## Explanation of Responses:

\* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

\*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

Represents shares earned from the performance share unit award granted on March 5, 2013 pursuant to the Equity Plan adopted by Baxter International Inc. (Baxter) as of such date (the 2013 PSUs). The award provides that fifty percent of the performance share units are earned based on Baxter's Return on Invested Capital (ROIC) performance annually over a three-year period with one-third of the ROIC performance share units allocated to each one-year period. In connection with the spin-off of Baxalta Incorporated (Baxalta) from Baxter, the 2015 performance period was adjusted so that the vesting of the ROIC performance share units allocated to that year will vest based upon a percentage determined by adding (i) the percentage determined by the extent to which Baxter, prior to giving effect to the spin-off, achieves the ROIC performance target for the first six months of 2015, plus (ii) in the case of the reporting person, the percentage determined by the extent to which Baxter, after giving effect to the spin-off, achieves its ROIC performance targets for the last six months of 2015, and dividing such sum by two. As previously reported on August 13, 2015, the reporting person earned 58 shares based on Baxter's ROIC during the performance period for the first half of 2015. The number of shares reported on this Form 4 represents the shares earned based on Baxter's ROIC during the performance period for the second half of 2015, as well as the dividends that accrued on previously earned and reported shares from the 2013 PSUs. All shares earned pursuant to the 2013 PSUs vested upon final determination of achievement of Baxter's ROIC performance target for the second six months of 2015.

- (1) Represents the number of shares forfeited by the reporting person to cover the withholding of taxes incurred as a result of the vesting of shares earned in 2013, 2014, and 2015 pursuant to the 2013 PSUs.

Represents shares earned from the performance share unit award granted on March 4, 2014 pursuant to the Equity Plan adopted by Baxter as of such date (the 2014 PSUs). The award provides that fifty percent of the performance share units are earned based on Baxter's ROIC performance annually over a three-year period with one-third of the ROIC performance share units allocated to each one-year period. In connection with the spin-off of Baxalta Incorporated from Baxter, the 2015 performance period was adjusted as described in Note 1 above with respect to the 2013 PSUs. As previously reported on August 13, 2015, the reporting person earned 57 shares based on Baxter's ROIC during the performance period for the first half of 2015. The number of shares reported on this Form 4 represents the shares earned based on Baxter's ROIC during the performance period for the second half of 2015. These shares are scheduled to vest after the end of the relevant three-year performance period.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
