ITEM 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

As previously disclosed in a Form 8-K filed October 24, 2011, the Company expects that flooding at the Company's primary contract manufacturer in Thailand will have a significant impact on the Company's operations and its ability to meet customer demand for its fiber optics products. The company is currently focused on rebuilding the production infrastructure for its impacted product lines, including working with its insurance carriers, banks, customers and business partners in an effort to obtain funding for required capital expenditures. In addition, for such time as the Company continues efforts to rebuild the affected production infrastructure while experiencing reduced revenues as a result of the floods, the management of the Company has decided to implement various cost reduction measures, including temporary salary reduction, furlough, reduction of discretionary spending, and improve working capital management.

In furtherance of the Company's cost reduction measures, on November 8, 2011, following the approval of the Compensation Committee of the Company's Board of Directors, the Company entered into amendments to its employment agreements with its Chief Executive Officer, Chief Financial Officer and each of the other current named executive officers of the Company (the "Named Executive Officers"), pursuant to which each of the Named Executive Officers agreed to a reduction in their annual base salaries.

Pursuant to the employment agreement amendments, effective November 7, 2011, the annual base salaries of the Named Executive Officers were revised as follows:

- the annual base salary of Reuben F. Richards, Jr., the Company's Executive Chairman and Chairman of the Board, has been decreased by 30%, from \$450,444.75 to \$315,311.32;
- the annual base salary of Hong Q. Hou, Ph.D., the Company's Chief Executive Officer and President, has been decreased by 30%, from \$450,444.75 to \$315,311.32;
- the annual base salary of Mark Weinswig, the Company's Chief Financial Officer, has been decreased by 20% from \$260,000 to \$208,000;
- the annual base salary of Christopher Larocca, the Company's Chief Operating Officer, has been decreased by 20%, from \$260,000 to \$208,000;
- the annual base salary of Charlie Wang, the Company's Executive Vice President, China Operations, has been decreased by 20%, from \$230,000 to \$184,000; and
- the annual base salary of Monica Van Berkel, the Company's Chief Administration Officer, has been decreased by 20%, from \$222,500 to \$178,000.

In addition, effective November 7, 2011 the Company's Compensation Committee has determined to temporarily suspend the Company's Outside Directors Cash Compensation Plan.
