Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On October 2, 2014, Forward Industries, Inc. (the “Company”) received notice from the Listing Qualifications Department of The Nasdaq Stock Market (“Nasdaq”) informing the Company that, because the Company failed to hold its annual meeting of shareholders by September 30, 2014 and file its definitive proxy statement, the Company no longer complies with Nasdaq Listing Rules 5620(a) and 5620(b) with respect to annual meeting and proxy solicitation requirement for continued listing on the Nasdaq Stock Market.

Nasdaq’s notice has no immediate effect on the listing of the Company’s common stock on the Nasdaq Stock Market. The Company has been provided until October 9, 2014 to appeal Nasdaq’s determination to a Hearings Panel (the “Panel”). Unless the Company requests an appeal of the determination, trading of the Company’s common stock will be suspended at the opening of business on October 13, 2014, and a Form 25-NSE will be filed with the Securities and Exchange Commission which will remove the Company’s securities from listing and registration on Nasdaq. A hearing request will stay the suspension of the Company’s securities and the filing of the Form 25-NSE pending the Panel’s decision.

The Company, which has set the date of the upcoming annual meeting of shareholders to be December 30, 2014, intends to appeal the staff delisting determination. The time and place of any such hearing will be determined by the Panel. There can be no assurance that the Panel will grant the Company’s request for continued listing. If the Panel does not grant the relief sought by the Company, its securities will be delisted from Nasdaq in which event the Company would seek to cause them be quoted in over the counter markets, which may result in a substantially less liquid market for the securities.
