Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

The legality of the Common Stock registered hereby has been passed upon for the Registrant by Kilpatrick Stockton LLP, Atlanta, Georgia. Members of that law firm own 337 shares of the Registrant's Common Stock.

The consolidated financial statements of Aaron's, Inc. and subsidiaries appearing in Aaron's, Inc.'s Annual Report (Form 10-K) for the year ended December 31, 2009, and the effectiveness of Aaron's, Inc.'s internal control over financial reporting as of December 31, 2009 have been audited by Ernst & Young LLP, independent registered public accounting firm, as set forth in their reports thereon, included therein, and incorporated herein by reference. Such consolidated financial statements are incorporated herein by reference in reliance upon such reports given on the authority of such firm as experts in accounting and auditing.

With respect to the unaudited consolidated interim financial information of Aaron's, Inc. and subsidiaries for the three-month periods ended March 31, 2010 and 2009, the three-month and six-month periods ended June 30, 2010 and 2009, and the three-month and nine-month periods ended September 30, 2010 and 2009, incorporated by reference in this Prospectus, Ernst & Young LLP reported that they have applied limited procedures in accordance with professional standards for a review of such information. However, their separate reports dated May 4, 2010, August 4, 2010 and November 3, 2010, included in Aaron's, Inc.'s Quarterly Reports on Forms 10-Q for the quarters ended March 31, 2010, June 30, 2010 and September 30, 2010, and incorporated by reference herein, state that they did not audit and they do not express an opinion on that interim financial information. Accordingly, the degree of reliance on their reports on such information should be restricted in light of the limited nature of the review procedures applied. Ernst & Young LLP is not subject to the liability provisions of Section 11 of the Securities Act of 1933 (the "Act") for their reports on the unaudited interim financial information because those reports are not a report or a part of the Registration Statement prepared or certified by Ernst & Young LLP within the meaning of Sections 7 and 11 of the Act.

Item 6. Indemnification of Directors and Officers.

As permitted under Georgia law, the Registrant's Amended and Restated Articles of Incorporation provide that a director shall not be personally liable to the Registrant or its shareholders for monetary damages for breach of the duty of care or any other duty owed to the

Registrant as a director, except that such provision shall not eliminate or limit the liability of a director (a) for any appropriation, in violation of the director's duties, of any business opportunity of the Registrant, (b) for acts or omissions which involve intentional misconduct or a knowing violation of law, (c) for unlawful corporate distributions, or (d) for any transaction from which the director received an improper benefit.

Article VII of the Registrant's Amended and Restated Bylaws, as amended, requires the indemnification of the Registrant's officers and directors for any liability and expense incurred by them in connection with or resulting from any threatened, pending or completed legal action or other proceeding or investigation by reason of his being or having been an officer or director. An officer or director may only be indemnified if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interest of the Registrant, and, with respect to a criminal matter, he did not have reasonable cause to believe that his conduct was unlawful. In the case of an action by or in the right of the Registrant, no officer or director who has been adjudged liable to the Registrant is entitled to indemnification, unless and except to the extent that the court reaching such a determination of liability, in view of all the relevant circumstances, shall also determine that despite such liability, such person is fairly and reasonably entitled to indemnification for such expenses that the court shall deem proper.

Under Georgia law, any officer or director who has been wholly successful on the merits or otherwise in an action or proceeding in his official capacity is entitled to indemnification by the Registrant as of right. All other determinations that indemnification is permissible shall be made by either: (i) a majority vote of a quorum of disinterested directors provided there are at least two disinterested directors; (ii) independent legal counsel selected in accordance with the Georgia Business Corporation Code and at the request of the Registrant's board of directors; or (iii) the holders of a majority of the Registrant's stock, excluding shares held by an interested director.

In the event any payments are made to an officer or director by way of indemnity, other than by court order, action of the shareholders or by an insurance carrier, the Registrant must notify its shareholders of such payment and all relevant details in a timely manner and in no event later than 15 months after the date of such payment.

The provisions of the Registrant's Amended and Restated Bylaws, as amended, on indemnification are consistent in all material respects with the laws of the State of Georgia, which authorize indemnification of corporate officers and directors.

The Registrant's directors and officers are insured against losses arising from any claim against them as such for wrongful acts or omissions, subject to certain limitations.

Item 7. Exemption from Registration Claimed.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided however, that Paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the Registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
