PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement is furnished to stockholders of Sterling Construction Company, Inc., a Delaware corporation ("Sterling" or the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board of Directors") for use at the Annual Meeting of Stockholders to be held on October 17, 2002, at the offices of Sterling Houston Holdings, Inc., 20810 Fernbush Lane, Houston, Texas 77073 or at any adjournment thereof (the "Annual Meeting"). Proxies in the form enclosed will be voted at the Annual Meeting if they are properly executed, returned to the Company prior to the Annual Meeting and not revoked prior to the voting.

A copy of the Company's Transition Report on Form 10-K for the period ended December 31, 2001, as well as the Quarterly Report on Form 10-Q for the second fiscal quarter ended June 30, 2002, which contains financial statements and other information of interest to stockholders and accompanies the Notice of Annual Meeting and this Proxy Statement, is being mailed to stockholders on or about September 16, 2002.

VOTES REQUIRED AND VOTING PROCEDURE

Quorum. The holders of a majority of the shares of common stock issued and outstanding and entitled to vote at the Annual Meeting constitute a quorum for the transaction of business at the Annual Meeting. Holders of shares of common stock present in person or represented by proxy (including holders of shares who abstain or do not vote with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether there is a quorum at the Annual Meeting.

Proxies. All proxies will be voted in accordance with the instructions of the stockholder. If no choice is specified, the proxies will be voted FOR the election of the directors listed on the proxy and in the discretion of management as to any other matters to come before the Annual Meeting. Any proxy

Edgar Filing: STERLING CONSTRUCTION CO INC - Form DEF 14A

may be revoked by a stockholder at any time before its exercise by delivering to the Secretary of the Company a written revocation, by submitting a subsequently dated proxy, or by voting in person at the meeting. Attendance at the Annual Meeting will not itself be deemed to revoke a proxy unless the stockholder gives affirmative notice at the Annual Meeting that the stockholder intends to revoke the proxy and vote in person.

Record Date. On August 30, 2002, the date for the determination of stockholders of record entitled to vote at the Annual Meeting, there were an aggregate of 5,055,516 shares of common stock, \$.01 par value per share, outstanding and entitled to vote at the Annual Meeting. Each share of common stock entitles the record holder to one vote on each of the matters to be voted upon at the Annual Meeting.

Vote Required. Of the holders of shares who are entitled to vote and who are present or represented by proxy at the Annual Meeting, the affirmative vote of the holders of a plurality of the shares voted is required for the election of the directors. This means that the two director nominees with the most votes will be elected.

Voting Procedure. The shares of holders who abstain from voting as to a particular matter, and shares held in "street" name by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of a matter and will also not be counted as votes cast or shares voting on such matter. Accordingly, abstentions and "broker non-votes" will have no effect in the voting on the election of the directors.

3

PROXY SOLICITATION AND EXPENSES

The accompanying proxy is being solicited on behalf of the Board of Directors. The expense of preparing, printing and mailing the form of proxy and the solicitation materials will be borne by the Company. In addition to the use of the mails, proxies may be solicited by directors, officers and employees of the Company, and if deemed necessary, through a third party solicitation agent by means of personal interview, telephone, facsimile or e-mail. The Company will request banks, brokerage houses and other custodians, nominees and fiduciaries to solicit their customers who are beneficial owners of common stock and to forward solicitation materials to such beneficial owners. The Company will reimburse them for their reasonable out-of-pocket expenses incurred in such solicitation.

PROPOSAL I - ELECTION OF DIRECTORS

The By-laws of the Company provide for such number of directors as is determined from time to time by the Board of Directors. Section 2 of Article SEVENTH of the Amended and Restated Certificate of Incorporation of the Company provides that directors shall be divided into three classes, as nearly equal in number as reasonably possible; with each class having a full term of three years. The Company currently has a seven member Board of Directors. All directors hold office until the expiration of their terms and until their successors are duly elected and qualified, except in the case of death, resignation or removal of a director.

Two directors of the Company are to be elected as Class I directors for a three-year term. The nominees are Patrick T. Manning and Joseph P. Harper, Sr. Messrs. Manning and Harper were elected Chairman of the Board & Chief Executive Officer and President, respectively, of Sterling on July 23, 2001 in connection

Edgar Filing: STERLING CONSTRUCTION CO INC - Form DEF 14A

with the closing by the Company of a transaction in which the Company increased its ownership percentage of Sterling Houston Holdings, Inc. ("SHH") to 80.1% (the "Sterling Transaction"). Messrs. Manning and Harper were subsequently elected to the Board of Directors by the stockholders at the 2000 Annual Meeting of Stockholders for a term of one year. Certain information with respect to their ages and background is set forth below.

The persons named in the enclosed proxy will vote to elect each of the nominees named above unless the proxy is marked otherwise. Each of the nominees has indicated his willingness to serve, if elected; however, if either nominee should be unable to serve, the proxy holder may vote the proxy for a substitute nominee. The Board of Directors has no reason to believe that either of the nominees will be unable to serve if elected. The enclosed proxy cannot be voted for a greater number of persons than the number of nominees named in this Proxy Statement.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF THE NOMINEES.

In July 2001, upon completion of the Sterling Transaction, Ross Pirasteh, Jack Polak and Martin Sergi resigned from the Board of Directors. Following their resignations, and prior to December 31, 2001, Messrs. Pirasteh, Polak and Sergi exercised their options aggregating 112,498 shares of common stock at prices ranging from \$0.50 to \$0.84 per share. The net proceeds received by the Company totaled \$62,164.

EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL ARRANGEMENTS

Mr. Robert M. Davies. Mr. Davies was elected Chairman of the Board, President and Chief Executive Officer of the Company in May 1997. He had previously been a director of the Company from 1991 until 1994. He was compensated at the rate of \$5,000 per month under a one-year consulting agreement until June 1998, when he entered into an employment agreement at the same rate. Mr. Davies also received reimbursement of expenses incurred by him in carrying out his duties and responsibilities. In October 1998, Mr. Davies voluntarily took a 10% salary reduction, the aggregate amount of which was added to a subordinated note issued to him at the time of the Sterling Transaction. In December 1998, Mr. Davies also entered into a two-year employment agreement with Oakhurst Technology, Inc., a wholly owned subsidiary of the Company ("OTI"), that provided for an annual base salary of \$60,000, plus a car allowance. Both the Sterling and OTI employment agreements expired on February 28,

Edgar Filing: STERLING CONSTRUCTION CO INC - Form DEF 14A

2001. The Sterling employment agreement continued on a month-to-month basis until July 2001 when Mr. Davies resigned as an executive of the Company upon completion of the Sterling Transaction.

Mr. Patrick T. Manning. Mr. Manning is Chief Executive Officer of the Company. TSC employs Mr. Manning under a three-year employment agreement dated July 18, 2001. The agreement provides for a base annual salary of \$200,000 and Mr. Manning is entitled to receive an annual bonus of \$100,000 in respect of any fiscal year during which SHH achieves 75% or greater of approved budgeted Earnings Before Interest, Taxes, Depreciation and Amortization ("EBITDA") for such fiscal year, so long as budgeted EBITDA is at least equal to actual EBITDA achieved in the prior year. An additional incentive bonus is payable if actual performance exceeds budget. The agreement also provides that Mr. Manning shall be subject to a non-compete provision for two years after employment with SHH ceases; payment for which shall be \$1,000 per month for the twenty-four month period.

Mr. Joseph P. Harper Sr. Mr. Harper is President of the Company. TSC employs Mr. Harper under a three-year employment agreement dated July 18, 2001. The agreement provides for a base annual salary of \$200,000 for the first two years and \$170,000 for the third year. Mr. Harper is entitled to receive an annual bonus of \$100,000 in respect of any fiscal year during which SHH achieves 75% or greater of approved budgeted EBITDA for such fiscal year, so long as budgeted EBITDA is at least equal to actual EBITDA achieved in the prior year. An additional incentive bonus is payable if actual performance exceeds budget. The agreement also provides that Mr. Harper shall be subject to a non-compete provision for two years after employment with SHH ceases; payment for which shall be \$1,000 per month for the twenty-four month period.

Mr. Maarten D. Hemsley. Mr. Hemsley was employed by and was a director of the Company or SCPI for several years prior to 1995. In 1995, he resigned his positions with the Company and entered into a consulting agreement with the Company through his wholly-owned company, Bryanston Management, Ltd. In December 1998, Mr. Hemsley was elected to the Board of Directors and was appointed President, Chief Operating Officer and Chief Financial Officer of the Company subject to an employment agreement at the same rate of compensation as the Bryanston consulting agreement of \$85,000 per year (of which 10% was later deferred under a voluntary salary reduction, which deferral amount was converted into a subordinated note in July 2001). In December 1998, Mr. Hemsley also entered into a two-year employment agreement with OTI, which provided for an annual base salary of \$40,000, plus a car allowance. Both the Sterling and OTI employment agreements expired on February 28, 2001. The Sterling employment agreement continued on a month-to-month basis until July 2001, when, in connection with the closing of the Sterling Transaction the agreement was amended to extend the employment period for one year at an annual base salary of \$76,500. Mr. Hemsley's employment agreement was extended upon its expiration in July 2002.

Mr. Terrance W. Allan. SCPI has an employment agreement with Mr. Allan that commenced May 1, 2000 that provides for an annual base salary of \$133,000 with annual salary increases. The agreement provides for the payment of an annual management bonus based upon the defined profits of the Company's operating division. For fiscal years through 2001, the aggregate amount of such management bonus payable each year to the executive and to all other executives of SCPI was not to exceed 8% of such defined profits and the allocation thereof was made by the Compensation Committee of the Company based on recommendations of Mr. Bernard Frank, who until May 2002 was SCPI's Chief Executive Officer. Mr. Allan was also entitled to an executive bonus calculated as a percentage of defined annual profits of the Company that exceeded \$2,000,000. In fiscal 2002, SCPI's bonus arrangements were changed to provide for employee bonuses based on achievement of Board-approved budgets. The initial term of Mr. Allan's

Edgar Filing: STERLING CONSTRUCTION CO INC - Form DEF 14A

employment agreement expires on September 30, 2003, and may be extended thereafter on a year-to-year basis. In September 2001, Mr. Allan voluntarily deferred his annual contractual salary increase of \$7,000.

COMPENSATION OF DIRECTORS

Each director who is not an employee of the Company receives an annual fee of \$12,500. Directors receive no meeting fees, but are entitled to reimbursement for out-of-pocket expenses incurred in attending meetings.

REPORT OF THE AUDIT COMMITTEE FOR THE FISCAL YEAR ENDED DECEMBER 31, 2001

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Three independent directors, Messrs. Abernathy, Frickel and Mills are members of the Audit Committee. The Committee operates under a written charter adopted by the Board of Directors in June 2000. Management has the primary responsibility for the financial statements and the reporting process. The Company's independent auditors are responsible for expressing an opinion on the conformity of the Company's financial statements with generally

11

accepted accounting principles and whether the Company's financial statements present fairly, in all material respects, the financial position and results of operations of the Company.

In this context, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Accounting Standards No. 61 ("Communication with Audit Committees"). In addition, the Audit Committee has received from the independent auditors the written disclosures and the letter required by Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committees") and discussed with them their independence from the Company and its management.

In September 2001, the Company elected to change its independent auditors from Deloitte & Touche LLP to Grant Thornton LLP. The decision to change auditors arose after consummation of the Sterling Transaction in July 2001. As a result of the Sterling Transaction, the majority of the Company's operations consist of the operations of SHH; whose auditors were previously Grant Thornton.

The following table sets forth the aggregate fees billed to the Company for the year ended December 31, 2001 by its current independent auditors, Grant Thornton LLP:

Audit fees	\$153,082
Financial information systems design and implementation	--
All other fees	\$121,111

Audit fees include the fees for the separate audits of SCPI and SHH as well as the consolidated audit of the Company and resolution of issues that arose during

Edgar Filing: STERLING CONSTRUCTION CO INC - Form DEF 14A

the audit process.

Items included in the "All other fees" category include services related to an audit of SHH as of September 30, 2001, acquisition issues and other matters. The Audit Committee determined that services provided in the "All other fees" category did not impair the independence of Grant Thornton, LLP.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2001 for filing with the Securities and Exchange Commission.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION FOR FISCAL YEAR 2001

This report has been prepared by the Compensation Committee of the Board of Directors and addresses the Company's compensation policies with respect to the Chief Executive Officer and executive officers of the Company in general for the fiscal year ended December 31, 2001. All members of the Committee are non-employee directors. During fiscal 2001 the Company had no operating business of its own, but was a holding company of other operating businesses. The Company has elected to include in the Summary Compensation Table certain information concerning an executive officer of SCPI, Mr. Allan, who is not, however, an executive officer of the Company and accordingly, a discussion of his compensation is included here. Reference is made generally to the information under the heading "Employment Contracts and Termination of Employment and Change-in-Control Arrangements".

Compensation Policy. The overall intent for executive compensation is to establish levels of compensation that (i) provide appropriate incentives in order to command high levels of individual performance and thereby increase the value of the Company to its stockholders and (ii) are sufficiently competitive to attract and retain the skills required for the success and profitability of the Company. The principal components of executive compensation are salary, bonus and stock options.

Chief Executive Officer's Compensation. The compensation for Mr. Davies prior to July 2001 and Mr. Manning after July 2001 was determined to be appropriate by the members of the Committees serving at the time based on the

12

nature of the position; the expertise and responsibility that the position requires; the Chief Executive Officer's experience in former employment; and the subjective judgment of the members of the Committee of a reasonable level of compensation.

Other Executive Officers. Mr. Allan is included in the Company's disclosures relating to executive compensation because of his importance to the success of the Company on a consolidated basis. Mr. Allan's employment agreement was reviewed and approved by the Company's Compensation Committee and by the SCPI

Edgar Filing: STERLING CONSTRUCTION CO INC - Form DEF 14A

Compensation Committee.

Salary. Since all of the executive officers named in the Summary Compensation Table are long-term employees of the Company and/or SCPI and SHH, their salaries in fiscal 2001 were based on the level of their prior salaries and the subjective judgment of the members of the Company's and SCPI's Compensation Committees as to the value of the executive's past contribution and potential future contribution to the business.

Bonuses. Through fiscal 2001, the bonus payable to Mr. Allan under his employment agreement consisted of an Annual Management Bonus and an additional Annual Executive Bonus. The Annual Management Bonus was paid from a pool of funds equal to 8% of SCPI's consolidated net income before interest, taxes, depreciation and amortization, prepared in accordance with generally accepted accounting principles consistently applied. The allocation of the bonus pool was based on recommendations to SCPI's Compensation Committee. Effective in fiscal 2002, SCPI's bonus arrangements were changed to provide for employee bonuses based on achievement of Board-approved budgets.

The Annual Executive Bonus for Mr. Allan was equal to 1% of the amount by which SCPI's consolidated net income (defined in the same manner as for the Annual Management Bonus) exceeded \$2,000,000. SCPI's defined net income did not exceed the \$2,000,000 threshold in fiscal 2001, 2000 or 1999 and accordingly no Annual Executive Bonus was paid.

The bonus percentages and amounts contained in the executive officers' employment agreement are based on each executive's years of service, his perceived importance to the profitability of SCPI and the subjective judgment of members of the SCPI Compensation Committee as to the best balance between salary and bonus and what is fair and reasonable.

Bonuses payable to Mr. Manning and Mr. Harper are subject to achievement of certain financial targets, including meeting budgeted EBITDA, of SHH. In fiscal 2001, those objectives were not met, and accordingly, no bonuses were paid.

Stock Options. The Committee believes that stock ownership by executive officers is important in aligning management's and stockholders' interests in the enhancement of stockholder value over the long term. The exercise price of all outstanding stock option grants is equal to the market price of the common stock on the date of grant. In fiscal 2001, 3,700 options were granted each to Mr. Manning and Mr. Harper, in recognition of their performance.

Compliance with Internal Revenue Code Section 162(m). Section 162(m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to public companies for compensation over \$1 million paid to its chief executive officer and its four other most highly compensated executives. The Company's compensation payable to any one executive officer (including potential income from outstanding stock options) is currently and for the foreseeable future unlikely to reach that threshold. In addition, because of the significant net operating loss carryforwards of SCPI, the tax-deductibility of compensation payments is not currently an issue. However, should circumstances change, the Compensation Committee will study the matter and make recommendations to the Board of Directors.

The Compensation Committee: Robert W. Frickel, Chairman
 John D. Abernathy

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Until July 2001, Mr. Davies, Mr. Abernathy, Mr. Ross Pirasteh and Mr. Joel Lever were members of the Compensation Committees of both the Company and of SCPI. Beginning in July 2001, Messrs. Abernathy, Frickel and Mills became the members of the Compensation Committee of the Company. Mr. Abernathy and Mr. Davies serve on the Compensation Committee of SCPI. Prior to July 2001 Mr. Davies was an executive officer of the Company, but none of the Company's executive officers served as a director or member of the Compensation Committee (or any other committee serving an equivalent function) of any other entity, whose executive officers served as a director or member of the Company's Compensation Committee.

The Board of Directors intends that any transactions with officers, directors and affiliates will be entered into on terms no less favorable to the Company than could be obtained from unrelated third parties and that they will be approved by a majority of the Board of Directors who are independent and disinterested with respect to the proposed transaction.

In December 1998, KTI, Inc. (which subsequently merged into Casella Waste Systems, Inc. "Casella") ("KTI") purchased approximately 1.7 million shares of the Company's common stock, representing 35% of the common stock outstanding after the purchase, at the market price of \$0.50 per share. In conjunction with the private placement of stock, KTI committed under a loan agreement to lend the Company up to \$11.5 million (see Notes 1, 4 and 5 to the Consolidated Financial Statements in the Transition Report on Form 10-K) (the "KTI Loan"). Funding under the KTI Loan was used principally to enable OTI to invest in New Heights Recovery and Power, LLC ("New Heights"), which was to become a fully integrated recycling and waste-to-energy facility in Ford Heights, Illinois.

Pursuant to these transactions, in January 1999, KTI nominated two directors, Ross Pirasteh and Martin Sergi, to each of the Boards of Directors of Sterling and OTI. In March 2000, Mr. Jack Polak was elected to the Board of Directors as KTI's third nominee under the Investment Agreement between KTI and the Company. Due to significant and continuing losses at New Heights and Casella's decision to exit certain non-core activities, of which New Heights was deemed one, in April 2001 certain agreements (the "Unwinding Agreements") were signed among the Company, OTI, Casella and KTI. Pursuant to the Unwinding Agreements, the resignations of Messrs. Pirasteh, Sergi and Polak from the Board of Directors of the Company and OTI became effective on July 3, 2001.

In October 1999, certain shareholders of SHH exercised their right to sell a second tranche of equity to OTI, thus increasing OTI's equity ownership from 7% to 12%. The equity purchase was financed through the issuance of notes, of which an aggregate of \$559,000 was due to Mr. Davies and Mr. Hemsley in October 2000. The notes, which provided for interest payments at the rate of 14% per year, were extended by agreement until July 2001 when they were restructured pursuant to the Sterling Transaction.

See also "Compensation of Directors" and "Employment Contracts and Termination of Employment and Change-in-Control Arrangements."

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Pursuant to the agreements entered into between KTI and the Company in December 1998, KTI received the right to appoint directors to the Boards of the Company and its subsidiary, OTI. Three representatives from KTI were appointed to the Board of Directors; Messrs. Pirasteh and Sergi in January 1999, and Mr. Polak in March 2000, and two KTI representatives were appointed to the Board of Directors of OTI. Pursuant to the Unwinding Agreements, the resignations of Messrs. Pirasteh, Sergi and Polak from the Boards of Directors of the Company and OTI

Edgar Filing: STERLING CONSTRUCTION CO INC - Form DEF 14A

became effective on July 3, 2001.

In October 1999, certain shareholders of SHH exercised their right to sell a second tranche of equity securities to OTI thereby increasing the Company's consolidated equity ownership of SHH from 7% to 12%. The equity purchase was financed through the issuance of two notes. One of these notes in the amount of \$559,000 was issued to Mr. Davies (the "First Note") in which Mr. Hemsley had a participation of \$116,000. The second note in the amount of \$800,000 (the "Manning Note") was issued to James D. Manning, the brother of Patrick T. Manning and one of the SHH shareholders who sold SHH equity securities to OTI. The First Note provided for interest at 14% payable quarterly and was due in October 2000, but in fact, no interest payments were made and the First Note was not repaid in October 2000. In connection with the Sterling Transaction, accrued unpaid interest on the First Note of \$134,000 was added to the principal of the First Note, the maturity date of the First Note was extended to July 2005, and the interest rate was reduced to 12%. In connection with the Sterling Transaction, the Company also issued an additional four-year 12% promissory note to each of Messrs. Hemsley (\$136,421) and Davies (\$250,623) (the "Second Notes") to repay certain amounts due to them by the Company or OTI, including deferred compensation, the fee (and related interest) owed to them in connection with the acquisition of the second tranche of SHH equity in

14

October 1999, the fee due in July 2001 to them in connection with the Sterling Transaction and a fee for the extension of the First Note.

In connection with the Sterling Transaction, the maturity date of the Manning Note also was extended to July 2005 and the interest rate was reduced from 14% to 12%. In consideration for the extension of the maturity date and interest rate reduction, Mr. James D. Manning received a zero coupon promissory note payable July 2005 with principal and interest payable at maturity in the aggregate amount of \$187,000. Interest and principal on the First Note, the Second Notes and the Manning Note are payable prior to maturity only to the extent of cash available to Sterling for these payments and as permitted by lenders to Sterling or its subsidiaries.

After the Sterling Transaction, Mr. Harper and another executive of TSC purchased \$300,000 and \$100,000, respectively, of the Manning Note from Mr. James D. Manning. As a result, Mr. Harper now holds a separate note in the principal amount of \$300,000, an executive of TSC holds a separate note in the principal amount of \$100,000, and Mr. James D. Manning holds a note in the principal amount of \$400,000, in each case, on the same terms and conditions as the Manning Note.

Mr. James D. Manning is employed by an operating subsidiary of SHH under a three-year employment agreement commencing January 1999 pursuant to which he receives an annual salary of \$75,000 plus \$75.00 per hour for each hour worked in excess of 1,000 hours during any calendar year. In addition, Mr. Manning is entitled to receive incentive compensation in the amount of \$50,000 if certain financial goals are met. The employment agreement limits the ability of Mr. Manning to compete for a period of two years after he ceases to be an employee if he terminated his employment without good cause or the company terminated his employment for good cause, and for a period of one year after he ceases to be an employee if he terminated his employment for good reason or the company terminated his employment without good cause; provided that these

Edgar Filing: STERLING CONSTRUCTION CO INC - Form DEF 14A

non-competition obligations may be avoided by Mr. Manning if the Company terminates the employment agreement other than for good cause.

In 1996, Mr. Patrick Manning, Mr. Harper and Mr. James D. Manning loaned \$864,000 to SHH pursuant to notes bearing interest at the prime rate plus 2%. The final principal installments on these loans were paid in October 2001 to (i) to Mr. James D. Manning in the amount of \$240,000 plus accrued interest and (ii) to each of Mr. Patrick Manning and Mr. Harper in the amount of \$24,000 plus accrued interest.

NASCIT lent \$1,500,000 to SHH in connection with the Sterling Transaction pursuant to a short-term promissory note bearing interest at 12%. The note was paid in full on December 31, 2001. Mr. Mills is Chief Executive of NASCIT and was elected a director of SHH in January 1999, representing funds managed by JOHCM.

Since March 2001 Mr. Hemsley has provided consulting services to (and since May 2002 as an employee of) JOHCM as a manager of Leisure and Media Venture Capital Trust plc, a fund that was not an investor in the Sterling Transaction.

In December 2001, in order to strengthen SCPI's working capital position, Sterling obtained funding in the amount of \$500,000 from members of management and directors, including Messrs. Frickel, Harper and Hemsley, who loaned \$155,000, \$100,000 and \$25,000, respectively. These notes are convertible into shares of common stock of the Company at a conversion price of \$2.50 per share at any time prior to the maturity date of December 2004. The notes, which rank senior to debt incurred in the Sterling Transaction, bear interest at 12% which is payable monthly.

In July 2001, Mr. Robert Frickel was elected to the Board of Directors. Mr. Frickel serves as President of R.W. Frickel Company, P.C., an accounting firm based in Michigan. R.W. Frickel Company has performed certain accounting and tax services for SHH in the past. Fees paid or accrued to R.W. Frickel Company for the period that Sterling owned SHH through December 31, 2001 were approximately \$89,000.

PERFORMANCE GRAPH

The following graph compares the percentage change in the Company's cumulative total stockholder return on Common Stock for the last five years with (i) the Dow Jones Total Return Index, a broad market index, and (ii) the Dow Jones Heavy Construction Index, a group of companies whose marketing strategy is focused on a limited product line, such as civil construction, over the same period. Both indices are published in The Wall Street Journal.

The returns are calculated assuming the value of an investment in the Company's common stock and each index of \$100 on the Company's February 28, 1995 fiscal year end and that all dividends were reinvested into additional shares of common stock; however, the Company paid no dividends during the periods shown. The graph lines merely connect the beginning and end of the periodic measuring dates and do not reflect fluctuations between those dates. The historical stock performance shown on the graph is not intended to, and may not be indicative of, future stock performance.
