Item 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

Item 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION

On October 25, 2005, Albany International Corp. ("the Registrant") and certain U.S. subsidiaries entered into a Note Agreement and Guaranty with the Prudential Insurance Company of America and certain other purchasers, pursuant to which the Registrant issued, and the purchasers purchased, notes in an aggregate principal amount of \$150,000,000. The notes bear interest at rate of 5.34% and have a maturity date of October 25, 2017, with mandatory prepayments of \$50 million on each of October 25, 2013 and October 25, 2015. At the noteholders' election, certain prepayments may also be required in connection with certain asset dispositions or financings. The notes may not otherwise be prepaid without a premium. The Note Agreement contains customary terms, as well as affirmative covenants, negative covenants and events of default comparable to those in the Registrant's current principal revolving credit facility. The notes are guaranteed by certain of the Registrant's U.S. subsidiaries.

Most of the proceeds from the sale were applied to pay down all amounts currently outstanding (approximately \$127 million) under the Registrant's principal revolving credit facility. (On October 25, the applicable interest rate for three-month borrowings under the Registrant's principal revolving credit facility was LIBOR plus 75 basis points, or 4.96%.) The balance will be used for general corporate purposes.

A copy of the Note Agreement and Guaranty is being filed as an exhibit.

Signature
