REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Plan Participants and Plan Administrator  
Chevron Employee Savings Investment Plan

We have audited the accompanying statements of net assets available for benefits of the Chevron Employee Savings Investment Plan (the Plan) as of December 31, 2016 and 2015, and the related statement of changes in net assets available for benefits for the year ended December 31, 2016. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2016 and 2015, and the changes in net assets available for benefits for the year ended December 31, 2016 in conformity with U.S. generally accepted accounting principles.

The supplemental information in the accompanying schedule of assets held as of December 31, 2016 has been subjected to the auditing procedures performed in conjunction with the audit of the Plan's financial statements. The supplemental information is presented for the purpose of additional analysis and is not a required part of the financial statements but included as required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental information is the responsibility of the Plan's management. Our audit procedures included

determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information in the accompanying schedule, we evaluated whether the supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. In our opinion, the supplemental information in the accompanying schedule is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

CHEVRON EMPLOYEE SAVINGS INVESTMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2016 AND 2015

NOTE 1 - Description of the Plan

The following description of the Chevron Employee Savings Investment Plan (ESIP or the Plan), provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan that is intended to be a qualified profit-sharing plan under section 401(a) of the Internal Revenue Code (the Code), a qualified cash or deferred arrangement under section 401(k) of the Code, and, effective December 1, 1989, to include a leveraged Employee Stock Ownership Plan (ESOP) qualified under section 4975(e)(7) of the Code.

**Plan Sponsor/Administrator.** Chevron Corporation (the Corporation) is the Plan Sponsor and the Plan Administrator of the ESIP. It has the authority to appoint one or more trustees to hold the assets of the Plan and to appoint a recordkeeper. In its capacity as fiduciary, the Corporation makes such rules, regulations and computations and takes whatever action is necessary to administer the Plan in accordance with provisions of the Code and the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**Eligibility.** Employees of the Corporation and each other participating company (Company) or employees who are represented by a labor organization that has bargained for and agreed to participation in the Plan are eligible to join the Plan if they are on the U.S. payroll.

**Contributions.** Participants may contribute up to 75 percent of regular pay as combined basic (1 or 2 percent) and supplemental (up to 73 percent) contributions. For 2016, the maximum contribution amount on a before-tax and Roth 401(k) basis was the annual IRC limit of \$18,000, for participants under age 50 and \$24,000 for participants age 50 and up. The Plan has a fixed match feature. The Company will match 4 percent of regular pay on the first 1 percent of the participant's basic contribution to the Plan or 8 percent of regular pay on the first 2 percent of the participant's basic contribution to the Plan. Both participant and company match contributions to the Plan ceased when a participant reached regular pay of \$270,000 for the year 2016. Effective February 16, 2015, the company matching contribution is made in cash (Chevron stock prior to February 16, 2015) and distributed according to the participants' current payroll deduction distribution elections. Participants may elect to receive dividends on shares in their Chevron Stock account as a taxable distribution, or reinvest the dividends into their accounts.

**Participant Accounts.** Contributions are invested in funds within a number of Plan accounts. Employee contributions are comprised of basic and supplemental contributions and rollover contributions from other qualified retirement plans or from a rollover IRA, on a pre-tax, after-tax, or Roth 401(k) basis.

CHEVRON EMPLOYEE SAVINGS INVESTMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2016 AND 2015

NOTE 1 - Description of the Plan (Continued)

**Vesting.** Employees are always fully vested in all contributions to their accounts, as well as the investment income earned from all contributions to the Plan.

**Trustee.** Vanguard Fiduciary Trust Company (Vanguard) is the trustee of the Plan. Vanguard is also the Plan's recordkeeper. The trustee has the authority to manage the assets of the Plan in accordance with its terms and those of the trust agreement. The Corporation and Vanguard entered into a sub-trust agreement with State Street Bank and Trust Company (State Street) to perform custodial and administrative functions for the Dodge & Cox Income Separate Account (Separate Account).

**Notes Receivable from Participants.** The Plan loan provision allows participants to borrow funds from their Plan account, subject to certain restrictions and limitations. Participants may borrow up to the lesser of \$50,000 or 50% of their total vested account balance or the value of the account(s) used to fund the loan. The minimum loan is \$1,000. The minimum term for repayment of any loan is 6 months and the maximum term is 5 years. However, the maximum term for repayment of a loan to purchase the participant's principal residence is 25 years. Loans bear a fixed rate of interest equal to 2 percent plus the average one-year jumbo certificate of deposit rate, as published in The Wall Street Journal on the last Wednesday of the preceding month. Interest rates charged during 2016 and 2015 ranged from 2.23% to 9.76%. Most loan repayments are made through payroll deductions and the principal and interest paid by the participants are reinvested in the participants' accounts. Notes receivable from participants totaled \$135,115,786 and \$138,652,382 as of December 31, 2016 and 2015, respectively.

**Plan Termination.** The Corporation expects to continue the ESIP indefinitely, but has the authority to amend or terminate the ESIP at any time. In the event of a plan termination, the trust fund shall continue until any previously unallocated assets of the Plan are allocated to accounts and distributed to participants or beneficiaries in accordance with applicable law and pursuant to written rules and procedures adopted by the Corporation prior to such termination. In addition, upon plan termination, neither the Corporation nor any other person shall have a liability or obligation to provide additional benefits. Participants or beneficiaries shall obtain benefits solely from the trust fund.

**Plan Expenses.** In accordance with the Department of Labor's (DOL) rules under ERISA section 408(b)(2), total all-in fees are disclosed by the service provider. In accordance with these DOL rules, recordkeeping and trustee fees are unbundled and paid by the participants. Other administrative expenses relating to the Plan, including audit fees and participant education retirement services are paid by the Plan to the extent Plan forfeiture funds are sufficient. If not, such fees are paid by the Corporation. Certain Chevron employee and administrative costs are being reimbursed to the Corporation by the Plan.

CHEVRON EMPLOYEE SAVINGS INVESTMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2016 AND 2015

NOTE 2 - Summary of Significant Accounting Policies

Accounting Pronouncements Adopted. In July 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standard Update (ASU) 2015-12, Plan Accounting: Defined Benefit Pension Plans, Topic 960; Defined Contribution Plans, Topic 962; and Health and Welfare Benefit Plans, Topic 965: (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient. Part I requires fully benefit-responsive investment contracts to be measured, presented, and disclosed only at contract value. Part II eliminates the requirements for plans to disclose individual investments that represent 5 percent or more of net assets available for benefits, and the net appreciation or depreciation for investments by general type for both participant-directed investments and nonparticipant-directed investments. Part II also requires that investments be grouped only by general type, eliminating the need to disaggregate the investments by nature, characteristics and risks. Part III provides a practical expedient to permit plans to measure investments and investment-related accounts as of a month-end date that is closest to the plan's fiscal year-end, when the fiscal period does not coincide with a month-end. The ASU is effective for fiscal years beginning after December 15, 2015. Parts I and II are to be applied retrospectively, and Part III prospectively with early adoption permitted. The Corporation adopted the standard effective January 1, 2015. The Plan's financial statements are presented to conform to the requirements of Parts II and III of the ASU. Part I of the ASU has no impact on the Plan's financial statements since the Plan does not hold fully benefit-responsive investment contracts.

In May 2015, the FASB issued ASU No. 2015-07, Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent). The update applies to reporting entities that elect to measure the fair value of an investment using the net asset value (NAV) per share (or its equivalent) practical expedient. The update simplifies Topic 820 by removing the requirement to categorize within the fair value hierarchy investments which use the net asset value as a practical expedient and removes certain disclosures for all such investments. ASU No. 2015-07 is effective retrospectively for fiscal years beginning after December 15, 2016, with early adoption permitted. ASU 2015-07 has no impact on the Plan's financial statements since there are no investments that calculate NAV practical expedient.

The following are the significant accounting policies followed by the Plan:

Basis of Accounting. The financial statements of the ESIP are presented on the accrual basis of accounting.

CHEVRON EMPLOYEE SAVINGS INVESTMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2016 AND 2015

NOTE 2 - Summary of Significant Accounting Policies (Continued)

**Investment Valuation and Income Recognition.** Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in the core and supplemental options are valued on each business day on which the New York Stock Exchange is open for trading to reflect contributions, distributions, income, expenses, gains and losses. The difference between cost and market value represents unrealized appreciation or depreciation as of the reporting date. The valuation of the underlying securities in the Vanguard Brokerage Option are determined by Vanguard Brokerage Service daily.

Net appreciation (depreciation) in fair value of investments includes realized gains (losses) and unrealized appreciation (depreciation).

Realized gains (losses) on investments are based on sales proceeds less average cost. Sales and purchases between participants are included in realized gains (losses). Security purchases and sales are recorded as of the trade date for such transactions.

Dividend income earned on investments held and interest income earned on funds pending investment are recorded on an accrual basis.

**Notes Receivable from Participants.** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

**Use of Estimates.** The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

CHEVRON EMPLOYEE SAVINGS INVESTMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2016 AND 2015

NOTE 3 - Fair Value Measurements

Accounting Standard Codification (ASC) 820, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets and liabilities measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

• Common stocks, preferred stocks and debt instruments are valued at the closing price reported on the active market on which the individual securities are traded.

• Shares of registered investment companies are valued at the net asset value of shares held by the Plan at year end.

• Collective investment funds are stated at fair value as determined by the issuers based on the unit values of the funds.

• Unit values are determined by dividing the fund's net assets, which represents the unadjusted prices in active markets of the underlying investments, by the number of units outstanding at the valuation date.

CHEVRON EMPLOYEE SAVINGS INVESTMENT PLAN  
 NOTES TO FINANCIAL STATEMENTS  
 DECEMBER 31, 2016 AND 2015

NOTE 3 - Fair Value Measurements (Continued)

Corporate bonds are valued at the closing price reported in the active market in which the bond is traded.

U.S. government securities are valued at the closing price reported in the active market in which the individual security is traded

Mortgages are valued on the basis of their future principal and interest payments discounted at prevailing interest rates for similar investments.

Asset backed securities are priced based on a compilation of primarily observable market information.

Cash equivalents are valued at cost, which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2016 and 2015:

|                                  | Investments at Fair Value (in thousands) as of<br>December 31, 2016 |             |            |               |
|----------------------------------|---|-------------|------------|---------------|

CHEVRON EMPLOYEE SAVINGS INVESTMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2016 AND 2015

NOTE 4 - Investments (Continued)

Vanguard Brokerage Option (VBO)

Through the Vanguard Brokerage Services, a participant may choose from approximately 6,000 mutual funds from Vanguard and other companies, and Exchange-Traded Funds that are not included in the core or supplemental investment funds. There is a \$50 annual fee charged to participants who use this option that is paid directly to Vanguard. Within each fund offered in the VBO additional fees may be charged, either accrued within a fund's pooled price or charged directly on deposits or withdrawals depending upon the Investment.

NOTE 5 - Income Taxes

The Plan received a determination letter dated October 23, 2013 from the Internal Revenue Service (IRS) stating that the Plan is qualified with the applicable requirements of the Code. Subsequent to this issuance of the determination letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Corporation has indicated that it will take necessary steps, if any, to maintain the Plan's qualified status.

NOTE 6 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes, both positive and negative, in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 - Related Party Transactions

Certain Plan investments consist of shares of registered investment funds managed by Vanguard Fiduciary Trust Company and shares of common stock of the Corporation. Transactions with Vanguard Fiduciary Trust Company, as the trustee and recordkeeper, and the Corporation as the Plan sponsor and Plan administrator, qualify as party-in-interest transactions.

CHEVRON EMPLOYEE SAVINGS INVESTMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2016 AND 2015

NOTE 8 - Subsequent Events

In preparing the Plan's financial statements, subsequent events and transactions have been evaluated for potential recognition. Plan management determined that there are no subsequent events or transactions that require disclosure to or adjustment in the financial statements except as disclosed below:

On February 17, 2016, six participants of the Plan filed a class action complaint against the Corporation and the ESIP Investment Committee (collectively "Chevron") alleging fiduciary breaches under the ERISA. The plaintiffs sought to recover for the Plan losses allegedly incurred as a result of purportedly excessive administrative and investment fees and imprudent investment options. Chevron filed a motion to dismiss the complaint. That motion was granted but the court allowed the plaintiffs to amend their complaint, which they did. Chevron then moved to dismiss that amended complaint. The court granted that motion, dismissing the case with prejudice, and entered judgment in Chevron's favor on May 31, 2017. On June 9, 2017, Plaintiffs filed their Notice of Appeal of the district court's order granting defendants' motion to dismiss the amended complaint. No hearing on the appeal has been set.

In 2016, the Corporation has subjected the Plan's recordkeeping and trust services under the Request For Procurement (RFP) process. The RFP process has been concluded and a service provider has been chosen. The Corporation is presently working on its communication plans and will announce the chosen service provider later in 2017.
