FOR IMMEDIATE RELEASE

GRAND TOYS INTERNATIONAL ANNOUNCES THIRD QUARTER RESULTS

MONTREAL, CANADA -- November 14, 2003

-- Grand Toys International, Inc. (Nasdaq: GRIN) today announced results for its third quarter ended September 30, 2003.

Edgar Filing: GRAND TOYS INTERNATIONAL INC - Form 8-K

Net sales for the third quarter of 2003 were \$3.1 million compared to \$3.2 million for the third quarter of 2002, representing a decrease of 3%. Gross profit percentage was 41.87% for the third quarter of 2003 as compared to 38.10% in 2002. The Company posted net earnings of \$333,703, or \$0.12 per basic share, for the third quarter of 2003. This compares to net earnings of \$106,266, or \$0.04 per basic share, for the third quarter of 2002, or a percentage increase of 214%. The Company recorded a gain on discontinued operations of \$ 208,972 for the third quarter ended September 30, 2003. Without this gain, net income would have been \$124,731 or \$0.04 per basic share.

Net sales for the nine months ended September 30, 2003 were \$8.7 million, compared to \$8.9 million for the same period of 2002, a decrease of 2%. Gross profit percentage was 43.79% for the period ended September 30, 2003 as compared to 37.24% in 2002. The Company posted net earnings of \$975,275, or \$0.35 per basic share, for the nine months ended September 30, 2003. This compares to a net loss of \$440,462, or \$(0.24) per basic share, for the nine months ended September 30, 2002. The Company recorded a gain on discontinued operations of \$441,699 for the period ended September 30, 2003, and a net gain of \$83,049 for the period ended September 30, 2002. Without these gains, net income would have been \$533,576 or \$0.19 per basic share in 2003 and a net loss of \$523,511, or \$(0.28) per basic share for 2002.

Operating expenses increased in the 3rd quarter of 2003 to \$1,167,132 from \$1,103,336, or by \$63,796 or 6%. As a percentage of sales, operating expenses were 37% and 34%, in 2003 and 2002. The overall increase was a result of Grand incurring professional fees for a merger and acquisition transaction and higher media advertising expenditures. The costs incurred for professional fees were \$513,893. In addition, during this quarter Grand recorded a refund of \$309,000 for payroll taxes paid in a prior year. Without the professional fees and refund, Grand would have reported operating expenses of \$962,239, showing a decrease of \$141,097 or operating expenses as a percentage of sales of 31% or a percentage decrease of 13%.

For the nine-month period ended September 30, 2003, operating expenses decreased by \$542,901 or 14% from \$3,760,451 in 2002 to \$3,217,560, or as a percentage of sales from 42% to 37%. After adjusting for professional fees of \$599,964 and the payroll tax refund of \$309,000, Grand would have reported operating expenses of \$2,926,596, showing a decrease of \$833,855 or operating expenses as a percentage of sales of 33% or a percentage decrease of 22%.

Elliot Bier, Chairman of Grand Toys, noted, "We are very proud to show another profitable quarter. Grand's focus on its customers while containing costs has proven successful."

Note:

EBITDA is Earnings (Loss) Before Interest, Taxes, Depreciation and Amortization

In this Press Release, management discusses financial measures in accordance with GAAP and also on a non-GAAP basis. The Company's definition of EBITDA is earnings before interest, income taxes, depreciation and amortization. EBITDA does not include gains or losses from the sale of subsidiaries. All references in this press release to EBITDA are to a non-GAAP financial measure. EBITDA, a measure widely used among toy related businesses, is used because management believes that it is an effective way of monitoring the operating performance of our company relative to the industry. Additionally, the Company believes that the use of non-GAAP financial measures enables it and investors to evaluate, and compare from period to period, the results from ongoing operations in a more meaningful and consistent manner.
