### **Summary of Employment Agreements with Named Executive Officers**

#### *Employment Agreement with Mr. McCormick*

On June 24, 2009, the Company's Board appointed Paul McCormick, a member of the Company's Board, to serve as the Executive Chairman of the Company's Board and principal executive officer of the Company effective July 1, 2009. Mr. Lanigan ceased being the Company's President as of such date. In connection with his appointment, the Company entered into an employment agreement with Mr. McCormick. On May 17, 2010, the Company entered into an amendment to that employment agreement, pursuant to which the Company and Mr. McCormick agreed to change his annual base salary to \$200,000 beginning July 1, 2010, which represented a decrease of \$50,000 per year. Mr. McCormick is entitled to receive certain benefits which will include, at a minimum, medical insurance for Mr. McCormick and his spouse, as well as no less than three weeks paid vacation per year. In addition, Mr. McCormick will also be reimbursed for all reasonable expenses incurred by him in respect of his services to the Company. The employment agreement has an initial term of one year, which term will be automatically renewed for successive additional one year periods, unless terminated upon 30 days written notice by either Mr. McCormick or the Company.

In the event of a termination for cause, as defined below, or in the event of a resignation without good reason, as defined below (other than in connection with a change of control or corporate transaction, as such terms are defined below), Mr. McCormick is only entitled to receive any accrued but unpaid base salary and benefits through the date of termination. In the event of a termination by the Company without cause or by Mr. McCormick with good reason, or in the event of a termination by the Company in connection with a change of control or a corporate transaction, Mr. McCormick is entitled to receive (i) the remainder of his then current base salary for the remainder of the then current term and (ii) any payments for unused vacation and reimbursement expenses, which are due, accrued or payable at the date of Mr. McCormick's termination.

Under Mr. McCormick's employment agreement, the following terms have the following meanings:

Cause means:

willful misconduct by Mr. McCormick causing material harm to the Company or repeated failure by him to follow the reasonable directives of the Company's Board (or a designated committee thereof), but only if, in either case, Mr. McCormick shall not have discontinued such misconduct or failure within thirty (30) days after receiving written notice from the Company describing the misconduct or failure and stating that we will consider the continuation of such misconduct or failure as cause for termination of the agreement;  
any material act or omission by Mr. McCormick involving gross negligence in the performance of his duties to, or material deviation from any of the policies or directives of, the Company, other than a deviation taken in good faith by Mr. McCormick for the Company's benefit;  
any illegal act by Mr. McCormick which materially and adversely affects the business of the Company, provided that we may suspend Mr. McCormick with pay while any allegation of such illegal act is investigated;  
or  
any felony committed by Mr. McCormick, as evidenced by conviction thereof, provided that we may suspend Mr. McCormick with pay while any allegation of such felonious act is investigated.

Good Reason means:

without Mr. McCormick's prior written consent, a reduction in his then current base salary;  
without Mr. McCormick's prior written consent, the assignment to him of duties substantially and materially inconsistent with the position and nature of his employment as set forth in the employment agreement; or

**Table of Contents**

without Mr. McCormick's prior written consent, a relocation of his place of employment outside of Orange County, California.

Change of Control means a change in ownership or control of the Company effected through the acquisition, directly or indirectly, by any person or related group of persons (other than the Company or a person that directly or indirectly controls, is controlled by, or is under common control with, the Company), of beneficial ownership (within the meaning of Rule 13d-3 of the Exchange Act) of securities possessing more than fifty percent (50%) of the total combined voting power of the Company's outstanding securities pursuant to a tender or exchange offer made directly to the Company's shareholders which the Board does not recommend such shareholders to accept.

Corporate Transaction means either of the following shareholder-approved transactions to which the Company is a party:

merger or consolidation in which securities possessing more than fifty percent (50%) of the total combined voting power of the Company's outstanding securities are transferred to a person or persons different from the persons holding those securities immediately prior to such transaction; or

the sale, transfer or other disposition of all or substantially all of the Company's assets in complete liquidation or the Company's dissolution.

The employment agreement also provides that all outstanding options will accelerate and become exercisable in full and all rights of repurchase with respect to restricted stock (if any) shall terminate in the event of a change of control or a corporate transaction. Mr. McCormick's employment agreement replaces the Consulting Agreement he previously entered into with the Company, which was simultaneously terminated.

Also on May 17, 2010, in connection with the amendment to Mr. McCormick's employment agreement, the Board granted him 100,000 shares of restricted stock and 100,000 options under the Company's Stock Option Plan. The restrictions on Mr. McCormick's shares of restricted stock will lapse in upon the first anniversary of the date of grant and the options vest upon the first anniversary of the date of grant.

*Employment Agreement with Mr. Lanigan*

On July 30, 2007, we entered into a written employment agreement with Mr. Lanigan. On June 24, 2009, we entered into an amendment to that employment agreement, pursuant to which we and Mr. Lanigan agreed to:

(i) change his position from President to Executive Vice President, Marketing, and (ii) change his annual base salary to \$225,000, which represented a decrease of \$22,500 per year.

Pursuant to the terms of Mr. Lanigan's employment agreement, as amended, the Company agreed to set his annual discretionary target bonus at 30% of his base salary (both of which reflected his base salary and target bonus then in effect). In addition, the agreement provided that Mr. Lanigan's benefits were to remain unchanged and include, at a minimum, medical insurance (including prescription drug benefits) for Mr. Lanigan and his spouse, as well as no less than three weeks of paid vacation per year. On January 7, 2010, the Company's Board approved the payment of an incentive bonus to Mr. Lanigan for the 2009 fiscal year of \$20,250, an amount which represents approximately 9% of his base salary for 2009 or approximately 30% of his maximum target bonus opportunity. On the same day, the Company's Board also set Mr. Lanigan's maximum discretionary target bonus for fiscal year 2010 to 30% of his base salary, or \$67,500. See the section entitled "Bonus Plan" below for more information regarding the bonus paid to Mr. Lanigan.

The Company's employment agreement with Mr. Lanigan also provides for certain payments following the termination of his employment with the Company. In the event the Company terminates Mr. Lanigan's employment with the Company for Cause, or in the event of a resignation without Good Reason (other than in connection with a Change of Control or Corporate Transaction, as described above), the Company is obligated to pay Mr. Lanigan only his accrued but unpaid base salary and benefits through the date of termination. In the event the

**Table of Contents**

Company terminates his employment without Cause or Mr. Lanigan terminates his employment with the Company for Good Reason, the Company is obligated to pay Mr. Lanigan the following:

- accrued but unpaid salary and benefits through the date of termination;
- a severance payment in an amount equal to six months of his then-current base salary;
- a prorated payment equal to the target bonus amount for which he would be eligible for the year in which such resignation or termination occurred, and
- continuation of certain insurance benefits for six months.

In addition, to the extent not already vested, all options to purchase shares of the Company's Common Stock and restricted stock shall vest by six additional months.

In the event the Company terminates Mr. Lanigan's employment in connection with a Change of Control or a Corporate Transaction or Mr. Lanigan terminates his employment with the Company following a Change in Control or Corporate Transaction under certain circumstances, the Company is obligated to pay Mr. Lanigan the following:

- accrued but unpaid salary and benefits through the date of termination;
- a severance payment in an amount equal to 12 months of his then-current base salary;
- payment equal to the target bonus amount for which he would be eligible for the year in which such resignation or termination occurred; and
- continuation of certain insurance benefits for 12 months.

In addition, to the extent not already vested, all options to purchase shares of the Company's Common Stock and restricted stock shall vest in full.

The definitions of Cause, Good Reason, Change of Control and Corporate Transaction are substantially the same as those summarized above under the section entitled Employment Agreement with Mr. McCormick.

*Employment Agreement with Mr. Abbott*

On July 30, 2007, the Company entered into an employment agreement with Mr. Abbott. The terms of the Company's employment agreement with Mr. Abbott are substantially the same as the terms of the Company's employment agreement with Mr. Lanigan, discussed above, provided, however, that the initial base salary to be paid to Mr. Abbott upon execution of his agreement with the Company was \$200,000 per year. See section entitled Bonuses below for more information regarding the bonus paid to Mr. Abbott.

**Bonus Plan**

The Compensation Committee awards bonuses to the Company's executive officers to reward superior performance. For fiscal 2010, the Company paid incentive bonuses to its executive officers based on annual discretionary bonus targets established by the Company's Compensation Committee each year. These target amounts represented the maximum percentage of base salary that would be paid as incentive bonuses to each of the Company's named executive officers and, following the completion of the Company's fiscal year, the Compensation Committee was authorized to award incentive bonuses to the Company's executive officers up to the pre-established target amount. For fiscal 2010, the Compensation Committee approved the payment of incentive bonuses for Mr. Lanigan and Mr. Abbott of \$68,720 and \$61,084, respectively, representing approximately 30.5% and 30.5% of their respective base salaries, or 101.8% and 101.8% of their target bonus opportunity, respectively.

On January 22, 2010, the Company's Compensation Committee approved the establishment of a 2010 Bonus Plan pursuant to which each of the named executive officers and certain employees of the Company will be eligible to earn bonus compensation based on 2010 company performance.

**Table of Contents**

Each of Messrs. Lanigan and Abbott is entitled to receive a target bonus equal to 30% of his base salary. Upon recommendation of the Compensation Committee, the Company's Board, at its discretion, will approve the amount of the total funding of the Bonus Plan based on the Company achieving a certain revenue target. If the target revenue is achieved, Messrs Lanigan and Abbott will be entitled to receive their full target bonus. If less than the target revenue is achieved, but the Company achieves a minimum revenue target, Messrs. Lanigan and Abbott will be entitled to receive a pro rata portion of their target bonus (with the minimum target revenue equaling 0% and the target revenue equaling 100%). The Bonus Plan allows for achievement in excess of 100% if the revenue target is exceeded. If the minimum revenue target is not achieved, no payments will be due under the Bonus Plan.

Mr. McCormick is not currently entitled to receive any bonus payments under his employment agreement or the 2010 Bonus Plan, though the Company reserves the right to award Mr. McCormick a bonus in various circumstances in its sole discretion.

**Stock Option Plan and Certain Other Compensation**

The Compensation Committee believes that the Company's Stock Option Plan is an essential tool to link the long-term interests of shareholders and employees, especially executive management, and serves to motivate executives to make decisions that will, in the long run, give the best returns to shareholders. The maximum aggregate number of shares of the Company's Common Stock which may be issued and sold under the Company's Stock Option Plan is 11,100,000 shares. Of this amount, 4,505,000 shares were available for issuance as of December 31, 2010. Stock options are generally granted when an executive joins us, with subsequent grants also taking into account the individual's performance and the vesting status of previously granted options. These options typically vest over a three year period and are granted at an exercise price equal to the fair market value of the Company's Common Stock at the date of grant. The sizes of initial option grants are based upon the position, responsibilities and expected contribution of the individual. This approach is designed to maximize shareholder value over a long term, as no benefit is realized from the option grant unless the price of the Company's Common Stock has increased over a number of years.

For the benefit of all of the Company's regular, full-time employees, including the Company's named executive officers, the Company also maintains life and long-term disability insurance, medical benefits and a 401(k) plan. The plan allows eligible employees to defer up to 60% of their earnings, not to exceed the statutory amount per year on a pretax basis through contributions to the plan. The plan provides for employer contributions at the discretion of the Company's Board. For the years ended December 31, 2010 and 2009, employer contributions of approximately \$0 and \$3,000, respectively, were made to the plan.

The Company has determined that all of the Company's directors satisfy the current independent director standards established under Rule 5605(a)(2) of the NASDAQ Listing Rules, except for Mr. McCormick, who is the Company's Executive Chairman and principal executive officer. In making this determination, the Company considered Dr. Slepian's consulting arrangement with us, pursuant to which he received \$17,500 in fees for consulting services performed during the year ended December 31, 2010.

#### **Certain Relationships and Related Transactions**

Since January 1, 2010, there have been no transactions in which the Company was, or is, a participant in which the amount involved exceeded the lesser of \$120,000 or one percent of average total assets and in which any related person (as that term is defined for purposes of Section 404(a) of Regulation S-K) had or will have a direct or indirect material interest, and there are currently no such proposed transactions.

The Audit Committee reviews these requests and advises management if the Audit Committee approves the engagement of the independent registered public accounting firm.

The Audit Committee pre-approves all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by the Company's independent registered public accounting firm, subject to the exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act, which are approved by the Audit Committee prior to the completion of the audit.
