PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS

MAY 24, 2001

GENERAL INFORMATION

This proxy statement is furnished in connection with the solicitation by the Board of Directors of Buckhead America Corporation, a Delaware corporation ("Buckhead") of proxies for use at the 2001 Annual Meeting of Stockholders to be held on May 24, 2001 at 11:30 a.m. (E.D.T.), at the Central Park Conference Center, 7000 Central Parkway, Suite 354, Atlanta, Georgia 30328.

This proxy statement and the accompanying form of proxy are being first mailed to stockholders on or about May 1, 2001. The stockholder giving the proxy may revoke it at any time before it is exercised at the meeting by: (i) delivering to the Secretary of Buckhead a written instrument of revocation bearing a date later than the date of the proxy; (ii) duly executing and delivering to the Secretary a subsequent proxy relating to the same shares; or (iii) attending the meeting and voting in person; however, attendance at the meeting will not in and of itself constitute revocation of a proxy. Any proxy which is not revoked will be voted at the annual meeting in accordance with the stockholder's instructions. If a stockholder returns a properly signed and dated proxy card but does not mark any choices on one or more items, his or her shares will be voted in accordance with the recommendations of the Board of Directors as to such items. The proxy card gives authority to the proxies to vote shares in their discretion on any other matter properly presented at the annual meeting.

Proxies will be solicited from Buckhead's stockholders by mail. Buckhead will pay all expenses in connection with the solicitation, including postage, printing and handling, and the expenses incurred by brokers, custodians, nominees and fiduciaries in forwarding proxy material to beneficial owners. Buckhead may employ a proxy solicitation firm to solicit proxies in connection with the annual meeting and Buckhead estimates that the fee payable for such services will be less than \$10,000. It is possible that directors, officers and regular employees of Buckhead may make further solicitation personally or by telephone, telegraph or mail. Directors, officers and regular employees of Buckhead will receive no additional compensation for any such further solicitation.

Only stockholders of record of Buckhead's common stock at the close of business on April 16, 2001 (the "Record Date"), are entitled to notice of, and to vote at, the annual meeting. On the Record Date, Buckhead had outstanding a total of 1,970,779 shares of common stock, excluding a total of 143,102 shares

Edgar Filing: BUCKHEAD AMERICA CORP - Form DEF 14A

of treasury stock held by Buckhead, which are not entitled to vote. Each such share will be entitled to one vote, non-cumulative, on each matter to be considered at the annual meeting. A majority of the outstanding shares of common stock, present in person or represented by proxy at the annual meeting, will constitute a quorum for the transaction of business at the annual meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business.

Votes cast by proxy or in person at the annual meeting will be counted by the persons appointed by Buckhead to act as election inspectors for the meeting. Prior to the meeting, the inspectors will sign an oath to perform their duties in an impartial manner and to the best of their abilities. The inspectors will ascertain the number of shares outstanding and the voting power of each of such shares, determine the shares represented at the meeting and the validity of proxies and ballots, count all votes and ballots and perform certain other duties as required by law.

Nominees for election as directors will be elected by a plurality of the votes cast by the holders of shares entitled to vote in the election. Accordingly, the six nominees receiving the highest vote totals will be elected as directors of Buckhead at the annual meeting. It is expected that shares

1

beneficially held by officers and directors of Buckhead, which in the aggregate represent approximately 36.0% of the outstanding shares of common stock, will be voted in favor of each proposal. With respect to election of directors, abstentions, votes "withheld" and broker non-votes will be disregarded and have no effect on the outcome of the vote. There are no rights of appraisal or similar dissenter's rights with respect to any matter to be acted upon pursuant to this proxy statement.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board of Directors of Buckhead recommends a vote FOR the election of each of the nominees named below for election as director.

ELECTION OF DIRECTORS

The proxy holders intend to vote FOR election of the nominees named below as directors of Buckhead, unless otherwise specified in the proxy. Directors of Buckhead elected at the annual meeting to be held on May 24, 2001 will hold office until the next annual meeting or until their successors are elected and qualified.

Each of the nominees has consented to serve on the Board of Directors, if elected. Should any nominee for the office of director become unable to accept nomination or election, which is not anticipated, it is the intention of the persons named in the proxy, unless otherwise specifically instructed in the proxy, to vote for the election of such other person as the Board of Directors may recommend.

The name and age of each nominee, his principal occupation, and the period during which such person has served as a director are set forth below:

INFORMATION ABOUT THE BOARD OF DIRECTORS

MEETINGS OF THE BOARD OF DIRECTORS--During 2000 there were four meetings of the Board of Directors. Each incumbent director attended at least 75% of all meetings of the Board of Directors.

DIRECTOR COMPENSATION--All non-employee directors of the Board of Directors of Buckhead are paid an annual fee of \$12,000 for service on the Board of Directors and a fee of \$750 for each Board meeting attended. Directors are entitled to reimbursement of their traveling costs and other out-of-pocket expenses incurred in attending Board and Committee meetings.

All non-employee directors serve on all standing committees, such as audit, nominations and compensation. Functions normally addressed by such committees are conducted at regularly scheduled and special meetings of the entire Board of Directors.

The Board of Directors formed an Audit Committee in May, 2000. The Audit Committee is responsible for (i) reviewing the Company's financial results and the scope and results of audits; (ii) evaluating the Company's system of internal controls and meeting with independent public accountants and appropriate Company financial personnel concerning the Company's system of internal controls; (iii) recommending to the Board of Directors the appointment of the independent public accountants; and (iv) evaluating the Company's financial reporting activities and the accounting standards and principles followed. The current members of the Audit Committee are David C. Glickman, David B. Mumford, William K. Stern and Steven A. Van Dyke. During 2000, the Audit Committee held two meetings and also took action by written consent.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee shall not be deemed to be "soliciting material" or to be "filed" with the Securities and Exchange Commission (the "Commission") or subject to Regulations 14A or 14C of the Commission or to the liabilities of Section 18 of the Securities and Exchange Act of 1934 (the "Exchange Act") and shall not be deemed incorporated by reference into any filing under the Securities Act of 1933 or the Exchange Act, notwithstanding any general incorporation by reference of this Proxy Statement into any other document.

The Board of Directors maintains an Audit Committee comprised of four of the Company's outside directors. The Board of Directors and the Audit Committee believes that the Audit Committee's current member composition satisfies the rule of the National Association of Securities Dealers, Inc. ("NASD") that governs audit committee composition as currently in effect, including the requirement that audit committee members all be "independent directors" as that term is defined by NASD Rule 4200(a)(14). The Board has adopted a written Charter of the Audit Committee, a copy of which is attached as Appendix A hereto.

The Audit Committee oversees the Company's financial process on behalf of

Edgar Filing: BUCKHEAD AMERICA CORP - Form DEF 14A

the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. The independent auditors are responsible for expressing an opinion on the conformity of the financial statements with United States generally accepted accounting principles. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2000 with management and the independent auditors, including without limitation, a discussion with the independent auditors of the matters required to be discussed with the Audit Committee under Statement on Auditing Standards No. 61.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Company's auditors are in fact "independent."

In reliance on the reviews and discussion referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2000 for filing with Securities and Exchange Commission.

AUDIT COMMITTEE

David B. Mumford

Edgar Filing: BUCKHEAD AMERICA CORP - Form DEF 14A

CERTAIN TRANSACTIONS

In connection with the 1997 Lodge Keeper acquisition, Buckhead assumed a lease for office space in Prospect, Ohio. The lease requires annual rent payments of approximately \$60,000 through 2006. Members of the immediate family of Mr. Devine, a former executive officer and director of Buckhead, own 50% of the lessor.

Also in connection with the Lodge Keeper acquisition, Mr. Devine executed a \$250,000 note payable to Buckhead for certain inventory and equipment which did not relate to Lodge Keeper's primary business. The note bore interest at 10% and was fully repaid in March, 2001.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") requires Buckhead's executive officers and directors and persons who beneficially own more than 10% of Buckhead's stock to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission and the National Association of Securities Dealers, Inc. Executive officers, directors and greater than 10% beneficial owners are required by SEC regulations to furnish Buckhead with copies of all Section 16(a) forms they file.

Based solely on its review of copies of forms received by it pursuant to Section 16(a) of the Exchange Act, or written representations from certain reporting persons, Buckhead believes that during 2000 all Section 16(a) filing requirements applicable to its executive officers, directors and greater than 10% beneficial owners were complied with, except for (1) Mr. Chetan N. Patel and Mr. William J. Selesky, each of whom filed one late Form 3, and (2) Mr. Ronald L. Devine failed to file a Form 5 to report an exempt stock option grant.

INDEPENDENT PUBLIC ACCOUNTANTS

The accounting firm of KPMG LLP has been the independent certified public accountants of Buckhead since March 1993. Approval or selection of the independent certified public accountants of Buckhead is not submitted for a vote at the Annual Meeting of Stockholders. The Board of Directors of Buckhead has historically selected the independent certified public accountants of Buckhead, and the Board believes that it would be to the detriment of Buckhead and its stockholders for there to be any impediment such as selection or ratification by the stockholders to its exercising its judgment to remove Buckhead's independent certified public accountants if, in its opinion, such removal is in the best interest of Buckhead and its stockholders.

It is anticipated that a representative from the accounting firm of KPMG LLP will be present at the annual meeting of Stockholders to answer appropriate questions and make a statement if the representative desires to do so.
