PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 16, 2012

Solicitation of Proxies

This proxy statement is being furnished to stockholders of Great Southern Bancorp, Inc. (“Bancorp,” the “Company,” “we,” “us,” “our”) in connection with the solicitation by our Board of Directors of proxies to vote our common stock, \$.01 par value per share (“Common Stock”), at our Annual Meeting of Stockholders (the “Annual Meeting”) to be held at the Great Southern Operations Center, 218 S. Glenstone, Springfield, Missouri, on May 16, 2012, at 10:00 a.m., local time, and at any and all adjournments or postponements thereof. The Notice of the Annual Meeting, a proxy card and our Annual Report to Stockholders for the fiscal year ended December 31, 2011 accompany this proxy statement. Certain of the information in this proxy statement relates to Great Southern Bank (“Great Southern” or the “Bank”), a wholly owned subsidiary of Bancorp.

At the Annual Meeting, stockholders are being asked to consider and vote upon (i) the election of three directors of Bancorp, (ii) an advisory (non-binding) vote on executive compensation (the “Say on Pay Vote”), (iii) an advisory (non-binding) vote on whether an advisory vote on executive compensation should be held every year, every two years or every three years (the “Say on Pay Frequency Vote”) and (iv) the ratification of the appointment of BKD, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2012 (the “Independent Auditor Proposal”).

Regardless of the number of shares of Common Stock owned, it is important that stockholders be represented by proxy or present in person at the Annual Meeting. Stockholders are requested to vote by completing the enclosed proxy card and returning it signed and dated in the enclosed postage paid envelope. If your shares are held through a bank or broker, check your proxy card to see if you can also vote by telephone or via the internet.

A proxy may be revoked by a stockholder at any time prior to its exercise by filing written notice of revocation with the Secretary of Bancorp at the above address, by delivering to Bancorp, at any time before the Annual Meeting, a duly executed proxy card bearing a later date, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not in and of itself have the effect of revoking a properly executed proxy. If your shares are held in “street name” through a bank, broker or other nominee, you must follow the instructions on the form you receive from your bank, broker or other nominee with respect to revoking your proxy.

The cost of solicitation of proxies and of the Annual Meeting will be borne by Bancorp. In addition to the solicitation of proxies by mail, proxies may also be solicited personally or by telephone by directors, officers and other employees of Bancorp or Great Southern not specifically engaged or compensated for that purpose. Bancorp will also, upon request, reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in sending proxy materials to beneficial owners of the Common Stock.

The approximate date on which this proxy statement and the accompanying proxy card are first being sent to stockholders is April 5, 2012.

Voting

Bancorp's Board of Directors has fixed March 1, 2012 as the record date (the "Record Date") for the determination of stockholders entitled to notice of and to vote at the Annual Meeting, and any and all adjournments or postponements thereof. Only stockholders of record as of the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting. The total number of shares of Common Stock outstanding on the Record Date was 13,495,782. These are the only securities of Bancorp entitled to vote at the Annual Meeting.

Each holder of the Common Stock is entitled to cast one vote for each share of Common Stock held on the Record Date on all matters, except that, pursuant to Section D of Article V of Bancorp's charter, any stockholder that beneficially owns in excess of 10% of the then outstanding shares of Common Stock (the "Limit") is not entitled to vote shares in excess of the Limit.

In order for any proposals considered at the Annual Meeting to be approved by stockholders, a quorum must be present. The holders of a majority of the shares of the Common Stock entitled to vote, present in person or represented by proxy at the meeting, will constitute a quorum. Abstentions and broker non-votes will be counted for purposes of determining a quorum. Shares in excess of the Limit, however, will not be considered present for purposes of determining a quorum. Directors will be elected by a plurality of the votes cast. The approvals of the Say on Pay Vote and the Independent Auditor Proposal each require the affirmative vote of a majority of the votes cast on the matter. On the Say on Pay Frequency Vote, the choice receiving the greatest number of votes – one year, two years or three years – will be the frequency that stockholders will be deemed to have approved.

With regard to the election of directors, votes may be cast in favor or withheld. Votes that are withheld and broker non-votes will be excluded entirely from the vote and will have no effect on the election of directors. With regard to the Say on Pay Vote and the Independent Auditor Proposal, stockholders may vote for or against these proposals or abstain from voting on these proposals. In determining the percentage of shares that have been affirmatively voted on the Say on Pay Vote and the Independent Auditor Proposal, the affirmative votes will be measured against the aggregate votes for and against each proposal. Thus, abstentions and broker non-votes will have no effect on the Say on Pay Vote or the Independent Auditor Proposal. With regard to the Say on Pay Frequency Vote, stockholders may vote for a frequency of one year, two years or three years or abstain from voting on this proposal. Abstentions and broker non-votes will have no effect on the Say on Pay Frequency Vote.

All shares of Common Stock represented at the Annual Meeting by proxies solicited hereunder will be voted in accordance with the specifications made by the stockholders executing the proxies. If a properly executed and unrevoked proxy solicited hereunder does not specify how the shares represented thereby are to be voted, the shares will be voted FOR the election as directors of the persons named in this proxy statement, FOR the Say on Pay Vote, for a frequency of every THREE YEARS on the Say on Pay Frequency Vote and FOR the Independent Auditor Proposal, and in accordance with the discretion of the persons appointed proxy for the shares upon any other matters as may properly come before the Annual Meeting.

PROPOSAL I. ELECTION OF DIRECTORS

The number of directors constituting Bancorp's Board of Directors is currently eight. Bancorp's Board is divided into three classes. The term of office of one class of directors expires each year in rotation so that the class up for election at each annual meeting of stockholders serves for a three-year term. The terms of two of the present directors are expiring at the Annual Meeting.

The directors elected at the Annual Meeting will hold office for a three-year term expiring in 2015 or until their successors are elected and qualified. We expect that the other directors will continue in office for the remainder of their terms. The nominees for director have indicated that they are willing and able to serve as director if elected and have consented to being named as nominees in this proxy statement. If the nominees should for any reason become unavailable for election, it is intended that the proxies will be voted for the substitute nominees as shall be designated by the present Board of Directors, upon the recommendation of the Nominating Committee, unless the proxies direct otherwise.

The principal occupation and business experience for the last five years and certain other information with respect to each nominee is set forth below. The information concerning the nominees has been furnished by them to us.

Nominees to Serve a Three-Year Term Expiring at the 2015 Annual Meeting

He is President of Mid America Management, Inc., which manages various properties throughout Missouri and in Kansas. Mr. Carlson has also served on the Springfield City Council since 1983 and served seven terms as Mayor of the City of Springfield. None of these entities are affiliated with Bancorp. Mr. Carlson's many years of service on the Springfield City

Council and as Mayor of the City of Springfield give him deep ties to the Springfield community and a thorough understanding of local business and economic matters. He also brings to the Board knowledge and experience in real estate and legal matters.

Joseph W. Turner, age 47, joined Great Southern in 1991 and became an officer of Bancorp in 1995. Mr. J. The principal occupation and business experience for the last five years and certain other information with respect to each continuing director of Bancorp is set forth below. The information concerning the continuing directors has been furnished by them to us.

Directors Serving a Term Expiring at the 2013 Annual Meeting

William V. Turner, age 79, has served as the Chairman of the Board of Great Southern since 1974, Chief Executive Officer of Great Southern from 1974 to 2000, and President of Great Southern from 1974 to 1997. Mr. W. Turner has served in similar capacities with Bancorp since its formation in 1989. Mr. W. Turner has also served as Chairman of the Board and President of Great Southern Financial Corporation (a subsidiary of Great Southern) since its incorporation in 1974. Mr. W. Turner is the father of Joseph W. Turner, who is a Director and the Chief Executive Officer and President of Bancorp and Great Southern. Mr. W. Turner is also the father of Julie Turner Brown, who is a Director of Bancorp and Great Southern. Mr. W. Turner's service as Chairman of Great Southern for more than 36 years, including 26 years as Chief Executive Officer, has given him a thorough understanding of the Company's business and the banking industry and invaluable institutional knowledge.

Julie Turner Brown, age 50, was first appointed a Director of Great Southern and Bancorp in 2002. Ms. Brown is an attorney and shareholder with the Springfield, Missouri law firm of Carnahan, Evans, Cantwell and Brown, P.C.,

having joined the firm in February 1996. Ms. Brown is active in local civic affairs, having served on the Boards of the Ozarks Technical College Foundation, Boys and Girls Club and the Foundation for Springfield Public Schools, among others. Ms. Brown is the daughter of William V. Turner, who is a Director and the Chairman of the Board of Bancorp and Great Southern, and the sister of Joseph W. Turner, who is a Director and the Chief Executive Officer and President of Bancorp and Great Southern. Ms. Brown's legal background and experience make her a particularly valuable resource to the Board. Ms. Brown also has strong ties to the local community through her involvement in civic affairs.

Earl A. Steinert, Jr., age 75, was first appointed a Director of Great Southern and Bancorp in 2004. Mr. Steinert had been a practicing certified public accountant from 1962 until his retirement in 2006. He is the owner of EAS Investment Enterprises Inc., which owns and operates hotels in Springfield, Missouri. He is also managing general

partner/owner of Mid American Real Estate Partners, which owns and operates apartments. Mr. Steinert is a member of the American Institute of Certified Public Accountants and Missouri Society of CPAs. None of these entities are affiliated with Bancorp. Mr. Steinert brings to the Board more than 40 years of experience in public accounting, as well as knowledge and experience in commercial real estate matters.

Directors Serving a Term Expiring at the 2014 Annual Meeting

William E. Barclay, age 82, was first elected a Director of Great Southern in 1975 and of Bancorp in 1989. Mr. Barclay is the founder and has served as President and/or Chairman of Auto-Magic Full Service Car Washes in Springfield, Missouri since 1962. Mr. Barclay also founded Barclay Love Oil Company in Springfield, Missouri in 1964, founded a chain of Ye Ole Buggy Bath Self-Service Car Washes in Springfield, Missouri in 1978 and opened a Jiffy Lube franchise in Springfield, Missouri in 1987. In 2004, Mr. Barclay sold the Auto-Magic and Jiffy Lube businesses and is now retired. None of these entities are affiliated with Bancorp. Mr. Barclay's background as an owner and operator of multiple businesses in the Springfield area provides a long history of entrepreneurship and managerial knowledge that are particularly valuable to the Board.

Larry D. Frazier, age 74, was first elected a Director of Great Southern and of Bancorp in May 1992. Mr. Frazier was elected a Director of Great Southern Financial Corporation in 1976, where he served until his election as Director of Great Southern and Bancorp. Mr. Frazier is retired from White River Valley Electric Cooperative in Branson, Missouri, where he served as Chief Executive Officer from 1975 to 1998. Mr. Frazier also has served as President of Rural Missouri Cable T.V., Inc. from 1979 to 2000. These entities are not affiliated with Bancorp. Mr. Frazier brings to the Board strong organizational and leadership skills developed from his many years of experience as a chief executive.

Director Independence

The Board of Directors of Bancorp has determined that Directors Barclay, Carlson, Frazier, Haden and Steinert are "independent directors," as that term is defined in Rule 5605 of the Listing Rules of the NASDAQ Stock Market. These directors constitute a majority of the Board. In making its determination that Mr. Haden is an independent director, the Board considered the fact that the law firm of Haden, Cowherd and Bullock, LLC, of which Mr. Haden is a member, represents both Great Southern and Bancorp in corporate matters and that the fees paid to this firm during 2011 for such services totaled \$5,931.

Board Leadership Structure and Board's Role in Risk Oversight

Leadership Structure. The positions of Chairman of the Board and Chief Executive Officer of the Company are currently held by two persons, with Mr. W. Turner serving as Chairman and Mr. J. Turner serving as Chief Executive Officer. This structure has been in place since 2000, when, as part of a leadership transition, Mr. J. Turner was promoted to Chief Executive Officer and Mr. W. Turner, who had served as Chairman and Chief Executive Officer since 1974, continued as Chairman in an executive capacity. Although Mr. J. Turner has subsequently assumed increased responsibilities from Mr. W. Turner, the Board believes that the separation of the Chairman and Chief Executive Officer positions remains appropriate, as this allows Mr. J. Turner to better focus on his primary responsibilities of overseeing the implementation of our strategic plans and daily consolidated operations, while allowing Mr. W. Turner to lead the Board in its fundamental role of oversight of management.

Role in Risk Oversight. Risk is inherent with the operation of every financial institution, and how well an institution manages risk can ultimately determine its success. We face a number of risks, including but not limited to credit risk,

interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. Management is responsible for the day-to-day management of the risks we face, while the Board has ultimate responsibility for the oversight of risk management. The Board believes that risk management, including setting appropriate risk limits and monitoring mechanisms, is an integral component and cannot be separated from strategic planning, annual operating planning, and daily management of the Company. Consistent with this approach as well as based on the belief that certain risks require an oversight focus that a Board committee can better provide, the Board integrated the oversight of certain risk areas (internal control, financial reporting and compliance; and compensation and incentive programs) with the Audit Committee and Compensation Committee, respectively. These committees regularly provide reports of their activities and recommendations to the full Board. The Board directly oversees all other material risks, including interest rate risk, credit risk, liquidity and capital adequacy. In support of those activities, members of senior

management regularly attend meetings of the Board to report to the Board on the primary areas of risk facing the Company and to respond to any questions or concerns raised by the directors.

DIRECTORS MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

Meetings of the Board and Committees of the Board

The Board of Directors of Bancorp meets monthly and may have additional special meetings upon the request of one third of the directors then in office (rounded up to the nearest whole number) or upon the request of the President. The Board of Directors of Bancorp is authorized to appoint various committees and has formed the Audit Committee, the Compensation Committee, the Stock Option Committee and the Nominating Committee. The Board of Directors has not formed any other committees. The Board of Directors of Bancorp held 21 meetings during fiscal 2011. During fiscal 2011, each of the directors attended 75% or more of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the Board on which the director served, in each case during the period in which he or she served.

The Audit Committee of Bancorp's Board of Directors is currently comprised of Directors Frazier (Chairman), Barclay, Carlson, Haden and Steinert, each of whom is "independent" as independence for audit committee members is defined in the NASDAQ Marketplace Rules. The Board of Directors of Bancorp has determined that Director Steinert is an "audit committee financial expert," as defined in the rules of the Securities and Exchange Commission (the "SEC"). The Audit Committee held nine meetings during fiscal 2011.

The Audit Committee operates under a written charter adopted by Bancorp's Board of Directors, a copy of which is available on our website, at www.greatsouthernbank.com, by clicking "Investor Relations" and then "Corporate Governance." The Audit Committee is appointed by Bancorp's Board of Directors to provide assistance to the Board in fulfilling its oversight responsibility relating to the integrity of our consolidated financial statements and the financial reporting processes, the systems of internal accounting and financial controls, compliance with legal and regulatory requirements, the independent registered public accounting firm's qualifications and independence, the performance of our internal audit function and independent registered public accounting firm and any other areas of potential financial risks as may be specified by the Board. The Audit Committee also is responsible for hiring, retaining and terminating Bancorp's independent registered public accounting firm.

Audit Committee Report. The Audit Committee Report included herein shall not be incorporated by reference into any filings under the Securities Act of 1933 or the Securities Exchange Act of 1934, both as amended, notwithstanding the incorporation by reference of this proxy statement into any such filings. The Audit Committee of the Board of Directors of Bancorp has issued the following report with respect to the audited financial statements of Bancorp for the fiscal year ended December 31, 2011:

- The Audit Committee has reviewed and discussed with management Bancorp's fiscal 2011 audited financial statements;
- The Audit Committee has discussed with Bancorp's independent registered public accounting firm (BKD, LLP) the matters required to be discussed by Statement on Auditing Standards Section 380;
- The Audit Committee has received the written disclosures and letter from the independent registered public accounting firm required by Independence Standards Board No. 1 (which relates to the firm's independence from

Bancorp and its related entities) and has discussed with the independent registered public accounting firm their independence from Bancorp; and

- Based on the review and discussions referred to in the items above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Bancorp's Annual Report on Form 10-K for the fiscal year ended December 31, 2011.

Submitted by the Audit Committee of the Board of Directors of Bancorp:

Larry D. Frazier
William E. Barclay
Thomas J. Carlson
Grant Q. Haden
Earl A. Steinert, Jr.

The Compensation Committee, which consists solely of independent directors, is currently comprised of Directors Barclay (Chairman), Frazier, Carlson, Haden and Steinert. The Compensation Committee is responsible for reviewing and evaluating executive compensation and administering our compensation and benefit programs. The Compensation Committee also is responsible for:

- reviewing from time to time our compensation plans and, if the Committee believes it to be appropriate, recommending that the Board amend these plans or adopt new plans;
- annually reviewing and approving corporate goals and objectives relevant to our Chief Executive Officer's compensation, evaluating the Chief Executive Officer's performance in light of these goals and objectives and recommending to the Board the Chief Executive Officer's compensation level based on this evaluation;
- overseeing the evaluation of our management, and recommending to the Board the compensation for our executive officers and other key members of management;
- recommending to the Board the appropriate level of compensation and the appropriate mix of cash and equity compensation for directors;
- administering any benefit plan which the Board has determined should be administered by the Committee; and
- reviewing, monitoring and reporting to the Board, at least annually, on management development efforts to ensure a pool of candidates for adequate and orderly management succession.

The Compensation Committee operates under a formal written charter, a copy of which is available on our website, at www.greatsouthernbank.com, by clicking "Investor Relations" and then "Corporate Governance." The members of the Compensation Committee are "independent directors," as that term is defined in the NASDAQ Marketplace Rules. During 2011, the Compensation Committee met two times.

The charter of the Compensation Committee does not specifically provide for delegation of any of the authorities or responsibilities of the committee. In setting the compensation of executive officers other than the Chief Executive Officer, the Compensation Committee considers the recommendations of the Chief Executive Officer.

The Stock Option Committee is currently comprised of Directors Carlson (Chairman), Barclay, Frazier, Haden and Steinert. The Stock Option Committee generally meets at least once per year (usually late in the third quarter or early in the fourth quarter) to consider stock option grants to officers and at other times during the year as necessary to consider proposals for the granting of stock options to employees. The Stock Option Committee met four times during 2011.

The Nominating Committee, which consists solely of independent directors, is currently comprised of Directors Barclay, Frazier, Carlson, Haden and Steinert. The Nominating Committee met twice during 2011. The Nominating Committee is responsible for identifying and recommending director candidates to serve on the Board of Directors. Final approval of director nominees is determined by the full Board, based on the recommendation of the Nominating Committee. The Nominating Committee also is responsible for:

- recommending to the Board the appropriate size of the Board and assist in identifying, interviewing and recruiting candidates for the Board;

- recommending candidates (including incumbents) for election and appointment to the Board of Directors, subject to the provisions set forth in Bancorp's charter and bylaws relating to the nomination or appointment of directors, based on the following criteria: business experience, education, integrity and reputation, independence, conflicts of interest, diversity, age, number of other directorships and commitments (including charitable organizations), tenure on the Board, attendance at Board and committee meetings, stock ownership, specialized knowledge (such as an understanding of banking, accounting, marketing, finance, regulation and public policy) and a commitment to Bancorp's communities and shared values, as well as overall experience in the context of the needs of the Board as a whole. Although we do not have a formal policy with regard to the consideration of diversity in identifying director nominees, the Board seeks candidates who further its objective of having a Board that encompasses a broad range of talents and expertise and that reflects a diversity of background, experience and viewpoints;
- reviewing nominations submitted by stockholders, which have been addressed to the Corporate Secretary, and which comply with the requirements of Bancorp's charter and bylaws. Nominations from stockholders will be considered and evaluated using the same criteria as all other nominations;
- annually recommending to the Board committee assignments and committee chairs on all committees of the Board, and recommend committee members to fill vacancies on committees as necessary; and
 - performing any other duties or responsibilities expressly delegated to the Committee by the Board.

Pursuant to Bancorp's bylaws, nominations for directors by stockholders must be made in writing and delivered to the Secretary of Bancorp no earlier than 120 days prior to the meeting date and no later than 90 days prior to the meeting date. If, however, less than 100 days' notice of the date of the meeting is given or made to stockholders by public notice or mail, nominations must be received by Bancorp not later than the close of business on the tenth day following the earlier of the day on which notice of the date of the meeting was mailed or public announcement of the date of the meeting was first made. In addition to meeting the applicable deadline, nominations must be accompanied by certain information specified in Bancorp's bylaws.

The Nominating Committee operates under a formal written charter, a copy of which is available on our website, at www.greatsouthernbank.com, by clicking "Investor Relations" and then "Corporate Governance."

Stockholder Communications with Directors

Stockholders may communicate with Bancorp's Board of Directors by writing to: William V. Turner, Chairman of the Board, Great Southern Bancorp, Inc., 1451 E. Battlefield, Springfield, Missouri 65804.

Board Member Attendance at Annual Stockholder Meetings

Although we do not have a formal policy regarding director attendance at annual stockholder meetings, directors are expected to attend these meetings absent extenuating circumstances. Every current director of Bancorp (who was also a director as of last year's annual meeting) attended last year's annual meeting of stockholders.

Directors' Compensation

Directors of Bancorp receive a monthly fee of \$1,000, which is the only compensation paid to directors by Bancorp, except for stock options which may be granted in the discretion of the Board of Directors under Bancorp's 2003 Stock

Option and Incentive Plan. Directors of Great Southern receive a monthly fee of \$2,000. The directors of Bancorp and the directors of the Bank are the same individuals. As the sole director of Great Southern Financial Corporation, a wholly owned subsidiary of the Bank, William V. Turner, the Chairman of the Board of Directors of Bancorp and Great Southern, receives a monthly fee of \$600 for his service on that board. The directors of Bancorp and its subsidiaries serving on the Audit Committee are paid a fee of \$300 per meeting attended, except for the Chairman of the Audit Committee who is paid a fee of \$350 per meeting attended. The directors of Bancorp and its subsidiaries are not reimbursed for their costs incurred in attending Board and committee meetings.

The following table sets forth certain information regarding the compensation earned by or awarded to each director, who is not also a named executive officer, who served on Bancorp's Board of Directors in 2011. Compensation paid to Messrs. W. and J. Turner for their service as directors is reflected in the Summary Compensation Table under the "Salary" Column.

Indebtedness of Management and Transactions with Certain Related Persons

The charter of the Audit Committee of Bancorp's Board of Directors provides that the Audit Committee is to review and approve all related party transactions (defined as transactions requiring disclosure under Item 404 of SEC Regulation S-K) on a regular basis.

Great Southern, like many financial institutions, has from time to time extended loans to its officers, directors and employees, generally for the financing of their personal residences, at favorable interest rates. Generally, residential first mortgage loans and home equity lines of credit have been granted at interest rates equal to Great Southern's cost of funds. Residential first mortgage loans are subject to annual adjustments while home equity lines of credit are subject to monthly adjustments. Other than the interest rate, these loans have been made in the ordinary course of business, on substantially the same terms and collateral as those of comparable transactions prevailing at the time, and, in the opinion of management, do not involve more than the normal risk of collectibility or present other unfavorable features. All loans by Great Southern to its directors and executive officers are subject to regulations restricting loans and other transactions with affiliated persons of Great Southern. Great Southern may also grant loans to officers, directors and employees, their related interests and their immediate family members in the ordinary course

of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons which, in the opinion of management, do not involve more than the normal risk of collectibility or present other unfavorable features.

The estimated average market rates of interest for 2011 as shown in the table above are based on the interest rate index and margin for each loan that would have been used if Great Southern's cost of funds was not used. Interest rate reset dates were factored into the index rates used. The estimated difference in interest from actual rate amounts to average market rate amounts shown in the table above represent the difference in interest actually paid during 2011 and interest that would have been paid if the estimated market rates of interest for 2011 were charged.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

In this section, we provide an overview and analysis of our compensation programs, the material compensation policy decisions we have made under those programs, and the material factors that we considered in making those decisions. Following this section, you will find a series of tables containing specific information about compensation paid or payable to the following individuals, whom we refer to as our “named executive officers” or “senior executive officers”:

- William V. Turner, Chairman of the Board of Directors of Bancorp and Great Southern;
- Joseph W. Turner, President and Chief Executive Officer of Bancorp and Great Southern;
- Rex A. Copeland, Treasurer of Bancorp and Senior Vice President and Chief Financial Officer of Great Southern;
- Steven G. Mitchem, Senior Vice President and Chief Lending Officer of Great Southern; and
- Douglas W. Marrs, Secretary of Bancorp and Vice President - Operations of Great Southern.

The discussion below is intended to help you understand the detailed information provided in those tables and put that information into context within our overall compensation program.

Compensation Philosophy and Objectives

The Compensation Committee (the “Committee”) of Bancorp’s Board of Directors, which consists solely of independent directors, administers our compensation and benefit programs and determines the compensation of our senior management. The Committee is responsible for setting and administering the policies which govern executive compensation. The Committee has focused its evaluation of executive compensation on operating performance and the creation of stockholder value, with the intent of meeting the following objectives:

- maintain the financial strength, safety and soundness of Bancorp and Great Southern;
- reward and retain key personnel by compensating them at the middle to upper levels of compensation for comparable financial institutions;
 - focus management on long term goals through long-term incentives;
 - provide fair, reasonable and competitive base salaries;
- provide the opportunity to earn additional compensation if Bancorp’s stockholders experience long-term increases in the value of Bancorp stock;
 - emphasize long-term stock ownership of Bancorp stock by executive officers; and
 - properly align risk-taking and compensation.

While the primary components of our compensation program have been base salary, annual incentive bonus and long-term incentives in the form of stock options, the Committee also takes into account the full compensation package provided to the individual, including pension benefits, termination agreements, insurance, perquisites and

other benefits. In structuring Mr. J. Turner's base salary for 2011, the Committee reviewed several surveys of base salaries paid to the chief executive officers of groups of publicly held financial institutions comparable to us in size and performance on a nationwide basis and based in the Midwest region. Specifically, the Committee considered the following information:

10

- (i) surveys prepared by SNL Financial of the average base salary paid to chief executive officers at banks and thrifts with total assets of between \$1 billion and \$5 billion (A) on a nationwide basis (\$407,037), (B) for the Midwest region (\$382,456) and (C) on a nationwide basis limited to institutions with a return on average equity of 7.50% to 9.99% (\$400,225), with the average of the amounts in (A)-(C) being \$396,573;
- (ii) a survey prepared by McLagan Fact-Based Advice of the average base salary paid to president/chief executive officers at banks with (A) gross revenue greater than \$100 million (\$562,500), (B) number of branches greater than 30 (\$470,000), (C) number of employees greater than 500 (\$530,000) and (D) assets greater than \$3 billion (\$592,800), with the average of the amounts in (A) – (D) being \$538,825;
- (iii) surveys prepared by Compdata Surveys of the average base salary paid to chief executive officers at banks in the Midwest region with (A) total assets of between \$1.0 billion and \$10.0 billion (\$410,000) and (B) with a total number of full-time equivalent employees of between 1,001 and 5,000 (\$480,200), with the average of (A) and (B) being \$445,100; and
- (iv) surveys prepared by Crowe Horwath of the average base salary paid to chief executive officers at banks and other financial services organizations with total assets of between \$2.5 billion and \$10.0 billion, the average of which was \$480,662.

Mr. J. Turner's base salary for 2010 of \$267,237 and his base salary for 2011 of \$285,250 were below the average chief executive officer base salary in each of the surveys noted above.

Compensation Restrictions under TARP Capital Purchase Program

Prior to our repayment in full to the U.S. Treasury on August 18, 2011 of the funds we received pursuant to the TARP Capital Purchase Program, we were subject to a number of requirements and restrictions on compensation and corporate governance matters applicable to TARP recipients. These included: certain reviews of our compensation programs by the Compensation Committee; general prohibitions on bonuses and other incentive compensation to our five most highly compensated employees and on any payments to our senior executive officers and five most highly compensated employees who are not also senior executive officers in connection with a change in control or for departure from the Company; subjecting bonus, incentive and retention payments to our senior executive officers and 20 most highly compensated employees who are not senior executive officers to recovery (clawback) if based on statements of earnings, revenues, gains or other criteria that are later found to be materially inaccurate; and a requirement that the Company have and enforce a policy on luxury expenses. In addition, all compensation, including performance-based compensation, paid to each of our senior executive officers was limited to tax deductibility of \$500,000. As a result of our repayment of TARP funds, we are no longer subject to these requirements and restrictions.

Base Salaries

We provide the opportunity for our named executive officers and other executives to earn a competitive annual base salary. We do so in order to attract and retain an appropriate caliber of talent for the position, and to provide a base wage that is not subject to our performance risk. Our base salary levels reflect a combination of factors, including competitive pay levels, the executive's experience and tenure, our overall annual strategic plan for salary increases, the executive's individual performance, and changes in responsibility. We review salary levels annually to recognize these factors. We do not target base salary at any particular percentage of total compensation.

Each of Messrs. W. and J. Turner has an employment agreement with Bancorp. These agreements provide that the annual base salaries payable to Messrs. W. and J. Turner may be reduced only as part of an overall program, implemented prior to a change in control, applied uniformly and equitably to all members of our senior management. Since 2005, in recognition of the increased responsibilities assumed by Mr. J. Turner and at Mr. W. Turner's suggestion, Mr. W. Turner's base annual salary has remained at \$200,000 and he has waived his right to receive the annual cash bonus provided for under his employment agreement (discussed below under "-Bonuses"). Mr. J. Turner was paid salary of \$267,237 in 2010 and \$285,250 for 2011 and his base salary was increased to \$288,915 for 2012. During 2010, Messrs. Copeland, Mitchem and Marris were paid salary of \$235,201, \$227,429 and \$122,602, respectively. During 2011, these officers were paid salary of \$247,200, \$234,600 and \$130,000, respectively. For

2012, the base salary amounts for Messrs. Copeland, Mitchem and Marrs increased to \$252,144, \$236,946 and \$135,200, respectively. In setting the base salaries of the executive officers other than Mr. W. Turner, the Committee takes into account the responsibilities of the position and the experience level of the individual executive, as well as our financial performance and the size and complexity of our operations. In this regard, the size and complexity of our operations increased substantially in 2009 with our completion of two FDIC-assisted transactions involving TeamBank, N.A. and Vantus Bank, and again in 2011 with our completion of one FDIC-assisted transaction involving Sun Security Bank. As a result, the responsibilities of our named executive officers, particularly Messrs. Copeland and Mitchem, increased substantially as well.

Bonuses

Under their employment agreements, Messrs. W. and J. Turner are each entitled to receive annual cash bonuses equal to one-half of one percent of Bancorp's pre-tax earnings. We believe that this provides an appropriate short-term incentive to increase our earnings, when coupled with the incentives Messrs. W. and J. Turner have through their substantial stock holdings to increase our earnings over the long term. Since 2005, Mr. W. Turner has waived his right to this bonus, with the understanding that Mr. J. Turner's bonus, if any, may be increased by one-fourth of one percent of our pre-tax earnings. The Compensation Committee approved this arrangement in recognition of the additional responsibilities that Mr. J. Turner had assumed from Mr. W. Turner, and the fact that it would at the same time reduce by 25% the total cost to the Company for bonuses, if any, under the employment agreements. For 2010 and 2009, however, because of the compensation restrictions of the TARP Capital Purchase Program, Mr. J. Turner's bonus was limited to the contractual amount of one-half of one percent of our pre-tax earnings. For 2011, Mr. J. Turner's bonus was again limited to the contractual amount of one-half of one percent of pre-tax earnings. The amount of this bonus (\$158,856) is included in the Summary Compensation Table below under the "Non-Equity Incentive Plan Compensation" column.

Under our 2011 Annual Incentive Bonus Plan, each of the named executive officers other than Messrs. W. and J. Turner could earn a cash bonus of up to 15.75% of base annual salary, with up to one-half of this bonus based on the achievement of targeted earnings per share and up to one-half of this bonus based on individual performance. Bonuses paid to the participating named executive officers are included in the Summary Compensation Table below under the "Non-Equity Incentive Plan Compensation" column. Because, as noted above, their bonus arrangements are set forth in previously negotiated employment agreements, Messrs. W. Turner and J. Turner do not participate in our Annual Incentive Bonus Plan and therefore are not subject to a cap on their bonus as a percentage of base salary.

Stock Options

Stock options have been an integral part of our executive compensation program. They are intended to encourage ownership and retention of Bancorp's stock by key employees as well as non-employee members of the Board of Directors. Through stock options, the objective of aligning key employees' long-term interests with those of stockholders may be met by providing key employees with the opportunity to build, through the achievement of corporate goals, a meaningful stake in Bancorp. In fiscal 2003, Bancorp's stockholders approved the 2003 Stock Option and Incentive Plan. Upon approval of the 2003 plan by stockholders, Bancorp's Board of Directors froze the 1997 Stock Option and Incentive Plan, which means that no new grants of awards will be made under that plan, but outstanding awards under the plan were not affected. The Stock Option Committee, consisting of Directors Frazier, Barclay, Carlson, Haden and Steinert, considers additional options each year as needed to attract and retain employees. These grants typically have been made late in the third quarter or early in the fourth quarter of each year, though the Stock Option Committee retains discretion to grant options at any time during the year. Our senior

management group provides recommendations to the Committee for option grants for rank and file employees. Mr. J. Turner provides recommendations to the Committee for grants to members of the senior management group other than himself. All options granted by the Committee are subject to ratification by the Board of Directors, which typically occurs on the same day as the Committee approval. We do not coordinate the timing of stock option grants with the release of material non-public information.

As required by plan, stock options have an exercise price that is equal to no less than the market value of Bancorp's common stock on the date of grant, which is the date on which the Board of Directors ratifies the approval of the grant by the Stock Option Committee. To provide an incentive for a sustained increase in the value of our common stock, stock options granted to employees typically do not begin vesting until the second anniversary of the

grant date, with 25% of the option vesting on that second anniversary date and 25% vesting on each anniversary date thereafter through the fifth anniversary date.

Prior to our repayment of TARP funds in August 2011, stock options were a form of incentive compensation which we were precluded from awarding to our five most highly compensated employees. See “Compensation Restrictions under TARP Capital Purchase Program.” Subsequent to repaying our TARP funds, we awarded stock options to each of the named executive officers. See the Grants of Plan-Based Awards table below.

The 2003 Stock Option and Incentive Plan authorizes the granting of restricted stock in addition to stock options. Although no shares of restricted stock have been granted to date under the 2003 plan, the Committee and the Board may consider the utilization of restricted stock awards in the future.

Retirement and Other Benefits

We participate in a multi-employer defined benefit pension plan covering all employees who have met minimum service requirements. Effective July 1, 2006, this plan was closed to new participants. Employees already in the plan will continue to accrue benefits. For information regarding benefits payable under this plan to the named executive officers, see “Pension Benefits.”

We have a defined contribution retirement plan covering substantially all of our employees. During 2011, we matched 100% of the employee’s contribution on the first 4% of the employee’s compensation, and also matched 50% of the employee’s contribution on the next 2% of the employee’s compensation. Our matching contributions for 2011 under this plan to the named executive officers are reflected in the Summary Compensation Table under the “All Other Compensation” column.

In July 1984, Great Southern purchased a key man insurance policy on the life of Mr. W. Turner. Great Southern is the owner of, and beneficiary under, this policy, which currently has a cash surrender value of approximately \$393,000 and a death benefit of approximately \$494,000. Recognizing the benefits Great Southern received and would continue to receive from the earnings under the policy and the increase in its cash surrender value, in September 1997 (at the time of Mr. W. Turner’s attainment of age 65, Great Southern’s general retirement age), Great Southern’s Board of Directors agreed to pay Mr. W. Turner monthly cash amounts totaling \$25,000 per year, for ten years. The last of these payments was made in August 2007.

In addition to the term life insurance coverage maintained for nearly all employees (providing a maximum death benefit of \$60,000), Great Southern maintains supplemental life insurance coverage for all personnel with an “officer” designation, which provides a death benefit ranging from \$75,000 to \$150,000, depending on the officer’s salary. Each named executive officer has the maximum coverage (\$150,000) under the supplemental life insurance benefit, and each named executive officer other than Mr. W. Turner (who does not have a term life insurance benefit) has the maximum coverage (\$60,000) under the term life insurance benefit. Premiums paid on behalf of the named executive officers are reflected in the Summary Compensation Table under the “All Other Compensation” column. As part of its health insurance coverage, Great Southern also provides long-term disability coverage to all employees generally. Each of the named executive officers other than Mr. W. Turner (who does not participate in Great Southern’s health insurance plan) is entitled to the maximum long-term disability benefit of \$5,000 per month.

Perquisites and Other Personal Benefits

We provide the named executive officers with perquisites and other personal benefits that we and the Committee believe are reasonable and consistent with our overall compensation program to better enable us to attract and retain superior employees for key positions. The Committee periodically reviews the levels of perquisites and other personal benefits provided to the named executive officers.

Payments Upon Termination or Change in Control

Each of Messrs. W. and J. Turner has an employment agreement with Bancorp that provides for certain payments and benefits if their employment is terminated under certain scenarios, including, but not limited to, within the 12 months preceding, at the time of or within 24 months after a change in control. See “Employment Agreements.” These employment agreements thus require a “double trigger” in order for any payments or benefits under the

agreements to be provided to Messrs. W. or J. Turner in connection with or following a change in control - in other words, both a change in control and an involuntary termination of employment (which includes a voluntary termination by the executive following a material reduction in his duties, responsibilities or benefits) must occur. The purpose of providing the change in control payments and benefits is to attract and retain top level executives of the highest caliber and mitigate the risk to these executives that their employment will be involuntarily terminated in the event we are acquired. At the same time, the mere sale of our company will not automatically trigger a payout, as our intention is to induce the executive to remain employed following a change in control so long as the acquiring company so desires without a material reduction in the executive's duties, responsibilities or benefits. Each of the employment agreements with Messrs. W. and J. Turner contains a tax gross up provision which provides generally that if the executive receives payments or benefits in connection with a change in control, then to the extent such payments or benefits constitute "excess parachute payments" under Section 280G of the Internal Revenue Code, he generally will be paid an additional amount (referred to as a "gross up payment") that will offset, on an after tax basis, the effect of any excise tax consequently imposed on him under Section 4999 of the Internal Revenue Code. The effects of Section 4999 generally are unpredictable and can have widely divergent and unexpected effects based on an executive's personal compensation history. Therefore, to provide an equal level of benefit without regard to the effects of the excise tax, we determined that Section 4999 gross up payments are appropriate for Messrs. W. and J. Turner.

We do not have employment or severance agreements with any of our other named executive officers. To mitigate the risk of loss of benefits to these officers if a change in control occurs, their unvested stock options (like the unvested stock options of all other employees) will vest in full upon a change in control.

Other Tax and Accounting Considerations

Section 162(m) of the Internal Revenue Code generally eliminates the deductibility of compensation over \$1 million paid to certain highly compensated executive officers of publicly held corporations, excluding certain qualified performance-based compensation. The Committee has reviewed and will continue to review on an ongoing basis our executive compensation programs, and propose appropriate modifications to these programs, if the Committee deems them necessary, with a view toward implementing our compensation programs in a manner that avoids or minimizes any disallowance of tax deductions under Section 162(m). The Committee will balance these considerations against the need to be able to compensate executives in a manner commensurate with performance and the competitive environment for executive talent. Stock options, which are the only form of equity-based award currently provided to executive officers, automatically constitute qualified performance-based compensation, provided that certain plan content and grant procedure requirements are met. In addition, the employment agreements with Messrs. W. and J. Turner provide for mandatory deferral of compensation if necessary to ensure the tax deductibility by us. See "Employment Agreements." As a result of our participation in the TARP Capital Purchase Program, we were subject to amendments to Section 162(m) which limit the deductibility of all compensation, including performance based compensation, to \$500,000 per executive with respect to any taxable year during which the U.S. Treasury retains its TARP Capital Purchase Program investment in our company. Because we repaid our TARP funds during 2011, these amendments no longer apply to us.

With our adoption, effective January 1, 2006, of FASB ASC Topic 718 (formerly FAS 123R), which requires the recognition of compensation expense for stock options, we do not expect the accounting treatment of differing forms of equity awards to vary significantly. Accordingly, accounting treatment is not expected to have a material effect on the selection of forms of equity compensation in the foreseeable future.

Role of Executive Officers in Determining Compensation

Our Chief Executive Officer, Mr. J. Turner, makes recommendations to the Committee regarding compensation for executive officers other than himself. These recommendations are taken under advisement by the Committee, which may decide to provide compensation in amounts greater or lesser than the amounts recommended by Mr. J. Turner. For 2011, the compensation paid to the executive officers other than Mr. J. Turner was generally consistent with Mr. J. Turner's recommendations. Mr. J. Turner is not involved with any aspect of determining his own compensation; nor is his sister, Ms. Turner Brown. Mr. W. Turner is not involved with any aspect of the determining the compensation of Mr. J. Turner, other than waiving Mr. W. Turner's right to receive a bonus under Mr. W. Turner's employment agreement with the understanding that Mr. J. Turner's bonus, if any, may be increased by $\frac{1}{4}$ of one percent of our pre-tax earnings. See "—Bonuses."

Director compensation is determined by the Company's Board of Directors. Other than Mr. W. Turner and Mr. J. Turner acting in their capacity as Board members, none of the Company's executive officers has any role in determining the amount of director compensation.

- (6) For Mr. W. Turner, the 2011 amount in the table includes the aggregate incremental cost to Bancorp of certain perquisites and other personal benefits provided to him, comprised of the payment of club dues, payments of the costs of executive physicals, personal use of company aircraft and use of tickets to various local sporting events. Turner - \$117,000.

Grants of Plan-Based Awards

The following table sets forth certain information with respect to grants of plan-based awards to the named executive officers during 2011.

- (1) Under their employment agreements, each of Messrs. W. and J. Turner are entitled to receive annual cash bonuses equal to one-half of one percent of Bancorp's pre-tax earnings. Since 2005, Mr. W. Turner has waived his right to this bonus, with the understanding that Mr. J. Turner's bonus, if any, may be increased by ¼ of one percent of our pre-tax earnings. For 2009, 2010 and 2011, however, Mr. J. Turner's bonus was limited to the contractual amount of one-half of one-percent of our pre-tax earnings. Under our 2011 Annual Incentive Bonus Plan, participating officers could earn a cash bonus of up to 15.75% of base annual salary, with up to one-half of this bonus based on the achievement of targeted earnings per share and up to one-half of this bonus based on individual performance. See "Compensation Discussion and Analysis-Bonuses." The actual bonus amounts awarded to the named executive officers for 2011 are set forth in the Summary Compensation Table under the "Non-Equity Incentive Plan Compensation" column.
 - (2) Represents a stock option grant under Bancorp's 2003 Stock Option and Incentive Plan that is scheduled to vest in 25% increments beginning November 16, 2013.
 - (3) Represents the grant date fair value of the award determined in accordance with ASC Topic 718 using the Black-Scholes option-pricing model. The assumptions used in the Black-Scholes option-pricing model to calculate the grant date fair value of these awards are included in Note 22 of the Notes to Consolidated Financial Statements contained in our Annual Report on Form 10-K for the year ended December 31, 2011 filed with the SEC.

Each of Messrs. W. and J. Turner has an employment agreement with Bancorp. For descriptions of these agreements, see "Employment Agreements."

William V. Turner	0	\$ ---

Rex A. Copeland	6,000	\$ 16,155
Steven G. Mitchem	6,000	\$ 33,450

Pension Benefits

Great Southern participates in the Pentegra Financial Institutions Retirement Fund, a multi-employer comprehensive defined benefit pension plan. Effective July 1, 2006, this plan was closed to new participants. Employees already in the plan as of that date generally will continue to accrue benefits. Mr. W. Turner is no longer accruing additional benefits under the plan. A participant becomes fully vested after five years of service. The annual benefit for normal retirement (after attaining age 65) is calculated as follows:

$$(1\% \times ((\# \text{ yrs. svc. prior to } 07/01/06 \times \text{“high-five average salary” prior to } 07/01/06) + (\text{total } \# \text{ yrs. svc.} \times \text{“high-five average salary” after } 07/01/06))) = \text{annual benefit}$$

The “high-five average salary” refers to the participant’s average annual salary for the five consecutive years of highest salary. A participant retiring with 28 years of service and a high-five average salary of \$140,000 prior to July 1, 2006 and 3 years of service and a high-five average salary of \$150,000 after July 1, 2006 would receive an annual benefit of \$85,700 ($1\% \times ((28 \times \$140,000) + (3 \times \$150,000))$).

A participant becomes eligible for early retirement at age 45, in which case the benefit, otherwise payable beginning at age 65, is reduced by applying an early retirement factor based on his or her age when payments begin. The factor is determined by subtracting the following from 100%: 6% for each year between age 60 and 65, 4% for each year between age 55 and 60 and 3% for each year between age 45 and 55. If payments were to begin at age 55, the early retirement factor would be 50%. A participant taking early retirement at age 55 with 18 years of service and a high-five average salary of \$90,000 prior to July 1, 2006 and 3 years of service and a high-five average salary of \$100,000 after July 1, 2006 would receive an annual benefit of \$18,600 ($1\% \times ((18 \times \$90,000) + (3 \times \$100,000)) \times 50\%$). Each of Messrs. J. Turner, Copeland, Mitchem and Marrs are currently eligible for early retirement under the

pension plan.

The regular form of retirement benefit (whether normal or early) is guaranteed for the life of the participant, but not less than 120 monthly installments. If a retired participant dies before receiving 120 monthly installments, his or her beneficiary would be entitled to the present value of the unpaid installments in a lump sum (or in installments, at the election of the participant or his or her beneficiary). If a participant dies in active service after having become vested, his or her beneficiary is entitled to a lump sum death benefit equal to the present value of 120 monthly retirement benefit installments which would have been payable had the participant's retirement benefits commenced on the first day of the month after the month in which he or she died.

The benefit under the pension plan is subject to Internal Revenue Service annual compensation limits (generally \$245,000 for 2011).

The following table sets forth information regarding benefits payable to the named executive officers under the pension plan.

Name	Plan Name	Number of Years Credited Service (#)	Present Value of Accumulated Benefit (\$)	Payments During Last Fiscal Year (\$)
William V. Turner	Pentegra Retirement Fund	25	\$1,275,000	\$117,000
Joseph W. Turner	Pentegra Retirement Fund	19	477,000	---
Rex A. Copeland	Pentegra Retirement Fund	11	189,000	---
Steven G. Mitchem	Pentegra Retirement Fund	21	683,000	---
Douglas W. Marrs	Pentegra Retirement Fund	15	208,000	---

The information contained in the table above was provided to us by Pentegra Retirement Services. The amounts shown for the present value of accumulated benefit were calculated by Pentegra Retirement Services assuming an age 65 retirement date, a discount rate of 4.40% and the 2000 RP Mortality (generational) table projected five years for post-retirement mortality.

Employment Agreements

Effective October 1, 2002, Messrs. W. and J. Turner (the “Employees”) entered into new employment agreements with Bancorp (the “Employment Agreements”). Each Employment Agreement is for a five-year term and provides for an extension of one year, in addition to the then-remaining term under the agreement, on each October 1st, as long as (1) Bancorp has not notified the Employee at least 90 days in advance that the term will not be extended further and (2) the Employee has not received an unsatisfactory performance review by the Board of Directors of Bancorp or Great Southern. Pursuant to the most recent extensions, the term of each Employment Agreement ends September 30, 2016. The Employment Agreements provide for annual base salaries as determined from time to time by the Compensation Committee of the Board of Directors, subject to reduction only as part of an overall program, implemented prior to a change in control (as defined in the Employment Agreements), applied uniformly and equitably to all members of senior management. The Employment Agreements also provide for participation in benefit plans and the receipt of fringe benefits to the same extent as the other executive officers of Bancorp and Great Southern and equitable participation in any performance-based and discretionary bonuses awarded to the executive officers of Bancorp and Great Southern. In addition, each Employee is entitled to an annual bonus equal to one-half of one percent of Bancorp’s pre-tax earnings for the year; for every year since 2005, Mr. W. Turner has waived his right to receive this bonus.

Each Employment Agreement provides that if the Employee’s employment is involuntarily terminated, then during the remaining term of the agreement he will be entitled to receive (1) on a monthly basis, 1/12th of his annual salary and 1/12th of the average annual amount of cash bonus and cash incentive compensation for the two full fiscal years preceding the date of termination, subject to reduction by the amount of the Employee’s earned income during the applicable payout period; (2) substantially the same life and disability insurance coverage and health and dental

benefits as he and his dependents and beneficiaries would have received if he had remained employed, subject to reduction to the extent he receives equivalent or better benefits from another employer (the “Post-Employment Group Health, Life and Disability Insurance Benefits”); and (3) if the involuntary termination occurs within the 12 months preceding, at the time of, or within 24 months after a change in control of Bancorp, a lump sum amount in cash equal to 299% of the Employee’s “base amount” (as defined in Section 280G of the Internal Revenue Code).

The term “involuntary termination” is defined as termination of the Employee’s employment by Bancorp or Great Southern (other than for cause, or due to death, disability or specified violations of law) without the Employee’s consent or by the Employee following a material reduction of or interference with his duties, responsibilities or

benefits without his consent. Each Employment Agreement provides that to the extent the Employee receives any amounts or benefits, whether under the Employment Agreement or otherwise, that will constitute “excess parachute payments” under Section 280G of the Internal Revenue Code and subject him to excise tax under Section 4999 of the Internal Revenue Code, he will be paid an additional amount that will offset the effect of any such excise tax.

Each Employment Agreement also provides that if the Employee dies while employed under the Employment Agreement, his estate or designated beneficiary will receive (1) the salary the Employee would have earned if he had remained employed through the 180th day after the date of his death; (2) the amounts of any benefits or awards which were earned with respect to the fiscal year in which the Employee died and the amount of any bonus or incentive compensation for that fiscal year, pro-rated in accordance with the portion of the fiscal year elapsed prior to his death; and (3) any unpaid deferred amounts described in the next paragraph.

Each Employment Agreement provides that to the extent the Employee’s total compensation for any taxable year exceeds the greater of \$1,000,000 or the maximum amount of compensation deductible by the Company under Section 162(m) of the Internal Revenue Code (the greater of these two amounts referred to below as the “maximum allowable amount”), the excess amount must be deferred, with interest (at an annual rate equal to the Federal short-term rate under Section 1274(d)(1) of the Internal Revenue Code, determined as of the last day of the calendar year in which the Employee’s compensation is first not deductible under Section 162(m) of the Internal Revenue Code) compounded annually, to a taxable year in which the amount to be paid to the Employee in that year (including deferred amounts and interest) does not exceed the maximum allowable amount.

Potential Payments Upon Termination of Employment

Messrs. W. and J. Turner. The following tables summarize the approximate value of the termination payments and benefits that Messrs. W. and J. Turner would have received if their employment had been terminated on December 31, 2011 under the circumstances shown. The tables also exclude (i) amounts accrued through December 31, 2011 that would be paid in the normal course of continued employment, such as accrued but unpaid salary and bonus amounts, (ii) vested account balances under Great Southern’s 401(k) plan and (iii) vested account balances under our defined benefit pension plan, as described under “Pension Benefits.”

(1) Represents the total salary and bonus continuation payments payable monthly to Mr. W. Turner under his employment agreement, as described under "Employment Agreements," for

the remaining term of the agreement (i.e., through September 30, 2016, assuming Mr. W. Turner's employment were "involuntarily terminated" (as defined under "Employment Agreements") on December 31, 2011). The monthly payment amount would be \$16,667. While the employment agreement provides for a reduction in the monthly payment amount to the extent of any income earned from providing services to another company during the payout period, the monthly payment amount in the preceding sentence and the total amount of payments shown in the table assumes no such reduction.

- (2) Although Mr. W. Turner's employment agreement provides that if his employment is involuntarily terminated, he will continue to receive through the remaining term of the agreement (i.e., through September 30, 2016, assuming an involuntary termination on December 31, 2011), at the same premium cost to him, substantially the same life and disability insurance coverage and health and dental benefits as he would have received had he remained employed, Mr. Turner was not receiving any such benefits on December 31, 2011. Consequently, no such benefits would be provided to him following termination of his employment.
- (3) Represents the value of acceleration of unvested stock options, based on the closing price of Bancorp's common stock on December 31, 2011 (\$23.59) and the exercise prices of the options. All unvested options vest upon a change in control, regardless of whether Mr. W. Turner's employment is "involuntarily terminated."
- (4) Represents the lump sum amount payable to Mr. W. Turner under his employment agreement in the event his employment is "involuntarily terminated" within the 12 months preceding, at the time of or within 24 months after a change in control of Bancorp, as described under "Employment Agreements."
- (5) Represents tax gross up payment payable to Mr. W. Turner under his employment agreement.
- (6) Represents the amount of Mr. W. Turner's salary that he would have earned had he remained employed by Bancorp through the 180th day after the date of death, payable to Mr. W. Turner's estate or designated beneficiary in accordance with his employment agreement.
- (7) Represents the death benefit payable under the supplemental life insurance policy maintained for Mr. W. Turner and other officers.

- (1) Represents the total salary and bonus continuation payments payable monthly to Mr. J. Turner under his employment agreement, as described under “Employment Agreements,” for the remaining term of the agreement (i.e., through September 30, 2016, assuming Mr. J. Turner’s employment were “involuntarily terminated” (as defined under “Employment Agreements”) on December 31, 2011). The monthly payment amount would be \$49,616. While the employment agreement provides for a reduction in the monthly payment amount to the extent of any income earned from providing services to another company during the payout period, the monthly payment amount in the preceding sentence and the total amount of payments shown in the table assumes no such reduction.
 - (2) Represents the approximate cost to Bancorp of providing the “Post-Employment Group Health, Life and Disability Insurance Benefits,” described under “Employment Agreements,” to which Mr. J. Turner would be entitled for the remaining term of his employment agreement (i.e., through September 30, 2016, assuming Mr. J. Turner’s employment were terminated on December 31, 2011). Amount shown represents the aggregate share of the premium payments to be made by Bancorp, based on the monthly premium rates in effect on December 31, 2011. While the employment agreement provides for a reduction in these benefits to the extent Mr. J. Turner receives such benefits, on no less favorable terms, from another employer during the benefits continuation period, the amount shown in the table assumes no such reduction in benefits.
 - (3) Represents the value of acceleration of unvested stock options, based on the closing price of Bancorp’s common stock on December 31, 2011 (\$23.59) and the exercise prices of the options. All unvested options vest upon a change in control, regardless of whether Mr. J. Turner’s employment is “involuntarily terminated.”
 - (4) Represents the lump sum amount payable to Mr. J. Turner under his employment agreement in the event his employment is “involuntarily terminated” within the 12 months preceding, at the time of or within 24 months after a change in control of Bancorp, as described under “Employment Agreements.”
 - (5) Represents tax gross up payment payable to Mr. J. Turner under his employment agreement.

- (6) Represents the amount of Mr. J. Turner's salary that he would have earned had he remained employed by Bancorp through the 180th day after the date of death, payable to Mr. J. Turner's estate or designated beneficiary in accordance with his employment agreement.
- (7) Represents the aggregate death benefits payable under the supplemental life insurance coverage maintained for Mr. J. Turner and other officers (\$150,000) and the term life insurance coverage maintained for all employees generally (\$60,000).

Messrs. Copeland, Mitchem and Marris. None of Messrs. Copeland, Mitchem or Marris has an employment or severance agreement with Bancorp or any of its subsidiaries. Each of Messrs. Copeland, Mitchem and Marris held unvested stock options as of December 31, 2011, the vesting of which accelerates upon a change in control of Bancorp. If a change in control of Bancorp had occurred on December 31, 2011, the value that would have been realized by Messrs. Copeland, Mitchem and Marris as a result of the accelerated vesting of these options (based on the closing price of Bancorp's common stock on December 31, 2011 (\$23.59) and the exercise prices of the options) are \$49,035, \$17,052 and \$28,672, respectively. Great Southern maintains supplemental life insurance for Messrs. Copeland, Mitchem and Marris, along with other officers. If Messrs. Copeland, Mitchem and Marris were to have died on December 31, 2011, the death benefit payable for each officer under the supplemental life insurance coverage would have been \$150,000. This is in addition to the term life insurance benefit generally available to all employees (which would have provided a death benefit of \$60,000 for each of Messrs. Copeland, Mitchem and Marris).

Compensation Committee Report and Narrative and Certification Pursuant to the TARP Capital Purchase Program

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis contained above with management and, based on such review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement.

TARP Narrative Disclosure and Certification

In June 2011, the Committee reviewed and discussed with our senior risk officers certain risk-related aspects of compensation plans for our senior executive officers (SEOs) only and for all employees, with particular emphasis on incentive compensation plans. The Committee reviewed and discussed risks and other matters associated with these compensation plans. During these meetings, our senior risk officers presented information gathered by them with respect to our plans, including risk controls applicable to each plan. These reviews were undertaken in a manner reasonably believed by the Committee to be in accordance with the rules governing our participation in the TARP Capital Purchase Program, as well as guidance from our primary bank regulators.

In conducting its review and analysis, the Committee identified our SEO and employee compensation plans with incentive-based elements. It especially focused on any changes in these plans since the Committee's prior risk review of compensation plans and on whether there continued to be adequate controls to prevent excessive risks, to discourage focus on short-term results rather than long-term value creation and to prevent the manipulation of reported earnings. The incentive compensation plans in place for SEOs in 2011 were: (1) the bonus provisions of the employment agreements with Messrs. W. and J. Turner, (2) the Annual Incentive Bonus Plan and (3) the 2003 Stock Option and Incentive Plan, each of which is described in the Compensation Discussion and Analysis ("CD&A") section of this proxy statement. The Annual Incentive Bonus Plan also applies to other non-SEO management personnel, and all employees are eligible for awards under the 2003 Stock Option and Incentive Plan.

The employment agreements of Messrs. W. and J. Turner both contain a provision entitling each of them to an annual bonus equal to one-half of one percent of the Company's pre-tax net income. The Committee believes that this provision in Mr. W. Turner's agreement currently presents no concerns with regard to risk, because, since 2005, Mr. W. Turner has waived his right to receive any bonus that would otherwise be payable to him. The Committee will review this bonus provision again if Mr. W. Turner terminates this waiver. The Committee believes that this bonus provision in Mr. J. Turner's agreement does not encourage him to take excessive risk, because he is not substantially dependent on the bonus potentially payable under the agreement. Moreover, the Committee believes, the sizable holdings of the Company's stock by Mr. J. Turner and members of his family solidly align Mr. J. Turner's personal interests with the long-term interests of the Company's stockholders.

Under the Annual Incentive Bonus Plan, participating executive officers and other management personnel are eligible to earn a bonus, one-half of which is based on overall Company performance and one-half of which is based

upon individual performance. The Committee believes that this plan does not encourage excessive risk, because the placement of caps on the bonus amounts that may be earned (15.75% of base salary in the case of executive officers and 6.3% of base salary in the case of other officers) ensures that a substantial majority of the officer's total compensation is derived from sources other than the Company's performance as determined under the Annual Bonus Plan.

The 2003 Stock Option and Incentive Plan provides for long-term equity incentives in the form of stock options and restricted stock, though currently the Committee is only awarding stock options. The Committee believes that the use of such awards strikes an appropriate balance between incentive and retention by encouraging our SEOs and other employees to execute our strategic initiatives to maintain and build the value of our Company over time. They also align their interests with the long-term interests of our stockholders.

Most of our non-management employees participate in department-based incentive plans and/or are eligible for discretionary bonuses. For example, market managers, lenders and loan assistants in the commercial lending area are eligible for bonuses per supervisor discretion not to exceed specified amounts, based upon factors such as service quality, relationship building, collection efforts and new business generation. Mortgage loan originators are paid a percentage of the gross loan amount closed per month and mortgage loan processors are paid a fixed amount per loan processed based upon volume. Corporate services representatives are paid an incentive on all core deposit accounts generated, with the incentive factor decreasing to the extent the rate payable on the deposits exceeds our cost of funds. These incentive plans are intended to reward activity specific to the primary areas of the employee's responsibility. The plans are primarily short-term, with annual or more frequent recognition of performance. These plans are designed with the intention of rewarding behaviors that are supportive of and consistent with the risk embedded in our strategic plans. With the exception of mortgage loan originators and processors compensated on a commission-only basis, these plans are generally capped and generally represent a small percentage of the employee's overall compensation. In the case of incentive plans for our commercial lending personnel, the Committee believes that sufficient risk controls are in place, as loans are underwritten pursuant to established policies and credit quality and risk is evaluated by persons not involved in the origination process. In the case of the incentive plans for our mortgage lending personnel, the Committee believes that the required underwriting of our mortgage loans pursuant to established policies and secondary market standards provides sufficient risk controls for these plans. The Committee believes that sufficient risk controls are in place under the incentive plan for our corporate services representatives, as no incentive award is given to the extent the deposits generated are not profitable to us.

At each meeting, the Committee reviewed and discussed with the senior risk officers the information and analysis presented. The analysis indicated the presence of the following factors that could reasonably be considered to mitigate against excessive or unnecessary risk taking or manipulation of earnings for compensation and to avoid a short-term focus:

- Our incentive plans are reasonably designed to reward behaviors that support our strategic initiatives.
- Although a small percentage of our employees are primarily compensated on a commission-only basis, our balanced approach to total compensation for employees generally should not place our employees in highly leveraged situations where they are dependent upon incentives. The balanced approach also incorporates elements that should foster a long-term focus.
- We have the combination of culture, internal controls, systems and processes, and management, Committee and Board oversight reasonably necessary for identifying, managing and mitigating risks.

Based on its June 2011 reviews, the Committee does not believe that its compensation plans encourage CEOs or employees: (1) to take excessive risk; (2) to engage in conduct focused on short-term results rather than long-term value creation; or (3) to manipulate reported earnings. Therefore, the Committee believes there was no need to eliminate or limit any features in any CEO or employee plan after these reviews.

Based upon the foregoing, the Committee certifies that, for the period from January 1, 2011 through August 18, 2011 (the date on which the Company repaid its TARP funds in full):

- (1) The Committee has reviewed with the Company's senior risk officers the senior executive officer (SEO) compensation plans and has made all reasonable efforts to ensure that these plans do not encourage SEOs to take unnecessary and excessive risks that threaten the value of the Company;
- (2) The Committee has reviewed with the Company's senior risk officers the employee compensation plans and has made all reasonable efforts to limit any unnecessary risks these plans pose to the Company; and
- (3) The Committee has reviewed the employee compensation plans to eliminate any features of these plans that would encourage the manipulation of reported earnings of the Company to enhance the compensation of any employee.

Submitted by the Compensation Committee of Bancorp's Board of Directors:

William E. Barclay
Thomas J. Carlson
Larry D. Frazier
Grant Q. Haden
Earl A. Steinert, Jr.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee is a current or former officer or employee of Bancorp or any of Bancorp's subsidiaries. None of our executive officers has served on the board of directors or the compensation committee of any other entity that had an executive officer serving on Bancorp's Board of Directors or on the Compensation Committee of Bancorp's Board of Directors.

PROPOSAL II. ADVISORY (NON-BINDING) VOTE ON EXECUTIVE COMPENSATION

As a TARP participant, we were required to include in our proxy statements for our annual meetings of stockholders held in 2009, 2010 and 2011 a non-binding stockholder vote to approve the compensation of our executives, as disclosed in the proxy statement pursuant to the compensation rules of the SEC. Because we repaid our TARP funds on August 18, 2011, we are now required, like most other publicly held companies, to include a substantially similar non-binding vote in our proxy statement pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) and the SEC’s implementing rules.

The proposal to vote on executive compensation, commonly known as a “say on pay” proposal, gives stockholders the opportunity to endorse or not endorse the compensation of the Company’s named executive officers as disclosed in this proxy statement. The proposal will be presented at the Annual Meeting as a resolution in substantially the following form:

RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed in the Company’s proxy statement for the annual meeting pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby approved.

This vote will not be binding on Bancorp’s Board of Directors and may not be construed as overruling a decision by the Board or create or imply any additional fiduciary duty on the Board. Nor will it affect any compensation paid or awarded to any executive. The Compensation Committee and the Board may, however, take into account the outcome of the vote when considering future executive compensation arrangements.

The purpose of our compensation policies and procedures is to attract and retain experienced, highly qualified executives critical to our long-term success and enhancement of stockholder value. The Board of Directors believes that our compensation policies and procedures achieve this objective, and therefore recommends that stockholders vote FOR this proposal.

PROPOSAL III. ADVISORY (NON-BINDING) VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

Under the Dodd-Frank Act, in addition to providing stockholders with the opportunity to cast an advisory vote on executive compensation, we are required this year to include in this proxy statement and present at the Annual Meeting a non-binding stockholder vote on whether an advisory vote on executive compensation should be held every year, every two years or every three years.

The Board believes that holding an advisory vote on executive compensation every three years is the optimal interval for conducting and responding to a “say on pay” vote. Stockholders who have concerns about executive compensation during the interval between “say on pay” votes are welcome to bring their specific concerns to the attention of the Board. See “Stockholder Communications with Directors” in this proxy statement.

Stockholders have the opportunity to choose among four options (holding the advisory vote on executive compensation every year, every two years, every three years or abstaining) and, therefore, stockholders will not be voting to approve or disapprove the Board’s recommendation.

Although this advisory vote on the frequency of the “say on pay” vote is nonbinding, the Board and the Compensation Committee may take into account the outcome of the vote when considering the frequency of future advisory votes on executive compensation.

The Board of Directors recommends that stockholders vote for a “say on pay” frequency of every “THREE YEARS.”

PROPOSAL IV. RATIFICATION OF THE APPOINTMENT OF
THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of Bancorp's Board of Directors has engaged the independent registered public accounting firm of BKD, LLP to audit Bancorp's financial statements for the 2012 fiscal year, subject to the ratification of the appointment by Bancorp's stockholders at the Annual Meeting. Representatives of BKD, LLP are expected to attend the Annual Meeting to respond to appropriate questions and to make a statement if they so desire.

During the fiscal years ended December 31, 2011 and 2010, BKD, LLP provided various audit, audit related and non-audit services to Bancorp. Set forth below are the aggregate fees billed for these services:

- (a) Audit Fees: Aggregate fees billed for professional services rendered for the audits of Bancorp's annual financial statements and internal control over financial reporting and reviews of financial statements included in Bancorp's Quarterly Reports on Form 10-Q: \$317,145 – 2011; \$271,105 – 2010.
- (b) Audit Related Fees: Aggregate fees billed for professional services rendered related to audits, including required procedures for student loan servicing and providing negative assurances in connection with the Bank's loss-sharing agreements with the FDIC and SBLF obligations with the U. S. Treasury: \$16,085 – 2011; \$25,445 – 2010.
- (c) Tax Fees: Aggregate fees billed for professional services rendered related to tax compliance, tax advice and tax consultations: \$0 – 2011; \$270 – 2010.
- (d) All other fees: Aggregate fees billed for all other professional services, including regulatory compliance work and 401(k) plan administration: \$215,349 – 2011; \$154,721 – 2010.

The Audit Committee pre-approves all audit and permissible non-audit services to be provided by BKD, LLP and the estimated fees for these services.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF BKD, LLP AS BANCORP'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2012.

Turner and Ms. Brown replaced Mr. W. Turner and his spouse as general partners, each family member's share of the partnership's capital account and profits did not substantially change and their economic interest in the shares of the Common Stock held by the partnership were not significantly affected by the exchange.

Based solely on Bancorp's review of the copies of the ownership reports furnished to Bancorp, and written representations relative to the filing of certain forms, Bancorp is aware of: one late filing for William V. Turner, for one transaction in October 2011; two late filings for William E. Barclay, for two transactions in March 2011; one late filing for Thomas J. Carlson, for one transaction in July 2009; and one late filing for Douglas W. Marris, for one transaction in December 2010.

STOCKHOLDER PROPOSALS – 2013 ANNUAL MEETING

In order to be eligible for inclusion in Bancorp's proxy materials for its next annual meeting of stockholders, any stockholder proposal for that meeting must be received by the Secretary of Bancorp at the executive office of Bancorp, located at 1451 E. Battlefield, Springfield, Missouri 65894, by December 6, 2012. Any such proposal will be subject to the requirements of the proxy rules adopted under the Securities Exchange Act of 1934, as amended.

In addition to the deadline and other requirements referred to above for submitting a stockholder proposal to be included in Bancorp's proxy materials for its next annual meeting of stockholders, Bancorp's bylaws require a separate notification to be made in order for a stockholder proposal to be eligible for presentation at the meeting, regardless of whether the proposal is included in Bancorp's proxy materials for the meeting. In order to be eligible for presentation at Bancorp's next annual meeting of stockholders, written notice of a stockholder proposal containing the information specified in Article I, Section 6 of Bancorp's bylaws must be received by the Secretary of Bancorp not earlier than the close of business on January 16, 2013 and not later than the close of business on February 15, 2013. If, however, the

date of the next annual meeting is before April 26, 2013 or after July 15, 2013, the notice of the stockholder proposal must instead be received by Bancorp's Secretary not earlier than the close of business on the 120th day prior to the date of the next annual meeting and not later than the close of business on the later of the 90th day before the date of the next annual meeting or the tenth day following the first to occur of the day on which notice of the date of the next annual meeting is mailed or the day on which public announcement of the date of the next annual meeting is first made by Bancorp.

OTHER MATTERS

The Board of Directors knows of no business that will be presented for consideration at the Annual Meeting other than the proposals discussed in this proxy statement. If, however, other matters are properly brought before the Annual Meeting, it is the intention of the holders of the proxies to vote the shares represented thereby on such matters in accordance with their best judgment.

The cost of solicitation of proxies will be borne by Bancorp. Bancorp will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of the Common Stock. In addition to solicitation by mail, directors, officers and other employees of Bancorp and/or Great Southern may solicit proxies personally or by telephone without additional compensation.
