**PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
June 22, 2005**

INFORMATION CONCERNING SOLICITATION AND VOTING

The enclosed proxy is solicited on behalf of the Board of Directors of Viewpoint Corporation (the "Company") for use at the Annual Meeting of Stockholders to be held on Wednesday, June 22, 2005 at 10:00 a.m., local time, or at any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held at the Sheraton New York Hotel and Towers, 811 Seventh Avenue, 3rd Floor, New York, NY.

These proxy solicitation materials and the Company's Annual Report to Stockholders for the year ended December 31, 2004, including financial statements, are being mailed on or about May 2, 2005 to all stockholders entitled to vote at the Annual Meeting.

Record Date and Voting Securities

Stockholders of record at the close of business on April 27, 2005 are entitled to notice of and to vote at the meeting. Each stockholder is entitled to one vote for each share of common stock on all matters presented at the meeting. Stockholders do not have the right to cumulative voting in the election of directors. On April 27, 2005, 57,931,669 shares of common stock, \$0.001 par value, of the Company were issued and outstanding.

If your shares are registered directly in your name with our transfer agent, Equiserve Trust Company, N.A., you are considered, with respect to those shares, the stockholder of record. As the stockholder of record, you have the right to vote in person at the meeting. If your shares are held in a brokerage account or by another nominee, you are considered the beneficial owner of shares held in street name, and the proxy materials are being forwarded to you by the nominee together with a voting instruction card. As the beneficial owner, you are also invited to attend the annual meeting. However, since a beneficial owner is not the stockholder of record, you may not vote these shares in person at the meeting unless you obtain a "legal proxy" from the broker, trustee, or nominee that holds your shares, giving you the right to vote the shares at the meeting.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use, whether the proxy was given by telephone, via the Internet or by proxy card. The proxy may be revoked by delivering to the Secretary of the Company a written notice of revocation or a duly executed proxy bearing a later date, or by making an authorized Internet or telephone communication on a later date in accordance with the instructions on the enclosed proxy card. It may also be revoked by attendance at the meeting and voting in person.

Voting and Solicitation

Proxies properly given and not revoked will be voted in accordance with the specifications made. Where no specifications are given, such proxies will be voted as the management of the Company may propose. If any matter not described in this proxy statement is properly presented for action at the meeting, the persons named in the enclosed form of proxy will have discretionary authority to vote according to their best judgment.

The cost of soliciting proxies will be borne by the Company. The Company may also reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. Proxies may also be solicited by certain of

the Company's directors, officers, and employees, without additional compensation, personally or by telephone or telegram.

Quorum; Required Votes; Abstentions; Broker Non-Votes

The required quorum for the transactions of business being voted on at this year's Annual Meeting is a majority of the votes eligible to be cast by holders of shares of common stock issued and outstanding on the record date. Shares that are voted "FOR," "AGAINST," "WITHHELD" or "ABSTAIN" are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares entitled to vote at the Annual Meeting with respect to such matter. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. Broker non-votes are treated as being present at the meeting for purposes of establishing a quorum.

With respect to the election of directors, Delaware law requires the affirmative vote of the holders of a plurality of the common stock present and entitled to vote on the election of directors at the Annual Meeting. Therefore, for purposes of the election of directors, abstentions will have no effect on the outcome of the vote.

The affirmative vote of a majority of the votes cast is required to adopt all other proposals being voted on at this year's Annual Meeting.

Although there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions, the Company believes that abstentions should be counted for purposes of determining the total number of votes cast with respect to a proposal (other than the election of directors). In the absence of controlling precedent to the contrary, the Company intends to treat abstentions in this manner. Accordingly, abstentions will have the same effect as a vote against the proposal.

The Delaware Supreme Court has held that, while broker non-votes should be counted for purposes of determining the presence or absence of a quorum for the transaction of business, broker non-votes should not be counted for purposes of determining the number of votes cast with respect to the particular proposal on which the broker has expressly not voted. The Company intends to treat broker non-votes in a manner consistent with this holding. Thus, a broker non-vote will not affect the outcome of the voting on any of the proposals at the Annual Meeting.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE “FOR” THE NOMINEES SET FORTH ABOVE.

Independence of Directors

The Board of Directors has determined that the majority of the Board of Directors is comprised of “independent directors” within the meaning of applicable Nasdaq listing standards. The Company's independent directors include: Messrs. Bennett, Crabbe, Duff, Jones, Raney, and Vogt.

Board of Directors Meetings and Committees

The Board of Directors of the Company held eight meetings in 2004. Each director attended at least 87% of the meetings held during fiscal year 2004.

The Board of Directors has an audit committee (the “Audit Committee”) which currently consists of Dennis Raney, serving as Chairman, James E. Crabbe, and Samuel H. Jones, Jr. Mr. Bennett served on the Audit Committee from his appointment to the Board of Directors in November 2000 until February 24, 2004, the date on which Mr. Bennett was appointed to the Nominating Committee of the Board of Directors (described below).

The Audit Committee held six meetings during fiscal year 2004. Each director who served on the Audit Committee during fiscal year 2004 attended all of the meetings of the Audit Committee held during his tenure.

The Audit Committee's role includes the oversight of our financial, accounting and reporting processes, our system of internal accounting and financial controls and our compliance with related legal and regulatory requirements, the appointment, engagement, termination and oversight of our independent auditors, including conducting a review of their work, reviewing and pre-approving any audit and non-audit services that may be performed by them, reviewing with management and our independent auditors the adequacy of our internal financial controls, and reviewing our critical accounting policies and the application of accounting principles.

Each member of the Audit Committee meets the independence criteria prescribed by applicable law and the rules of the Securities and Exchange Commission (the “SEC”) for audit committee

membership. Each member is an “independent director” within the meaning of applicable Nasdaq listing standards and each member meets Nasdaq's financial knowledge requirements. The Board of Directors has further determined that Mr. Raney is an “audit committee financial expert” as such term is defined in Item 401(h) of Regulation S-K promulgated by the SEC and that Mr. Raney meets Nasdaq's professional experience requirements. The Audit Committee operates pursuant to a written charter, which complies with the applicable provisions of the Sarbanes-Oxley Act of 2002 and related rules of the SEC and the Nasdaq. A copy of the Audit Committee charter can be found in the Investor Relations section of our website at www.viewpoint.com.

The Board of Directors has a compensation committee (the “Compensation Committee”) which consists of Samuel H. Jones, Jr. and Thomas Bennett. Mr. Crabbe served on the Compensation Committee from his appointment to the Board of Directors in March 2003 through February 24, 2004, on which date Mr. Crabbe became a member of the Company's newly-formed Nominating Committee.

The Compensation Committee's primary function is to develop and monitor compensation arrangements for the officers and directors of the Company, and monitor stock option activity for the Company. The Compensation Committee held two meetings in 2004 and acted once by unanimous written consent. Each member of the Compensation Committee attended each meeting held during his tenure.

The Board of Directors has a nominating committee (the “Nominating Committee”) which consists of Messrs. Bennett, Crabbe, and Duff. The Nominating Committee's primary purpose is to evaluate candidates for membership on the Board, make recommendations to the Board regarding candidates, and make recommendations with respect to the composition of the Board and the committees thereof. The members of the Nominating Committee are all independent directors within the meaning of applicable Nasdaq listing standards. The Nominating Committee operates pursuant to a written charter, a copy of which can be found in the Investor Relations section of our website at www.viewpoint.com.

In carrying out its function to nominate candidates for election to the Board, the Nominating Committee considers the mix of skills, experience, character, commitment, and diversity of background, all in the context of the requirements of the Board at that point in time. The Nominating Committee believes that each candidate should be an individual who has demonstrated integrity and ethics in such candidate's personal and professional life, have an understanding of elements relevant to the success of a publicly-traded company and have established a record of professional accomplishment in such candidate's chosen field. Each candidate should be prepared to participate fully in Board activities, including attendance at, and active participation in, meetings of the Board, and not have other personal or professional commitments that would, in the Nominating Committee's judgment, interfere with or limit such candidate's ability to do so. Each candidate should also be prepared to represent the best interests of all of Viewpoint's stockholders and not just one particular constituency. Additionally, in determining whether to recommend a director for re-election, the Nominating Committee also considers the director's past attendance at Board and Committee meetings and participation in and contributions to the activities of the Board. The Nominating Committee has no stated specific, minimum qualifications that must be met by a candidate for a position on the Board. The Nominating Committee does, however, believe it appropriate for at least one member of the Board to meet the criteria for an “audit committee financial expert” as defined by SEC rules, and that a majority of the members of the Board meet the definition of “independent director” within the meaning of applicable Nasdaq listing standards.

The Nominating Committee's method for identifying candidates for election to the Board (other than those proposed by Viewpoint's stockholders, as discussed below) include the solicitation of ideas for possible candidates from a number of sources: members of the Board; our executives; individuals personally known to the members of the Board; and other research, including database and Internet searches. The Nominating Committee may also from time to time retain one or more third-party search firms to identify suitable candidates.

The Nominating Committee will consider candidates for director recommended by stockholders. Stockholders wishing to recommend candidates for the Nominating Committee's consideration should contact the Nominating

Committee by postal mail addressed to Viewpoint Corporation, 498 Seventh Avenue, New York, N.Y. 10018,
Attention: Nominating Committee.

Any stockholder may nominate one or more persons for election as a director of the Company at an annual meeting of stockholders if the stockholder complies with the notice, information and consent provisions contained in the Company's Bylaws. In addition, the notice must include any other information required pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended. In order for the director nomination to be timely submitted for the annual meeting of stockholders to be held in 2006, a stockholder's notice to the Company's Secretary must be delivered to Viewpoint's principal executive offices no later than February 22, 2005.

The Nominating Committee will consider all candidates identified through the processes described above, and will evaluate each of them, including incumbents, based on the same criteria.

Messrs. Amato, Crabbe, Duff, Jones, Raney, and Rice attended the 2004 annual meeting of stockholders. The Company does not have a policy regarding board members' attendance at annual meetings of stockholders.

Communication with the Board of Directors

Any stockholder who desires to contact our Board or specific members of our Board may do so electronically by sending an e-mail to the following address: directors@viewpoint.com. Alternatively, a stockholder can contact our Board or specific members of our Board by writing to: Viewpoint Corporation, 498 Seventh Avenue, New York, NY 10018, to the attention of the Board of Directors or the specific member of the Board, as the case may be.

Report of the Audit Committee

The members of the Audit Committee are all independent directors who are qualified for service under the NASD listing standards. The Audit Committee acts under a written charter, a copy of which can be found in the Investor Relations section of our website at www.viewpoint.com.

The role of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting process. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. The independent auditors are responsible for performing an independent audit of the Company's financial statements in accordance with auditing standards generally accepted in the United States and issuing a report thereon.

In the performance of its oversight function, the Audit Committee reviewed and discussed with management and the independent auditors the Company's audited financial statements. The Audit Committee also discussed with the independent auditors the matters required by Statement on Auditing Standards No. 61 relating to communication with audit committees. In addition, the Audit Committee received from the independent auditors the written disclosures and letter required by Independence Standards Board Standard No. 1 relating to independence discussions with audit committees, the Audit Committee discussed with the independent auditors that firm's independence, and considered whether the independent auditor's provision of non-audit services to the Company is compatible with maintaining the auditor's independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audits. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's 2004 Annual Report on Form 10-K for the fiscal year ended December 31, 2004 for filing with the Securities and Exchange Commission.

Principal Accountant Fees and Services

Audit and Audit Related Fees

The aggregate fees billed by the Company's principal accounting firm, PricewaterhouseCoopers LLP, for professional services rendered for the audit of the annual financial statements for the fiscal years ended December 31, 2004 and 2003 and review of the financial statements included in the Forms 10-Q for those years were approximately \$506,000, and \$233,000, respectively. Audit related fees for the year ended December 31, 2004, which was comprised of fees for the audit of the Company's 401k Plan, amounted to \$20,000. Audit related fees for the year ended December 31, 2003 amounted to \$223,000. Approximately \$19,000 of these fees were incurred for the audit of the Company's 401k Plan and the remaining \$204,000 of these fees related primarily to assistance in responding to comments of the SEC in connection with the SEC's review of the Company's registration statement filings.

Tax Fees

The aggregate fees billed by PricewaterhouseCoopers LLP for services rendered to the Company for tax compliance, tax advice, and tax planning, for the fiscal years ended December 31, 2004 and 2003 were approximately \$30,000 and \$24,000, respectively.

All Other Fees

The aggregate fees billed by PricewaterhouseCoopers LLP for services rendered to the Company, other than services described above under audit fees or tax fees, for the fiscal years ended December 31, 2004 and 2003 were approximately \$2,000 each. The Audit Committee determined that the provision of the services described under this caption All Other Fees is compatible with maintaining the independence of PricewaterhouseCoopers LLP.

Pre-Approval Policies and Procedures

The Audit Committee reviews on a periodic basis all audit and non-audit services to be performed by the Company's independent auditors. All audit and non-audit services are pre-approved by the Audit Committee, which considers, among other things, the possible effect of the performance of such services on the auditor's independence. The Audit Committee has considered the role of PricewaterhouseCoopers LLP in providing services to the Company for the fiscal year ended December 31, 2004 and has concluded that such services are compatible with its independence as the Company's auditors. The Audit Committee has established pre-approval policies and procedures pursuant to which all services will be rendered by the independent auditors in the future. All of the services performed in connection with the fees detailed above were approved by the Audit Committee.

Compensation of Directors

The Company compensates each of its non-employee directors, other than Mr. Raney, as follows: each non-employee director is paid (i) \$2,500 at the end of each fiscal quarter in which he or she is a director, (ii) \$1,000 for each regular Board meeting he or she attends, and (iii) \$500 for each Board committee meeting he or she attends; provided, however, that if more than one committee meeting is held on the same day or a Board meeting and one or more committee meetings are held on the same day, no more than the initial \$500 or \$1,000, as the case may be, is paid to any director for all such meetings attended by such director on such date. We paid no fees to members of the Board for meetings they attended by telephone in 2004.

The Company compensates Mr. Raney, who became a member of the Board of Directors on February 24, 2004 as follows: (i) \$5,000 at the end of each quarter for his services as a member of the Board and Chairman of the Audit Committee, (ii) \$1,500 for each meeting of the Board he attends in person, and (iii) \$750 for each meeting of the Audit Committee he attends in person. The Company pays fees to Mr. Raney for attending meetings of the Board and

meetings of the Audit Committee regardless of whether a meeting of the Board and a meeting of the Audit Committee are held on the same day.

Each non-employee director who joins the Board is automatically granted an option to purchase 20,000 shares of Common Stock on the date upon which such person first becomes a director. In the

case of Mr. Raney, the Company agreed to increase this initial option grant to an option to acquire 50,000 shares. From 1995 through January 2005, each non-employee director has also automatically received an option to purchase 5,000 shares of Common Stock on the first trading day following January 1 of each year, provided the director has been a member of the Board for at least six months. On March 8, 2005, the Board of Directors resolved to increase the number of shares subject to this automatic annual grant to 12,000. In addition, the Board of Directors resolved to issue on March 8, 2005 options to acquire 7,000 shares of Company common stock to the non-employee directors who would have been eligible to receive an option to acquire 12,000 shares if this increase had been in effect in January 2005.

The exercise price of each option granted to directors is equal to the fair market value of the Common Stock on the date of grant. The option granted to non-employee directors on the day they join the Board vests at a rate of one-eighth of the option shares upon the end of the first six-month period after the date of grant and one-forty-eighth of the remaining option shares per month thereafter, provided the optionee remains a director of the Company. The options granted to non-employee directors on the first business day of each year vests at the rate of one-half of the option shares upon the end of the first six-month period after the date of grant and one-twelfth of the remaining option shares per month thereafter, provided the optionee remains a director of the Company. Options have a term of ten years unless terminated sooner, whether upon termination of the optionee's status as a director or otherwise pursuant to the operative stock option plan.

In accordance with the compensation arrangements described above, the Company granted options to acquire 5,000 shares of Company common stock on January 3, 2005, to each of Messrs. Bennett, Crabbe, Duff, and Jones at an exercise price of \$3.06, an option to acquire 12,000 shares of Company common stock to Mr. Raney on January 3, 2005 at an exercise price of \$3.06, and options to acquire 7,000 shares of Company common stock on March 8, 2005 to each of Messrs. Bennett, Crabbe, Duff, and Jones at an exercise price of \$2.65.

Employment Agreements with Executive Officers

The Company entered into agreements with Messrs. Amato, Mitchell, O'Donoghue, and Rice.

The Company entered into an employment agreement with Mr. Amato in August 2003 for a two-year term. The agreement provides for an annual base salary of \$395,000, a signing bonus of \$50,000,

and additional bonuses based on the Company's achievement of certain financial targets. Mr. Amato was granted an option to acquire 1,250,000 shares of common stock at an exercise price of \$0.72 per share, the closing price of the Company's common stock on the day immediately preceding the commencement of Mr. Amato's employment. Fifty percent (50%) of the shares subject to the option vest on each of the first and second anniversaries of Mr. Amato's employment. However, if Mr. Amato's employment is terminated by the Company without cause (as defined) or by Mr. Amato for good reason (as defined), Mr. Amato is entitled to receive an amount equal to two times his base salary and all outstanding options issued to Mr. Amato would immediately vest and become exercisable. In addition, if Mr. Amato's employment is terminated within one year following a change in control of the Company (as defined), Mr. Amato would be entitled to receive two times his base salary and all options issued to Mr. Amato would immediately vest and become exercisable.

The Company entered into an employment agreement with Mr. Mitchell in July 2003 under which Mr. Mitchell agreed to serve as Chief Financial Officer for a two-year term. The agreement provides for an annual base salary of \$225,000, a minimum annual bonus of \$25,000, and an annual discretionary bonus based on the achievement of management-based objectives of up to \$50,000. In accordance with the agreement, the Company granted to Mr. Mitchell an option to acquire 350,000 shares of common stock at an exercise price of \$0.77 per share, the closing price of the Company's common stock on the day immediately preceding the commencement of Mr. Mitchell's employment. The agreement further provides that the Company will grant to Mr. Mitchell an option to acquire an additional 150,000 shares of common stock on the first anniversary of his starting date at an exercise price equal to the closing price of the Company's common stock on that day. Twenty-five percent (25%) of the shares subject to the options vest on the first anniversary of the date of grant and one-thirty-sixth of the remaining shares vest monthly thereafter. However, if Mr. Mitchell's employment is terminated by the Company after the first anniversary of Mr. Mitchell's employment, 100% percent of the shares subject to issued options would vest in Mr. Mitchell and Mr. Mitchell would be entitled to receive a payment equal to his base salary. In addition, if the Company enters into an agreement with a third party that leads to a change in control after the first anniversary of Mr. Mitchell's employment and Mr. Mitchell's employment is terminated within one year following the change in control, Mr. Mitchell would be entitled to receive two times his base salary and the options issued to Mr. Mitchell would immediately vest and become exercisable.

The Company entered into an employment agreement with Mr. O'Donoghue in April 2000 under which Mr. O'Donoghue agreed to serve as General Counsel of the Company and the Company agreed to pay to Mr. O'Donoghue a base salary of \$150,000 per year and to grant to Mr. O'Donoghue an option to acquire 200,000 shares of the Company's common stock. The agreement further provides that if Mr. O'Donoghue's employment is terminated by the Company without cause (as defined) or is terminated by Mr. O'Donoghue for good reason (as defined), Mr. O'Donoghue will receive an amount equal to his base salary and the unvested portion of all stock options held by Mr. O'Donoghue would immediately vest and become exercisable. In 2003, the Company entered into a termination protection agreement with Mr. O'Donoghue which provides that Mr. O'Donoghue would be entitled to receive a payment equal to three times his base salary and all outstanding options issued to Mr. O'Donoghue would vest and become exercisable in the event that Mr. O'Donoghue's employment is terminated under certain circumstances following a change in control of the Company.

The Company's current employment agreement with Mr. Rice was entered into in December 2004 and provides for Mr. Rice's continuing service as the Executive Chairman of the Board of Directors, a position he has held since August 2003, through June 30, 2005. The agreement provides for a salary of \$165,000 over the six-month term beginning on January 1, 2005 and ending on June 30, 2005. Viewpoint will pay to Mr. Rice an additional \$165,000 under the agreement in semi-monthly installments over the period beginning on July 1, 2005 and ending on December 31, 2005, unless Mr. Rice's employment is terminated before June 30, 2005 for "cause" (as defined in the agreement) or Mr. Rice's employment is terminated by Mr. Rice before June 30, 2005 without "good reason" (as defined in the agreement). If Viewpoint undergoes a "change in control" (as defined in the agreement) before September 1, 2005, Mr. Rice will receive a payment equal to two times the rate of his annual salary. All options vested in Mr. Rice at the date of termination of his employment remain exercisable for 3 years following such termination.

Fifty percent (50%) of the shares subject to the option vest on the first anniversary of Mr. Amato's employment and the remaining fifty percent (50%) vest on the second anniversary of Mr. Amato's employment. Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee is a former or current officer or employee of the Company. No interlocking relationship exists between any member of the Compensation Committee and any member of any other company's board of directors or compensation committee.

Report of the Compensation Committee of the Board of Directors

The Compensation Committee administers the Company's stock option plans and determines the compensation of executive officers of the Company, other than the Chief Executive Officer whose compensation is determined by all non-employee directors of the Company on the basis of recommendations submitted by the Compensation Committee.

The Compensation Committee is comprised of only non-employee directors who are appointed by the Board of Directors.

Compensation Philosophy

The Company operates in the competitive and rapidly changing environment of high technology businesses. The Company's compensation philosophy is based on the belief that achievement in this environment is enhanced by the

coordinated efforts of all individuals working toward common objectives. The goals of the Company's compensation program are to align compensation with the Company's business objectives and performance, to foster teamwork and to enable the Company to attract, retain and reward employees who contribute to the Company's long-term success.

Compensation Components

The Company's executive officers are compensated with a salary and stock option awards. Certain executive officers are also sometimes eligible for bonuses. The Committee assesses the past performance and anticipated future contribution, and considers the total compensation (earned or potentially available) of each executive officer in establishing each element of compensation.

Salary. The salaries of the executive officers are determined by the Committee with reference to salaries paid to executives with similar responsibilities at comparable companies, generally in the high technology industry. The peer group for each executive officer is composed of executives whose responsibilities are similar in scope and content. The Company seeks to set executive compensation levels that are competitive with the average levels of peer group compensation.

Stock Options. Stock option awards are designed to align the interests of executives with the long-term interests of the stockholders. The Committee approves option grants subject to retain executives and encourage sustained contributions. The exercise price of options is typically not less than the closing market price on the date of grant. These options will increase in value only to the extent that the price of Company common stock increases relative to the market price at the date of grant. In some cases, options only vest if the Company or the individual achieves performance goals established by the Board of Directors.

Bonus. Although the Company has had incentive compensation plans under which executive officers may be eligible to receive cash bonuses in prior years, no such plan was in place for the years 2002 through 2004. Targets for sales growth and operating income generally determine whether and to what extent incentive compensation payments will be made under such plans and individual payments are typically based on the Company's achievement of these targets.

The Company has agreed to pay bonuses to Messrs. Amato and Mitchell under the terms of their employment agreements upon the occurrence of certain events. Under the terms of the agreement with Mr. Amato, the Company is obliged to pay to Mr. Amato a bonus of \$100,000 upon the Company's achievement of certain quarterly financial performance goals and a bonus of \$130,000 upon the Company's achievement of these quarterly goals for two consecutive quarters. Under the terms of the agreement with Mr. Mitchell, the Company is obliged to pay to Mr. Mitchell a bonus of \$6,250 at the end of each quarter. Mr. Mitchell is also eligible for a discretionary bonus of up to \$50,000. Mr. Mitchell received a discretionary bonus of \$25,000 in August 2004.

Although not obligated under any contractual arrangement, the Company awarded a bonus of \$25,000 to Mr. O'Donoghue in May 2004 in recognition of his services.

Chief Executive Officer's Compensation

In August 2003, the Company retained Mr. Amato to serve as Chief Executive Officer and entered into an employment agreement with Mr. Amato having a two-year term and compensation and other provisions approved by the full Board of Directors.

In determining Mr. Amato's compensation, the Company obtained advice from an executive recruiter, made reference to several surveys of compensation of chief executive officers of similarly-situated companies and considered his anticipated role in leading the Company.
