### **Proposal to Fix the Number of Directors at Seven**

Directors are to be elected to serve until the next Annual Meeting of Shareholders and until the election and qualification of their respective successors. The By-Laws provide that, prior to the election of directors at each Annual Meeting of Shareholders, the number of directors to be elected at such meeting for the ensuing year shall be fixed by the shareholders by a majority vote of the shares represented at the meeting in person or by proxy within the limits fixed by the Certificate of Incorporation which provides for a minimum of three and a maximum of eleven. The Board of Directors recommends the election of seven directors and, except as discussed below, all proxies received pursuant to this solicitation will be voted for that number of directors. The affirmative vote of a majority of the shares represented in person or by proxy is required to fix the number of directors at seven.

### **Information Concerning Nominees for Election as Directors**

It is intended that proxies received pursuant to this solicitation will be voted for the election of the following nominees, unless for any reason any such nominee shall not be available for election, in which event the proxies will be voted in favor of the remainder of those nominated, and may be voted for substitute nominees in place of those who are not candidates or to reduce (but not below three) the number of directors to be elected. Each of the nominees has consented to serve as a director, if elected, and it is contemplated that all of the nominees will be available for election as directors.

**Board of Directors Meetings and Committees**

The Board of Directors of the Company holds regular quarterly meetings to review significant developments affecting the Company and to act on matters requiring Board approval. During fiscal 2007, the Board held four regular meetings and one special meeting. The Company has established various committees

including an Executive, an Audit, an Investment Advisory, an Executive Compensation, a Disclosure Committee and a Nominating Committee.

*Executive Committee* This Committee during fiscal 2007 consisted of Lloyd J. Shulman (Chairman), Lance D. Myers, and Jack Schwartz. This Committee may exercise all the powers of the Board when it is not in session, except as otherwise provided in a resolution, by statute or By-Law. This Committee did not meet during fiscal 2007.

*Audit Committee* This Committee during fiscal 2007 consisted of the following non-employee, independent members of the Board: Jack Schwartz (Chairman), Dean L. Ryder, and Lewis D. Siegel. We have determined that Dean L. Ryder qualifies as an audit committee financial expert under applicable SEC and NASD rules and regulations.

The Audit Committee, which met five times during fiscal 2007, is responsible for such matters as recommending to the Board of Directors a firm of independent registered auditors to be retained for the ensuing year by the Company and its subsidiaries, reviewing the scope and results of annual audits, reviewing the auditors' recommendations to management and the response of management to such recommendations, the internal audit reports, and the adequacy of financial and accounting control mechanisms employed by the Company. The Committee also reviews and approves any non-audit related services rendered to the Company and its subsidiaries by the independent registered public accounting firm including their fees. The Committee is prepared to meet at any time upon request of the independent registered public accounting firm to review any special situation arising in relation to any of the foregoing subjects.

*Investment Advisory Committee* This Committee, during fiscal 2007, consisted of the entire Board of which Lloyd J. Shulman is Chairman. The Committee meets as necessary on the call of the Chairman. The Committee did not meet during fiscal 2007. The Committee reviews and makes recommendations concerning the investment choices available with safety of principal, high yields and liquidity as the prime objectives.

*Executive Compensation Committee* This Committee, during fiscal 2007, consisted of Lance D. Myers, Dean L. Ryder, Jack Schwartz, and Lewis D. Siegel, all independent non-employee directors. The Committee recommends to the Board the establishment and modification of executive compensation plans and programs. It considers and recommends to the Board remuneration arrangements for the Chief Executive Officer, as well as the compensation for the other executive officers. The Committee met three times during fiscal 2007.

Each director attended 100% of the aggregate meetings of the Board and the Committees (if a member thereof) held during fiscal 2007, except Lewis D. Siegel who attended 80% of the meetings and Sylvia W. Shulman who attended 60% of the meetings.

*Disclosure Committee* This Committee was formed March 19, 2003 and consists of Lance D. Myers (Special Counsel), Mark S. Greenblatt (Vice President and Treasurer) and Ward N. Lyke, Jr. (Vice President and Assistant Treasurer). The Committee reviews all financial reports and other required disclosures, assesses the materiality of information and ensures that internal controls are sufficient before the reports are submitted to the Audit Committee for final review prior to the filing with the Securities and Exchange Commission. The Committee met four times during fiscal 2007. The Company's Board has approved a Disclosure Committee Charter.

*Nominating Committee* This Committee was formed October 12, 2004 and consists of Lance D. Myers, Dean L. Ryder, Jack Schwartz, and Lewis D. Siegel, all independent non-employee directors. ## **Executive Compensation**

### **Overview**

The Compensation Committee of the Board of Directors is responsible for developing and determining the Company's executive compensation policies and administering the Company's executive compensation plans. Additionally, the Compensation Committee determines the compensation to be paid to each of the principal executive officer and the principal financial officer of the Company (such executives who served during the fiscal year ended July 31, 2007 are hereinafter referred to as "named executive officers"), as well as other key employees.

### **Compensation Philosophy and Objectives**

The Compensation Committee considers the ultimate objective of an executive compensation program to be in the creation of stockholder value. An effective executive compensation program pursues this objective by (i) aligning each executive officer's interests with those of stockholders by rewarding each executive officer based on the Company's performance and (ii) insuring the Company's continued ability to hire and retain superior employees in key positions by insuring that compensation provided to such employees remains competitive with the compensation paid to employees with similar responsibilities and experience working for companies of comparable size, capitalization, and complexity.

### **Determination of Compensation Awards**

The Compensation Committee has the primary authority to determine the compensation awards available to the named executive officers other than the Company's Chief Executive Officer (with respect to whom it has sole authority). To assist the Compensation Committee in making such determinations, the Chief Executive Officer conducts an annual performance review with each of the named executive officers in which each such officer provides the Chief Executive Officer with input about his or her contributions to the Company's business during the given fiscal year. Subsequently, the Chief Executive Officer provides compensation recommendations to the Compensation Committee regarding each of such officers.

The Compensation Committee conducts an annual review of the Chief Executive Officer's performance prior to making its determination. During this review, the Compensation Committee considers the Company's performance in the following categories: the performance of the Common Stock, the achievement of agreed upon objectives such as increased rental revenues, and other business performance improvements.

### **Base Salary**

Salary levels for the Company's executive officers are established principally on the basis of the executive's position. In each case, consideration is given both to the personal factors such as the individual's record and the responsibility associated with the position, and the prevailing conditions in the geographic area where the executive's services are performed.

The Committee recognized the changing real estate market but believes executive officers' base salaries, approved by the Board, are at or below competitive base salary levels.

The Committee in determining future base salary increases will consider the Company's performance under the then existing conditions and the then competitive conditions in the labor market.

The Company has no incentive compensation program or stock option plan.

## Retirement Plan

The Board of Directors adopted The J. W. Mays, Inc. Retirement Plan and Trust ( Plan ) effective August 1, 1991. The Board of Directors believes that the Plan will strengthen the ability of the Company to attract and retain employees (exclusive of those employees covered by a collective bargaining agreement) and increase such individuals' incentive to contribute to the Company's future success.

The Company's contribution to the Plan is an amount equal to 15% of each participant's compensation plus 5.7% of each participant's compensation in excess of the contribution and benefit base in effect under Section 230 of the Social Security Act for each year, subject to a compensation limit of \$220,000.

## Other Benefits

The Company provides the named executive officers with medical insurance, life insurance and disability benefits that are generally made available to the Company's employees to ensure that the Company's employees have access to basic healthcare and income protection for themselves and their family members.

Each executive officer is restricted from competing with the Company, inducing any person employed by the Company to join a competitor, or using the confidential information in a manner adverse to the Company during his term of employment and for a period of 24 months following termination of his employment. The geographic scope of the restrictive covenant is a fifteen (15) mile radius of the then principal place of business of the Company. Each executive officer will continue to be paid his compensation even if he becomes permanently disabled (as such term is defined in the employment agreement).
