WHY YOU WERE SENT THIS CONSENT SOLICITATION STATEMENT

LaGrange Capital Partners, L.P., a Delaware limited partnership (“Capital Partners”), LaGrange Capital Partners Offshore Fund, Ltd., a Cayman Islands corporation (“Capital Partners Offshore Fund”), LaGrange Special Situations Yield Master Fund, Ltd., a Cayman Islands corporation (“Special Situations Master Fund”), LaGrange Capital Management, L.L.C., a Delaware limited liability company (“Capital Management”), LaGrange Capital Administration, L.L.C., a Delaware limited liability company (“Capital Administration”) and Frank LaGrange Johnson (collectively, the “LaGrange Group”) are hereby asking you to help them request that the management of Forward Industries, Inc., a New York corporation (“FORD” or the “Company”), call a special meeting of shareholders of the Company. This solicitation statement and the accompanying WHITE request card are being furnished to holders of the Company’s common stock (the “Common Stock”). The LaGrange Group seeks to request that the Company call a special meeting of the Company’s shareholders for the following purposes: (i) to remove all members of the current Board of Directors of the Company (the “Board”) and any member of the Board added prior to the date of the special meeting, without cause; (ii) to repeal any provision of the Amended and Restated Bylaws of FORD (“the Bylaws”) in effect at the time this proposal becomes effective that was not included in the Bylaws that became effective on February 13, 2008 and were filed with the Securities and Exchange Commission on December 5, 2007; (iii) to further amend the Bylaws to fix the size of the Board at five (5); (iv) in the event Proposal (i) is approved, to elect the slate of directors nominated by the LaGrange Group to fill the vacancies created by the removal of all of the directors of the Company; and (v) to transact such other business as may properly come before the special meeting (items (i) through (v) above collectively referred to as the “Proposals”). At this time, the LaGrange Group is only soliciting your request to call the special meeting. The LaGrange Group is not currently seeking your proxy, consent, authorization or agent designation for approval of the Proposals or any other actions. In the event the special meeting is called, the LaGrange Group will send you proxy materials relating to the Proposals to be voted upon at the special meeting.

Section 203 of the Bylaws, as adopted on June 9, 2010, provides that a special meeting of the shareholders may be called by “qualified shareholders” holding at least forty percent (40%) of all the votes entitled to be cast on any issue proposed to be considered at the special meeting. Prior to the June 9, 2010 amendment to the Bylaws, a special meeting could be called by qualified shareholders holding at least thirty percent (30%) of all the votes entitled to be cast on any issue proposed to be considered at the special meeting. In order to be a qualified shareholder, the shareholder must have been a shareholder of the Company for at least six (6) months immediately preceding the request for a special meeting. As of [], 2010, the LaGrange Group collectively beneficially owned, and had the right to vote 2,111,389 shares of the Company’s Common Stock, representing approximately 26.5% of the outstanding

Common Stock of the Company. As of July 11, 2010, the LaGrange Group met the criteria to be deemed a qualified shareholder of the Company.

The record date for determining the “qualified shareholders” entitled to request that the Company call a special meeting of the Company’s shareholders for the purposes described above shall be the first date on which a signed written request is delivered to the Company’s registered office, its principal place of business or an officer or agent of the Company having custody of the book in which proceedings of meetings of shareholders are recorded. Capital Partners delivered a signed written request to the Company’s principal place of business on August [___], 2010 (the “Record Date”).

This solicitation statement and the accompanying WHITE request card are first being mailed to shareholders on or about _____, 2010. Requests to call a special meeting should be delivered as promptly as possible, by mail (using the enclosed envelope), to the LaGrange Group’s Solicitation Agent, Okapi Partners LLC, as set forth below. This solicitation statement and accompanying WHITE request card will be sent to all holders of Common Stock as of _____, 2010.

THIS SOLICITATION IS BEING MADE BY THE LAGRANGE GROUP, AND NOT ON BEHALF OF THE COMPANY’S BOARD. AT THIS TIME, THE LAGRANGE GROUP IS NOT CURRENTLY SEEKING YOUR PROXY, CONSENT, AUTHORIZATION OR WRITTEN CONSENT FOR APPROVAL OF THE PROPOSALS. THE LAGRANGE GROUP IS ONLY SOLICITING YOUR WRITTEN REQUEST TO CALL THE SPECIAL MEETING. AFTER THE SPECIAL MEETING HAS BEEN CALLED, THE LAGRANGE GROUP WILL SEND YOU PROXY MATERIALS URGING YOU TO VOTE IN FAVOR OF THE PROPOSALS. YOUR WRITTEN REQUEST IS IMPORTANT, NO MATTER HOW MANY OR HOW FEW SHARES YOU OWN. THE LAGRANGE GROUP URGES YOU TO SIGN, DATE AND RETURN THE ENCLOSED WHITE REQUEST CARD TO CALL A SPECIAL MEETING.

WE URGE YOU NOT TO SIGN ANY REVOCATION OF CONSENT CARD THAT MAY BE SENT TO YOU BY FORD. IF YOU HAVE DONE SO, YOU MAY REVOKE THAT REVOCATION OF CONSENT BY DELIVERING A LATER DATED WHITE REQUEST CARD TO THE LAGRANGE GROUP, IN CARE OF OKAPI PARTNERS LLC, WHICH IS ASSISTING US, AT THEIR ADDRESS LISTED BELOW, OR TO THE PRINCIPAL EXECUTIVE OFFICES OF FORD.

IMPORTANT

IF YOUR SHARES OF COMMON STOCK ARE REGISTERED IN YOUR OWN NAME, PLEASE SIGN, DATE AND MAIL THE ENCLOSED WHITE REQUEST CARD TO OKAPI PARTNERS LLC IN THE POSTAGE-PAID ENVELOPE PROVIDED.

IF YOUR SHARES OF COMMON STOCK ARE HELD IN THE NAME OF A BROKERAGE FIRM, BANK NOMINEE OR OTHER INSTITUTION, ONLY IT CAN SIGN A WHITE REQUEST CARD WITH RESPECT TO YOUR SHARES AND ONLY UPON RECEIPT OF SPECIFIC INSTRUCTIONS FROM YOU. BACKGROUND AND REASONS FOR SOLICITATION

We made our first investment in the Company in January 2010 based on the belief that the Company's shares are currently trading at a significant discount to intrinsic value. As of the date hereof, the LaGrange Group is the largest shareholder of FORD, beneficially owning 2,111,389 shares of the Company's Common Stock, representing approximately 26.5% of the outstanding Common Stock of the Company.

We have serious concerns with the Company's strategic goal of seeking to complete a large-scale acquisition or business combination. According to Douglas W. Sabra, the Company's President and Chief Executive Officer, in a press release issued by the Company on May 5, 2010:

We believe that discussions with these first time customers regarding larger orders, as well as prospective customers regarding initial orders, have been constructive and positive, but we believe that progress in reducing customer concentration in significant measure is uncertain at this time. These efforts are being conducted without losing sight of our broader strategic goal of completing an acquisition or other business combination. Our cost containment initiatives have allowed us to conserve our cash balances in order to enhance our ability to achieve that goal. In that regard, we remain very active with our investment banker, Morgan Joseph & Co. Inc., in identifying and evaluating prospective targets. [emphasis added]

In our opinion, the current Board and management team lack the necessary skills to effectively implement this acquisition strategy. In addition, this Board has overseen a 78% decline in the Company's stock price over the past five years, declining revenues since fiscal 2005 (from net sales of approximately \$51.9 million in fiscal 2005 to approximately \$17.4 million in fiscal 2009) and net losses since fiscal 2007 (with net losses of approximately \$0.55 million in fiscal 2007, \$0.89 million in fiscal 2008 and \$1.4 million in fiscal 2009). Given this poor track record, we do not believe this Board should be permitted to conduct speculative acquisitions while shareholder value continues to erode.

Over the past few months, we have requested meetings with the Company to discuss our concerns. On March 3, 2010, we had our first meeting with Mr. Sabra and James O. McKenna, the Company's Chief Financial Officer. Following our meeting, we sent a letter to Mr. Sabra on March 9, 2010, expressing our desire for board representation and requesting additional meetings with the Company given the course of action presently being taken by the existing Board and management team. We do not believe it is any coincidence that the Board adopted a series of what we view as shareholder-unfriendly provisions on June 9, 2010, including:

- approval of a Shareholder Protection Rights Agreement (the "Rights Plan") designed to cause dilution to a person or group that acquires 28% or more of the Company's Common Stock unless the rights are first redeemed by the Board;
- approval of an amendment to the Company's Bylaws attempting to classify the Board without shareholder approval, which was later corrected to reflect that such amendment will not become effective or otherwise be part of the Company's Bylaws unless and until such amendment is duly approved by the Company's shareholders; and
- approval of an amendment to the Company's Bylaws increasing the percentage of outstanding shares required in order for qualified shareholders to call a special meeting of the shareholders of the Company from 30% to 40%.

Since we announced our intention to obtain board representation, almost the entire Board and senior management team have divested their entire stake in the Company (a stake that was mostly granted through options and not actual personal investment) despite statements made, as recently as April 12, 2010 in a letter to the LaGrange Group, that the Board believes the stock is undervalued.

In what we believe to be a calculated effort to disenfranchise shareholders, on June 9, 2010, the Company announced the adoption by the Board of the Rights Plan and certain amendments to its Bylaws (the "Bylaw Amendments"). The Rights Plan is designed to cause dilution to a person or group that acquires 28% or more of the Company's Common Stock unless the rights are first redeemed by the Board pursuant to the Rights Plan. The Bylaw Amendments increased the percentage of outstanding shares required to be held in order to call a special meeting of the shareholders of the Company from 30% to 40% and attempted to classify the Board without shareholder approval, which is required under New York law. On June 10, 2010, the Company issued a press release "clarifying" that the Board approval to classify the Board would be subject to shareholder approval. However, simultaneously with this consent solicitation, we have requested to inspect the Company's books and records to confirm whether the Board has properly adopted the Bylaw Amendments under New York law. To the extent our investigation reveals that the Bylaw Amendments or any previously adopted amendment to the Bylaws were not properly authorized, the required threshold of outstanding shares required to be held in order to call a special meeting of shareholders of the Company may be reduced.

The LaGrange Group, as the largest shareholder of FORD, has a vested financial interest in the maximization of the value of the Company's Common Stock. Our interests are aligned with the interests of all shareholders. We believe there is a tremendous opportunity at FORD to substantially increase shareholder value and to protect the long-term interests of shareholders. However, we believe the apparent lack of concern for shareholder value is at least, in part, due to the fact that the current directors and senior management have little personal stake in the Company.

We do not believe shareholders can afford to sit idly by while shareholder value continues to sharply deteriorate. The LaGrange Group believes that requesting a special meeting will provide the Company's shareholders an opportunity to (i) express any dissatisfaction that they may have with the current affairs of the Company and performance of the current Board and (ii) designate new directors who are committed to acting in the best interests of all shareholders.

At this time, the LaGrange Group is only soliciting your request to call the special meeting. The LaGrange Group is not currently seeking your proxy, consent, authorization or agent designation for approval of the Proposals or any other actions. In the event the special meeting is called, the LaGrange Group will send you proxy materials relating to the Proposals to be voted upon at the special meeting, including biographical information on the slate of directors nominated by the LaGrange Group to fill the vacancies created by the removal of directors.

THE SPECIAL MEETING

The LaGrange Group is soliciting written requests to have the Company call the special meeting of shareholders pursuant to the provisions of the Bylaws. The LaGrange Group is furnishing this Solicitation Statement and the WHITE request card to enable you and the Company's other shareholders to support us in requesting the special meeting be called and held. For the special meeting to be properly requested in accordance with the Bylaws, written requests in favor of the call of the special meeting must be executed by "qualified shareholders" holding not less than 40% of all votes entitled to be cast at such meeting. In order to be a qualified shareholder, the shareholder must have been a shareholder of the Company for at least six (6) months immediately preceding the request for a special meeting. According to the Company's Form 10-Q for the quarterly period ended March 31, 2010, as of May 4, 2010 there were 7,965,023 shares of the Company's Common Stock outstanding. Based on such number, and the fact that the LaGrange Group already owns in the aggregate 2,111,389 shares of Common Stock, additional written requests to call a special meeting from qualified shareholders of an aggregate of at least 1,074,621 shares of Common Stock will be required to request the Company to call the special meeting. As of July 11, 2010, the LaGrange Group met the criteria to be deemed a qualified shareholder of the Company. Please complete, sign and return the enclosed WHITE request card before _____, 2010. The failure to sign and return the WHITE request card will have the same effect as opposing the call of a special meeting.

If the LaGrange Group is successful in its solicitation of written requests, the Company will be required under the provisions of its Bylaws to call and hold the special meeting. Upon receipt of the requisite number of written requests from shareholders in favor of calling a special meeting, the LaGrange Group anticipates delivering such written requests to the Company promptly.

After the special meeting is called, the LaGrange Group intends to solicit proxies from you in support of the Proposals by sending you a notice of the special meeting, a proxy statement and a proxy card for use therewith. At the special meeting, the shareholders will be asked to vote "For" the Proposals.

The LaGrange Group expects to request, in any future proxy solicitation relating to the special meeting, authority (i) to initiate and vote for proposals to recess or adjourn the special meeting for any reason and (ii) to oppose and vote against any proposal to recess or adjourn the special meeting. The LaGrange Group does not currently anticipate additional proposals on any substantive matters. Nevertheless, the LaGrange Group reserves the right to either modify the Proposals or cause additional proposals to be identified in the notice of, and in, the proxy materials for the special meeting. The LaGrange Group is not aware of any other proposals to be brought before the special meeting. However, should other proposals be brought before the special meeting, the LaGrange Group will vote its proxies on such matters in its discretion.

WRITTEN REQUEST PROCEDURES

Pursuant to this Solicitation Statement, LaGrange is soliciting written requests from holders of outstanding shares of Common Stock to call the special meeting. By executing a request, a shareholder is requesting the Company to call the special meeting and designate specified persons as the shareholder's agents and is authorizing the designated agents (i) to request that the Company call the special meeting, (ii) to set the place, date and time of the special meeting, if held to be permissible, and (iii) to exercise all rights of the holders of shares of Common Stock incidental to calling and convening the special meeting and causing the purposes of the authority expressly granted pursuant to the written requests to the designated agents to be carried into effect. Please note that written requests to call the special meeting do not grant the designated agent(s) the power to vote your shares of Common Stock at the special meeting and do not commit you to cast any vote in favor or against any proposal to be brought before the special meeting. To vote on the matters to be brought before the special meeting you must vote by proxy or in person at the special meeting.

The delivery of the written requests must comply with Section 615 of the New York Business Corporation Law (the "NYBCL"). To be effective, properly completed and unrevoked written requests must be delivered by the requisite number of qualified shareholders to the Company's registered office, its principal place of business or an officer or agent of the Company having custody of the book in which proceedings of meetings of shareholders are recorded within sixty (60) days of the earliest dated written request delivered to the Company in this manner. Capital Partners delivered a signed written request to the Company's principal place of business on August [___], 2010. Consequently, by [____], 2010, the LaGrange Group will need to deliver properly completed and unrevoked written requests from the holders of record of at least forty percent (40%) of all votes entitled to be cast at the proposed special meeting. We intend to set [____], 2010 as the goal for submission of written requests.

You may revoke your executed written request to have the Company call a special meeting at any time before the delivery of requests from holders of shares representing in the aggregate, including shares held in the aggregate by the members of the LaGrange Group, the requisite 40% vote by delivering a later-dated written revocation to the LaGrange Group in care of Okapi Partners LLC at the address set forth on the back cover of this Solicitation Statement. Such a revocation must clearly state that your earlier-dated, executed written request to call a special meeting is no longer effective with respect to the number of shares set forth therein. Any revocation of an executed written request to call a special meeting will not affect any action taken by the designated agent pursuant to the written request prior to such revocation. Although such revocation is also effective if delivered to the Secretary of the Company or to such other recipient as the Company may designate as its agent, the LaGrange Group requests that either the original or photostatic copies of all revocations be mailed or faxed to the LaGrange Group, care of Okapi Partners LLC, so that the LaGrange Group will be aware of all revocations and can more accurately determine if and when enough requests have been received from shareholders. While we urge you not to sign any revocation of a request card that may be sent to you by the Company, if you have done so or do so, you may revoke that revocation of your written request by delivering a later dated WHITE request card to the Lagrange Group, in care of Okapi Partners LLC at their address listed herein, or to the principal executive offices of FORD. If so properly delivered, a later dated WHITE request card will constitute an effective revocation of any earlier-dated written revocation.

Upon receipt of the requisite number of executed written requests from qualified shareholders in favor of calling a special meeting, the LaGrange Group anticipates delivering such written requests to the Company promptly.

If your shares of Common Stock are held in the name of a brokerage firm, bank nominee or other institution, only it can sign a written request or revoke any request previously given with respect to your shares and only upon receipt of your specific instructions. Accordingly, please contact the person responsible for your account and give instructions for a WHITE request card representing your shares to be signed. The LaGrange Group urges you to confirm in writing your instructions to the person responsible for your account and to provide a copy of such instructions to the LaGrange Group in care of Okapi Partners LLC at the address set forth on the back cover of this Solicitation Statement so that the LaGrange Group will be aware of all instructions given and can attempt to ensure that such instructions are followed.

SOLICITATION OF REQUESTS; EXPENSES.

The entire expense of preparing and mailing this Solicitation Statement and any other soliciting material and the total expenditures relating to the solicitation of requests to call the special meeting (including, without limitation, costs, if any, related to advertising, printing, fees of attorneys, financial advisors, solicitors and accountants, public relations, transportation and litigation) will be borne by the LaGrange Group pursuant to the terms of the Joint Filing and Solicitation Agreement (as defined below). In addition to the use of the mails, requests may be solicited by the LaGrange Group by telephone, telegram, and personal solicitation. Banks, brokerage houses, and other custodians, nominees, and fiduciaries will be requested to forward solicitation material to the beneficial owners of the Common Stock that such institutions hold, and the LaGrange Group will reimburse such institutions for their reasonable out-of-pocket expenses.

LaGrange has retained Okapi Partners LLC, a proxy solicitation firm, to assist in the solicitation of requests and the proxy solicitation in connection with the special meeting and at a fee not to exceed \$[_____] plus reimbursement of reasonable out-of-pocket expenses. Okapi Partners LLC will be indemnified against certain liabilities and expenses, including certain liabilities under the federal securities laws. That firm will utilize approximately [__] persons in its solicitation efforts.

The LaGrange Group estimates that its total expenditures relating to the solicitation of requests to call a special meeting and the solicitation of proxies for approval of the Proposals at the special meeting will be approximately \$[_____] (including, without limitation, costs, if any, related to advertising, printing, fees of attorneys, financial advisors, solicitors and accountants, public relations, transportation, and litigation). Total cash expenditures to date relating to these solicitations have been approximately \$[_____].

If the LaGrange Group is successful in its solicitation of requests to call a special meeting and in its solicitation of proxies approving the Proposals at a special meeting, it intends to seek reimbursement from the Company for the actual expenses incurred in connection with this solicitation and the solicitation of proxies approving the Proposals in connection with the special meeting. Following the special meeting, the LaGrange Group will request that the Board approve a reimbursement of such expenses. The LaGrange Group does not currently intend to submit such matter to a vote of the Company's shareholders.
