Item 1.01 Entry into a Material Definitive Agreement.

On December 21, 2018, Capital Southwest Corporation (the "Company") entered into the Amended and Restated Senior Secured Revolving Credit Agreement (the "Amended and Restated Agreement"), and a related Amended and Restated Guarantee, Pledge and Security Agreement, to amend and restate its Senior Secured Revolving Credit Facility (the "Credit Facility") among the Company, as borrower, ING Capital LLC as Administrative Agent, Arranger and Bookrunner (the "Administrative Agent"), the several lenders party to the Amended and Restated Agreement, and Texas Capital Bank, N.A., as documentation agent.

The Amended and Restated Agreement increased the total commitments by \$60 million from \$210 million to an aggregate total of \$270 million, provided by a diversified group of nine lenders. The Amended and Restated Agreement includes an expansion of the accordion feature to \$350 million under the Credit Facility from new and existing lenders on the same terms and conditions as the existing commitments.

The Amended and Restated Agreement extended the Credit Facility's revolving period from November 16, 2020 to December 21, 2022 and the final maturity was extended from November 16, 2021 to December 21, 2023.

The Amended and Restated Agreement reduced the interest rate on borrowings from LIBOR plus 3.00% to LIBOR plus 2.50%, subject to certain conditions as outlined in the Amended and Restated Agreement.

The Amended and Restated Agreement reduced the minimum asset coverage with respect to senior securities representing indebtedness from 200% to 150% after the date on which such minimum asset coverage is permitted to be reduced by the Company under applicable law.

The Amended and Restated Agreement also modified certain covenants in the Credit Facility, including to provide for a minimum senior coverage ratio of 2-to-1 (in addition to the asset coverage ratio noted above), to increase the minimum obligors' net worth test from \$160 million to \$180 million, to reduce the minimum consolidated interest coverage ratio from 2.50-to-1 to 2.25-to-1 as of the last day of any fiscal quarter, and to provide for the fact that the Company will not declare or pay a dividend or distribution in cash or other property unless immediately prior to and after giving effect thereto the Company's asset coverage ratio exceeds 150% (and certain other conditions are satisfied).

The Amended and Restated Agreement also contains customary terms and conditions, including, without limitation, affirmative and negative covenants, including, without limitation, information reporting requirements, a minimum stockholders' equity test, a minimum liquidity test, and maintenance of regulated investment company and business development company status. The Amended and Restated Agreement also contains customary events of default, including, without limitation, nonpayment, misrepresentation of representations and warranties in a material respect, breach of covenant, cross-default to other indebtedness, bankruptcy, and certain change in control events.

The description of the Amended and Restated Agreement contained herein is not intended to be complete and is qualified in its entirety by reference to the full text of the Amended and Restated Agreement, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
