Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On January 16, 2007, Basic Energy Services, Inc. (Basic) notified the New York Stock Exchange that as of December 9, 2006, the first anniversary of its listing, it was not in compliance with Section 303A of the NYSE Listed Company Manual requiring a majority of independent directors and that each of its committees be composed entirely of independent directors.

However, Basic has further informed the NYSE that it is in full compliance with such rules as of the date of its notice. Mr. H.H. Wommack was previously deemed by the board not to be independent due to his service as a current employee of a company that made payments to Basic during 2003 in excess of 2% of the company s consolidated gross revenues, and thus per se not independent under Section 303A.02(a)(v) of the NYSE Listed Company Manual. As of January 1, 2007, the three-year test under Section 303A.02(a)(v) no longer prohibits such determination of independence. Accordingly, as of January 1, 2007, five of the current eight directors of Basic were independent in accordance with applicable NYSE and SEC rules. Mr. Wommack will continue to serve on the Compensation Committee as an independent director.

The Nominating and Corporate Governance Committee is also currently fully independent following Steven A. Webster s resignation dated effective as of December 8, 2006 from that committee, with Messrs. Sylvester P. Johnson, IV and Thomas P. Moore, Jr. continuing as independent members of that committee.
