(e) On January 29, 2008, the unitholders of Enterprise Products Partners L.P. (the Partnership) approved the Enterprise Products 2008 Long-Term Incentive Plan (the Incentive Plan), which provides for awards of Partnership units and other rights to the Partnership's non-employee directors and to consultants and employees of EPCO, Inc. (EPCO) and its affiliates providing services to the Partnership. Awards under the Incentive Plan may be granted in the form of restricted units, phantom units, unit options, unit appreciation rights and distribution equivalent rights. The Incentive Plan will be administered by the Audit, Conflicts and Governance Committee (the ACG Committee) of the board of directors of the Partnership's general partner. Up to 10,000,000 of the Partnership's units may be granted as awards under the Incentive Plan, with such amount subject to adjustment as provided for under the terms of the plan.

The exercise price of unit options or unit appreciation rights awarded to participants will be determined by the ACG Committee (at its discretion) at the date of grant and may be no less than the fair market value of the option award as of the date of grant. The Incentive Plan may be amended or terminated at any time by the board of directors of EPCO or the ACG Committee of our general partner; however, any material amendment, such as a significant increase in the number of units available under the plan or a change in the types of awards available under the plan, would require the approval of the unitholders of the Partnership. The ACG Committee is also authorized to make adjustments in the terms and conditions of, and the criteria included in awards under the plan in specified circumstances. The Incentive Plan is effective until January 29, 2018 or, if earlier, the time which all available units under the Incentive Plan have been delivered to participants or the time of termination of the plan by EPCO or the ACG Committee of our general partner.

The summary of the Incentive Plan in this report does not purport to be complete and is qualified by reference to the previously reported information regarding the Incentive Plan and the form thereof contained in the Proxy Statement filed by the Partnership on December 31, 2007.
