March 10, 2006

**Filed pursuant to Rule 424(b)(3)
Registration No. 333-126485**

**Prospectus Supplement No. 4
(To Prospectus Dated December 2, 2005)**

**\$175,000,000
Oil States International, Inc.
2³/₈% Contingent Convertible Senior Notes due 2025
and Up to 5,511,811 shares of Common Stock Issuable Upon Conversion of the Notes**

This document supplements the prospectus dated December 2, 2005, relating to the offering for resale of our 2³/₈% Contingent Convertible Senior Notes due 2025, and the shares of our common stock issuable upon conversion of the notes. The information in this prospectus supplement replaces and supersedes the information set forth under the heading **Selling Security Holders** in the prospectus dated December 2, 2005.

Our common stock is listed on the New York Stock Exchange under the symbol **OIS**. The last reported closing price of our common stock on March 9, 2006 was \$32.30 per share.

Investing in our securities involves risks. See **Risk Factors beginning on page 8 of the prospectus.**

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or passed upon the adequacy or accuracy of this prospectus. Any representation to the contrary is a criminal offense.

The date of this prospectus supplement is March 10, 2006.

SELLING SECURITY HOLDERS

The notes and any shares of our common stock issued upon conversion of the notes, are being offered by the selling security holders listed in the table below or referred to in a prospectus supplement. The common stock which may be issued directly by us upon conversion of notes which are purchased in a sale contemplated by the prospectus to which this prospectus supplement refers is not being offered by the selling security holders. Only those shares of common stock issued upon conversion of the notes may be offered by the selling security holders. We issued and sold the notes in a private placement to the initial purchaser, and the notes were simultaneously sold by the initial purchaser to the selling security holders in transactions exempt from registration under the Securities Act.

No offer or sale under the prospectus may be made by a holder of the securities unless that holder is listed in the table in this prospectus supplement or until that holder has notified us and a supplement to the prospectus has been filed or an amendment to the related registration statement has become effective. We will supplement or amend the prospectus to include additional selling security holders upon request and upon provision of all required information to us.

The selling security holders may offer and sell, from time to time, any or all of the notes or common stock issued upon conversion of those notes.

The following table, is based solely on information provided to us by the applicable selling security holder. This information represents the most current information provided to us by the selling security holders. Unless set forth below, to our knowledge none of the selling security holders selling in connection with the prospectus or prospectus supplement has held any position or office with, been employed by, or otherwise has had a material relationship with us or any of our affiliates during the three years prior to the date of the prospectus or prospectus supplement.

- (1) Because a selling security holder may sell all or a portion of the notes and common stock issuable upon conversion of the notes pursuant to this prospectus, an estimate cannot be given as to the number or percentage of notes and common stock that the selling security holder will hold upon termination of any sales. The information presented assumes that all of the selling security holders will fully convert the

notes for cash and shares of our common stock and that the selling security holders will sell all shares of our common stock that they received pursuant to such conversion.

- (2) Includes shares of common stock issuable upon conversion of the notes and open short positions in Oil States common stock.
- (3) Represents the theoretical maximum number of shares of common stock which may be issued upon the conversion of the full amount of notes held by such holder at the initial conversion price of \$31.75, which equals a conversion rate of the initial conversion rate of 31.496 shares per \$1,000 principal amount of the notes. This conversion price is subject to adjustment as described under Description of Notes Conversion Price Adjustments. Accordingly, the number of shares of our common stock to be sold may increase or decrease from time to time. Fractional shares will not be issued upon conversion of the notes. Cash will be paid instead of fractional shares, if any.
- (4) This selling security holder has identified itself as an affiliate of a registered broker-dealer and has represented to us that such selling security holder acquired its notes or underlying common stock in the ordinary course of business and, at the time of the purchase of the notes or the underlying common stock, such selling security holder had no agreements or understandings, directly or indirectly, with any person to distribute the notes or underlying common stock. To the extent that we become aware that such selling security holder did not acquire its notes or underlying common stock in the ordinary course of business or did have such an agreement or understanding, we will file a post-effective amendment to the registration statement of which this prospectus forms a part to designate such affiliate as an underwriter within the meaning of the Securities Act of 1933.
- (5) This selling security holder has identified itself as a registered broker-dealer and, accordingly, it is, under the interpretations of the Securities and Exchange Commission, an underwriter within the meaning of the Securities Act of 1933. Please see Plan of Distribution for required disclosure regarding these selling security holders.
