Item 1.01. Entry into a Material Definitive Agreement.

On August 29, 2017, we entered into a warrant exchange agreement whereby we agreed to exchange with an investor (the “Investor”) Series A warrants issued to the Investor in our May 2017 public offering of common stock and warrants. The warrants provide for the purchase of up to an aggregate of 2,850,000 shares of our common stock at an exercise price of \$0.75, with an expiration date of September 10, 2018. We issued 712,500 shares of common stock to the Investor in exchange for the warrants to purchase up to an aggregate of 2,850,000 shares of common stock. The closing of the warrant exchange is anticipated to take place on August 30, 2017, subject to customary closing conditions.

Pursuant to the terms of the agreement, in the event that, within 30 calendar days of the closing date, we exchange any Series A warrants issued in our May 2017 public offering for shares of common stock with another person or entity at an exchange rate greater than 25%, and at the time of such other exchange the closing stock price of the common stock is \$0.51 or less, then we will issue to the Investor additional shares of common stock to reflect the difference between the 25% exchange rate and such greater exchange rate in an amount sufficient to make the Investor whole.

The description of the agreement is qualified in its entirety by reference to the full and complete terms of the agreement, a copy of which will be filed as an exhibit to the Form 10-Q for the quarter ending September 30, 2017.

Item 3.02. Unregistered Sale of Equity Securities.

The information contained in Item 1.01 of this Current Report is incorporated herein by reference. The exchange of the warrants for the shares of common stock was exempt from registration under Section 3(a)(9) of the Securities Act of 1933.
