On October 18, 2004, UICI issued a press release announcing that, following a final approval hearing held on October 5, 2004, the U.S. District Court for the Northern District of Texas issued a final order and judgment approving the Company's previously announced settlement of a class action case originally filed in Mississippi and a representative action originally filed in California challenging the relationship between UICI's insurance companies and the membership associations that make available to their members the Company's health insurance products. Pursuant to the Court's order, among other things, the Court certified a nationwide settlement class of current and former MEGA and Mid-West insureds and current and former members of the associations, and the Court approved the terms of the previously announced settlement as fair, reasonable and adequate, and in the best interest of the settlement class.

A copy of the press release is furnished herewith as Exhibit 99.1 and incorporated herein by reference.
