Item 1.01 Entry into a Material Definitive Agreement.

Edgar Filing: ONE LIBERTY PROPERTIES INC - Form 8-K

On December 21, 2004 Elpans LLC, a wholly-owned subsidiary of Registrant ("Seller"), entered into a Contract of Sale with A.P. Development L.L.C. ("Buyer"), pursuant to which Seller agreed to sell and Buyer agreed to purchase the unused development or "air" rights relating to Seller's property located at 300 Gold Street, Brooklyn, New York (the "Property"). In addition, Buyer and Seller agreed to certain procedures and restrictions in respect of the development of Buyer's adjacent property and the redevelopment of Seller's Property, which is set forth in a Zoning Lot and Development Agreement which is to be executed at closing. The purchase price under the Contract of Sale is \$11,000,000. Buyer has deposited with Seller's counsel an escrow deposit of \$500,000 and is required to post an additional \$500,000 escrow deposit by December 31, 2004 and an additional \$500,000 escrow deposit by February 15, 2005. The Contract of Sale provides that there are specified conditions that are required to be satisfied prior to closing; Registrant has no assurance that such conditions will be satisfied or that even if such conditions are satisfied that the closing will occur. The Contract of Sale provides that the closing is scheduled for June 30, 2005.

If Buyer defaults in its obligation to close on the transaction or in the event that Buyer fails to pay when due any of the additional escrow deposits, then Seller's right shall be to receive from the escrow agent the escrow deposit(s) paid to date and to terminate the Contract of Sale; Seller has no cause of action for damages or specific performance against Buyer.

The Property is currently improved with an office building leased on a long-term basis and adjacent parking area. Seller will retain the Property post-closing. Seller's ability to expand or modify the existing building following the closing will be restricted pursuant to the terms of the Zoning Lot and Development Agreement to be executed at closing.

Seller anticipates that the gain in connection with this transaction will be deferred for income tax purposes by entering into a 1031 tax-deferred exchange and using the sale proceeds to acquire one or more replacement properties. Seller, to date, has not identified replacement properties and can make no assurance that it will be able to locate suitable replacement properties in the event that the closing does occur. Further, Seller has not yet determined the amount of gain it would receive upon the closing of the transaction.

The provisions of this Section 16 shall survive the Closing or any termination of this Agreement.

17. Default. (a) If Purchaser defaults in any of its obligations under this -----

Agreement, including without limitation, the failure, for any reason whatsoever, to pay the balance of the Purchase Price on or before the Closing Date, with time of the essence, then Seller's sole remedy shall be to terminate this Agreement and receive, as liquidated damages, all monies then held in the Fund. The parties hereto agree that the damages of Seller would be difficult or impossible to determine with mathematical precision and therefore the provisions of this Section 17 represent an agreed measure of damages and are not to be deemed a forfeiture or penalty. Upon delivery of the Fund to Seller, the parties hereto shall be relieved of all further obligations and liabilities under this Agreement.

(b) In the event Seller shall be in default in its obligations under this Agreement and the Closing does not take place as a result thereof, then, as its sole and exclusive remedies, (x) Purchaser shall be entitled to terminate this Agreement, in which event the Fund will be promptly returned to Purchaser and, upon the return of the Fund, the parties hereto shall have no further obligations or liabilities to each other (other than those that are expressly stated to survive the termination of this Agreement); or (y) Purchaser may bring an action in specific performance to compel both the transfer of the Conveyance Floor Area Development Rights and the Easement and the performance by Seller of its obligations set forth in this Agreement, provided, however, if, despite Seller's commercially reasonable efforts, without the expenditure of funds other than administrative expenses, Seller is unable to deliver any required Waiver, Purchaser shall not have the right to bring an action for specific performance based solely on such failure.

18. Escrow. The Fund shall be held in escrow by Escrow Agent in accordance with -----
the terms and conditions set forth below.

(a) Escrow Agent shall invest the Fund in savings accounts, treasury bills, certificates of deposit or in other money market instruments, and shall not be liable for any losses suffered in connection with any such investment. terminated or lapses for any reason, then Developer shall have the right to procure such liability insurance at the cost and expense of Seller, together with interest thereon at a rate equal to the Interest Rate.

Section 3.5 In connection with any work on Seller's Property (including, without limitation, the alteration or replacement of Seller's Building), Seller shall, at its sole cost and expense, observe strictly and punctually the obligations set forth in subdivisions (a) to (e) inclusive:

(a) Use and cause all persons and entities and their respective employees or subcontractors performing work at or supplying materials to Seller's Property to use such means of demolition, excavation and construction and procedures therefor as are commercially reasonable to protect against any physical damage to Developer's Building or to the utilities serving Developer's Property;

(b) Use and cause all persons and entities and their respective employees or subcontractors performing work at or supplying materials to Seller's Property to use such commercially reasonable means of demolition, excavation and construction and procedures therefor as may be required so that the work will not prevent, unreasonably interfere with, disrupt, or obstruct the use of Developer's Property;

(c) Comply with all applicable codes and laws with respect to (i) protection against physical damage to Developer's Building or to utilities serving Developer's Property; (ii) protection against unreasonable material disruption or interference with the use of or access to Developer's Property; and (iii) the making of repairs to Developer's Property or to utilities serving Developer's Property in the event of any physical damage thereto; and

(d) If notwithstanding the foregoing provisions, Seller damages Developer's Building or the utilities serving Developer's Property in connection with demolition, excavation, construction or other work on Seller's Property, including, without limitation, the alteration or replacement of Seller's Building, Developer may repair or remedy such damage at the sole cost and expense of Seller as provided below. Developer shall promptly give notice to Seller of any such damage so that Seller or its insurance agent or adjuster may inspect any such damage. If Developer incurs any costs and expenses in connection with the repair and restoration of any damage to Developer's Building or the utilities serving Developer's Property caused by Seller, then within thirty (30) days after demand (which demand shall include reasonable documentation evidencing the costs and expenses incurred by Developer), Seller shall pay to Developer or shall cause its insurance carrier to pay to Developer any and all reasonable out-of-pocket costs and expenses incurred by Developer, together with interest thereon from and after the due date at the Interest Rate until paid in full. In no event shall Developer be responsible for the payment of any deductible to any insurance carrier of Seller. As used in this Section 3.5 (d), the terms "Developer's Building" and "Developer's Property" shall include, without limitation, all interior as well as structural and exterior portions of Developer's Building, all vaults under the sidewalks adjacent to Developer's Land, and all fixtures, installations and items of personal property that are at anytime located within, or are at any time on or attached to, the exterior of Developer's Building.

Section 3.6 Developer and Seller agree that Seller shall have the rights set forth in this Section 3.6 during the alteration or replacement of Seller's Building.

(a) As Seller desires to provide for the safety of the occupants the Developer's Property, and the protection of property of all parties during the alteration or replacement of the Seller's Building, Developer hereby grants to Seller certain easements of access onto Developer's Property (the "Developer's Construction Easements") for (i) the attachment of foundation and building

supports and shoring to and bracing Developer's Building; (ii) the erection of a scaffold as required by the Building Code of the New York City ("Building Code"), a sidewalk bridge as required by the Building Code or such other temporary structure over the roof, facade and other portions of Developer's Building as is necessary to protect such building from debris during the alteration or replacement of Seller's Building, including access by personnel only (and not by construction or protection materials, construction equipment or tools other than small, handheld tools) to the interior of the Developer's Building for purposes of installing, maintaining and removing protection on the roof of the Developer's Building; and (iii) the maintenance, repairing and replacement of such attachments; and (iv) the conduct of a "Preconstruction Survey" to document, by use of photography or video and other means, existing conditions; provided same shall not involve any invasive testing, borings, or samplings, at such time as may be reasonably agreed upon by Developer and Seller.

(b) In connection with and during the alteration or replacement of Seller's Building, Seller may desire to install scaffolding and/or hang rigging on or in the airspace above Developer's Building. Developer hereby consents to such activity and grants Seller a license to utilize the roof of and the airspace above Developer's Building; provided that (i) Seller shall give Developer ten (10) Business Days notice of its intent to do so and otherwise comply with the provisions of Section 3.6 (c) of this Agreement in connection therewith.

(c) Seller shall provide construction protection to Developer's Building, shall exercise the Seller's Construction Easements and shall install scaffolding and/or hang rigging pursuant to Section 3.6(b) of this Agreement: (i) in accordance with all applicable legal requirements and in a prompt, safe and efficient manner; (ii) in a manner so as not to unreasonably interfere with the structural integrity and the use, occupancy or enjoyment of the Developer's Building, (iii) taking such precautions as may be necessary or appropriate to prevent damage to adjacent or adjoining property; and (iv) in accordance with good construction practices and in a manner customary for such improvements or work.

(d) In connection with, and during the alteration or replacement of Seller's Building, Seller may operate a crane or like equipment on Seller's Land or the street or sidewalk adjacent to Seller's Land, which may, from time to time, encroach upon the Developer's Property and/or the air space above the Developer's Building. Developer hereby consents to such encroachment; provided that Seller gives Developer ten (10) days notice prior to operating such crane and provided that the crane or other equipment, (i) shall be operated in a good and workmanlike manner and in accordance with all applicable legal requirements (including, without limitation, the obtaining of and compliance with all required permits and other governmental approvals), (ii) shall not touch the Developer's Building, and (iii) shall not block or unreasonably interfere with any means of ingress to or egress from Developer's Building. Seller shall remove the crane or other equipment from Seller's Land or the street or sidewalk adjacent thereto at its sole cost and expense as soon as reasonably practicable after completion of alteration or replacement of Seller's Building.

(e) It is understood and agreed that the agreements and undertakings of Developer in this Section 3.6 are subject to the provisions of any leases or other occupancy agreements affecting Developer's Property as of the period during which Seller is altering or replacing Seller's Building and that Developer shall not be deemed in default hereof because it is unable to provide any one or more of the easements described herein if any of such leases or occupancy agreements does not permit Developer to grant such easement(s) so long as Developer has made commercially reasonable efforts to persuade its tenant(s) or occupant(s) under such leases or occupancy agreements to cooperate in providing such easement(s) and/or made commercially reasonable efforts to devise alternative means of providing them.

Section 3.7 (a) Developer shall indemnify and hold the Seller harmless from and against any and all costs, losses, liabilities and claims (including reasonable attorneys' fees and expenses) for injury or death to persons or damage to property arising out of any work on Developer's Property and the construction of Developer's Proposed Building.

(b) Seller shall indemnify and hold Developer harmless from and against all costs, losses, liabilities and claims (including reasonable attorneys fees and expenses) for injury or death to persons or damage to property arising out of any work on Seller's Property and Seller's Building, including any Alteration or Rebuilding (both as hereinafter defined) thereof.

Section 3.8 (a) Seller covenants and agrees that no new buildings, improvements, alterations or additions ("Alterations") shall be constructed or allowed to exist on Seller's Property, and no reconstruction, replacement, or rebuilding ("Rebuilding"), whether following a casualty or otherwise, shall be undertaken of the Seller's Building if such Alteration or Rebuilding or any portion thereof (i) creates a non-compliance with any requirement of the Zoning Resolution, the Building Code or any other applicable laws in effect at the time of such Alteration or Rebuilding, (ii) utilizes any Floor Area Development Rights in excess of the Retained Floor Area Development Rights, or (iii) encroaches into the Easement.

(b) Seller covenants and agrees not to create or permit to exist, a violation of the Zoning Resolution or any building code, fire code, or other law, ordinance or regulation in effect with respect to Seller's Property which would (a) materially delay, hinder or prevent issuance of a building or other work permit or a Certificate of Occupancy for the Developer's Proposed Building or any other building existing or to be constructed on Developer's Land, (b) prevent the issuance of a building permit or any other permit or approval required by law to alter, repair, maintain, build or rebuild any building on the Combined Zoning Lot, or (c) create a new, or increase any existing, non-conforming use or non-compliance under the Zoning Resolution with respect to the Seller's Property (any one of which shall be a "Violation").

(i) If at any time hereafter there exists any Violation on the Seller's Property, Seller shall commence a cure within thirty (30) days after receiving notice of the same from Developer, and shall proceed diligently and continuously to make all reasonable efforts to cure, remove and discharge of record the same as rapidly as possible.

(ii) In the event that the Seller does not commence such cure and proceed diligently and continuously with such cure as required by this Section 3.5, Developer shall have the right to cure such Violation at the expense and for the account of Seller (and, if necessary, in the name of Seller) and Seller will execute and deliver such documents as may be required in connection therewith, it being agreed that Developer shall have a license to have access to Seller's Property for the purpose of effecting such cure; provided however Developer covenants and agrees that such access and cure (i) shall only occur after notice to Seller, (ii) except in the event of an emergency as reasonably determined by Developer, shall only occur at reasonable times, and (iii) shall not unreasonably interfere with Seller's use and occupancy of Seller's Building; and provided, further, that during the period of such access and cure, Developer shall procure and maintain liability insurance, naming Seller (and any mortgagee of Seller's Property of which Developer has notice) as an additional insured, in the form and in the amount customarily carried in connection with the access and cure of such Violation. In addition, Developer may, at its option, maintain any action permitted at law or in equity or by statute against Seller with respect to such Violation, including, without limitation, an action for injunctive relief to compel Seller to cure such Violation.

Edgar Filing: ONE LIBERTY PROPERTIES INC - Form 8-K

(iii) If Developer is compelled or elects to expend any sum of money or do any acts which require the payment of money by reason of complying with, remedying or curing a Violation on the Seller's Property, Seller shall, upon demand, promptly reimburse Developer all such sums together with interest thereon at the prime rate of Citibank, compounded monthly, from the date of such expenditure. Such expenses shall be limited to reasonable and customary third-party expenses which are necessary to cure such Violations. Seller reserves the right to contest such Violations and reserves the right to contest any expenditures made by Developer to cure such Violations.

Section 3.9 (a) Developer covenants and agrees that no Alterations shall be constructed or allowed to exist on the Developer's Property, and no Alteration or Rebuilding of the Developer's Proposed Building, whether following a casualty or otherwise, shall be undertaken if such Alteration or Rebuilding (i) creates a non-compliance with any requirement of the Zoning Resolution, the Building Code or any other applicable laws in effect at the time of such Alteration or Rebuilding that materially affects the Seller's Property or Seller's rights as set forth in this Agreement, or (ii) utilizes any of the Retained Floor Area Development Rights.

(b) Developer covenants and agrees not to create or permit to exist a Violation with respect to the Developer's Property.

(i) If at any time hereafter there exists any Violation on the Developer's property, Developer shall commence a cure within thirty (30) days after receiving notice of the same from Seller and shall proceed diligently and continuously to make all reasonable efforts to cure, remove and discharge of record the same as rapidly as possible.

(ii) In the event that Developer does not commence such cure and proceed diligently and continuously with such cure as required by this Section 3.6, Seller shall have the right to cure such Violation at the expense and for the account of Developer (and if necessary, in the name of Developer) and Developer will execute and deliver such documents as may be required in connection therewith, it being agreed that Seller shall have a license to have access to the Developer's Property for the purpose of effecting such cure; provided however Seller covenants and agrees that such access and cure (i) shall only occur after notice to Developer, (ii) except in the event of an emergency as reasonably determined by Seller, shall only occur at reasonable times, and (iii) shall not unreasonably interfere with Developer's use and occupancy of the Developer's Proposed Building; and provided, further, that during the period of such access and cure, Seller shall procure and maintain liability insurance, naming Developer (and any mortgagee of the Developer's Property of which Seller has notice) as an additional insured, in the form and in the amount customarily carried in connection with the access and cure of such Violation. In addition, Seller may, at its option, maintain any action permitted at law or in equity or by statute against Developer with respect to such Violation, including, without limitation, an action for injunctive relief to compel Developer to cure such Violation.

(iii) If Seller is compelled or elects to expend any sum of money or do any acts which require the payment of money by reason of complying with, remedying or curing a Violation on the Developer's Property, Developer shall, upon demand, promptly reimburse Seller all such sums together with interest thereon at the prime rate of Citibank, compounded monthly, from the date of such expenditure. Such expenses shall be limited to reasonable and customary third party expenses which are necessary to cure such Violations. Developer reserves the right to contest such Violations and reserves the right to contest any expenditures made by Seller to cure such Violations.

Section 3.10 Except to comply with the applicable requirements of any Governmental Agencies to note and effectuate the Combined Zoning Lot, Developer

Edgar Filing: ONE LIBERTY PROPERTIES INC - Form 8-K

and Seller agree that construction plans and specifications for, and applications for certificates of occupancy of, any building on Developer's Land shall be separate and independent from those for any building on Seller's Land and that construction plans and specifications for, and applications for certificates of occupancy of, any building on Seller's Land shall be separate and independent from those for any building on Developer's Land; and that any such plans, specifications and applications shall be so filed with the Department of Buildings of the City of New York, as to obtain separate "new building" and/or "alteration" numbers.

Section 3.11 Seller and Developer agree that for real property tax purposes Seller's Property and Developer's Property shall be, and shall continue to be treated as, separate and independent lots, plots and parcels. Seller and Developer expect that the assessed valuation of, and the taxes imposed against, Seller's Property and Developer's Property shall be determined on a basis which treats Seller's Property and Developer's Property as separate and independent tax lots and which may incorporate within Developer's Property the Excess Floor Area Development Rights and the Bonus Floor Area Development Rights conveyed to Developer under this Agreement. Developer agrees, at its sole cost, to promptly make all applications required, if and to the extent so required, to cause Developer's Property (including, without limitation, Developer's Proposed Building, the Excess Floor Area Development Rights and the Bonus Floor Area Development Rights) and Seller's Property to continue to be treated as separate tax lots or, if they are merged into one tax lot, to obtain an apportionment of the taxes and tax lien between Developer's Property (including the Excess Floor Area Development Rights and the Bonus Floor Area Development Rights) and Seller's Property. Each party agrees hereafter to execute such documents as may reasonably be required in support of the separateness of Seller's Property and Developer's Property as tax lots, or if they should not be classified by applicable government authority as separate tax lots, in support of an apportionment of the taxes and tax lien between Seller's Property and Developer's Property, taking into account the acquisition by Developer of the Excess Floor Area Development Rights and the Bonus Floor Area Development Rights; provided that all costs and expenses in connection with the apportionment of such taxes shall be the responsibility of Developer. Seller and Developer also agree that they will not hereafter do anything to oppose either such separate tax lots or such apportionments of taxes and tax liens.

Section 3.12 Developer and Seller agree, each with the other, that they will cooperate with each other in all reasonable respects to carry out the intent of the foregoing paragraphs and that further they will cooperate with each other in the future use and development of the Combined Zoning Lot so that each of them can utilize its rights under this Agreement. Without limiting the generality of the foregoing, Seller and Developer agree that each shall consent to, authorize or join in any application or applications which either may deem necessary or desirable to any Governmental Agency (each, an "Application") and, upon the request of the other, furnish the party making such request with all additional consents, information, documents and instruments required to effectuate the conveyance and use of the Excess Floor Area Development Rights, the Bonus Floor Area Development Rights and the Easement as provided in this Agreement and to gain approval of each such Application. Unless otherwise specifically set forth herein, the party making the request shall pay the other party's reasonable costs or expenses in furnishing such applications, consents, information, documents and other instruments.

Section 3.13 Developer and Seller agree that neither shall make any application to any Governmental Agency which would reasonably be anticipated to affect rights of the other party as a participant in the Combined Zoning Lot without prior written notice to such other party.

Section 3.14 Notwithstanding anything herein to the contrary, Developer and Seller acknowledge and agree that this Agreement and the Declaration are

Edgar Filing: ONE LIBERTY PROPERTIES INC - Form 8-K

intended solely to create the Combined Zoning Lot, to transfer to Developer the Excess Floor Area Development Rights and the Bonus Floor Area Development Rights, to grant to Developer the Easement, to regulate the rights and obligations of the parties hereto and to impose the restrictions upon Seller's Property as set forth in Article 1 hereof, and that, except as herein specifically set forth, each party hereto retains full ownership and control over its own property.

Section 3.15 (a) If, following a validly enacted amendment of the Zoning Resolution reducing the Floor Area Development Rights ascribable to the Combined Zoning Lot (a "Downzoning"), only one of the buildings on the Combined Zoning Lot suffers a casualty and cannot lawfully be restored to its former bulk, then any Rebuilding of such building undertaken on the Premises shall be limited to the lesser of (i) the Floor Area Development Rights allocated to the Land on which the building that suffered the casualty was formerly situated or (ii) the amount of Floor Area Development Rights available at such time which would not reduce or otherwise adversely affect the Floor Area Development Rights incorporated into or attributable to any other buildings on the Combined Zoning Lot which did not suffer any casualty.

(b) If, following a Downzoning, more than one of the Buildings on the Combined Zoning Lot suffers a casualty and such Buildings cannot be lawfully restored to their former bulk, then any Rebuilding undertaken on the Combined Zoning Lot shall be limited by such Downzoning such that each parcel of Land shall be entitled to its pro rata share of the Floor Area Development Rights (exclusive of any Bonus Floor Area Development Rights) available after taking into account any buildings remaining on the Combined Zoning Lot following such casualty. The pro rata share of Floor Area Development Rights for each parcel of land shall be determined by multiplying the Floor Area Development Rights (exclusive of Bonus Floor Area Development Rights) then unused on the Combined Zoning Lot by a fraction that has a denominator equal to the Floor Area Development Rights (exclusive of Bonus Floor Area Development Rights) appurtenant to the Combined Zoning Lot as of the date of this Agreement and has a numerator equal to either the Developer Floor Area Development Rights (to determine Developer's pro rata share) or the Floor Area Development Rights utilized in Seller's Building as of the date hereof (to determine Seller's pro rata share). Developer shall have the right to utilize any Bonus Floor Area Development Rights then available for use in addition to its pro rata share.

(c) If a validly enacted amendment of the Zoning Resolution increases the Floor Area Development Rights ascribable to the Combined Zoning Lot or any portion thereof (an "Upzoning"), then Seller shall be entitled to any additional Floor Area Development Rights ascribable to the Seller's Property and Developer shall be entitled to any additional Floor Area Development Rights ascribable to the Developer's Property.

Section 3.16 Seller agrees to cause the Certificate of Occupancy for the Seller's Building to be amended so as to indicate the existence or future existence of the Combined Zoning Lot, provided that (i) the application therefore shall be prepared by Developer at Developer's expense and forwarded to Seller for Seller's execution and (ii) Developer shall pay any permit or application fees imposed on such application. In the event that Developer has forwarded such application for a change in Certificate of Occupancy to Seller and Seller has not executed such applications within ten (10) Business Days of receipt thereof, then Developer shall have the right to make such application in its own name, on behalf of Seller and to execute and deliver to the agency reviewing such application a statement stating that the Developer is authorized to file such application on behalf of Seller.

Section 3.17 In compliance with Section 13 of the Lien Law, Seller covenants that it will receive consideration for the conveyance of the Excess Development Rights under this Agreement and will hold the right to receive such

Edgar Filing: ONE LIBERTY PROPERTIES INC - Form 8-K

consideration as a trust fund to be applied first for the purpose of paying the cost of Seller's Building and will apply the same first to the payment of the cost of Seller's Building before using any part of the total of the same for any other purpose.

ARTICLE IV

REMEDIES

Section 4.1 The parties hereto agree that in the event of any breach or threatened breach of this Agreement by any party, the non-defaulting party shall have the right to any remedy available at law or equity, including, without limitation, injunctive relief, provided that neither party shall have the right to terminate this Agreement or the Declaration without the written consent of the other party. In any action or proceeding brought under or pursuant to this Agreement, the losing party shall pay the reasonable legal fees and other expenses of the prevailing party upon receipt of a bill or statement to the other party therefor.

Section 4.2 Notwithstanding anything to the contrary contained herein, Developer shall look only to Seller's interest in Seller's Property (or the proceeds thereof) and Seller shall look only to Developer's interest in Developer's Property (or the proceeds thereof) for the satisfaction of the remedies of Developer or Seller, as the case may be, for the collection of a judgment (or other judicial process) requiring the payment of money by the other party in the event of any default hereunder by such other party, and no other property or assets of either party or its principals, disclosed or undisclosed, shall be subject to levy, execution or other enforcement procedure for the satisfaction of the other party's remedies hereunder. Notwithstanding the foregoing provisions of this Section, however, Seller and Developer each reserve the right to the remedies of specific performance and injunction.

ARTICLE V

MISCELLANEOUS

Section 5.1 Except as stated in this Agreement, the exhibits and schedules annexed hereto, this Agreement contains all the promises, agreements, conditions, inducements and understandings between parties relative to the matters stated herein and therein, and there are no oral promises, agreements, conditions, understandings, inducements, warranties or representations, expressed or implied, between the parties other than as set forth herein and therein. This Agreement may not be modified, amended, changed or terminated orally, but only by an instrument signed by both parties hereto.

Section 5.2 The Article headings are inserted for convenience only and shall not affect the construction of this Agreement.

Section 5.3 All of the grants, interests, covenants, agreements and conditions contained in this Agreement: (i) shall run with the lands and buildings affected; (ii) shall, subject to the provisions of this Agreement, inure to the benefit of and be binding upon each party to this Agreement and such party's successors and assigns as long as they respectively have any interest in Seller's Property or Developer's Property, as the case may be; and (iii) shall, to the extent rights hereunder are assigned to the holder of any mortgage encumbering Developer's Property or Seller's Property, or any interest therein, be enforceable by such holder or any assignee thereof after default under any such mortgage.

Section 5.4 Notwithstanding anything herein to the contrary, the respective interests of Seller and Developer shall not merge or be deemed to have been merged hereunder or otherwise by reason of the common ownership of Developer's

Property and Seller's Property.

Section 5.5 This Agreement shall be recorded in the Conveyances Section of the Office of the City Register for New York County.

Section 5.6 This Agreement shall be construed and interpreted in accordance with the internal laws of the State of New York without giving effect to principles of conflicts of law.

Section 5.7 Any failure by a party hereto (collectively and/or individually referred to as the "non-waiving party") to insist upon the strict performance by the other party hereto of any of the provisions of this Agreement shall not be deemed a waiver of any of the provisions hereof, and the non-waiving party, notwithstanding such failure, shall have the right thereafter to insist upon the strict performance by the other party of any and all of the provisions of this Agreement to be performed by the other party.

Section 5.8 All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural as the identity of the person or persons may require. The terms "herein," "hereof," or "hereunder" or similar terms used in this Agreement refer to this entire Agreement and not to the particular provision in which the term is used unless a contrary intent is expressly set forth.

Section 5.9 This Agreement may be executed in several counterparts, each of which shall be deemed an original but all of which shall constitute one and the same instrument.

Section 5.10 No breach by any party to this Agreement of this Agreement or any agreement ancillary hereto shall have any effect on the treatment of the Combined Zoning Lot as one zoning lot for purposes of the Zoning Resolution, and the Combined Zoning Lot shall be treated as one zoning lot unless and until such zoning lot is hereafter subdivided in accordance with the provisions of the Zoning Resolution and this Agreement.

Section 5.11 Seller agrees, to execute, acknowledge and deliver such further instruments, and take such other or further actions as may be reasonably required in order for Developer to incorporate the Excess Floor Area Development Rights and the Bonus Floor Area Development Rights appurtenant to Seller's Land into the Developer's Proposed Building.

Section 5.12 The parties executing this Agreement agree that any party who shall acquire any interest whatsoever in the Combined Zoning Lot, whether from a party hereto or its legal representatives, successors or assigns, shall be bound by and subordinate to the provisions of this Agreement, and any future modifications hereto without having executed such future modifications, to the same extent that it would have been had it been a signatory to this Agreement, or any such future modifications thereto.

ARTICLE VI NOTICES
