CONSECO, INC.

Exhibit A to Form 12b-25
Commission File No. 1-9250
Dated March 31, 2003

The Registrant's Annual Report on Form 10-K for the year ended December 31, 2002 cannot be completed within the prescribed time period because the Registrant is experiencing a delay in finalizing the consolidated financial statements and Management's Discussion and Analysis of Financial Condition and Results of Operations to be included in such Form 10-K. The Registrant and several of its subsidiaries, including Conseco Finance Corp., filed voluntary petitions for reorganization under Chapter 11 of Title 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Northern District of Illinois ("Bankruptcy Court") on December 17, 2002. After that date, significant resources of Conseco Finance Corp. have been devoted to the process

of selling its business and assets through an auction process which was completed on March 14, 2003, when the Bankruptcy Court approved the terms of the sale. In addition, the Registrant is continuing to review the fourth quarter 2002 operating results of Conseco Finance Corp., including a review of the retained interests in securitization trusts (including interest-only securities). The Registrant expects to record a noncash charge in the fourth quarter of 2002 of approximately \$800 million, to further write down the carrying value of those securities. The actual amounts will be determined when the valuation procedures are completed. The Registrant's Annual Report on Form 10-K will be filed as soon as practicable thereafter.

CONSECO, INC.
Exhibit B to Form 12b-25
Commission File No. 1-9250
Dated March 31, 2003

The Registrant anticipates that its Form 10-K will reflect significant changes in the results of operations for the year ended December 31, 2002. The net loss applicable to common stock for 2001 was \$418.7 million. The net loss applicable to common stock for 2002 is expected to be approximately \$7.4 billion. The actual loss will be determined when the procedures to value the retained interests in securitization trusts are completed.
