ONE LIBERTY PROPERTIES ANNOUNCES RESULTS OF OPERATIONS FOR THE QUARTER ENDED MARCH 31, 2003

Great Neck, New York - May 12, 2003 - One Liberty Properties, Inc. (ASE: OLP; OLP Pr) today announced that for the three months ended March 31, 2003, the first quarter of its fiscal year, it had revenues of \$4,644,000, net income of \$2,198,000 and net income applicable to common stockholders of \$1,939,000, or \$.34 per common share on a diluted basis. Net income, net income applicable to common stockholders and net income per common share for the three months ended March 31, 2003 give effect to \$654,000 attributable to the Company's equity in earnings of unconsolidated joint ventures. This compares with revenues of \$3,671,000, net income of \$1,198,000, and net income applicable to common stockholders of \$939,000 or \$.30 per common share on a diluted basis, for the three months ended March 31, 2002. Net income, net income applicable to common stockholders and net income per common share for the three months ended March 31, 2002 give effect to \$198,000 attributable to the Company's equity in earnings of unconsolidated joint ventures. The weighted average number of common shares outstanding, on a diluted basis, was 5,667,000 and 3,101,000 for the three months ended March 31, 2003 and 2002, respectively.

Jeffrey Fishman, president and chief executive officer of One Liberty commented that funds from operations applicable to common stockholders for the three months ended March 31, 2003 was \$2,890,000, or \$.51 per common share on a diluted basis, as compared to \$1,613,000, or \$.52 per common share on a diluted basis, for the three months ended March 31, 2002. Funds from operations adds

back to net income depreciation of properties and deducts cash distributions to preferred stockholders. Funds from operations has been calculated in accordance with the NAREIT definition.

Commenting on the results of operations, Mr. Fishman noted that rental income increased by \$826,000, or 22.6% quarter over quarter, due to rental income earned on four properties acquired by One Liberty between September, 2002 and February, 2003. In addition, net income benefited from the \$456,000 increase, a 230% increase, quarter versus quarter, in equity in earnings of unconsolidated joint ventures. The increase attributable to the Company's equity in earnings of unconsolidated joint ventures is primarily the result of the acquisition by the Company's movie theater joint ventures of eight movie theater properties between April and December, 2002.

On the expense side, Mr. Fishman pointed out that total expenses increased by \$427,000, or 16%, quarter versus quarter, primarily due to an increase in depreciation and amortization, an increase in interest - credit line and an increase in general and administrative expenses. The increase in general and administrative expenses of \$208,000, or 57.6%, was due to an increase in direct and allocated payroll and payroll related expenses, professional fees, state taxes and travel expenses related to property acquisition activities. The increase in payroll and payroll related expenses is due to the increase in the Company's level of business activity quarter over quarter, particularly in the areas of property acquisition, mortgage financing, lease negotiation, regulatory compliance activities and consummation of a new credit facility.

One Liberty Properties, Inc. is a real estate investment trust and invests primarily in improved commercial real estate under long term net lease.

Certain information contained herein may be deemed forward looking. Information regarding certain important factors that could cause actual outcomes or other events to differ materially from any such forward looking statements appear in the Company's Form 10-K for the year ended December 31, 2002.
