ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS.

Effective July 1, 2001, the Registrant acquired the assets of the Louisiana Gas Service Company division ("LGS") of Citizens Communications Company (formerly known as Citizens Utilities Company, "Citizens") as well as the assets of LGS Natural Gas Company ("LGSN"), a wholly-owned subsidiary of Citizens (collectively, the "Acquisition"). The Registrant announced the closing of the Acquisition in a press release dated July 2, 2001, a copy of which is attached hereto as Exhibit 99.1 and is incorporated herein by reference. The Acquisition was consummated pursuant to that certain Purchase and Sale Agreement entered into by and among the parties on April 13, 2000 (the "Agreement"). Such document is included as Exhibit 2.1 hereto, which is also incorporated herein by reference.

The purchase price of approximately \$365 million, paid in cash, was determined

through arms-length negotiations between the parties. Prior to the execution of the Agreement, the Company had no material relationship with Citizens. The Company financed the acquisition primarily through the offer and sale of Registrant's Senior Notes in the cumulative amount of \$350 million on May 22, 2001. The closing of the transaction was conditioned, among other things, upon approvals from the Louisiana Public Service Commission and the Federal Trade Commission, which approvals were received prior to the closing of the transaction.

The assets acquired from Citizens consist of the property, plant and equipment used in Citizens' regulated natural gas sales and distribution business in the State of Louisiana--the LGS division, as well as Citizens' unregulated natural gas-related operations in the State of Louisiana--LGSN. The Registrant intends to continue to utilize the assets of both the former LGS division and of the former LGSN subsidiary primarily in the same manner as before the Acquisition.

Effective July 1, 2001, the Registrant has combined the assets and operations of the former LGS division of Citizens with the assets and operations of its Trans Louisiana Gas Company division, and renamed the division Atmos Energy Louisiana, which Registrant will continue to operate along with its Energas Company, Greeley Gas Company, United Cities Gas Company and Western Kentucky Gas Company divisions. Also effective July 1, 2001, the assets of LGSN were assigned to three wholly-owned subsidiaries of the Registrant--Trans Louisiana Gas Pipeline, Inc., Trans Louisiana Industrial Gas Company, Inc. and Trans Louisiana Gas Storage, Inc.
