockholders. This procedure reduces the environmental impact of our annual meetings, and reduces Quotient's printing and mailing costs. Stockholders who participate in householding will continue to receive separate proxy cards. Upon written or oral request, Quotient will deliver promptly a separate copy of the Notice of Internet Availability and, if you requested printed versions by mail, this Proxy Statement and the Annual Report to any stockholder that elects not to participate in householding.

To receive, free of charge, a separate copy of the Notice of Internet Availability and, if you requested printed versions by mail, this Proxy Statement or the Annual Report, or separate copies of any future notice, proxy statement, or annual report, you may write or call Quotient at the following email address, physical address, or phone number:

IR@quotient.com

Quotient Technology Inc.

Attention: Investor Relations

Mountain View, California 94043

(650) 605-4600 (option 7)

If you are receiving more than one copy of the proxy materials at a single address and would like to participate in householding, please contact Quotient at the email address, physical address, or phone number above. Stockholders who hold shares in "street name" may contact their brokerage firm, bank, broker-dealer, or other similar organization to request information about householding.

Is my vote confidential?

Proxy instructions, ballots, and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Quotient or to third parties, except as necessary to meet applicable legal requirements, to allow for the tabulation of votes and certification of the vote, or to facilitate a successful proxy solicitation.

Stockholder Proposals

Stockholders may present proper proposals for inclusion in our proxy statement and for consideration at the next annual meeting of stockholders by submitting their proposals in writing to our Secretary in a timely manner. For a stockholder proposal to be considered for inclusion in our proxy statement for our 2018 Annual Meeting of Stockholders, our Secretary must receive the written proposal at our principal executive offices not later than December 25, 2017. In addition, stockholder proposals must comply with the requirements of Rule 14a-8 under the Securities Exchange Act of 1934, as amended, regarding the inclusion of stockholder proposals in Company-sponsored proxy materials. Stockholder proposals should be addressed to:

Quotient Technology Inc.

Attention: Investor Relations

400 Logue Avenue

Mountain View, California 94043

Our Bylaws also establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders but do not intend for the proposal to be included in our proxy statement. Our Bylaws provide that the only business that may be conducted at an annual meeting is business that is (i) specified in our proxy materials with respect to such meeting, (ii) otherwise properly brought before the annual meeting by or at the direction of our Board, or (iii) otherwise properly brought before the annual meeting by a stockholder of record entitled to vote at the annual meeting who has delivered timely written notice to our Secretary, which notice must contain the information specified in our Bylaws. To be timely for our 2018 Annual Meeting of Stockholders, our Secretary must receive the written notice at our principal executive offices:

- no earlier than February 5, 2018; and

- no later than the close of business on March 7, 2018.

In the event that we hold our 2018 Annual Meeting of Stockholders more than 30 days before or more than 30 days after the one-year anniversary of the Annual Meeting, then notice of a stockholder proposal that is not intended to be included in our proxy statement must be received no earlier than the close of business on the 120th day before such annual meeting and no later than the close of business on the later of the following two dates:

- the 90th day prior to such annual meeting; or

- the 10th day following the day on which public announcement of the date of such annual meeting is first made.

If a stockholder who has notified us of his, her or its intention to present a proposal at an annual meeting does not appear to present his, her or its proposal at such annual meeting, we are not required to present the proposal for a vote at such annual meeting.

Nomination of Director Candidates

You may propose director candidates for consideration by our Nominating and Corporate Governance Committee. Any such recommendations should include the nominee's name and qualifications for membership on our Board and should be directed to our Secretary at the address set forth above. For additional information regarding stockholder recommendations for director candidates, see "Board and Corporate Governance—Stockholder Recommendations for Nominations to the Board."

In addition, our Bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. To nominate a director, the stockholder must provide the information required by our Bylaws. In addition, the stockholder must give timely notice to our Secretary in accordance with our Bylaws, which, in general, require that the notice be received by our Secretary within the time period described above under "Stockholder Proposals" for stockholder proposals that are not intended to be included in a proxy statement.

Availability of Bylaws

You may contact our Secretary at our principal executive offices for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our Board have the authority to establish the authorized number of directors from time to time by resolution. Our Board currently consists of seven members. Our Amended and Restated Certificate of Incorporation (our “Restated Certificate”) and our Bylaws provide for a classified Board consisting of three classes of directors, with directors serving staggered three-year terms.

Directors in a particular class will be elected for a three-year term at the annual meeting of stockholders in the year in which their terms expire. As a result, only one class of directors will be elected at each annual meeting of our stockholders, with the other classes continuing for the remainder of their respective three-year term. Each director’s term continues until the election and qualification of his or her successor, or his or her earlier death, resignation or removal. The initial class of each director is set forth in the table below.

The nominees and the directors who are serving for terms that end following the Annual Meeting, and their ages, occupations and length of board service as of April 24, 2017, are provided in the table below. Additional biographical descriptions of each nominee and director are set forth in the text below the table. These descriptions include the primary individual experience, qualifications, qualities and skills of our nominees and directors that led to the conclusion that each person should serve as a member of our Board.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board (the “Audit Committee”) has appointed the firm of Ernst & Young LLP (“Ernst & Young”) as our independent registered public accounting firm to audit our financial statements for the year ending December 31, 2017. During our previous fiscal year ended December 31, 2016, Ernst & Young served as our independent registered public accounting firm.

At the Annual Meeting, the stockholders are being asked to ratify the appointment of Ernst & Young as our independent registered public accounting firm for the year ending December 31, 2017. Our Audit Committee is submitting the selection of Ernst & Young to our stockholders because we value our stockholders’ views on our independent registered public accounting firm and as a matter of good corporate governance. Representatives of Ernst & Young will be present at the Annual Meeting and they will have an opportunity to make statements and will be available to respond to appropriate questions from stockholders. If this proposal does not receive the affirmative approval of a majority of the votes cast on the proposal, the Audit Committee would reconsider the appointment.

Notwithstanding its selection and even if our stockholders ratify the selection, our Audit Committee, in its discretion, may appoint another independent registered public accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interests of Quotient and its stockholders.

The following table presents fees billed or to be billed by Ernst & Young for professional services rendered with respect to the years ended December 31, 2016 and 2015. All of these services rendered were preapproved by the Audit Committee.

Auditor Independence

Under its charter, the Audit Committee pre-approves all services rendered by our independent registered public accounting firm, Ernst & Young. The Audit Committee has determined that the rendering of non-audit services by Ernst & Young was compatible with maintaining their independence.

Pre-Approval Policies and Procedures.

Consistent with requirements of the SEC and the Public Company Accounting Oversight Board (the “PCAOB”) regarding auditor independence, our Audit Committee is responsible for the appointment, compensation and oversight of the work of our independent registered public accounting firm. In recognition of this responsibility, our Audit Committee (or a member of the Audit Committee delegated by the Audit Committee) pre-approves all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services.

THE BOARD RECOMMENDS A VOTE “FOR” THE RATIFICATION

OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

CORPORATE GOVERNANCE AND DIRECTORS

Our Corporate Governance Guidelines, together with the Board's committee charters, provide the framework for the corporate governance of the Company. Following is a summary of our Corporate Governance Guidelines. Our Corporate Governance Guidelines, as well as the charters of each of our Board committees, are available on our website at www.quotient.com, on the Governance page under the Investor section.

Board Composition

Our business and affairs are managed under the direction of our Board. Our Board currently consists of seven members, five of whom qualify as "independent" under the listing standards of the New York Stock Exchange (the "NYSE"). The authorized number of directors may be changed only by resolution of our Board. This classification of our Board into three classes with staggered three-year terms may have the effect of delaying or preventing changes in our control of our Company or management.

Board Leadership Structure

The Board believes that it is in the best interests of Quotient that the same person holds both the offices of Chairman of the Board and Chief Executive Officer ("CEO"). Mr. Boal has served as the Chairman of the Board since February 2017. The Board believes that having Mr. Boal serving in the combined role of Chairman of the Board and CEO is the most effective structure for Quotient at this time. Our Board believes that the current Board leadership structure, coupled with a strong emphasis on Board independence, provides effective independent oversight of management while allowing the Board and management to benefit from Mr. Boal's leadership and years of experience as an executive in the technology industry. The Board believes that Mr. Boal's combined role enables strong leadership, creates clear accountability and enhances our ability to communicate our message and strategy clearly and consistently to stockholders.

In addition, the Board has a Lead Independent Director and it believes this role addresses the need for independent leadership and an organizational structure for the independent directors. The Lead Independent Director coordinates the activities of the other independent directors, presides over meetings of the Board at which the Chairman of the Board is not present and at each executive session, serves as liaison between the Chairman of the Board and the independent directors, and is available for consultation and direct communication if requested by major stockholders.

Mr. Siminoff has served as our Lead Independent Director since February 7, 2017. Prior to Mr. Siminoff's designation as Lead Independent Director our Board did not formally designate a Lead Independent Director. Previously, the independent directors rotated chairing executive sessions as Lead Independent Director based upon such director's expertise in the matters for Board discussion. The Lead Independent Director for each session serves as a liaison between our non-independent directors and our independent directors and performs such additional duties as our Board may otherwise determine and delegate.

Director Independence

Our Board has undertaken a review of the independence of each director. Based on information provided by each director concerning his or her background, employment and affiliations, our Board has determined that Messrs. Gessow, Horowitz, Raskin and Siminoff and Ms. Lepore do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is "independent" as that term is defined under the applicable rules and regulations of the SEC and the listing standards of the NYSE.

Risk Oversight

Our Board believes that open communication between management and the Board is essential for effective risk management and oversight. Our Board meets with our CEO and other members of the senior management team at quarterly Board meetings, where, among other topics, they discuss strategy and risks in the context of reports from the management team and evaluates the risks inherent in significant transactions. While our Board is ultimately responsible for risk oversight, our Board committees assist the Board in fulfilling its oversight responsibilities in certain areas of risk. The Audit Committee of our Board (the “Audit Committee”) assists our Board in fulfilling its oversight responsibilities with respect to risk management in the areas of internal control(s) over financial reporting and disclosure controls and procedures. The Compensation Committee of our Board (the “Compensation Committee”) assists our Board in assessing risks created by the incentives inherent in our compensation policies. The Nominating and Corporate Governance Committee of our Board (the “Nominating and Corporate Governance Committee”) is charged with assisting our Board in fulfilling its oversight responsibilities with respect to the management of risk associated with Board membership and corporate governance.

Code of Business Conduct and Ethics

We have adopted a written code of business conduct and ethics (the “Code of Business Conduct and Ethics”), which outlines the principles of legal and ethical business conduct under which we do business. The code is applicable to all of our directors, officers and employees. We intend to disclose any amendments to our code of business conduct and ethics, or waivers of its requirements, on our website or in filings under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) to the extent required by applicable rules and exchange requirements. The Code of Business Conduct and Ethics is available on our website at www.quotient.com, on the Governance page under the Investor section.

Director Ownership Guidelines

Our Board adopted in 2016 stock ownership guidelines for our CEO, executive officers, and non-employee directors. Under the guidelines, non-employee directors are expected to own shares of Quotient common stock that have a value equal to three times their annual cash retainer for serving as a director. Shares may be owned directly by the individual, owned jointly with or separately by the individual’s spouse, or held in trust for the benefit of the individual, the individual’s spouse or children. Each non-employee director is required to satisfy the stock ownership guidelines by October 24, 2021, or within five years after first becoming subject to the guidelines. Other than Mr. Raskin, who joined the Board on February 7, 2017, each non-employee director has already satisfied the stock ownership guidelines.

Meetings of the Board

Our Board met eight times and acted by written consent one time during 2016. No director attended fewer than 75% of the total number of meetings of the Board and of any Board committees of which he or she was a member during 2016.

Attendance at Annual Stockholder Meetings by the Board

It is our policy that directors are invited and encouraged to attend our annual meetings of stockholders. Directors Andrew J. Gessow and Steven R. Boal attended Quotient’s 2016 Annual Meeting of Stockholders in person; and Directors Dawn G. Lepore, David E. Siminoff and Steve M. Horowitz attended telephonically.

Committees of the Board

Our Board has established an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. Members serve on these committees until their resignation or until otherwise determined by our Board. The following table provides membership information for 2016 for each of our Board committees:

Name	Audit Committee	Compensation Committee	Nominating and Corporate Governance Committee
Andrew J. Gessow			
Steve M. Horowitz*			

Dawn G. Lepore

Scott D. Raskin**

David E. Siminoff

= Chairperson = Member

*Mr. Horowitz has served on the Nominating and Corporate Governance Committee since April 3, 2017.

**Mr. Raskin joined the Board on February 7, 2017 and has served on the Compensation Committee since February 7, 2017.

Effective upon and subject to the election of our Class III directors at the Annual Meeting, the composition of our Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee is expected to remain the same as it is currently comprised.

Audit Committee

Our Audit Committee is comprised of Messrs. Gessow and Siminoff and Ms. Lepore, with Mr. Siminoff serving as our Audit Committee chairperson. Our Board has determined that all of the members of the Audit Committee possess the level of financial literacy and sophistication required under the listing standards of the NYSE, and that Mr. Siminoff is an audit committee financial expert as defined by SEC rules. Our Board has also determined that Messrs. Gessow and Siminoff and Ms. Lepore satisfy the independence requirements of Audit Committee members under the applicable rules and regulations of the SEC and the listing standards of the NYSE. Our Audit Committee met five times and acted by written consent four times during 2016.

Our Audit Committee is responsible for, among other things:

- appointing, compensating, retaining and overseeing our independent registered public accounting firm;
- approving the audit and non-audit services to be performed by our independent registered public accounting firm;
- reviewing, with our independent registered public accounting firm, all critical accounting policies and procedures;
- reviewing with management the adequacy and effectiveness of our internal control structure and procedures for financial reports;
- reviewing and discussing with management and our independent registered public accounting firm our annual audited financial statements and any certification, report, opinion or review rendered by our independent registered public accounting firm;
- reviewing and investigating conduct alleged to be in violation of our code of conduct;
- reviewing and approving related party transactions;
 - preparing the audit committee report required in our annual proxy statement; and
- reviewing and evaluating, at least annually, its own performance and the adequacy of the committee charter.

The Audit Committee operates under a written charter that was adopted by our Board and satisfies the applicable standards of the SEC and the NYSE. A copy of the Audit Committee charter is posted under the “Governance” portion of the “Investor Relations” section on our website

at <http://investors.quotient.com/investors/governance/governance-documents/default.aspx>.

Compensation Committee

Our Compensation Committee is comprised of Ms. Lepore and Messrs. Siminoff and Raskin, with Ms. Lepore serving as our Compensation Committee chairperson. Each member of our Compensation Committee satisfies the independence requirements under the applicable rules and regulations of the SEC and the listing standards of the NYSE. In addition, each member of our Compensation Committee qualifies as a “non-employee director” as defined pursuant to Rule 16b-3 promulgated under the Exchange Act and an “outside director” for purposes of Section 162(m) of the Internal Revenue Code (the “Code”). Our Compensation Committee met eight times and acted by written consent five times during 2016.

Our Compensation Committee is responsible for, among other things:

- reviewing and approving corporate goals and objectives relevant to compensation of our Chief Executive Officer and other executive officers;
- reviewing and approving the following compensation for our Chief Executive Officer and our other executive officers: salaries, bonuses, incentive compensation, equity awards, benefits and perquisites;
- recommending the establishment and terms of our incentive compensation plans and equity compensation plans, and administering such plans;
- recommending compensation programs for directors;

• preparing disclosures regarding executive compensation and any related reports required by the rules of the SEC;
• making and approving grants of options and other equity awards to all executive officers, directors and all other eligible individuals; and
• reviewing and evaluating, at least annually, its own performance and the adequacy of the committee charter.

11

In carrying out these responsibilities, the Compensation Committee reviews all components of executive compensation for consistency with our compensation philosophy and with the interests of our stockholders.

In 2016, our Compensation Committee retained an independent compensation consultant, Compensia, Inc., to assist in reviewing and assessing for 2017 our compensation philosophy, broad-based equity strategy and executive compensation. The Compensation Committee assessed the independence of Compensia pursuant to SEC and NYSE rules and concluded that no conflict of interests exists that would prevent Compensia from independently advising the Compensation Committee.

The Compensation Committee has delegated in accordance with applicable law, rules and regulations, and our certificate of incorporation and bylaws, authority to an equity awards committee comprised of certain executive officers of our Company to make certain types of equity awards to any employee below the rank of vice president or who is not an executive or director under our Company's 2013 Equity Incentive Plan pursuant to the terms of such plan and the equity award guidelines approved by our Compensation Committee.

The Compensation Committee operates under a written charter that was adopted by our Board and satisfies the applicable standards of the SEC and the NYSE. A copy of the Compensation Committee charter is posted under the "Governance" portion of the "Investor Relations" section on our website at <http://investors.quotient.com/investors/governance/governance-documents/default.aspx>.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is comprised of Ms. Lepore, Messrs. Gessow and Horowitz, with Ms. Lepore serving as our Nominating and Corporate Governance Committee chairperson, each of whom satisfies the independence requirements under applicable rules and regulations of the SEC and the listing standards of the NYSE. Our Nominating and Corporate Governance Committee met four times and did not act by written consent during 2016.

Our Nominating and Corporate Governance Committee is responsible for, among other things:

- assisting our Board in identifying qualified director nominees and recommending nominees for each annual meeting of stockholders;
- developing, recommending and reviewing corporate governance principles and a code of conduct applicable to us;
- assisting our Board in its evaluation of the performance of our Board and each committee thereof; and
- reviewing and evaluating, at least annually, its own performance and the adequacy of the committee charter.

The Nominating and Corporate Governance Committee operates under a written charter that was adopted by our Board and satisfies the applicable standards of the SEC and the NYSE. A copy of the Nominating and Corporate Governance Committee charter is posted under the "Governance" portion of the "Investor Relations" section on our website at <http://investors.quotient.com/investors/governance/governance-documents/default.aspx>.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee is currently or has been at any time one of our officers or employees. None of our executive officers currently serves, or in the past year has served, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our Board or Compensation Committee.

Considerations in Evaluating Director Nominees

The Nominating and Corporate Governance Committee is responsible for identifying, evaluating and recommending candidates to the Board for Board membership. A variety of methods are used to identify and evaluate director nominees, with the goal of maintaining and further developing a diverse, experienced and highly qualified Board. The Nominating and Corporate Governance Committee does consider the diversity of its directors and nominees in terms of knowledge, experience, background, skills, expertise and other demographic factors. Candidates may come to our attention through current members of our Board, professional search firms, stockholders or other persons.

The Nominating and Corporate Governance Committee will recommend to the Board for selection all nominees to be proposed by the Board for election by the stockholders, including approval or recommendation of a slate of director nominees to be proposed by the Board for election at each annual meeting of stockholders, and will recommend all director nominees to be appointed by the Board to fill interim director vacancies.

Director Qualifications

The Nominating and Corporate Governance Committee also reviews and recommends to the Board for determination the desired qualifications, expertise and characteristics of Board members, with the goal of developing a diverse, experienced and highly qualified Board. The Nominating and Corporate Governance Committee and the Board believe that candidates for director should have certain minimum qualifications, including, without limitation:

- the highest personal and professional ethics and integrity;
 - proven achievement and competence in the candidate's field and ability to exercise sound business judgment;
 - skills that are complementary to those of the existing Board;
 - the ability to assist and support management and make significant contributions to the Company's success;
 - an understanding of the fiduciary responsibilities that is required of a member of the Board and the commitment of time and energy necessary to diligently carry out those responsibilities;
 - ability to read and understand financial statements and other financial information pertaining to Quotient;
 - commitment to enhancing stockholder value;
 - willingness to act in the interest of all stockholders; and
 - for non-employee directors, independence under NYSE listing standards and other applicable rules and regulations.
- In the context of the Board's existing composition, other requirements that are expected to contribute to the Board's overall effectiveness and meet the needs of the Board and its committees may be considered.

Stockholder Recommendations for Nominations to the Board

The Nominating and Corporate Governance Committee will consider properly submitted stockholder recommendations for candidates for our Board who meet the minimum qualifications as described above. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. A stockholder of record holding at least three percent of the fully diluted capitalization of the Company continuously for at least twelve (12) months prior to the date of the submission of the recommendation can recommend a candidate for nomination to the Board by complying with our Bylaws and our Restated Certificate and applicable laws, rule and regulations, included those promulgated by the SEC. Any eligible stockholder who wishes to directly submit a nomination should review the requirements in Section 2.15 of the Bylaws on nominations by stockholders. Any recommendation or nomination should be sent in writing to the General Counsel, Quotient Technology Inc., 400 Logue Avenue, Mountain View, California 94043. Submissions must include the full name of the proposed nominee, home and business contact information, detailed biographical data, relevant qualifications, a signed letter from the candidate confirming willingness to serve, information regarding any relationships between the candidate and Quotient, other information specified in our Bylaws, and evidence of the recommending stockholder's ownership of Company stock in the amount and for the time period required. These candidates are evaluated at meetings of the Nominating and Corporate Governance Committee, and may be considered at any point during the year. If any materials are provided by a stockholder in connection with the recommendation of a director candidate, such materials are forwarded to the Nominating and Corporate Governance Committee.

All proposals of stockholders that are intended to be presented by such stockholder at an annual meeting of Stockholders must be in writing and notice must be delivered to the Secretary at the principal executive offices of Quotient not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred and twentieth (120th) day prior to the first anniversary of the preceding year's annual meeting. Stockholders are also advised to review our Bylaws, which contain additional requirements with respect to advance notice of stockholder proposals and director nominations.

Non-Employee Director Compensation

Non-employee directors receive compensation in the form of equity granted under the terms of our 2013 Equity Incentive Plan (the “2013 Plan”), and cash, as described below:

Equity Compensation

Initial grant. Upon appointment to our Board each non-employee director is granted a stock option to purchase shares of our common stock (the “Initial Option”). The number of shares subject to the Initial Option is determined by dividing \$250,000 by the

closing price of our stock on the date of grant or as computed in accordance with such other methodology as our Board or Compensation Committee may determine. The shares underlying the Initial Option vest and, if applicable, become exercisable, as to 25% of the shares of our common stock subject to the Initial option on each annual anniversary of the date of grant.

Annual award. On the date of each annual meeting of our stockholders, each non-employee director will be granted a stock option to purchase shares of our common stock (the “Annual Option”). The number of shares subject to the Annual Option is determined by dividing \$150,000 by the closing price of our stock on the date of the annual stockholder meeting or as computed in accordance with such other methodology as our Board or Compensation Committee may determine. All of the shares underlying the Annual Option will vest and become exercisable upon the earlier of (i) the day prior to the next year’s annual meeting of stockholders or (ii) one year from the grant date, subject to continued service as a director through the applicable vesting date.

The exercise price per share of each stock option granted under the outside director compensation policy will be the fair market value of a share of our common stock, as determined in accordance with our 2013 Plan, on the date of the option grant.

Cash compensation.

Each non-employee director receives an annual retainer of \$30,000 in cash for serving on our Board and the lead independent director will receive an additional annual retainer of \$15,000 in cash.

The chairperson and members of the three standing committees of our Board are entitled to the following additional annual cash retainers:

Board Committee	Chairperson Fee (\$)	Member Fee (\$)
Audit Committee	15,000	7,500
Compensation Committee	10,000	5,000
Nominating and Corporate Governance Committee	5,000	2,500

All cash retainers are paid in quarterly installments to each non-employee director who has served in the relevant capacity for the immediately preceding fiscal quarter no later than 30 days following the end of such preceding fiscal quarter. A non-employee director who has served in the relevant capacity for only a portion of the immediately preceding fiscal quarter will receive a prorated payment of the quarterly payment of the applicable annual cash retainer.

The following table provides information for the year ended December 31, 2016 regarding all compensation awarded to, earned by or paid to each person who served as a non-employee director for 2016. Scott D. Raskin, who was appointed to the Board on February 7, 2017, did not receive compensation as a non-employee director in 2016.

REPORT OF THE AUDIT COMMITTEE

With respect to Quotient's financial reporting process, the management of Quotient is responsible for (1) establishing and maintaining internal controls and (2) preparing Quotient's consolidated financial statements. Quotient's independent registered public accounting firm, Ernst & Young, is responsible for auditing these financial statements. It is the responsibility of the Audit Committee to oversee these activities. The Audit Committee does not itself prepare financial statements or perform audits, and its members are not auditors or certifiers of Quotient's financial statements.

The Audit Committee has reviewed and discussed the audited financial statements for the year ended December 31, 2016 with Quotient's management and with Ernst & Young, including the results of the independent registered public accounting firm's audit of Quotient's financial statements. The Audit Committee has also discussed with Ernst & Young all matters that the independent registered public accounting firm was required to communicate and discuss with the Audit Committee, including the matters required to be discussed by PCAOB Auditing Standard No. 1301 "Communication with Audit Committees."

The Audit Committee also has received and reviewed the written disclosures and the letter from Ernst & Young required by applicable requirements of the PCAOB regarding Ernst & Young's communications with the Audit Committee concerning independence, and has discussed with Ernst & Young its independence from Quotient, as well as any relationships that may impact Ernst & Young's objectivity and independence.

Based on the Audit Committee's review and discussions with Quotient's management and independent registered public accountants discussed above, the Audit Committee recommends to the Board of Directors that the audited financial statements be included in Quotient's Annual Report on Form 10-K for the year ended December 31, 2016, for filing with the SEC.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Other than the executive and director compensation arrangements, including the employment, termination of employment and change in control arrangements, discussed below under “Executive Compensation,” the indemnification arrangements with our executive officers and directors discussed below under “Indemnification Agreements,” we were not party to any transactions since January 1, 2016 to which we were a party or will be a party, in which:

- the amounts involved exceeded or will exceed \$120,000; and
- any of our directors, executive officers or holders of more than 5% of our capital stock, or any member of the immediate family of, or person sharing the household with, the foregoing persons, had or will have a direct or indirect material interest.

Amended and Restated Investor Rights Agreement

In June 2011, we entered into an Eighth Amended and Restated Investor Rights Agreement with the holders of our preferred stock, including entities affiliated with John H. Burbank III, which hold 5% or more of our capital stock. Such agreement provides, among other things, for certain rights relating to the registration of their shares of common stock, including those issued upon conversion of their preferred stock, including the right to demand that we file a registration statement or request that their shares be covered by a registration statement that we are otherwise filing.

Review, approval or ratification of transactions with related parties

Our Board recognizes that transactions between our Company and persons or entities that may be deemed related persons can present potential or actual conflicts of interest and create the appearance of impropriety. Accordingly, our Board has delegated authority for the review and approval of all related person transactions to the Audit Committee. We have adopted a Policy and Procedures with Respect to Transactions with Related Persons to provide procedures for reviewing, approving and ratifying any transaction involving our Company or any of its subsidiaries in which a 5% or greater stockholder, director, executive officer or members of their immediate family have or will have a direct or indirect material interest. This policy is intended to supplement, and not to supersede, our Company’s other policies that may be applicable to or involve transactions with related persons.

EXECUTIVE COMPENSATION

This section describes the material elements of compensation awarded to, earned by, or paid to our CEO and our two other most highly compensated individuals who served as our executive officers during the year ended December 31, 2016. Throughout this proxy, these three officers are referred to as our named executive officers:

- Steven R. Boal, our CEO;
- Mir M. Aamir, our President and Chief Operating Officer; and
- Ronald J. Fior, our Chief Financial Officer as of August 10, 2016.

Processes and Procedures for Compensation Decisions

Our Compensation Committee is responsible for the executive compensation programs for our executive officers and reports to our Board on its discussions, decisions and other actions. Typically, our CEO makes recommendations to our Compensation Committee, often attends committee meetings and is involved in the determination of compensation for the respective executives that report to him, except that our CEO does not make recommendations as to his own compensation. Our CEO makes recommendations to our Compensation Committee regarding short- and long-term compensation for all executive officers (other than himself) based on our results, an individual executive officer's contribution toward these results and performance toward individual goal achievement. Our Compensation Committee then reviews the recommendations and other data and makes decisions as to total compensation for each executive officer, as well as each individual compensation component.

The Compensation Committee may form and delegate its authority to one or more subcommittees when appropriate. The Compensation Committee has delegated in accordance with applicable law, rules and regulations, and our certificate of incorporation and Bylaws, authority to an equity awards committee comprised of certain executive officers of our Company to make certain types of equity awards to any employee below the rank of vice president and provided that such employee is not an executive or director. Such awards are granted under our 2013 Plan pursuant to the terms of such plan and the equity award guidelines approved by our Compensation Committee.

Additionally, the Compensation Committee is authorized to retain the services of one or more executive compensation advisors, as it sees fit, in connection with the establishment of our compensation programs and related policies. Our Board adopted in 2016 stock ownership guidelines for our CEO, executive officers, and non-employee directors. Under the guidelines, our CEO is expected to own shares of our common stock that have a value equal to five times his annual salary and our President and other executive officers are expected to own shares of our common stock that have a value equal to one times their annual salary. Shares may be owned directly by the individual, owned jointly with or separately by the individual's spouse, or held in trust for the benefit of the individual, the individual's spouse or children. Each executive officer is required to satisfy the stock ownership guidelines by October 24, 2021, or within five years after first becoming subject to the guidelines. Our CEO and President have already satisfied the stock ownership guidelines and our CFO has remaining time to satisfy the stock ownership guidelines.

Potential Payments upon Termination, Change of Control or Certain Other Events

On August 2, 2016, the Company entered into a Change of Control Severance Agreement (each, a "Change of Control Agreement", and collectively, the "Change of Control Agreements") with Steven R. Boal, the Company's CEO, Mir M. Aamir, the Company's President and Chief Operating Officer and Ronald J. Fior, the Company's Chief Financial Officer (each, an "NEO").

Each Change of Control Agreement has a three-year term and any obligations of the Company will lapse upon the end of the term. Pursuant to the Change of Control Agreements, if the NEO's employment with the Company is terminated without Cause (as such term is defined in the Change of Control Agreement and summarized below) and not by reason of death or Disability (as such term is defined in the Change of Control Agreement), or, for Messrs. Boal and Aamir only, if the NEO terminates his employment with the Company for Good Reason (as such term is defined in the Change of Control Agreement and summarized below), and, in any event, such termination does not occur within three months before or twelve months after a Change of Control (as such term is defined in the Change of Control Agreement) of the Company (the "Change of Control Period"), then provided the NEO signs and does not revoke a separation agreement and release of claims in favor of the Company and subject to the terms of the Change of Control Agreement, the NEO will receive the following: (i) a lump-sum payment (less applicable withholding taxes) equal to 100% for Messrs. Boal and Aamir and 75% for Mr. Fior, of the NEO's annual base salary as in effect immediately prior to the NEO's termination date, and (ii) a taxable lump-sum payment (less applicable withholding taxes) in an amount equal to the monthly COBRA premium that the NEO would be required to pay to continue the NEO's group health coverage in effect on the date of NEO's termination of employment, multiplied by twelve for Messrs. Boal and Aamir and nine for Mr. Fior. In addition, 25% of the shares subject to certain of Mr. Aamir's outstanding equity awards will accelerate and become exercisable, to the extent applicable.

Pursuant to the terms of the Change of Control Agreement, if the NEO's employment with the Company is terminated by the Company without Cause and not by reason of death or Disability or the NEO terminates his employment with the Company for Good Reason, and, in any event, such termination occurs during the Change of Control Period, then provided the NEO signs and does not revoke a separation agreement and release of claims in favor of the Company and subject to the terms of the Change of Control Agreement, the NEO will receive the following: (i) a lump-sum payment (less applicable withholding taxes) equal to 150% for Messrs. Boal and Aamir and 100% for Mr. Fior, of the NEO's annual base salary as in effect immediately prior to the NEO's termination date or, if greater, at the level in effect immediately prior to the Change of Control; (ii) a lump-sum payment (less applicable withholding taxes) equal to 150% for Messrs. Boal and Aamir and 100% of Mr. Fior, of the NEO's annual bonus for the year of termination at target level, as in effect immediately prior to the NEO's termination date, or if greater, at the level in effect immediately prior to the Change of Control; (iii) a taxable lump-sum payment (less applicable withholding taxes) in an amount equal to the monthly COBRA premium that the NEO would be required to pay to continue NEO's group health coverage in effect on the date of the NEO's termination of employment, multiplied by eighteen for Messrs. Boal and Aamir and twelve for Mr. Fior; and (iv) 100% of the NEO's then-outstanding and unvested Equity Awards (as such term is defined in the Change of Control Agreement) will become vested in full and in the case of stock options and stock appreciate rights, will become exercisable.

In the event that the severance and other benefits payable to the NEO constitutes "parachute payments" under Section 280G of the U.S. tax code and would be subject to the applicable excise tax, then the NEO's severance benefits will be either (A) delivered in full or (B) delivered to such lesser extent which would result in no portion of such benefits being subject to the excise tax, whichever results in the receipt by the NEO on an after-tax basis of the greatest amount of benefits.

For purposes of each Change of Control Agreement, “Cause” means the occurrence of any of the following: (i) NEO’s conviction of, or plea of “no contest” to, a felony or any crime involving fraud or embezzlement; (ii) NEO’s intentional misconduct; (iii) NEO’s material failure to perform his employment duties; (iv) NEO’s unauthorized use or disclosure of any proprietary information or trade secrets of the Company, or any of its subsidiaries, or any other party to whom NEO owes an obligation of nondisclosure as a result of his relationship with the Company or any of its subsidiaries; (v) an act of material fraud or dishonesty against the Company or any of its subsidiaries; (vi) NEO’s material violation of any policy of the Company or any of its subsidiaries or material breach of any written agreement with the Company or any of its subsidiaries; or (vii) NEO’s failure to cooperate with the Company in any investigation or formal proceeding.

For purposes of each Change of Control Agreement, “Good Reason” means the NEO’s termination of his employment in accordance with the next sentence after the occurrence of one or more of the following events without the NEO’s express written consent: (i) a material reduction of the NEO’s duties, authorities, or responsibilities relative to NEO’s duties, authorities, or responsibilities in effect immediately prior to such reduction; (ii) a material reduction by the Company in the NEO’s rate of annual base salary; provided, however, that, a reduction of annual base salary that also applies to substantially all other similarly situated employees of the Company will not constitute “Good Reason”; (iii) a material change in the geographic location of the NEO’s primary work facility or location; provided, that a relocation of less than thirty-five miles from the NEO’s then present location will not be considered a material change in geographic location; or (iv) the failure of the Company to obtain from any successor or transferee of the Company an express written and unconditional assumption of the Company’s obligations to the NEO under the Change of Control Agreement. In order for the NEO’s termination of his employment to be for Good Reason, the NEO must not terminate employment with the Company without first providing the Company with written notice of the acts or omissions constituting the grounds for “Good Reason” within ninety days of the initial existence of the grounds for “Good Reason” and a cure period of thirty days following the date of written notice (the “Cure Period”), such grounds must not have been cured during such time, and the NEO must terminate his employment within thirty days following the Cure Period.

2013 Equity Incentive Plan

In the event of a change in control as described in the 2013 Plan, the acquiring or successor entity may assume or continue all or any awards outstanding under the 2013 Plan or substitute substantially equivalent awards. Any awards which are not assumed or continued in connection with a change in control or are not exercised or settled prior to the change in control will terminate effective as of the time of the change in control. The Compensation Committee may provide for the acceleration of vesting of any or all outstanding awards upon such terms and to such extent as it determines, except that the vesting of all awards held by members of the Board who are not employees will automatically be accelerated in full. The 2013 Plan authorizes the Compensation Committee, in its discretion and without the consent of any participant, to cancel each or any outstanding award denominated in shares upon a change in control in exchange for a payment to the participant with respect to each share subject to the cancelled award of an amount equal to the excess of the consideration to be paid per share of common stock in the change in control transaction over the exercise price per share, if any, under the award.

2006 Stock Plan

Our 2006 Stock Plan (the “2006 Plan”) provides that the administrator may adjust the number and class of shares that may be delivered under the plan and each outstanding award and the price of shares under the award in order to preserve the plan’s intended benefits upon certain events, including, without limitation, changes in our capitalization through stock splits, recapitalizations, mergers or consolidations. The 2006 Plan further provides that if, in the event

of a merger or change in control, any award is not assumed or replaced with an equivalent substitute award by the successor corporation, then such award will fully vest and be subject to settlement or will become fully exercisable, if applicable, for a specified period prior to the corporate transaction. The award will then terminate upon the expiration of the specified time period.

2000 Stock Plan

Our 2000 Stock Plan (the “2000 Plan”) provides that the administrator shall make appropriate adjustments to the number of shares covered by each outstanding option and its exercise price upon certain events, including, without limitation, changes in our capitalization through stock splits, recapitalizations or consolidations. The 2000 Plan further provides that if, in the event of a merger or change in control, any option does not remain outstanding or is not assumed or replaced with an equivalent substitute option by the successor corporation, then such option will become fully exercisable.

Executive Bonus Plan

Each of Steven R. Boal, our CEO, Mir M. Aamir, our President and Chief Operating Officer, and Ronald J. Fior, our Chief Financial Officer as of August 10, 2016, participated in our executive bonus plan for 2016 which provided for cash payments as a percentage of such executive's base salary based upon achievement of specified performance objectives. The target annual bonus for each named executive officer, was earned by achieving 100% of each performance objective (as described below), as determined based on Board-approved financial statements of the Company or an assessment of performance by the Compensation Committee, as applicable.

Messrs. Boal and Aamir's performance objectives included achievement of annual corporate EBITDA and revenue targets. The EBITDA and revenue targets for Messrs. Boal and Aamir were the Company's annual targets under our fiscal plan that were determined and approved by our Compensation Committee. Mr. Fior's performance objectives included achievement of certain management objectives. The management objectives were determined by our Chief Executive Officer and included achievement of annual corporate EBITDA and revenue targets. Following the end of year, our Compensation Committee reviewed the achievement of each participant's objectives and approved the cash incentive payment amounts described in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table.

401(k) Plan

We maintain a tax-qualified retirement plan that provides eligible employees with an opportunity to save for retirement on a tax advantaged basis. Eligible employees are able to participate in the 401(k) plan following the date they meet the plan's eligibility requirements, and participants are able to defer a percentage of their eligible compensation subject to applicable annual Code and plan limits. Participants are 100% vested in their deferrals. The 401(k) plan permits us to make matching contributions and profit sharing contributions to eligible participants. We currently make a discretionary matching contribution equal to 50% of salary deferrals, not to exceed the lesser of 3% of compensation or \$6,000. Participants are vested 25% per year in matching and profit sharing contributions allocated to their account. Both employee pre-tax contributions and Company contributions are allocated to individual participant accounts, and then are invested in investment alternatives selected by each participant. The 401(k) plan is intended to qualify under Sections 401(a) and 501(a) of the Code. As a tax-qualified retirement plan, all contributions are deductible by us when made, and those contributions and any earnings thereon are not taxable to the employees until distributed from the 401(k) plan.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of March 31, 2017, certain information regarding beneficial ownership of our common stock (a) by each person known by us to be the beneficial owner of more than five percent of the outstanding shares of common stock, (b) by each director and nominee for director, (c) by the named executive officers (as defined in “Executive Compensation” above) and (d) by all of our current executive officers and directors as a group.

We have determined beneficial ownership in accordance with the rules of the SEC. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons and entities named in the table below have sole voting and investment power with respect to all shares of common stock that they beneficially own, subject to applicable community property laws.

Applicable percentage ownership is based on 90,266,438 shares of common stock outstanding at March 31, 2017. In computing the number of shares of common stock beneficially owned by a person and the percentage ownership of that person, we deemed to be outstanding all shares of common stock subject to options held by that person or entity that are currently exercisable or that will become exercisable within 60 days of March 31, 2017. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person. Unless otherwise indicated, the address of each beneficial owner listed in the table below is c/o Quotient Technology Inc., 400 Logue Avenue, Mountain View, CA 94043.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires that our executive officers and directors, and persons who own more than 10% of our common stock, file reports of ownership and changes of ownership with the SEC. Such directors, executive officers and 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

SEC regulations require us to identify in this proxy statement anyone who filed a required report late during the most recent year. Based on our review of forms we received, or written representations from reporting persons stating that they were not required to file these forms, we believe that during 2016, all Section 16(a) filing requirements were satisfied on a timely basis, with the exception of the following reports that were filed late: Steven R. Boal failed to timely file a Form 4 in December 2016 to report the sale of 37,900 shares partially due to administrative error by the Mr. Boal's broker. Andrew J. Gessow failed to timely file a Form 4 in March 2014 to report the purchase of 9,375 shares.

INDEMNIFICATION AGREEMENTS

In addition to the indemnification required in our Restated Certificate and Bylaws, we have entered into indemnification agreements with each of our directors and executive officers. These agreements generally provide for the indemnification of such persons for all reasonable expenses and liabilities incurred in connection with any action or proceeding brought against them by reason of the fact that they are or were serving in such capacity, to the extent indemnifiable under the law. We believe that these charter and bylaw provisions and indemnity agreements are necessary to attract and retain qualified persons as directors and executive officers. Furthermore, as is typical, we have obtained director and officer liability insurance to cover both us and our directors and officers for liabilities that may be incurred in connection with their services to us.
