Item 1.01 Entry into a Material Definitive Agreement

Merger Agreement

On May 9, 2008, GSC Acquisition Company (“GSCAC”) entered into an agreement and plan of merger (the “Merger Agreement”) among GSCAC, GSCAC Holdings I LLC (“Holdings I”), GSCAC Holdings II LLC (“Holdings II”), GSCAC Merger Sub LLC (“Merger Sub”) and Complete Energy Holdings LLC (“Complete Energy”). GSCAC owns 100% of Holdings I, which owns 100% of Holdings II, which owns 100% of Merger Sub. The Merger Agreement is attached as Exhibit 2.1 and is incorporated herein by reference.

Pursuant to the Merger Agreement, subject to the terms and conditions set forth therein, GSCAC will indirectly acquire Complete Energy by way of a merger of Merger Sub into Complete Energy, with Complete Energy being the surviving entity and thereby becoming an indirect subsidiary of GSCAC (the “Merger”).

In connection with the Merger, each outstanding share of common stock of GSCAC will be converted into one share of Class A common stock of GSCAC (collectively, the “Class A Shares”). Upon consummation of the Merger, the current owners of Complete Energy would generally receive Class B units in Holdings I, which have economic rights similar to the Class A Shares but no voting rights (the “Class B Units”), and an equal number of shares of Class B common stock in GSCAC, which have voting rights but no economic rights (the “Class B Shares”). In addition, the current owners of Complete Energy would receive Class C units and Class D units in Holdings I, which would entitle the holders to receive additional Class B Units and Class B Shares if GSCAC’s stock price reaches \$14.50 or \$15.50 per share within five years. Each Class B Unit plus one Class B Share would be exchangeable into one newly issued Class A Share. Certain of the owners of Complete Energy shares may receive the non-contingent portion of their merger consideration in the form of Class A Shares in lieu of Class B Units and Class B Shares.

The aggregate consideration to be paid in the Merger and related transactions is based upon a total enterprise value for Complete Energy of \$1.3 billion, comprised of \$900 million for Complete Energy’s La Paloma facility and \$400 million for its Batesville facility, in each case adjusted for its cash and debt balances at closing and certain minority interests. The number of Class B Units and Class B Shares (or Class A Shares) to be issued pursuant to the Merger Agreement will be calculated using a price per share of GSCAC common stock equal to the lesser of \$10.00 and the average closing price per share for the 20 trading days ending three business days before the closing of the Merger.

The Merger and related transactions have been unanimously approved by the board of directors of GSCAC and the holders of all of the membership interests in Complete Energy that are required for such approval, but are subject to customary closing conditions including the expiration or termination of the waiting period under the Hart-Scott-Rodino Act, other regulatory approvals and the approval of GSCAC’s stockholders, including a majority of the shares of common stock of GSCAC issued in its initial public offering. In addition, the closing is conditioned on the requirement that stockholders owning not more than 20% of the shares (minus one share) of common stock of GSCAC issued in its initial public offering vote against the Merger and exercise their rights to convert those shares into cash, as permitted by GSCAC’s certificate of incorporation. The Merger is anticipated to close late in the third calendar quarter of 2008.

Copies of the Merger Agreement and Exhibit F to the Merger Agreement, which describes the calculation of the merger consideration payable thereunder, are filed herewith as Exhibits 2.1 and 2.2, respectively, and are incorporated by reference herein. The foregoing description does not purport to be complete and is qualified in its entirety by reference to the full text of such Exhibits.

Lender Consent

On May 9, 2008, in connection with the Merger Agreement, GSCAC, Complete Energy and certain of their respective subsidiaries entered into a Consent, Exchange and Preemptive Rights Agreement (the "Lender Consent") with certain lenders to a subsidiary of Complete Energy including investment funds managed by TCW Asset Management Company and certain of its affiliates ("TCW"), pursuant to which such lenders have agreed, subject to the terms and conditions set forth therein, to exchange their debt upon the closing of the Merger for approximately \$50 million in cash, a \$50 million mezzanine note and approximately \$170 million of the same equity

securities received by the current owners of Complete Energy (or in certain cases, Class A Shares and warrants to purchase Class A Shares that are exercisable if GSCAC's stock price reaches \$14.50 or \$15.50 per share within five years). The number of Class B Units and Class B Shares (or Class A Shares) to be issued pursuant to the Lender Consent will be calculated using a price per share of GSCAC common stock equal to the lesser of \$10.00 and the average closing price per share for the 20 trading days ending three business days before the closing of the Merger.

A copy of the Lender Consent is filed herewith as Exhibit 10.3 and is incorporated by reference herein. The foregoing description does not purport to be complete and is qualified in its entirety by reference to the full text of such Exhibit.

Employment Agreements

On May 9, 2008, in connection with the Merger Agreement, GSCAC entered into employment agreements with Hugh A. Tarpley and Lori A. Cuervo (together, the "Employment Agreements"). The Employment Agreements provide that, upon the closing of the Merger, Mr. Tarpley would become GSCAC's Chief Executive Officer, and Ms. Cuervo would become GSCAC's President and Chief Operating Officer.

Copies of the Employment Agreements are filed herewith as Exhibits 10.4 and 10.5, respectively, and are incorporated by reference herein. The foregoing description does not purport to be complete and is qualified in its entirety by reference to the full text of such Exhibits.

Other Agreements

On May 9, 2008, in connection with the Merger Agreement, GSCAC entered into the CEH Unitholder Consent and Release Agreement (the "CEH Unitholder Consent") with Mr. Tarpley, Ms. Cuervo and Peter J. Dailey; a Non-Solicitation and Confidentiality Agreement (the "Non-Solicitation Agreement") with Mr. Dailey; and an Amendment to Registration Rights Agreement (the "RRA Amendment") with GSC Secondary Interest Fund, LLC and the other parties thereto.

Copies of the CEH Unitholder Consent, Non-Solicitation Agreement and RRA Amendment are filed herewith as Exhibits 10.6, 10.7 and 10.8, respectively, and are incorporated by reference herein. The foregoing description does not purport to be complete and is qualified in its entirety by reference to the full text of such Exhibits.

The Merger Agreement, the Lender Consent, the Employment Agreements, the CEH Unitholder Consent, the Non-Solicitation Agreement and the RRA Amendment govern the contractual rights among the parties thereto in relation to the Merger. The Merger Agreement and other exhibits filed with this Form 8-K do not modify or supplement any factual disclosures about GSCAC in our public reports filed with the SEC. Investors and security holders are not third party beneficiaries under the Merger Agreement or other such exhibits. In particular, these agreements are not intended to be, and should not be relied upon as, disclosures regarding any facts and circumstances relating to GSCAC or Complete Energy. The representations, warranties and covenants contained in the Merger Agreement and other agreements were made as of the specific dates set forth therein with the principal purpose of establishing the circumstances in which a party may have the right not to close the Merger if the representations and warranties of the other party prove to be untrue due to a change in circumstance or otherwise, and allocating risk between the parties, rather than establishing matters as facts. The representations and warranties may also be subject to a contractual standard of materiality different from those generally applicable to shareholders. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in GSCAC's public disclosure. For the foregoing reasons, no person should rely on any of the representations, warranties or covenants contained in the Merger Agreement or any other exhibits hereto as statements of factual information. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement or other exhibits hereto, which subsequent information may or may not be fully reflected in

GSCAC's public disclosures.

3

Item 3.02 Unregistered Sales of Equity Securities

At closing under the Merger Agreement and the Lender Consent, GSCAC will issue, subject to adjustments provided in the Merger Agreement and the Lender Consent, Class A Shares and Class B shares that will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), in reliance upon the exemption from the registration requirements as provided in Section 4(2) of the Securities Act.

Item 5.01 Changes in Control of Registrant

Immediately after the closing of the Merger Agreement, subject to the adjustments provided in the Merger Agreement, investment funds affiliated with TCW are expected to become GSCAC's largest shareholders, with approximately 19% ownership; GSCAC's existing shareholders are expected to collectively own approximately 42% of GSCAC; and the current owners of Complete Energy are expected to own approximately 10% of GSCAC, in each case on a fully-diluted basis and assuming that all of the current minority interest owners in Complete Energy's subsidiaries participate in the transaction and assuming no conversion of shares by GSCAC's public stockholders.

In addition, the composition of GSCAC's board of directors will be changed such that its members will include two individuals designated by the current Complete Energy owners and one individual designated by TCW. Immediately after the closing of the Merger Agreement, GSCAC's management will include two of the founders of Complete Energy: Hugh A. Tarpley, who will serve as GSCAC's Chief Executive Officer, and Lori A. Cuervo, who will serve as President and Chief Operating Officer.
