The approximate mailing date of this Combined Proxy Statement is July 28, 2004.

All properly executed proxies received prior to a Meeting will be voted at that Meeting in accordance with the instructions marked thereon or otherwise as provided therein. Unless instructions to the contrary are marked, proxies will be voted for the election of the Director nominees of the applicable Fund. Any proxy may be revoked at any time prior to the exercise thereof by giving written notice to the Secretary of the applicable Fund at that Fund s address indicated above or by voting in person at the Meeting.

The Board of Directors of each Fund has fixed the close of business on June 25, 2004 as the record date (the Record Date) for the determination of stockholders entitled to notice of and to vote at the applicable Fund s Meeting and at any adjournment thereof. Stockholders on the Record Date will be entitled to one vote for each share held, with no shares having cumulative voting rights. As of the Record Date, each Fund had

outstanding the number of shares indicated in Exhibit A. To the knowledge of each Fund, as of the Record Date, no person is the beneficial owner of five percent or more of that Fund s outstanding shares. This Combined Proxy Statement is being provided to the stockholders of each Fund.

The Board of Directors of each Fund knows of no business other than the election of Directors that will be presented for consideration at its Meeting. If any other matter is properly presented, it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment.

Committees of the Boards of Directors

Each Fund maintains two standing board committees, the Audit Committee and the Nominating Committee, each consisting of the Directors who are not interested persons of the Fund, as defined in the Investment Company Act and who are independent as defined in the listing standards of the New York Stock Exchange (NYSE). Currently, Ms. Ramo and Messrs. Bodurtha, Grills, London, Perold, Salomon and Swensrud are members of each Fund's Audit Committee and Nominating Committee.

Audit Committees

The principal responsibilities of each Audit Committee are the appointment, compensation and oversight of the Fund's independent registered public accounting firm, including the resolution of disagreements regarding financial reporting between Fund management and such independent registered public accounting firm.

Each Fund has adopted a written Charter for the Audit Committee, which is attached as Exhibit D to this Combined Proxy Statement. Each Fund's Audit Committee also has received written disclosures and the letter required by Independence Standards Board Standard No. 1, as may be modified or supplemented, from

Deloitte & Touche LLP (D&T), independent registered public accounting firm for each of the Funds. Each Audit Committee has discussed with D&T such firm's independence with respect to the Fund and certain matters required to be discussed by Statements on Auditing Standards No. 61. Each Audit Committee has considered whether the provision of non-audit services by the Fund's independent registered public accounting firm is compatible with maintaining the independence of those accountants.

Edgar Filing: CORPORATE HIGH YIELD FUND III INC - Form DEF 14A

Each Audit Committee also reviews and discusses the audit of the Fund's financial statements with Fund management and the independent registered public accounting firm. If any material concerns arise during the course of the audit and the preparation of the audited financial statements mailed to stockholders and included in the Fund's Annual Report to Stockholders, the Audit Committee would be notified by Fund management or the independent registered public accounting firm. The Audit Committees received no such notifications for any of the Funds. Following each Audit Committee's review and discussion regarding the audit of the Fund's financial statements with Fund management and the independent registered public accounting firm, each Audit Committee recommended to the Directors that the Fund's audited financial statements for the fiscal year ended May 31, 2004 be included in each Fund's Annual Report to Stockholders.

Nominating Committees

The principal responsibilities of each Nominating Committee are to identify individuals qualified to serve as non-interested Directors of the Fund and to recommend its nominees for consideration by the full Board. While each Nominating Committee is solely responsible for the selection and nomination of the Fund's non-interested Directors, the Nominating Committee may consider nominations for the office of Director made by Fund stockholders as it deems appropriate. Stockholders who wish to recommend a nominee should send nominations to the applicable Fund's Secretary and include biographical information and set forth the qualifications of the proposed nominee. The Nominating Committee evaluates nominees from whatever source using the same standard. Each Fund adopted a Charter of the Nominating Committee on February 18, 2004, a copy of which is attached hereto as Exhibit E.

In identifying and evaluating a potential nominee to serve as an independent Director of a Fund, the Nominating Committee will consider, among other factors, (i) the person's business and professional experience, education, character and integrity; (ii) whether the individual is an interested person as defined in the Investment Company Act and whether the person is otherwise qualified to serve as a Director under applicable laws and regulations; (iii) the nature of any business, charitable, financial or family relationships that might impair the individual's independence; (iv) whether the individual is financially literate pursuant to the listing standards of the NYSE; (v) whether the person serves on boards of, or is otherwise affiliated with, competing financial service organizations or their related investment company complexes; (vi) the person's willingness to serve and ability to commit the time necessary to perform the duties of a Fund Director; and (vii) whether the selection and nomination of the person is consistent with the Fund's retirement policy.

Committee and Board of Directors Meetings

During each Fund's most recently completed fiscal year, each of the Directors then in office attended at least 75% of the aggregate of the total number of meetings of the Board of Directors of that Fund held during the fiscal year and, if a member, the total number of meetings of the Audit Committee held during that period. Each Fund's Nominating Committee is newly formed and did not meet during any Fund's last fiscal year. See Exhibit A for further information about Committee and Board meetings.

Stockholder Communications

Stockholders may send written communications to a Fund's Board of Directors or to an individual Director by mailing such correspondence to the Secretary of the applicable Fund (addressed to 800 Scudders Mill Road, Plainsboro, New Jersey 08536). Such communications must be signed by the stockholder and identify the class and number of shares held by the stockholder. Properly submitted stockholder communications will, as appropriate, be forwarded to the entire Board or to the individual Director. Any stockholder proposal submitted pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the Exchange Act), must continue to meet all the requirements of Rule 14a-8. See Additional Information - Stockholder Proposals herein.

Director Attendance at Stockholder Meetings

The Funds have no formal policy regarding Director attendance at stockholder meetings. None of the Funds' Directors attended the 2003 Annual Meetings of Stockholders.

Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Exchange Act requires the officers and Directors of each Fund and persons who own more than ten percent of a registered class of the Fund's equity securities to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission (SEC) and the NYSE. Officers, Directors and greater than ten percent stockholders of each Fund are required by SEC

Edgar Filing: CORPORATE HIGH YIELD FUND III INC - Form DEF 14A

regulations to furnish the Fund with copies of all Forms 3, 4 and 5 they file.

Based solely on each Fund's review of the copies of such forms, and amendments thereto, furnished to it during or with respect to its most recent fiscal year, and written representations from certain reporting persons that they were not required to file Form 5 with respect to the most recent fiscal year, each Fund believes that all of its officers, Directors, greater than ten percent beneficial owners and other persons subject to Section 16 of the Exchange Act due to the requirements of Section 30 of the Investment Company Act (*i.e.*, any advisory board member, investment adviser or affiliated person of the Fund's investment adviser) have complied with all filing requirements applicable to them with respect to transactions during the Fund's most recent fiscal year.

Compensation of Directors

FAM, the Investment Adviser of each Fund, pays all compensation to all officers and Directors of each Fund who are affiliated with ML & Co. or its subsidiaries. Each Fund pays each non-interested Director an annual retainer of \$125,000 for his or her services to MLIM/FAM-advised funds, including the Funds. The portion of the annual retainer allocated to each MLIM/FAM-advised fund is determined quarterly based on the relative net assets of each such fund. In addition, each non-interested Director receives a fee per in-person Board meeting attended and per in-person Audit Committee meeting attended. The annual per meeting fees paid to each non-interested Director aggregate \$100,000 for all MLIM/FAM-advised funds for which that Director serves and are allocated equally among those funds. Each Co-Chairman of the Audit Committee receives an additional annual retainer in the amount of \$25,000, which is paid quarterly and allocated to each MLIM/FAM-advised fund for which such Co-Chairman provides services based on the relative net assets of the fund.

8

Information relating to the aggregate fees and expenses paid by each Fund to its non-interested Directors during each Fund's most recently completed fiscal year is set forth in Exhibit A.

Officers of the Funds

Information relating to the officers of each Fund is set forth in Exhibit C. Officers of the Funds are elected and appointed by the Board of Directors and hold office until they resign, are removed or are otherwise disqualified to serve.

Stock Ownership

Set forth in Exhibit B to the Combined Proxy Statement is the following information for each Director Nominee: (i) the number of shares of each Fund owned; (ii) the aggregate dollar range such stock ownership represents; and (iii) the aggregate dollar range of securities owned in all MLIM/FAM-advised funds for which the Director Nominee currently serves as a Director.

As of June 30, 2004, no non-interested Director Nominee or his or her immediate family members, owned beneficially or of record any securities of ML & Co. As of June 30, 2004, the Directors and officers of each Fund as a group owned an aggregate of less than 1% of the Fund's outstanding shares. At such date, all of the officers of each Fund owned an aggregate of less than 1% of the outstanding shares of common stock of ML & Co.

The Board of Directors of each Fund recommends that the stockholders vote FOR the election of the Director Nominees.

ADDITIONAL INFORMATION

Expenses and Methods of Proxy Solicitation; Vote Required

Edgar Filing: CORPORATE HIGH YIELD FUND III INC - Form DEF 14A

The expenses of preparation, printing and mailing of the enclosed forms of proxy, the accompanying Notice and this Combined Proxy Statement will be borne by the Funds in proportion to its relative net assets. The Funds will reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of shares of the Funds.

For CHY III, one-third of the Fund's shares entitled to vote at the Meeting, present in person or by proxy, constitutes a quorum; for each of CHY and MuniAssets, a majority of the Fund's shares entitled to vote at the Meeting, present in person or by proxy, constitutes a quorum.

In order to obtain the necessary quorum at each Meeting, supplementary solicitation may be made by mail, telephone, telegraph or personal interview by officers of each Fund. If, by the time scheduled for a Meeting, a quorum of stockholders is not present or if a quorum is present but sufficient votes to allow action on the proposal are not received from the stockholders, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies from stockholders. Any such adjournment will require the affirmative vote of a majority of the shares of the Fund present in person or by proxy and entitled to vote at the time of the Meeting to be adjourned. The persons named as proxies will vote in favor of any such adjournment if they believe the adjournment and additional proxy solicitation are reasonable and in the best interests of the Fund's stockholders. Each Fund has retained Georgeson Shareholder, 17 State Street, New York, New York 10004, to assist in the solicitation of proxies at a cost of approximately \$3,500 for each Fund, plus out-of-pocket expenses estimated to be \$500 for each Fund.

All shares represented by properly executed proxies, unless such proxies have previously been revoked, will be voted at each Meeting in accordance with the directions on the proxies; if no direction is indicated, the shares will be voted FOR the Director Nominees. Assuming a quorum is present at each Meeting, the election of Directors, at each Meeting, will require the affirmative vote of a plurality of votes cast by stockholders at that Meeting. Plurality of the votes means the candidate must receive more votes than any other candidate for the same position, but not necessarily a majority of the votes cast.

Broker Non-Votes and Abstentions

Broker-dealer firms, including Merrill Lynch, Pierce, Fenner & Smith Incorporated (MLPF&S), holding shares of each Fund in street name for the benefit of their customers and clients, will request the instructions of such customers and clients on how to vote their shares on the election of Directors (Item 1) before the Meeting. The Funds understand that, under the rules of the NYSE, such broker-dealer firms may, without instructions from their customers and clients, grant authority to the proxies designated to vote on the election of Directors (Item 1) if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. Proxies that are returned to a Fund but that are marked abstain or on which a broker-dealer has declined to vote on any proposal (broker non-votes) will be counted as present for the purposes of determining a quorum. MLPF&S has advised each Fund that if it votes shares held in its name for which no instructions are received, except as limited by agreement or applicable law, it will do so in the same proportion as the votes received from beneficial owners of those shares for which instructions

10

have been received, whether or not held in nominee name. Abstentions and broker non-votes will not be counted as votes cast. Therefore, abstentions and broker non-votes will not have an effect on the vote on Item 1 for any Fund.

Other Matters

Management knows of no other matters to be presented at the Meetings. However, if other matters are presented for a vote at the Meeting or any adjournments thereof, the proxy holders will vote the shares represented by properly executed proxies according to their judgment on those matters.

Independent Registered Public Accounting Firm's Fees

The SEC's auditor independence rules require the Audit Committee of each Fund to pre-approve (a) all audit and permissible non-audit services provided by the Fund's independent registered public accounting firm directly to the Fund and (b) those permissible non-audit services provided by the Fund's independent registered public accounting firm to the Fund's Investment Adviser and any entity controlling, controlled by or under common control with the Investment Adviser that provides ongoing services to the Fund (the Affiliated Service Providers), if the services relate directly to the operations and financial reporting of the Fund.

Edgar Filing: CORPORATE HIGH YIELD FUND III INC - Form DEF 14A

The first two tables below set forth for each Fund, for its two most recent fiscal years the fees billed by its independent registered public accounting firm for (a) all audit and non-audit services provided directly to the Fund and (b) those non-audit services provided to the Fund's Affiliated Service Providers that relate directly to the Fund's operations and financial reporting, and, therefore, require Audit Committee pre-approval. Services under the caption:

Audit Fees are for the audit of the Fund's annual financial statements included in the Fund's reports to stockholders and in connection with statutory and regulatory filing or engagements;

Audit-Related Fees include assurance and related services reasonably related to the performance of the audit of financial statements not included in Audit Fees;

Tax Fees include tax compliance, tax advice and tax planning; and

All Other Fees are for other products and services provided.

Primarily associated with project management of non-financial service systems implementations, advisory and management consulting services, and examinations of internal controls and investment management performance returns for Affiliated Service Providers. Fees are also related to the performance of agreed upon tax compliance services associated with reviewing the Fund's tax returns.

The Audit Committee of each Fund has reviewed the non-audit services provided by the Fund's independent registered public accounting firm to the Fund's Affiliated Service Providers that were not subject to the Committee's pre-approval and has determined that the provision of such services is compatible with maintaining the independent registered public accounting firm's independence.

Committee's Pre-Approval Policies and Procedures. The Audit Committee of each Fund has adopted policies and procedures with regard to the pre-approval of services. Audit, audit-related and tax compliance services provided to a Fund on an annual basis require specific pre-approval by the Fund's Audit Committee. As noted above, the Audit Committee also must approve non-audit services provided to a Fund and those non-audit services provided to the Fund's Affiliated Service Providers that relate directly to the operations and financial reporting of the Fund. Certain of these non-audit services that the Audit Committee believes are (a) consistent with the SEC's auditor independence rules and (b) routine and recurring services that will not impair the independence of the independent registered public accounting firm may be approved by the Audit Committee without consideration on a specific case-by-case basis (general pre-approval). However, such services will only be deemed pre-approved provided that any individual project does not exceed \$5,000 attributable to the Fund or \$50,000 for the project as a whole. Any proposed services exceeding the pre-approved cost levels will require specific pre-approval by the Audit Committee, as will any other services not subject to general pre-approval (e.g. unanticipated but permissible services). The Audit Committee is informed of each service approved subject to general pre-approval at the next regularly scheduled in-person board meeting.

12

Non-audit services provided to a Fund's Affiliated Service Providers that have a direct impact on the operations or financial reporting of the Fund must be pre-approved by the Audit Committee of ML & Co. in addition to pre-approval by the Audit Committee.

The independent registered public accounting firm annually will provide the Audit Committees with a detailed analysis of all fees paid by ML & Co. and its affiliates.

Other. Representatives of D&T are expected to be present at the Meetings and will have an opportunity to make a statement if they so desire and to respond to questions from stockholders.

I. Composition of the Audit Committee

The Audit Committee shall be composed of at least three Directors/Trustees:

The Audit Committee may delegate any portion of its authority, including the authority to grant preapprovals of audit related services and permitted non-audit services, to a subcommittee of one or more members of the Audit Committee pursuant to preapproval policies and procedures established by the Audit Committee; provided, however, that the Audit Committee may not delegate preapproval of the audit required by the 1934 Act. Any decision of such subcommittee of the Audit Committee to grant preapprovals shall be presented to the full Audit Committee at its next regularly scheduled meeting.

The function of the Audit Committee is oversight; it is the responsibility of Fund management to maintain appropriate systems for accounting and internal control over financial reporting, and the responsibility of the Fund's independent accountants to plan and carry out a proper audit. The Fund's independent accountants are responsible for planning and carrying out an audit consistent with applicable legal and professional standards and the terms of their engagement letter. Nothing in this Audit Committee Charter shall be construed to reduce the responsibilities or liabilities of the Fund's service providers, including the Fund's independent accountants.

Although the Audit Committee is expected to review appropriately the matters that come before it, such review of a Fund's financial statements by the Audit Committee is not an audit, nor does the Committee's review substitute for the responsibilities of the Fund's management for preparing, or the Fund's independent accountants for auditing, the financial statements. Members of the Audit Committee are not full-time employees of the Fund and, in serving on the Audit Committee, are not, and do not hold themselves out to be, acting as accountants or auditors. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures.

In discharging their duties, the members of the Audit Committee are entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by: (1) one or more officers of the Fund whom the Directors/Trustees reasonably believe to be reliable and competent in the matters presented; (2) legal counsel, public accountants, or other persons as to matters the Directors/Trustees reasonably believe are within the person's professional or expert competence; or (3) a Board committee of which the Directors/Trustees are not members.

IV. Meetings

Edgar Filing: CORPORATE HIGH YIELD FUND III INC - Form DEF 14A

The Audit Committee shall meet regularly with the Fund's independent accountants (outside the presence of Fund management) and Fund management and at least once annually with the representatives of Fund management responsible for the financial and accounting operations of the Fund. The Audit Committee shall hold special meetings at such times as the Audit Committee believes appropriate. Members of the Audit Committee may participate in a meeting of the Audit Committee by means of conference call or similar communications equipment by means of which all persons participating in such meeting can hear each other.

V. Assistance from Fund Management; Authority to Engage Advisers; Funding

The appropriate officers of the Fund shall provide or arrange to provide such information, data and services as the Audit Committee may request. The Audit Committee shall have the power and authority to take all action it believes necessary or appropriate to discharge its responsibilities, including the power and authority to retain independent counsel and other advisers. The Fund shall provide for appropriate funding, as determined by the Audit Committee as a committee of the Board of Directors/Trustees, for payment of: (i) compensation to the Fund's independent accountants or any other accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review, or attest services for the Fund, (ii) compensation to any advisers employed by the Audit Committee under this Section V, and (iii) ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its responsibilities.

other advisors the Committee deems appropriate and shall have the sole authority to approve the compensation and other terms of their retention.

Responsibilities

The Committee shall identify individuals qualified to serve as Independent Directors of the Fund and shall recommend its nominees for consideration by the full Board.

Identification and Evaluation of Potential Nominees

In identifying and evaluating a person as a potential nominee to serve as an Independent Director of the Fund, the Committee should consider among other factors it may deem relevant:

the contribution which the person can make to the Board, with consideration being given to the person's business and professional experience, education and such other factors as the Committee may consider relevant;

the character and integrity of the person;

whether or not the person is an interested person as defined in the 1940 Act and whether the person is otherwise qualified under applicable laws and regulations to serve as a Director or Independent Director of the Fund;

whether or not the person has any relationships that might impair his or her independence, such as any business, charitable, financial or family relationships with Fund management, the investment adviser or manager of the Fund, Fund service providers or their affiliates;

whether or not the person is financially literate pursuant to the applicable Exchange's audit committee membership standards;

whether or not the person serves on boards of, or is otherwise affiliated with, competing financial service organizations or their related investment company complexes;

E-1

whether or not the person is willing to serve, and willing and able to commit the time necessary for the performance of the duties of a Director of the Fund;

whether or not the selection and nomination of the person would be consistent with the requirements of the Fund's retirement policy.

While the Committee is solely responsible for the selection and nomination of the Fund's Independent Directors, the Committee may consider nominations for the office of Director made by Fund stockholders as it deems appropriate. Stockholders who wish to recommend a nominee should send nominations to the Secretary of the Fund which include biographical information and set forth the qualifications of the proposed nominee. The Secretary of the Fund will forward all nominations received to the Committee.

Quorum

A majority of the members of the Committee shall constitute a quorum for the transaction of business, and the act of a majority of the members of the Committee present at any meeting at which there is quorum shall be the act of the Committee.

Nomination of Directors

After a determination by the Committee that a person should be nominated as an Independent Director of the Fund, the Committee shall present its recommendation to the full Board for its consideration and, where appropriate, to the Independent Directors.

Meetings

The Committee may meet either on its own or in conjunction with meetings of the Board. Meetings of the Committee may be held in person, video conference or by conference telephone. The Committee may take action by unanimous written consent in lieu of a meeting.
