This proxy statement and proxy are being first mailed to shareholders on or about February 17, 2010.

Throughout this Proxy Statement, the terms we, us, our and the Company refer to Ark Restaurants Corp. and, unless the context indicates otherwise, our subsidiaries on a consolidated basis; and you and your refers to the shareholders of our Company.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting to be Held on March 22, 2010.

This Proxy Statement, the form of proxy and the Company s Annual Report are available at www.cstproxy.com/arkrestaurants/2010.

Who may attend the annual meeting?

All shareholders of record at the close of business on February 10, 2010 (the Record Date), or their duly appointed proxies, and our invited guests may attend the Meeting.

Who may vote?

You may vote if you owned our common stock as of the close of business on the Record Date. Each share of your common stock is entitled to one vote on each of the proposals scheduled for vote at the Meeting. As of the Record Date, there were 3,489,845 shares of common stock outstanding and entitled to vote at the Meeting.

What will I be voting on?

You will be voting on the following:

The election of nine (9) directors for a term to expire at the next annual meeting of shareholders;

Approval of the Ark Restaurants Corp. 2010 Stock Option Plan; and

The ratification of the selection of J.H. Cohn LLP (Cohn) as our independent registered public accounting firm for fiscal 2010.

What are the voting recommendations of the Board of Directors?

The Board of Directors recommends that you vote your shares FOR each of the nominees named in this proxy statement for election to the Board; FOR approval of the Ark Restaurants Corp. 2010 Stock Option Plan; and FOR ratification of the selection of Cohn as our independent registered public accounting firm for fiscal 2010.

How do I vote?

Return Your Proxy Card By Mail: You may vote by completing, signing and returning the enclosed proxy card in the postage-paid envelope provided with this proxy statement. The proxy holders will vote your shares according to your directions. If you sign and return your proxy card without specifying choices, your shares will be voted by the persons named in the proxy in accordance with the recommendations of the Board of Directors as set forth in this proxy statement.

Vote at the Meeting: You may cast your vote in person at the Meeting. Written ballots will be passed out to anyone who wants to vote in person at the meeting.

Even if you plan to attend the meeting, you are encouraged to vote your shares by proxy. You may still vote your shares in person at the Meeting even if you have previously voted by proxy. If you are present at the Meeting and desire to vote in person, your vote by proxy will not be used.

What if I hold my shares in street name ?

You should follow the voting directions provided by your broker or nominee. You may complete and mail a voting instruction card to your broker or nominee or, in most cases, submit voting instructions by telephone or the Internet to your broker or nominee. If you provide specific voting instructions by mail, telephone or the Internet, your broker or nominee will vote your shares as you have directed.

Can I change my mind after I vote?

Yes. If you are a shareholder of record, you may change your vote or revoke your proxy at any time before it is voted at the Meeting by:

signing another proxy card with a later date and returning it to us prior to the Meeting;

giving written notice of revocation to Ark Restaurants Corp., Attention Treasurer, 85 Fifth Avenue, New York, NY 10003; or

attending the Meeting and voting in person.

If you hold your shares in street name, you may submit new voting instructions by contacting your broker, bank or other nominee. You may also vote in person at the Meeting if you obtain a legal proxy from your broker, bank or other nominee.

Who will count the votes?

A representative of our Transfer Agent will count the votes and will serve as the independent inspector of elections.

Will my shares be voted if I do not provide my proxy?

If you are the shareholder of record and you do not vote or provide a proxy, your shares will not be voted.

Under the rules of various national and regional securities exchanges, brokers may generally vote on certain, limited routine matters, but cannot vote on non-routine matters, such as the non-contested election of directors or an amendment to the Articles of Incorporation or the adoption or amendment of a stock option plan, unless they have received voting instructions from the person for whom they are holding shares. If your broker does not receive instructions from you on how to vote particular shares on matters on which your broker does not have discretionary authority to vote, your broker will return the proxy form to us, indicating that he or she does not have the authority to vote on these matters. This is generally referred to as a broker non-vote and will affect the outcome of the voting as described below, under What vote is required to approve each proposal? Therefore, we encourage you to provide directions to your broker as to how you want your shares voted on all matters to be brought before the meeting. You should do this by carefully following the instructions your broker gives you concerning its procedures. This ensures that your shares will be voted at the meeting.

How many votes must be present to hold the meeting?

A majority of the outstanding shares entitled to vote at the Meeting, represented in person or by proxy, will constitute a quorum. Shares of common stock represented in person or by proxy, including shares which abstain or do not vote with respect to one or more of the matters presented for shareholder approval, will be counted for purposes of determining whether a quorum is present.

What vote is required to approve each proposal?

In accordance with our bylaws, the nominees for director receiving the highest number of votes cast in person or by proxy at the Meeting (also referred to as a plurality of the votes cast) will be elected. Broker non-votes will not be counted as entitled to vote, but will count for purposes of determining whether or not a quorum is present on the matter. Other proposals are determined by a majority of votes cast in person or by proxy. If you mark your proxy to withhold your vote for a particular nominee on your proxy card, your vote will not count either for or against the nominee. Therefore, a broker non-vote has no effect on the proposals provided herein to be voted on at the Meeting.

Shares that abstain from voting as to a particular matter will not be counted as votes in favor of such matter, and also will not be counted as votes cast or shares voting on such matter. Accordingly, abstentions will not be included in vote totals and will not affect the outcome of the voting for any of the proposals.

Our directors, director-nominees and executive officers own, directly or indirectly, approximately 42% of the voting power entitled to be cast at the Meeting. We anticipate that these directors and executive officers will cast all of their votes in favor of each of the proposals being considered at the Meeting. Shareholders are not entitled to dissenter's rights of appraisal with respect to any of the proposals.

Who will pay for this proxy solicitation?

We will bear the cost of preparing, assembling and mailing the proxy material and of reimbursing brokers, nominees, fiduciaries and other custodians for out-of-pocket and clerical expenses of transmitting copies of the proxy material to the beneficial owners of our shares. A few of our officers and employees may participate in the solicitation of proxies without additional compensation.

Will any other matters be voted on at the Meeting?

As of the date of this proxy statement, our management knows of no other matter that will be presented for consideration at the Meeting other than those matters discussed in this proxy statement. If any other matters properly come before the Meeting and call for a vote of shareholders, validly executed proxies in the enclosed form returned to us will be voted in accordance with the recommendation of the Board of Directors, or, in the absence of such a recommendation, in accordance with the judgment of the proxy holders.

What are the deadlines for stockholder proposals for next year's Meeting?

Stockholders may submit proposals on matters appropriate for stockholder action at future annual meetings by following the rules of the Securities and Exchange Commission. Proposals intended for inclusion in next year's proxy statement and proxy card must be received by not later than October 20, 2010. All proposals and notifications should be addressed to Ark Restaurants Corp., Attention Treasurer, 85 Fifth Avenue, New York, NY 10003. Any such shareholder proposal must comply with the requirements of Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended.

Where can I find the voting results?

The preliminary voting results will be announced at the Meeting. The final results will be published in a current report on Form 8-K filed within four (4) business days after the meeting.

What is the Company's website address?

Our current corporate governance principles, including the Code of Ethics and the charters of each of the Audit Committee and Nominating and Governance Committee are all available under About Ark - Investors --Corporate Governance on our website at www.arkrestaurants.com. We are in compliance with the corporate governance requirements imposed by the Sarbanes-Oxley Act, the Securities and Exchange Commission and the NASDAQ Marketplace Rules. We will continue to modify our policies and practices to meet ongoing developments in this area. Aspects of our corporate governance principles are discussed throughout this Proxy Statement.

Director Independence

The Board has determined that each of the following directors is an independent director as such term is defined in NASDAQ Marketplace Rule 4200(a)(15): Bruce R. Lewin, Marcia Allen, Steven Shulman, Arthur Stainman and Stephen Novick. The Company does not utilize any other definition or criteria for determining the independence of a director or nominee, and no other transactions, relationships, or other arrangements exist to the Board's knowledge or were considered by the Board, other than as may be discussed herein, in determining any such director's or nominee's independence.

Board and Committee Meeting Attendance

During the past fiscal year, the Board held five meetings. Each member of the Board attended at least 75% of the meetings of the Board and committees on which he or she served. Independent directors meet at least twice per year without management present.

Board Committees

The Board has delegated various responsibilities and authority to different Board committees. The Board has three standing committees: the Compensation Committee, the Audit Committee and the Nominating and Corporate Governance Committee. The Board has appointed only independent directors to such committees. The members of each committee are appointed by the Board and serve one year terms. Committees regularly report on their activities and actions to the full Board of Directors. Each committee has a written charter adopted by the Board of Directors under which it operates.

Compensation Committee

Ms. Allen (Chairperson) and Messrs. Shulman and Stainman currently serve as members of the Compensation Committee of the Board. The Compensation Committee (i) oversees and sets the compensation and benefits arrangements of our Chief Executive Officer and certain other executives; (ii) provides a general review of, and

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

makes recommendations to, the Board of Directors or to our shareholders with respect to our cash-based and equity-based compensation plans; and (iii) implements, administers, operates and interprets our equity-based and similar compensation plans to the extent provided under the terms of such plans. The Compensation Committee has the authority to make decisions respecting CEO and executive officer compensation matters, including employment and severance contracts, salary, compensation awards and bonuses, among other things, and has the right to retain and terminate compensation consultants, legal counsel and other advisors to assist the committee with its functions. The Committee may delegate authority to subcommittees of the Compensation Committee or to executive officers (with respect to compensation determinations for non-executive officers), as well as delegate authority to the Company's CEO to approve options to employees (who are not directors or executive officers) of the Company or of any subsidiary of the Company, subject to certain quantity, time and price limitations.

The Board of Directors adopted a written charter under which the Compensation Committee operates. A complete copy of the Compensation Committee Charter is attached as Attachment B to this Proxy Statement and is incorporated by reference herein.

The Compensation Committee held three meetings in 2009.

Audit Committee

Messrs. Lewin (Chairperson) and Stainman and Ms. Allen currently serve as members of the Audit Committee of the Board of Directors. The Audit Committee is responsible for, among other things, engaging the independent auditors, receiving and reviewing the recommendations of the independent auditors, reviewing consolidated financial statements of the Company, meeting periodically with the independent auditors and Company personnel with respect to the adequacy of internal accounting controls, resolving potential conflicts of interest and reviewing Company's accounting policies.

The Board of Directors has determined that all of the members of the Audit Committee meet the independence criteria for audit committees and have the qualifications set forth in the listing standards of NASDAQ and Rule 10A-3 under the Exchange Act. The Board of Directors has also designated Ms. Allen as an audit committee financial expert within the meaning of Item 401(h) of Regulation S-K under the Exchange Act and the Board of Directors has determined that she has the financial sophistication required under the listing standards of NASDAQ.

The Board of Directors adopted a written charter under which the Audit Committee operates. The Board of Directors reviews and assesses the adequacy of the charter of the Audit Committee on an annual basis.

The Audit Committee held five meetings during 2009.

Nominating and Corporate Governance Committee

Messrs. Novick (Chairperson), Stainman and Lewin currently serve as members of the Nominating and Corporate Governance Committee of the Board. The Board of Directors adopted a written charter under which the Nominating and Corporate Governance Committee operates. The Nominating and Corporate Governance Committee approved the nomination of the candidates reflected in Proposal One, which candidates were approved by the Board of Directors.

The duties of the Nominating and Corporate Governance Committee are to recommend to the Board nominees to the Board of Directors and its standing committees. Although the Nominating and Corporate Governance Committee has not established minimum qualifications for director candidates, it will consider, among other factors:

Judgment

Skill

Diversity

Experience with businesses and other organizations of comparable size

The interplay of the candidate's experience with the experience of other Board members

The extent to which the candidate would be a desirable addition to the Board and any committees of the Board
The Nominating and Corporate Governance Committee will consider all director candidates recommended by stockholders. Any stockholder who desires to recommend a director candidate may do so in writing, giving each recommended candidate's name, biographical data and qualifications, by mail addressed to the Chairman of the Nominating and Corporate Governance Committee, in care of Ark Restaurants Corp., 85 Fifth Avenue, New York, New York 10003. Members of the Nominating and Corporate Governance Committee will assess potential candidates on a regular basis.

The Nominating and Corporate Governance Committee held one meeting in 2009.

There are no family relationships among any of the directors or executive officers (or any nominee therefor) of the Company, and no arrangements or understandings exist between any director or nominee and any other person pursuant to which such director or nominee was or is to be selected with respect to the election of directors. No director or executive officer (or any nominee therefor or any associate thereof) has any substantial interest, direct or indirect, by security holdings or otherwise, in any proposal or matter to be acted upon at the Meeting (other than the election of directors). There are no events or legal proceedings material to an evaluation of the ability or integrity of any director or executive officer, or any nominee therefor, of the Company. Moreover, no director or executive officer of the Company, nor any nominee, is a party adverse to the Company or has a material interest adverse to the Company in any legal proceeding.

Stockholder Communications

The Board welcomes communications from stockholders, which may be sent to the entire Board at the principal business address of the Company, Ark Restaurants Corp., 85 Fifth Avenue, New York, New York 10003, Attn: Corporate Secretary. Security holder communications are initially screened to determine whether they will be relayed to Board members. Once the decision has been made to relay such communications to Board members, the Secretary will release the communication to the Board on the next business day. Communications that are clearly of a marketing nature, or which are unduly hostile, threatening, illegal or similarly inappropriate will be discarded and, if warranted, subject to appropriate legal action.

Recognizing that director attendance at the Company's annual meetings of stockholders can provide stockholders with an opportunity to communicate with members of the Board of Directors, it is the policy of the Board of Directors to encourage, but not require, the members of the Board to attend such meetings.

PROPOSAL 1: ELECTION OF DIRECTORS

Our Amended and Restated Certificate of Incorporation provides that the number of directors constituting the Board of Directors shall not be fewer than three nor more than 15, with the exact number to be fixed by a resolution adopted by the affirmative vote of a majority of the Board. Additional information regarding securities issued and authorized under our 2004 Stock Option Plan at October 3, 2009, which is contained in the Company's Form 10-K, filed with the Commission on January 4, 2010. We wish to be able to issue additional options to attract and retain qualified employees. Accordingly, the Board adopted the 2010 Stock Option Plan (the 2010 Plan) effective January 22, 2010, subject to approval by our stockholders, pursuant to which we may issue options to acquire up to 500,000 shares of our common stock. The current market value of such common stock is \$13.65 per share, as of January 26, 2010. The Company intends to file a Registration Statement on Form S-8 prior to the Meeting to register the options and underlying common stock issuable under the 2010 Plan.

The Board has voted to terminate the 2004 Plan if our shareholders approve the adoption of the 2010 Plan. The effect of terminating the 2004 Plan and approving the 2010 Plan is as follows: (i) we will have the authority to issue options to purchase 500,000 of Common Stock and (ii) all options previously issued under the 2004 Plan will remain outstanding in accordance with their terms.

A complete copy of the 2010 Plan is attached as Attachment A to this Proxy Statement and is incorporated by reference herein, and the following summary is qualified in its entirety by reference to the complete 2010 Plan.

Purpose

The purpose of the 2010 Plan is to advance our interests and our stockholders by providing an incentive to attract, retain and reward persons performing services for us and by motivating such persons to contribute to our growth and profitability.

Term of Plan

The 2010 Plan shall continue in effect until the earlier of its termination by the Board or the date on which all of the shares of stock available for issuance under the 2010 Plan have been issued and all restrictions on such shares under the terms of the 2010 Plan and the agreements evidencing options granted under the 2010 Plan have lapsed. However, all options shall be granted, if at all, within ten (10) years from the earlier of the date the 2010 Plan is adopted by the Board or the date the 2010 Plan is duly approved by our stockholders.

Administration by the Compensation Committee of the Board

The 2010 Plan shall be administered by the Compensation Committee. The Compensation Committee shall have the power to:

determine the persons to whom, and the time or times at which, options shall be granted and the number of shares of stock to be subject to each option;

designate options as Incentive Stock Options or Nonstatutory Stock Options;

determine the fair market value of shares of stock or other property;

determine the terms, conditions and restrictions applicable to each option (which need not be identical) and any shares acquired upon the exercise thereof;

approve one or more forms of option agreement;

amend, modify, extend, cancel or renew any option or to waive any restrictions or conditions applicable to any option or any shares acquired upon the exercise thereof;

accelerate, continue, extend or defer the exercisability of any option or the vesting of any shares acquired upon the exercise thereof, including with respect to the period following an optionee's termination of service with us;

prescribe, amend or rescind rules, guidelines and policies relating to the 2010 Plan, or to adopt supplements to, or alternative versions of, the 2010 Plan; and

correct any defect, supply any omission or reconcile any inconsistency in the 2010 Plan or any option agreement and to make all other determinations and take such other actions with respect to the 2010 Plan or any option as the Compensation Committee may deem advisable to the extent not inconsistent with the provisions of the 2010 Plan or applicable law.

Maximum Number of Shares Issuable

The maximum aggregate number of shares of stock that may be issued under the 2010 Plan shall be five hundred thousand (500,000) and shall consist of authorized but unissued or reacquired shares of stock or any combination thereof.

Persons Eligible for Options

Options may be granted only to our employees and directors and those of our subsidiaries. The Company and its subsidiaries employ approximately 1856 persons and there are five independent directors eligible to participate in the 2010 Plan. Any person who is not an employee on the effective date of the grant of an option to such person may be granted only a Nonstatutory Stock Option. An Incentive Stock Option granted to a prospective employee upon the condition that such person become an employee shall be deemed granted effective on the date such person commences service.

Fair Market Value Limitation

To the extent that options designated as Incentive Stock Options become exercisable by an optionee for the first time during any calendar year for stock having a fair market value greater than One Hundred Thousand Dollars (\$100,000), the portions of such options which exceed such amount shall be treated as Nonstatutory Stock Options.

Terms and Conditions of Options

Options shall be evidenced by option agreements specifying the number of shares of stock covered thereby, in such form as the Board shall from time to time establish. No option or purported option shall be a valid and binding obligation of the Company unless evidenced by a fully executed option agreement. The exercise price for each option shall be established in the discretion of the Board; provided, however, that:

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

the exercise price per share for an Incentive Stock Option shall be not less than the fair market value of a share of stock on the effective date of grant of the option; and

the exercise price per share for a Nonstatutory Stock Option shall be not less than the fair market value of a share of stock on the effective date of grant of the option.

Exercisability and Term of Options

Options shall be exercisable at such time or times, or upon such event or events, and subject to such terms, conditions, performance criteria and restrictions as shall be determined by the Board and set forth in the option agreement evidencing such option; provided, however, that:

no option shall be exercisable after the expiration of six (6) years after the effective date of grant of such option; and

no Option granted to a prospective employee or prospective director may become exercisable prior to the date on which such person commences service with us.

Transferability of Options

During the lifetime of the optionee, an option shall be exercisable only by the optionee or the optionee's guardian or legal representative. No option shall be assignable or transferable by the optionee, except by will or by the laws of descent and distribution.

Termination or Amendment of Plan

The Board may terminate or amend the 2010 Plan at any time. However, subject to changes in applicable law, regulations or rules that would permit otherwise, without the approval of our stockholders, there shall be (a) no increase in the maximum aggregate number of shares of stock that may be issued under the 2010 Plan, (b) no change in the class of persons eligible to receive Incentive Stock Options, and (c) no other amendment of the 2010 Plan that would require approval of our stockholders under any applicable law, regulation or rule.

Stockholder Approval

The 2010 Plan must be approved by our stockholders within twelve (12) months of the date of adoption thereof by the Board.

U.S. Federal Income Tax Consequences

The information set forth below is a summary only and does not purport to be complete. The information is based upon current federal income tax rules and therefore is subject to change when those rules change. Because the tax consequences to any recipient may depend on his or her particular situation, each recipient should consult the recipient's tax adviser regarding the federal, state, local, and other tax consequences of the grant or exercise of an award or the disposition of stock acquired as a result of an award. The 2010 Plan is not qualified under the provisions of Section 401(a) of the Code, and is not subject to any of the provisions of the Employee Retirement Income Security Act of 1974. Our ability to realize the benefit of any tax deductions described below depends on our generation of taxable income as well as the requirement of reasonableness, the provisions of Section 162(m) of the Internal Revenue Code of 1986, as amended, including any applicable regulations and guidance thereunder (the "Code") and the satisfaction of our tax reporting obligations.

Nonstatutory Stock Options

Generally, there is no taxation upon the grant of a Nonstatutory Stock Option where the option is granted with an exercise price equal to the fair market value of the underlying stock on the grant date. On exercise, an optionee will recognize ordinary income equal to the excess, if any, of the fair market value on the date of exercise of the stock over the exercise price. If the optionee is employed by us or one of our affiliates, that income will be subject to withholding tax. The optionee's tax basis in those shares will be equal to their fair market value on the date of exercise of the option, and the optionee's capital gain holding period for those shares will begin on that date. Subject to the requirement of reasonableness, the provisions of Section 162(m) of the Code and the satisfaction of a tax reporting obligation, we will generally be entitled to a tax deduction equal to the taxable ordinary income realized by the optionee.

Incentive Stock Options

The 2010 Plan provides for the grant of stock options that qualify as Incentive Stock Options as defined in Section 422 of the Code. Under the Code, an optionee generally is not subject to ordinary income tax upon the grant or exercise of an Incentive Stock Option. If the optionee holds a share received on exercise of an Incentive Stock Option for more than two years from the date the option was granted and more than one year from the date the option was exercised, which is referred to as the required holding period, the difference, if any, between the amount realized on a sale or other taxable disposition of that share and the holder's tax basis in that share will be long-term capital gain or loss. If, however, an optionee disposes of a share acquired on exercise of an Incentive Stock Option before the end of the required holding period, which is referred to as a disqualifying disposition, the optionee generally will recognize ordinary income in the year of the disqualifying disposition equal to the excess, if any, of the fair market value of the share on the date the Incentive Stock Option was exercised over the exercise price. However, if the sales proceeds are less than the fair market value of the share on the date of exercise of the option, the amount of ordinary income recognized by the optionee will not exceed the gain, if any, realized on the sale. If the amount realized on a disqualifying disposition exceeds the fair market value of the share on the date of exercise of the option, that excess will be short-term or long-term capital gain, depending on whether the holding period for the share exceeds one year.

For purposes of the alternative minimum tax, the amount by which the fair market value of a share of stock acquired on exercise of an Incentive Stock Option exceeds the exercise price of that option generally will be an adjustment included in the optionee alternative minimum taxable income for the year in which the option is exercised. If, however, there is a disqualifying disposition of the share in the year in which the option is exercised, there will be no adjustment for alternative minimum tax purposes with respect to that share. In computing alternative minimum taxable income, the tax basis of a share acquired on exercise of an Incentive Stock Option is increased by the amount of the adjustment taken into account with respect to that share for alternative minimum tax purposes in the year the option is exercised.

We are not allowed an income tax deduction with respect to the grant or exercise of an Incentive Stock Option or the disposition of a share acquired on exercise of an Incentive Stock Option after the required holding period. If there is a disqualifying disposition of a share, however, we are allowed a deduction in an amount equal to the ordinary income includible in income by the optionee, subject to Section 162(m) of the Code and provided that amount constitutes an ordinary and necessary business expense for us and is reasonable in amount, and either the employee includes that amount in income or we timely satisfy our reporting requirements with respect to that amount.

New Plan Benefits

We have not approved any awards that are conditioned on stockholder approval of the 2010 Plan. We cannot currently determine the benefits or number of shares subject to awards that may be granted in the future to executive officers and employees under the 2010 Plan. If the 2010 Plan had been in existence in fiscal 2009, we expect that our award grants for fiscal 2009 would not have been substantially different from those actually made in that year under the Prior Plans.

Required Vote

The affirmative vote of holders of a majority of the shares of common stock present, in person or by proxy, at the Annual Meeting is required to approve the 2010 Plan pursuant to the following resolution:

RESOLVED, that the Company's 2010 Stock Option Plan be approved in the form annexed as Attachment A to the Company's Proxy Statement dated February 17, 2010.

Our Board of Directors believes that approval of Proposal No. 2 is in our best interests and the best interests of our stockholders for the reasons stated above. All members of our Board of Directors and all of the company's executive officers are eligible to receive awards under our 2010 Plan and thus have a personal interest in the approval of Proposal No. 2.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ADOPTION OF THE 2010 PLAN.

PROPOSAL 3: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has recommended, and the Board of Directors has approved, the appointment of Cohn, an independent registered public accounting firm, to audit our financial statements for the 2010 fiscal year. A representative of Cohn is expected to attend the Meeting and will have an opportunity to make a statement if he or she so desires. He or she will also be available to respond to appropriate questions from our shareholders. For additional information regarding our relationship with Cohn, please see the Audit Committee Report below.

Although it is not required to submit this proposal to the shareholders for approval, the Board believes it is desirable that an expression of shareholder opinion be solicited and presents the selection of the independent registered public accounting firm to the shareholders for ratification. If the selection of Cohn is not ratified by shareholders, the Board of Directors will take that into consideration but does not intend to engage another firm. Even if the selection of Cohn is ratified by the shareholders, the Audit Committee in its discretion could decide to terminate the engagement of Cohn and engage another firm if the committee determines that this is necessary or desirable.

THE BOARD RECOMMENDS THAT YOU VOTE FOR RATIFICATION OF THE APPOINTMENT OF J.H. COHN LLP AS INDEPENDENT AUDITORS FOR THE COMPANY.

AUDIT COMMITTEE REPORT

Each of our directors, our CEO and the other NEOs;

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and the NASDAQ Global Market. Officers, directors and greater than ten percent shareholders are required by the Commission's regulations to furnish the Company with copies of all Forms 3, 4 and 5 they file.

Based solely on the Company's review of the copies of such forms it has received, the Company believes that all of its officers, directors and greater than ten percent beneficial owners complied with all filing requirements applicable to them with respect to transactions during fiscal 2009.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

The following section sets forth certain required information regarding transactions or proposed transactions between the Company and certain related persons for the last two completed fiscal years.

The Company made loans to Robert Towers, President, Chief Operating Officer, and Treasurer of the Company. During fiscal 2009, the largest amount of indebtedness outstanding at any one time with respect to these loans to Mr. Towers was \$113,000. At January 22, 2010, Mr. Towers was indebted to the Company in the amount of \$28,683 with respect to the loans made to him in connection with the exercise of stock options and \$37,095 with respect to certain other executive loans. The loans made to him in connection with the exercise of stock options are repayable on demand and bear interest at prime plus one-half percent. The other executive loans are payable on demand and bear interest at the minimum statutory rate.

During fiscal 2009 the Company made advances against salary to Michael Weinstein, its PEO, totaling approximately \$298,000 (of which approximately \$252,000 remained outstanding at October 3, 2009). In addition, the Company also loaned \$160,000 to the PEO's former wife. In the latter part of November 2009, the Company reviewed these matters with its auditors and informed members of its Compensation and Audit Committees and outside counsel and concluded that the advances and loan may be deemed extensions of credit and violative of the Sarbanes-Oxley Act. The PEO immediately repaid the remaining balance on the advances with interest at 6%. The loan to his former wife was repaid in October before the review had begun.

Other than as noted above, none of the directors, executive officers or any member of the immediate family of any director or executive officer are indebted to us.

For information on the compensation received by our directors and executive officers of the Company during the 2009 fiscal year, and the beneficial ownership of equity securities of the Company of such individuals, see the Security Ownership of Certain Beneficial Owners and Executive Compensation sections.

In connection with the above, the following remediation activities were performed:

The Audit Committee reviewed the Company's policies and procedures regarding payments to or for senior management.

The Audit Committee reviewed the Company's overall internal control procedures.

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

The Company adopted changes to existing policies and procedures which require that the Audit Committee's prior approval be obtained before any extraordinary payments are made to or at the request of management.

The Audit Committee also directed that management undergo governance training pursuant to a program approved by the Audit Committee.

ADDITIONAL INFORMATION

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement and annual report addressed to those shareholders. This process, which is commonly referred to as householding, potentially provides extra convenience for shareholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single proxy statement and annual report to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders.

Once you have received notice from your broker or us that each of us will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, or if you are receiving multiple copies of the proxy statement and annual report and wish to receive only one, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares. You can notify us by sending a written request to Ark Restaurants Corp., Attention Treasurer, 85 Fifth Avenue, New York, NY 10003.

Other Matters

The Board is not aware of any business to be presented at the Meeting, other than the matters set forth in the notice of Meeting and described in this Proxy Statement. If any other business does lawfully come before the Meeting, it is the intention of the persons named as proxies or agents in the enclosed proxy card to vote on such other business in accordance with their judgment.

This proxy solicitation material has been mailed with the annual report to shareholders for the fiscal year ended October 3, 2009; however, it is not intended that the annual report for fiscal year 2009 be a part of the proxy statement or this solicitation of proxies.
