Employment Contracts, Termination of Employment and Change of Control Arrangements

j2 Global currently has employment contracts with each of Messrs. Jarus and Zucker. j2 Global also has consulting agreements with Orchard Capital Corporation, which supplies the services of Mr. Ressler, and with Boardrush Media LLC, which supplies the services of John F. Rieley, a director and co-founder, and Jens Muller, a former director and a co-founder. See Report of the Compensation Committee of the Board of Directors on Executive Compensation beginning on page 14 for a description of the terms of the Orchard Capital consulting agreement, and see Certain Transactions beginning on page 21 for a description of the terms of the Boardrush consulting agreement.

Mr. Jarus Contract. Mr. Jarus entered into an employment agreement with j2 Global upon joining j2 Global as President on July 8, 2001. Under this agreement, Mr. Jarus receives a base salary of \$270,000 per year and is eligible to participate in j2 Global's executive bonus program. He also is entitled to participate in all of j2 Global's benefits programs. If j2 Global terminates his employment constructively or for any reason other than cause, Mr. Jarus is entitled to severance and continued participation in j2 Global's health insurance coverage for six months following the date of termination. These severance and continued health insurance coverage obligations would cease in the event Mr. Jarus were to become

employed by another company during this period.

Also pursuant to this employment agreement, j2 Global loaned Mr. Jarus \$500,000 towards the purchase of a home in the Los Angeles area. The loan is secured by a second mortgage on Mr. Jarus' Los Angeles home. The mortgage is zero coupon, bears interest at the rate of 4.88% per annum and is payable in full on or before July 8, 2006. If Mr. Jarus voluntarily terminates his employment with j2 Global or is terminated for cause, he will be required to repay the full balance of the loan amount within 60 days of his last date of employment with j2 Global. If Mr. Jarus is terminated without cause or is constructively terminated, he will be required to pay the balance of the mortgage no later than the date that is one year following his last day of employment with j2 Global.

In accordance with this agreement, j2 Global issued Mr. Jarus options to purchase 250,000 shares of j2 Global's common stock at an exercise price of \$4.01 per share, which was the closing price of j2 Global's common stock on the NASDAQ National Market on the trading day preceding his date of employment. The agreement provides for accelerated vesting of a portion of Mr. Jarus' options if he is terminated without cause or constructively terminated within one year following a change in control of j2 Global. Mr. Jarus' options are

governed by j2 Global's 1997 Stock Option Plan. See 1997 Stock Option Plan beginning on this page for a description of the terms of j2 Global's 1997 Stock Option Plan.

Mr. Zucker's Contract. This employment agreement has no specified term and is terminable at will by either party, but provides for severance payments equal to six months' salary in the event of a termination by j2 Global without cause. This agreement provides for accelerated vesting of employee stock options issued to Mr. Zucker before June of 1997 in the event of a change in control of j2 Global.

1997 Stock Option Plan

j2 Global's 1997 Stock Option Plan was adopted by the Board of Directors and approved by the stockholders in November 1997. In May 2001, j2 Global amended and restated the 1997 Stock Option Plan to permit the issuance of restricted stock under the plan. A total of 2,500,000 shares of j2 Global's common stock have been reserved for issuance under the plan. As of December 31, 2002, options to purchase 1,605,432 shares of common stock were outstanding under the plan, 302,507 shares had been issued upon exercise of previously granted options and no shares of restricted stock were outstanding under the plan.

The plan provides for grants to employees, including officers and employee directors, of incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, and for grants of non-statutory stock options and restricted stock awards to employees, including officers and employee directors, and consultants, who may be non-employee directors.

The plan is administered by the Compensation Committee of j2 Global's Board of Directors. The plan administrator determines the terms of the options granted and restricted stock awarded, including the exercise price of each option, the number of shares subject to each option and covered by each restricted stock award and the vesting of each option and restricted stock award. The plan administrator also has the full power to select the individuals to whom options and restricted stock will be granted and to make any combination of grants to any participants.

Options generally have a term of 10 years. For options granted in 1999 and prior years, one-third of the options vest on the one-year anniversary of the grant date and each of the remaining one-third portions of the options vest on each annual anniversary of the grant date thereafter. For options granted after 1999, one-quarter of the options vest on the one-year anniversary of the grant date and each of the remaining one-quarter portions of the options vest on each annual anniversary of the grant date thereafter.

The option exercise price may not be less than the higher of the par value or one hundred percent (100%) of the fair market value of j2 Global's common stock on the date of grant. However, non-statutory options may be granted at exercise prices of not less than the higher of the par value or eighty-five percent (85%) of the fair market value of j2 Global's common stock on the date the option is granted. In the case of an incentive option granted to a person who at the time of the grant owns stock representing more than ten percent (10%) of the total combined voting power of all classes of j2 Global's common stock, the option exercise price for each share of common stock covered by such option may not be less than one hundred ten percent (110%) of the fair market value of a share of j2 Global's common stock on the date of grant of such option.

In the event of, among other things, a sale of all or substantially all of j2 Global's assets, or j2 Global's merger with or into another corporation, each option and each share of restricted stock will become immediately exercisable in full unless the Board of Directors determines that the holder has been offered substantially identical replacement options or replacement shares of restricted stock, as the case may be, and a comparable position at the acquiring company.

2001 Employee Stock Purchase Plan

j2 Global's 2001 Employee Stock Purchase Plan (the "Purchase Plan") was adopted by the Board of Directors and approved by the stockholders in May and June 2001, respectively. A total of 500,000 shares of j2 Global's common stock have been reserved for issuance under the Purchase Plan. As of December 31, 2002, 38,393 shares had been issued under the Purchase Plan and 461,607 shares were available for future issuance. The Purchase Plan is administered by the Compensation Committee of j2 Global's Board of Directors.

The Purchase Plan is implemented through sequential offerings, each of which is referred to as an "offering," the terms of which are referred to herein as "offering periods." Generally, each offering period is for three months or such other duration as the Compensation Committee shall determine, not to exceed 27 months. Offering periods commence on or about February 1, May 1, August 1 and November 1 of each year and end on or about the next April 30, July 31, October 31 and January 31, respectively. The initial offering period commenced on August 1, 2001 and ended on October 31, 2001.

The purchase price per share for an offering under the Purchase Plan is ninety percent (90%) of the lesser of (a) the fair market value of a share of common stock on the commencement of the offering or (b) the fair market value of a share of common stock on the date of purchase. However, the Compensation Committee, in its sole discretion, may change the purchase price at which each share of common stock may be acquired in an offering so long as the purchase price is not less than eighty-five percent (85%) of the lesser of (x) the fair market value of a share of common stock on the commencement of the offering or (y) the fair market value of a share of common stock on the date of purchase.

By executing an agreement to participate in the Purchase Plan, an eligible employee is entitled to purchase shares under the Purchase Plan, or a "purchase right." The purchase right consists of an option to purchase a maximum number of shares of common stock determined by either (1) dividing fifteen percent (15%) of such eligible employee's compensation during the offering period by the purchase price of a share of common stock for such offering period or (2) dividing \$12,500 by the fair market value of a share of common stock on the last date of such offering period, whichever is less. If the aggregate number of shares to be purchased upon exercise of purchase rights granted in the offering would exceed the maximum aggregate number of shares available for issuance under the Purchase Plan, the Compensation Committee would make a pro rata allocation of shares available in a uniform and equitable manner. Unless the employee's participation is discontinued, his or her right to purchase shares is exercised automatically at the end of each offering period.

Any employee of j2 Global or of any parent or subsidiary corporation of j2 Global designated by the Compensation Committee for inclusion in the Purchase Plan is eligible to participate in an offering under the Purchase Plan so long as the employee has been employed by j2 Global or any designated parent or subsidiary corporation of j2 Global for at least 30 days and is customarily employed at least 20 hours per week and five months per calendar year. However, no employee who owns or holds options to purchase, or as a result of participation in the Purchase Plan would own or hold options to purchase, five percent (5%) or more of the total combined voting power or value of all classes of stock of j2 Global or of any parent or subsidiary corporation of j2 Global is entitled to participate in the Purchase Plan. In addition, no employee is entitled to purchase more than \$25,000 worth of stock (determined based on the fair market value of the shares at the time such rights are granted) under all employee stock purchase plans of j2 Global in any calendar year.

**REPORT OF THE COMPENSATION COMMITTEE
OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION**

General

The Compensation Committee of j2 Global's Board of Directors recommends and approves changes to j2 Global's compensation policies and benefits programs, administers j2 Global's stock option and employee stock purchase plans, including approving stock option grants and restricted stock awards, and otherwise seeks to ensure that j2 Global's compensation philosophy is consistent with j2 Global's best interests and is properly implemented. The Committee currently is comprised of two independent non-employee directors and one non-employee director who also provides services to j2 Global pursuant to a consulting agreement with his employer.

Compensation Philosophy

The goals of j2 Global's compensation program are to align compensation with j2 Global's overall business objectives and performance, to foster teamwork and to enable j2 Global to attract, retain and reward employees who contribute to its long-term success. The Committee also seeks to establish compensation policies that allow j2 Global flexibility to respond to changes in its business environment.

Compensation Components

Compensation for j2 Global's executives generally consists of salary, participation in an executive bonus program, and stock option and restricted stock awards. The Committee assesses past performance and anticipated future contribution of each executive officer in establishing the total amount and mix of each element of compensation.

Salary. Base salaries are evaluated annually for all executive officers. In determining appropriate salary levels for such officers, the Compensation Committee considers, among other factors, the officer's scope of responsibility, prior experience, and past performance and data on prevailing compensation levels in relevant markets for executive talent.

Edgar Filing: J2 GLOBAL COMMUNICATIONS INC - Form DEF 14A

Bonus Programs. j2 Global has established two bonus programs one for executives and eligible managers, and the other for all other employees not eligible for the executive plan.

Executive Bonus Program. The bonus program for j2 Global's executives and eligible managers is designed to encourage and reward senior management for (a) attaining Company-wide financial goals, (b) improving the financial and operational health of j2 Global, and (c) meeting or exceeding individually defined goals and objectives for each executive and eligible manager. j2 Global's Compensation Committee administers this program. Under this program, j2 Global will establish a bonus pool in an amount that will vary based upon j2 Global achieving specific pre-defined financial criteria. If j2 Global achieves 100% of these goals, the bonus pool will equal a percentage of the total annual base salaries of all eligible participants. The bonus pool can increase or decrease based upon greater than or less than 100% of these financial criteria being satisfied. The total amount of the pool, and the amount to be

Table of Contents

distributed to each participant, will be determined by the Compensation Committee after public release of j2 Global's 2003 year-end audited financial statements. The Compensation Committee is not obligated to distribute the entire accrued bonus pool, although it expects to do so.

Employee Bonus Program. The bonus program for all of j2 Global's employees (other than those eligible for the Executive Bonus Program) is designed to encourage and reward extraordinary performance. It is referred to by j2 Global as its Reward & Recognition Program. Under this program, j2 Global will accrue throughout 2003 an amount equal to 5% of the total annual base salaries and hourly compensation for all employees (except those eligible for the Executive Bonus Program). The timing and amount of each individual reward is determined by the employee's senior manager, with the concurrence of j2 Global's President. Awards may occur at any time throughout the year, and are based on an individual's singular contribution or the contribution of a group of individuals who work as a team. As this pool is intended to reward exceptional effort or accomplishment, there is no guarantee that the entire accrued bonus pool will actually be awarded.

Stock Options and Restricted Stock. Stock option and restricted stock awards are designed to align the interests of executives and employees with the long-term interests of the stockholders. The Compensation Committee approves option grants and restricted stock awards subject to vesting periods to retain executives and employees and encourage sustained contributions. For options granted prior to 2000, the vesting period was usually over a three-year period or 100% of the grant on the third anniversary of the grant. Effective January 1, 2000, the typical vesting period was changed to a four-year period or 100% of the grant on the fourth anniversary of the grant. The exercise price of options is generally the market price on the date of grant. To date, there have been no grants of restricted stock.

Compensation of j2 Global's President and Chairman

Mr. Jarus joined j2 Global as President in July 2001. His services are provided to j2 Global pursuant to an employment agreement. See Employment Contracts, Termination of Employment and Change of Control Arrangements beginning on page 11 for a description of the terms of his employment agreement. Pursuant to his employment agreement, upon joining j2 Global Mr. Jarus was granted options to purchase 250,000 shares of j2 Global's common stock at an exercise price of \$4.01 per share. See 1997 Stock Option Plan beginning on page 12 for a description of the terms of j2 Global's 1997 Stock Option Plan. The terms of Mr. Jarus' employment agreement were determined by the Compensation Committee based upon various subjective factors, such as Mr. Jarus' responsibilities, qualifications and years of experience.

Mr. Ressler's services as Chairman are provided pursuant to a consulting arrangement with Orchard Capital Corporation, a company controlled by Mr. Ressler. Mr. Ressler is also the Manager of Orchard/JFAX Investors, LLC, one of j2 Global's principal stockholders. Under this consulting arrangement, j2 Global paid Orchard Capital \$200,000 per year through June 30, 1999 and \$275,000 per year from July 1, 1999 through March 31, 2000, in each case payable in equal monthly payments, for the services of Mr. Ressler. These arrangements were not pursuant to a written agreement. Effective April 1, 2000, Orchard Capital's compensation was reduced to \$144,000 per year, and Orchard Capital's revised consulting arrangement was reflected in a new written agreement. This agreement was amended effective April 1, 2001 to extend it for consecutive six-month periods, and was again amended in December 2001 to increase Orchard Capital's compensation back to the original \$275,000 per year. The agreement is terminable by either party by written notice delivered at least 30 days prior to commencement of the next six-month term.

As a director, Mr. Ressler is eligible to participate in j2 Global's 1997 Stock Option Plan. In June 2002, he was granted options to purchase 12,500 shares of j2 Global's common stock at an exercise price of \$14.10 per share. On the same day, each other Board member received an identical stock option grant. See 1997 Stock Option Plan for a description of the terms of j2 Global's 1997 Stock Option Plan.

Table of Contents

Other than reimbursement for reasonable expenses incurred in connection with the services Orchard Capital renders to j2 Global, neither Orchard Capital nor Mr. Ressler receives any other compensation from j2 Global.

The initial and revised compensation amounts payable to Orchard Capital pursuant to this consulting arrangement were determined by the Compensation Committee (with Mr. Ressler abstaining) based upon various subjective factors such as Mr. Ressler's responsibilities, qualifications, years of experience, individual performance and perceived contributions to j2 Global. The December 2001 compensation increase from \$144,000 to \$275,000 per year was based on a formal compensation survey and analysis conducted by a third party compensation consultant at the request of the Compensation Committee.

The Board of Directors, in its business judgment, has determined that all members of the Committee are independent, as required by applicable listing standards of NASDAQ. The Committee operates pursuant to a Charter that was last amended and restated by the Board on February 20, 2003, a copy of which is attached to this Proxy Statement as Appendix A. As set forth in the Charter, management of j2 Global is responsible for the preparation, presentation and integrity of j2 Global's financial statements, j2 Global's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing j2 Global's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Committee has considered and discussed the audited financial statements with management and the independent auditors. The Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as currently in effect. Finally, the Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as currently in effect, has considered whether the provision of non-audit services by the independent auditors to j2 Global is compatible with maintaining the auditor's independence and has discussed with the auditors the auditors' independence.

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to in the Charter, the Committee recommended to the Board that the audited financial statements be included in j2 Global's Annual Report on Form 10-K for the year ended December 31, 2002 and filed with the Securities and Exchange Commission.

PERFORMANCE GRAPH

The following graph compares, for the period that j2 Global's common stock has been registered under Section 12 of the Exchange Act, the cumulative total stockholder return for j2 Global, the NASDAQ Telecommunications Index and an index of companies that j2 Global has selected and justified as its peer group. Measurement points are July 23, 1999 (the first trading day) and the last trading day in each of j2 Global's fiscal quarters through the end of fiscal 2002. The graph assumes that \$100 was invested on July 23, 1999 in j2 Global's common stock at the initial public offering price of \$38 per share and in each of the indexes, and assumes reinvestment of any dividends. No dividends have been declared or paid on j2 Global's common stock. The stock price performance on the following graph is not necessarily indicative of future stock price performance.

j2 Global has made a change to the membership of its peer group index this year because TeraGlobal Communications Corp., one of the seven companies included in the peer group when it was first used in j2 Global's May 2001 proxy statement, is no longer publicly traded. The peer group index now consists of the six surviving members of the peer group: Deltathree Inc., Easylink Services Corporation (formerly Mail.com, Inc.), I-Link Corporation, iBasis Inc., PTEK Holdings, Inc. and Tumbleweed Communications Corp. We believe that the peer group index provides a representative group of companies in the outsourced messaging and communications industry.

Indebtedness of Officers and Directors

The following directors, officers and beneficial owners of more than five percent (5%) of j2 Global's common stock are indebted to j2 Global:

As of December 31, 2002, Scott M. Jarus was indebted to j2 Global in the amount of \$536,099. This debt represents the \$500,000 principal amount plus accrued interest of a loan made by j2 Global to Mr. Jarus on July 9, 2001 in connection with his engagement of employment. In accordance with his employment agreement, Mr. Jarus used the proceeds of this loan towards the purchase of a home in the Los Angeles area. The loan is secured by a second mortgage on that home. See Executive Officer Compensation and Other Matters Employment Contracts, Termination of Employment and Change of Control Arrangements beginning on page 11 for a description of the terms of this loan.

As of December 31, 2002, Boardrush Media LLC (Boardrush) was indebted to j2 Global in the amount of \$346,154. j2 Global advanced this loan to Boardrush on March 17, 1997 and the principal amount of the loan was originally \$2,250,000. This loan matures on January 1, 2005 and bears interest at the rate of 6.32% per annum, with interest payments offset against amounts owed by j2 Global to Boardrush under the consulting agreement described below.

Consulting Agreements

j2 Global has entered into the following consulting agreements with directors, officers and beneficial owners of more than five percent (5%) of j2 Global's common stock:

j2 Global is a party to a consulting agreement with Boardrush dated March 17, 1999, as amended in January 2000 and again in October 2001 (the Boardrush Agreement). Jens Muller, a co-founder and former director of j2 Global, is the Manager and therefore the controlling person of Boardrush. Pursuant to the Boardrush Agreement, Boardrush provides the services of Mr. Muller and John F. Rieley, a current director of j2 Global and also a co-founder, to j2 Global for a maximum of two days each per month. The Boardrush Agreement runs for a term ending on the earlier of the date the Boardrush loan described above is repaid in full, and January 1, 2005. Until March 17, 1999, j2 Global paid Boardrush \$400,000 per year, payable in equal monthly payments, pursuant to the Boardrush Agreement. From and after March 17, 1999, Boardrush's compensation under the Boardrush Agreement consists of forgiveness of interest and principal under the loan described above, with principal reductions being made pro rata over the period from March 17, 1999 through January 1, 2005.

Boardrush has the right to repay the loan at any time either in cash or in j2 Global's common stock valued at the then current market price. On July 27, 2000, Boardrush prepaid \$760,000 of the loan by delivering to j2 Global approximately 62,500 shares of j2 Global's common stock, valued at \$12.125 per share. As a result of this prepayment, and in accordance with the Boardrush Agreement, the following occurred: (a) the requirement in the Boardrush Agreement that Boardrush repay the loan with the proceeds of any sale of j2 Global's common stock after it has received in excess of \$6 million was terminated, and (b) Boardrush's pledge of 731,250 shares of j2 Global's common stock was extinguished.

Richard S. Ressler's services as Chairman are provided pursuant to a consulting arrangement with Orchard Capital Corporation, a company controlled by Mr. Ressler. Mr. Ressler is also a member and the manager of Orchard/JFAX Investors, LLC, one of j2 Global's principal stockholders. See Executive Officer Compensation and Other Matters Report of the Compensation Committee of the Board of Directors on Executive Compensation beginning on page 14 for a description of the terms of this consulting arrangement.

Shared Space and Services

j2 Global currently leases approximately 28,000 square feet of office space for its headquarters in Los Angeles, California under a lease that expires in January 2010. j2 Global leases the space from CIM/Hollywood, LLC, a limited liability company indirectly controlled by j2 Global's Chairman, Richard S. Ressler. j2 Global subleases approximately one-half of this space to CIM Group, LLC, an entity indirectly controlled by Mr. Ressler. Net of the subleased space, j2 Global's share of the monthly rent is approximately \$24,000. The sublease expires in mid-2003, at which time j2 Global will occupy and pay for the entire leased space.

j2 Global also shares and prorates certain administrative costs with these and other entities controlled by Mr. Ressler. These costs include amounts for shared personnel and routine office and telephone expenses, and are paid based on actual amounts paid to third parties without markup or markdown.

Investments in j2 Global by Officers, Directors and Principal Stockholders

Between December 1995 and March 1997, j2 Global issued a total of 1,727,500 shares of common stock to j2 Global's founders, Messrs. Muller and Rieley, 1,343,750 of which were canceled in March 1997 and reissued to Boardrush. Also in March 1997, j2 Global issued 2,515,000 shares of common stock to Orchard/JFAX Investors, LLC, and 55,000 shares of common stock to Nehemia Zucker. In connection with these issuances, j2 Global entered into a registration rights agreement with those investors. Under this agreement, the investors have the right to participate in registrations initiated by j2 Global, but do not have the right to demand that j2 Global effect a registration. These registration rights will expire on March 17, 2007.

In June 2001, j2 Global repurchased 251,922 shares of common stock and a warrant to acquire 117,188 shares of common stock for \$911,000 in cash from an investor group advised by Pecks Management Partners Ltd. (Pecks) consisting of Declaration of Trust for Defined Benefit Plans of Zeneca Holdings, Inc., Declaration of Trust for Defined Benefit Plans of ICI American Holdings, Inc., Delaware State Employees Retirement Fund and the J.W. McConnell Family Foundation. Robert J. Cresci, one of j2 Global's directors, is a Managing Director of Pecks. At the same time, Pecks sold 300,003 shares of j2 Global's common stock to a third party unaffiliated with j2 Global. Prior to disposing of these shares and warrants, Pecks had a right to cause j2 Global to repurchase these shares for \$12.80 per share and to purchase these warrants for \$6.40 per underlying share upon a change of control of j2 Global. In connection with Pecks' June 2001 sale of these shares and warrants, these repurchase rights were canceled.

In July 1998, in connection with a preferred stock issuance (which preferred stock was repurchased in 1999), j2 Global issued warrants to acquire a total of 781,250 shares of j2 Global's common stock to the following entities: (a) Donaldson, Lufkin & Jenrette Securities Corporation (DLJ), which acted as placement agent for the offering; (b) affiliates of DLJ; (c) R. Scott Turicchi, j2 Global's Executive Vice President of Corporate Development; (d) Orchard/JFAX Investors, LLC; and (e) Pecks. As stated above, j2 Global repurchased the warrants issued to Pecks in June 2001. The remaining warrants, which have an exercise price of \$9.60 per share, expire July 1, 2005. Each of the warrant holders has a right to cause j2 Global to repurchase these warrants for \$6.40 per underlying share upon a change of control of j2 Global.

We believe that the transactions described above were made on terms no less favorable than could have been obtained from third parties. All transactions were negotiated at arms' length. j2 Global intends to have all future transactions between j2 Global and its officers, directors and affiliates be approved by a majority of disinterested members of j2 Global's Board of Directors or one of its committees, as appropriate, in a

manner consistent with Delaware law and the fiduciary duties of j2 Global's directors.

PROPOSAL 2 RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

On December 11, 2002, j2 Global appointed Deloitte & Touche LLP as its independent auditors for the fiscal years ending December 31, 2002 and 2003, and dismissed KPMG LLP. The decision to change independent accountants was approved by the Audit Committee of the Board of Directors and ratified by the Board of Directors.

During the two most recent fiscal years, none of the reports on j2 Global's financial statements contained an adverse opinion or a disclaimer of opinion or was qualified or modified as to uncertainty, audit scope or accounting principles. In connection with its audits for the two most recent fiscal years and any subsequent interim period, there have been no disagreements with j2 Global's independent accountants on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure.

Notwithstanding the selection of Deloitte & Touche, the Audit Committee, in its discretion, may direct appointment of new independent auditors at any time during the year, if the Committee feels that such a change would be in the best interests of j2 Global and its stockholders.

Representatives of Deloitte & Touche are expected to be present at the Annual Meeting and are expected to be available to respond to appropriate questions.

Ratification of Deloitte & Touche as j2 Global's auditors for the fiscal year ending December 31, 2003 requires the affirmative vote of the holders of a majority of shares of j2 Global common stock present or represented and entitled to vote at the Annual Meeting.

THE j2 GLOBAL BOARD OF DIRECTORS RECOMMENDS A VOTE FOR PROPOSAL 2, RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Edgar Filing: J2 GLOBAL COMMUNICATIONS INC - Form DEF 14A

Section 16(a) of the Securities Exchange Act of 1934 requires j2 Global's officers (as defined in Rule 16a-1(f)), directors and persons who own more than ten percent (10%) of a registered class of j2 Global's equity securities to file reports of ownership and changes in ownership with the SEC. Such persons are required by SEC regulations to furnish j2 Global with copies of all Section 16(a) forms they file. Based solely on j2 Global's review of the copies of such forms received by j2 Global and written representations from certain reporting persons that they have complied with the relevant filing requirements, we believe that all filing requirements applicable to its officers, directors and ten percent (10%) stockholders were complied with during the fiscal year ended December 31, 2002.

AMENDED AND RESTATED

AUDIT COMMITTEE CHARTER

- I. **Composition of the Audit Committee:** The Audit Committee shall be comprised of at least three directors, each of whom shall not be an officer or employee of the Company or its subsidiaries, shall not have any relationship which, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and shall otherwise satisfy the applicable membership requirements under the rules of the National Association of Securities Dealers, Inc., as such requirements are interpreted by the Board of Directors in its business judgment.
- II. **Purposes of the Audit Committee:** The purposes of the Audit Committee are to assist the Board of Directors:
1. in its oversight of the Company's accounting and financial reporting principles and policies and internal audit controls and procedures;
 2. in its oversight of the Company's financial statements and the independent audit thereof;
 3. in selecting, evaluating and, where deemed appropriate, replacing the outside auditors (or nominating the outside auditors to be proposed for shareholder approval in any proxy statement); and
 4. in evaluating the independence of the outside auditors.

The function of the Audit Committee is oversight. The management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements. Management and the internal auditing department are responsible for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The outside auditors are responsible for planning and carrying out a proper audit of the Company's annual financial statements, reviews of the Company's quarterly financial statements prior to the filing of each quarterly report on Form 10-Q, and other procedures. In fulfilling their responsibilities hereunder, it is recognized that members of the Audit Committee are not full-time employees of the Company and are not, and do not represent themselves to be, accountants or auditors by profession or experts in the fields of accounting or auditing, including in respect of auditor independence standards. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures or to set auditor independence standards, and each member of the Audit Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Company from which it receives information; (ii) the accuracy of the financial and other information provided to the Audit Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board of Directors); and (iii) representations made by management as to any information technology, internal audit and other non-audit services provided by the auditors to the Company.

Edgar Filing: J2 GLOBAL COMMUNICATIONS INC - Form DEF 14A

The outside auditors for the Company are ultimately accountable to the Board of Directors (as assisted by the Audit Committee). The Board of Directors, with the assistance of the Audit Committee, has the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the outside auditors (or to nominate the outside auditors to be proposed for shareholder approval in the proxy statement).

The outside auditors shall submit to the Company annually a formal written statement delineating all relationships between the outside auditors and the Company (Statement as to Independence), addressing each non-audit service provided to the Company and the matters set forth in Independence Standards Board No. 1.

The outside auditors shall submit to the Company annually a formal written statement of the fees billed for each of the following categories of services rendered by the outside auditors: (i) the audit of the Company's annual financial statements for the most recent fiscal year and the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for that fiscal year; (ii) information technology consulting services for the most recent fiscal year, in the aggregate and by each service (and separately identifying fees for such services relating to financial information systems design and implementation); and (iii) all other services rendered by the outside auditors for the most recent fiscal year, in the aggregate and by each service.

III. Meetings of the Audit Committee: The Audit Committee shall meet four times annually, or more frequently if circumstances dictate, to discuss with management the annual audited financial statements and quarterly financial results. In addition to such meetings of the Audit Committee as may be required to discuss the matters set forth in Article IV, the Audit Committee should meet separately at least annually with management, the director of the internal auditing department and the outside auditors to discuss any matters that the Audit Committee or any of these persons or firms believe should be discussed privately. The Audit Committee may request any officer or employee of the Company or the Company's outside counsel or outside auditors to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. Members of the Audit Committee may participate in a meeting of the Audit Committee by means of conference call or similar communications equipment by means of which all persons participating in the meeting can hear each other.

 - (iv) to consider the effect of the outside auditors' provision of (a) information technology consulting services relating to financial information systems design and implementation and (b) other non-audit services to the Company on the independence of the outside auditors (it being understood that the Audit Committee will rely on the accuracy of the information provided by the outside auditors as to the services provided and the fees paid and will rely on the representations of management in connection with such consideration); and
 - (v) to instruct the outside auditors that the outside auditors are ultimately accountable to the Board of Directors and Audit Committee;
2. With respect to the internal auditing department,
 - (i) to review the appointment and replacement of the director of the internal auditing department; and
