Item 2.05

Costs Associated with Exit or Disposal Activities.

On July 31, 2007, the Board of Directors of Lincoln Educational Services Corporation (the Company) approved a plan (the "Plan") to cease operations at three of its campuses: Lincoln Technical Institute location in Plymouth Meeting, PA, and Lincoln College of Technology locations in Norcross, GA, and Henderson, NV. As a result of this decision, the Company concluded that the carrying value of the goodwill and certain long-lived assets associated with those campuses was impaired under generally accepted accounting principles. Accordingly, the Company will recognize a non-cash charge of \$0.07 per share, or a pre-tax charge of \$3.0 million for the quarter ending June 30, 2007. The Company also expects to incur additional types of costs associated with this action, including, but not limited to, lease termination costs, early contract termination costs and employee retention and benefits costs; however, those costs and the expected completion date of the Plan cannot be reasonably estimated at this time.

On August 2, 2007, the Company issued a press release announcing its plans to cease operations at three of its campuses. A copy of the press release is filed herewith as Exhibit 99.1 and incorporated by reference herein.
