For Investment Professionals Only. Not for use with the public.

The statements and opinions expressed are those of the author and are subject to change at any time, based on market and other conditions. This material is for informational purposes only and does not constitute investment or tax advice and it should not be relied on as such.

ETFs trade like stocks, are subject to investment risk and will fluctuate in market value.

The value of the SPDR® Gold Shares relates directly to the value of the gold held by the SPDR® Gold Trust (less Trust expenses) and fluctuations in the price of gold could materially adversely affect an investment in the Shares. Investors should be aware that there is no assurance that gold will maintain its long-term value in terms of purchasing power in the future. In the event that the price of gold declines, the SPDR® Gold Trust expects the value of an investment in the Shares to similarly decline.

Shareholders of the SPDR® Gold Trust will not have the protections associated with ownership of shares in an investment company registered under the Investment Company Act of 1940 or the protections afforded by the Commodity Exchange Act of 1936. The SPDR® Gold Trust is not registered as an investment company under the Investment Company Act of 1940 and is not required to register under such act. Neither World Gold Trust Services, LLC nor the Trustee of the SPDR® Gold Trust is subject to regulation by the CFTC. Shareholders will not have the regulatory protections provided to investors in CEA-regulated instruments or commodity pools.
