Any proxy may be revoked by a shareholder prior to its exercise upon written notice to the Secretary of the Company, by delivering a duly executed proxy bearing a later date, or by the vote of a shareholder cast in person at the meeting. The cost of soliciting proxies will be borne by us. In addition to solicitation by mail, proxies may be solicited personally by our officers and regular employees or by telephone, facsimile, electronic transmission or express mail. We have also engaged Innisfree M&A Incorporated to assist in the distribution of proxy materials and the solicitation of votes as described below. We will pay Innisfree a fee of \$15,000 plus customary costs and expenses for these services. The Company has agreed to indemnify Innisfree against certain liabilities arising out of or in connection with its engagement. We will reimburse brokerage houses, banks and other custodians, nominees and fiduciaries for their reasonable expenses incurred in forwarding proxies and proxy material to their principals. **VOTING**

Holders of record of our Common Stock at the close of business on November 19, 2008, will be entitled to vote at the Annual Meeting or any adjournments or postponements thereof. As of November 19, 2008, there were 16,664,232 shares of Common Stock outstanding and entitled to vote, and a majority, or 8,332,117 of these shares, will constitute a quorum for the transaction of business. Each share of Common Stock entitles the holder to one vote on each matter that may properly come before the meeting. Shareholders are not entitled to cumulative voting in the election of directors. For shares held through a broker or other nominee that is a New York Stock Exchange member organization, if a matter to be voted on is considered routine, the broker has discretion to vote the shares. If the matter to be voted on is determined to be non-routine, the broker may not vote the shares without specific instruction from the shareholder.

**PROPOSAL NO. 1**

**ELECTION OF DIRECTORS**

The Board of Directors is comprised of eight directors. The directors are divided into three classes, one class with two directors and two classes with three directors each. One class is elected each year for a three-year term. The three nominees recommended by our Nominating and Corporate Governance Committee and nominated by the Board of Directors for election as Class III directors to serve until the Annual Meeting of Shareholders in 2012, or until their respective successors are elected and qualified, are William A. Furman, Charles J. Swindells and C. Bruce

Ward. Directors are elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors. The three nominees for director receiving the highest number of votes will be elected to the Board of Directors.

Unless marked otherwise, proxies received will be voted FOR the election of the three nominees.

If a nominee is unable or unwilling to serve as a director at the date of the Annual Meeting or any adjournment or postponement thereof, the proxies may be voted for a substitute nominee, designated by the proxy holders or by the present Board of Directors to fill such vacancy, or for the other nominee named without nomination of a substitute, or the number of directors may be reduced accordingly. The Board of Directors has no reason to believe that any of the nominees will be unwilling or unable to serve if elected a director.

Under Oregon law, the directors who receive the greatest number of votes cast will be elected directors. Abstentions and broker non-votes will have no effect on the results of the vote.

**The Board of Directors recommends a vote FOR the election of Messrs. Furman, Swindells and Ward.**

The following table sets forth certain information about each nominee for election to the Board of Directors and each continuing director.

Non-management Board members meet without management present at least once annually at a regularly scheduled executive session. The Company's independent directors generally meet periodically in executive session in conjunction with meetings of the committees of the Board of Directors which are composed entirely of independent directors. The regular executive sessions of the Company's non-management directors are held on an annual basis, after the end of each fiscal year of the Company, and are scheduled to approximately coincide with (either immediately before or immediately after) the first regularly scheduled meeting of the Nominating and Corporate Governance Committee to be held after the end of each fiscal year of the Company. Each of the members of these committees is an independent director as defined under the rules of the Securities and Exchange Commission and the corporate governance standards applicable to companies listed on the New York Stock Exchange.

## **Independence of Directors**

The Board has determined that a majority of its directors qualify as independent directors pursuant to the rules adopted by the Securities and Exchange Commission and the corporate governance standards applicable to companies listed on the New York Stock Exchange. Applying the New York Stock Exchange definition of independence, the Board has determined that the following majority of directors qualify as independent: Messrs. Jack, McDougall, Swindells, Washburn and Whiteley.

During 2008, the Nominating and Corporate Governance Committee (the Nominating Committee) fulfilled its responsibilities under its charter, including, among other responsibilities, selecting, or recommending that the Board select, director nominees to be presented for election at annual meetings of shareholders; developing and recommending to the Board of Directors corporate governance principles applicable to the Company; and developing and overseeing programs for the evaluation of the Board of Directors, its committees and management. The Board annually reviews applicable standards and definitions of independence for Nominating Committee members and has determined that each member of the Nominating Committee meets such standards.

The Nominating Committee receives suggestions for potential director nominees from many sources, including members of the Board, advisors, and shareholders. Any such nominations, together with appropriate biographical information, should be submitted to the Nominating Committee in accordance with the Company's policies governing submissions of nominees discussed below. Any candidates submitted by a shareholder or

## **Table of Contents**

shareholder group are reviewed and considered by the Nominating Committee in the same manner as other candidates.

Qualifications for consideration as a nominee for the Board of Directors vary, depending upon the experience and background of incumbent directors as well as particular areas of expertise which the Nominating Committee desires to obtain for the benefit of the Company. The Nominating Committee has identified the following criteria, among others, as appropriate for consideration in identifying Board candidates:

Financial acumen and experience

Continuing activity in the business community

Age and maturity

Diversity considerations

Background in manufacturing or related industries

Upon completion of the review process, the Nominating Committee makes its recommendation to the full Board of Directors. The Board then selects candidates for nomination for election by shareholders or appointment to fill vacancies.

We do not currently employ an executive search firm, or pay a fee to any other third party, to locate qualified candidates for director positions.

A shareholder wishing to nominate a candidate for election to the Company's Board of Directors at any annual meeting at which the Board of Directors has determined that one or more directors will be elected should submit a written notice of his or her nomination of a candidate to the Nominating Committee of the Company in accordance with the procedures described in this Proxy Statement under Shareholder Proposals.

## **Communication with Directors**

Shareholders and other interested parties may communicate with members of the Board of Directors by mail addressed to the Chairman, to any other individual member of the Board, to the full Board, to the non-management directors as a group, or to a particular committee of the Board. In each case, such correspondence should be sent to the Company's headquarters at One Centerpointe Drive, Suite 200, Lake Oswego, OR 97035. Such communications are distributed to the Board, to one or more individual members of the Board, to the non-management directors as a group, or to a particular committee of the Board, as appropriate.

In such event, any such use will be subject to Greenbrier's travel and entertainment policy, and the fees paid to the management company will be no less favorable than would have been available to Greenbrier for similar services provided by unrelated parties.

*Policy.* We follow a policy that all proposed transactions by us with directors, officers, five percent shareholders and their affiliates be entered into only if such transactions are on terms no less favorable to us

There are no express provisions in the Charter delegating Compensation Committee authority to any other person.

The Compensation Committee is comprised of at least two members of the Board of Directors, none of whom may be an active or retired officer or employee of the Company or any of its subsidiaries. Members of the Compensation Committee are appointed annually by the Board of Directors. Messrs. Graeme A. Jack, Duane C. McDougall, Charles J. Swindells, Donald A. Washburn, and Benjamin R. Whiteley were the members of the Compensation Committee during fiscal 2008. Mr. Swindells is the Chairman of the Compensation Committee. The Compensation Committee held six meetings during the year ended August 31, 2008.

### **Compensation Committee Interlocks and Insider Participation**

During the last completed fiscal year, no member of the Compensation Committee was an officer or employee of the Company or any of its subsidiaries, was formerly an officer or employee, or had a relationship with the Company requiring disclosure as a related party transaction.

### **Compensation Discussion and Analysis**

#### ***Philosophy***

The Board of Directors and executive management at The Greenbrier Companies, Inc. (the Company) believes that the performance and contribution of its executive officers are critical to the overall success of the Company. To attract, retain, and motivate the executives necessary to accomplish the Company's business strategy, the Compensation Committee believes that:

Compensation levels should be sufficiently competitive to attract, retain and motivate highly qualified executives and employees.

Compensation should reflect position and responsibility.

Compensation should be linked to performance and should reinforce cooperation and teamwork in achieving business success.

Compensation for executives and key employees should be weighted toward incentive compensation and equity grants.

Incentive compensation should be flexible, responsive to the Company's cyclical business environment, and strike a balance between short-term and long-term performance.

## **Table of Contents**

Equity grants should be targeted to senior management and key employees and should be issued on a recurring basis considering market conditions.

The tax deductibility of compensation should be maximized and administrative costs should be minimized through simplified program structures.

The Compensation Committee believes executive compensation packages provided by the Company to its executives should include both cash and equity-based compensation. Our executive compensation program is intended to have sufficient flexibility to help achieve the goals of each business segment, but within the overall objectives and performance of the Company as a whole. Individual executive compensation is based upon contribution to the organization, experience and expertise, unique skills and other relevant factors. The Compensation Committee discusses with the Chief Executive Officer ( CEO ) annually the performance of each executive officer (other than the CEO, whose performance is reviewed by the Compensation Committee), and based upon these discussions, makes compensation decisions, including salary adjustments and incentive award amounts. The CEO plays a significant role in the compensation-setting process. The CEO evaluates the performance of the other executive officers and makes recommendations regarding salary and incentive awards for the other executive officers.

### ***Use of Compensation Consultants***

The Compensation Committee has directly engaged Mercer Human Resource Consulting ( Mercer ) as a compensation consultant. Mercer reports directly to the Compensation Committee and is responsible for providing advice and counsel to the Compensation Committee on program design and compensation issues. The Compensation Committee also looks to Mercer for assistance in determining a peer group for comparison of executive compensation. The Committee believes that information regarding compensation at peer companies is useful, as it understands that the Company's compensation practices must be competitive in the marketplace. However, the level of specific elements of compensation awarded by peer companies is only one of the many factors that the Company considers in assessing the reasonableness of the compensation of executive officers.

### ***Compensation Summaries***

The Compensation Committee reviews the total annual compensation received by each executive officer, including base salary, cash bonuses, long-term incentives, accumulative realized and unrealized stock option and restricted stock gains, dollar value of perquisites and other personal benefits, and post-employment benefits, including actual current payment obligations of the Company in order to fund the Company's obligations under the supplemental executive retirement plan. The Compensation Committee uses compensation summaries which include dollar amounts for each of the named executive officers to facilitate this review.

### ***Elements of Executive Compensation***

For the year ended August 31, 2008, the principal components of compensation for executive officers were:

Base salary;

Short-term incentive cash bonuses;

Long-term incentive restricted stock awards;

Retirement and insurance benefits;

Perquisites and other personal benefits; and

Post-employment benefits.

## **Table of Contents**

### ***Base Salary***

Base salaries are determined for each executive based on his or her position and responsibilities relative to other executive officers and are, in some cases, determined pursuant to negotiated employment agreements. We regularly monitor competitive compensation rates in local and industry-specific markets, and take that information into account in setting and reviewing base salaries. Salary levels are typically reviewed annually as part of the Company's performance review process as well as upon an executive's promotion or other change in responsibility. Merit-based increases to salaries are based on an assessment of the individual executive's performance.

### ***Short-Term Incentives Cash Bonuses***

Cash bonuses are intended to provide executive officers with an opportunity to receive additional cash compensation based upon Company and individual performance. The bonus program provides the Compensation Committee with the latitude to award cash incentive compensation to executive officers as a reward for the growth and profitability of the Company and places a significant percentage of each executive officer's compensation at risk.

Mr. Furman's annual bonus is determined based upon the Company's return on shareholders' equity, pursuant to a formula set forth in his employment agreement, as described below under the heading *Employment Agreements and Other Arrangements*. Mr. Furman's employment agreement has been approved by the Company's shareholders, and his annual bonus is considered to be performance-based, non-equity incentive plan compensation. For the year ended August 31, 2008, the minimum return on shareholders' equity requirements were not met, and accordingly, Mr. Furman did not receive a bonus. Annual bonuses paid to named executive officers other than Mr. Furman are discretionary and are recommended to the Compensation Committee for approval by Mr. Furman based on non-formulaic assessments of individual performance against objectives, including performance of the business unit or other corporate function for which the executive officer is responsible. External market and other factors beyond the control of the executive officer are generally not considered in evaluating performance.

### ***Long-Term Incentive Restricted Stock Awards***

Awards of restricted stock form the basis of the Company's long-term incentive program, which is intended to retain and motivate executives over the long term, and align their interests with the interests of the Company's shareholders. The long-term incentive program is designed to emphasize the need for executives to focus on the long-range strategic goals of the Company.

Stock-based awards are made pursuant to the Company's 2005 Stock Incentive Plan, which is administered by the Compensation Committee. Pursuant to the 2005 Stock Incentive Plan, an aggregate of 1,300,000 shares of Common Stock were reserved for grants of incentive stock options, non-qualified stock options and restricted stock awards to officers, directors, employees, and consultants. As of August 31, 2008, 260,337 shares of Common Stock remained available for grant under the 2005 Stock Incentive Plan. The Company is now seeking the approval of shareholders to increase the shares available for grant under the 2005 Stock Incentive Plan by 525,000 shares. See proposal number 2 in this Proxy Statement.

Most restricted stock awards granted in recent years and certain restricted stock awards granted in 2008 vest over a period of five years in annual increments of 20 percent of each award. Most of Mr. Furman's 2008 restricted stock award, and certain restricted stock awards made to other executive officers in 2008, vest over a three-year period, contingent on achievement of revenue growth, earnings growth, and return on equity targets. Vesting of the portion of Mr. Furman's restricted stock award that is subject to the achievement of performance goals is further conditioned on sufficient progress being made in CEO succession planning.

The Compensation Committee is committed to granting a substantial portion of equity awards (at least 50%) to named executive officers based upon performance vesting criteria and that the performance criteria measured will be disclosed in the proxy statement for each annual meeting of shareholders. The performance-based vesting conditions are designed to further align long-term incentive compensation with achievement of goals that will have long-term benefits for the Company's shareholders.

## **Table of Contents**

The Company awarded restricted stock grants totaling 443,387 shares under the 2005 Stock Incentive Plan during fiscal 2008, including 202,000 shares awarded to the Company's named executive officers as disclosed in the Grants of Plan-Based Awards Table and described in the accompanying narrative.

The Compensation Committee also administers the Company's Stock Incentive Plan 2000 (the 2000 Plan) under which an aggregate of 1,000,000 shares of Common Stock were reserved for option and restricted stock awards to officers, directors, employees, and consultants. There are 2,500 shares available for issuance under the 2000 Plan. No awards were made under the 2000 Plan in fiscal 2008.

### ***Executive Retirement and Insurance Benefits***

#### ***Target Benefit Plan***

Certain of the Company's named executive officers other than Mr. Furman participate in a supplemental retirement benefit plan maintained by a Company subsidiary, the Greenbrier Leasing Company LLC Manager Owned Target Benefit Plan (the Target Benefit Plan). The Target Benefit Plan provides for supplemental retirement income compensation for participating executives. It is not a deferred compensation plan nor a tax-qualified retirement plan; contributions made on behalf of executives under the Target Benefit Plan are taxed to the participating executives currently. The Target Benefit Plan is designed to provide supplemental retirement income to executives in an amount equal to 50% of the executive's final base salary, although no level of benefits is guaranteed under the Target Benefit Plan. Contributions by the Company to the Target Benefit Plan are used to purchase annuity contracts that are owned by participating executives. In order to determine the Company's contribution under the Target Benefit Plan, the Company projects the executive's annual salary at age 65 by taking the executive's current annual base salary, adjusting it for assumed future salary increases including cost of living increases, compounded annually, until the executive reaches age 65. Using that projected annual salary at age 65, the Company determines the amount of annuities necessary, in light of prior annuity purchases and future anticipated purchases, to reach the target benefit of 50% of final year base salary. The Company, however, has discretion to purchase, or not purchase, annuities in any given year sufficient to cover such estimated target benefits for plan participants. The normal form of annuity benefit payments are monthly payments commencing at age 65 and continuing for 180 months. Participants may elect a different form of payment and benefit commencement date, but the amount of benefits received in such alternate form will be actuarially equivalent to the amount payable in the normal benefit form. Contributions related to the Target Benefit Plan amounted to \$1.2 million for fiscal 2008. Included in this amount are payments to be made on behalf of participating executives to help defray the executives' income tax liability resulting from the Company's contributions on their behalf under the Target Benefit Plan. Upon a change of control (as defined in the Target Benefit Plan), the Company's obligation to make contributions on executives' behalf is accelerated.

#### ***Executive Life Insurance***

The Company provides an executive life insurance program to certain executives, including the named executive officers, whereby the Company has agreed to pay the premiums on life insurance policies insuring the executives' lives, to recognize such premium payments as compensation to the executives, and to pay the executives an additional bonus to help defray the executives' income tax liability resulting from the payment of such premiums being treated as current compensation. Mr. Furman does not participate in the executive life insurance program.

Mr. Furman's employment agreement provides for a supplemental retirement benefit of \$407,000 per year, payable until age 70. Of this payment, \$185,000 is intended to defray the premiums on a life insurance policy insuring his life and the remainder, \$222,000, is intended to defray the income taxes resulting from treating this payment as compensation. The Company remits \$185,000 of the benefit amount to the trustee of a trust that holds the life insurance policy for payment of the annual premium. The Company directly remits the remaining \$222,000 to the

appropriate state and federal tax authorities.

**Table of Contents**

***Perquisites and Other Personal Benefits***

The Company provides executive officers with perquisites and other personal benefits that the Company and the Compensation Committee believe are reasonable and consistent with its overall compensation program goal of enabling the Company to attract, retain, and motivate employees for key positions. The Company is selective in its use of perquisites, utilizing perquisites that are commonly provided, the value of which is generally modest. The Compensation Committee periodically reviews the levels of perquisites provided to executive officers. The primary perquisites are use of Company-owned automobiles and payment of club membership dues. During fiscal 2006 the Compensation Committee approved the establishment of an Executive Home Sale Assistance Program and adopted guidelines for the program, under which the Company will assist selected transferred or newly hired executives in selling their homes, in order to facilitate a successful relocation of the executive.

**Compensation Committee Report**

As required by Item 407(e)(5) of Regulation S-K, the Compensation Committee reviewed and discussed with the Company's management the above Compensation Discussion and Analysis prepared by the Company's management as required by Item 402(b) of Regulation S-K. Based on the review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

(2) The amount shown is the stock based compensation expense recognized by the Company in fiscal years 2008 and 2007 for restricted stock granted to the named executive officers as determined pursuant to FAS 123R. Amounts shown do not reflect compensation actually received by the named executive officers who received restricted stock grants during fiscal years 2008 and 2007, nor does it necessarily reflect the actual value that will be realized

by them if and when the restricted stock awards vest. The assumptions used to calculate the value of restricted stock awards are set forth under Note 2 Summary of Significant Accounting Policies to the Company's consolidated financial statements included in our Annual Reports on Form 10-K for the fiscal years ended August 31, 2008 and August 31, 2007.

- (3) See All Other Compensation Table below for detail on amounts included in this column, which include perquisites, contributions to the Target Benefit Plan, tax reimbursement payments, Company match on executive contributions to the 401(k) plan, executive life insurance program benefits and various other compensation amounts.

- (1) The Company amended its 2005 Stock Incentive Plan effective April 3, 2007 to provide that fair market value will be determined based upon the closing price of the Company's stock on the date of grant. Prior to that amendment, the Plan provided that fair market value would be determined based on the mean of the high and low

sales price of the Company's stock on the date of grant or, if no prices were reported on such date, the most recent preceding date on which prices were reported. All restricted awards made during fiscal 2008 are subject to the terms of the Plan as amended, and are valued using the closing price of the Company's stock on the date of grant.

### **Material Terms of Employment Agreements and Other Arrangements**

The Company has employment agreements with each of the named executive officers except Mr. Centurion.

Pursuant to the terms of his employment agreement, entered into effective September 1, 2004, as amended, Mr. Furman received a base salary at an annual rate of \$750,000 during fiscal year 2008. Base salaries for Mr. Bisson, Mr. Brady, Mr. Stuckey and Mr. Rittenbaum also are determined pursuant to the terms of employment agreements entered into with each of those officers respectively on May 11, 2006, March 2, 2007, February 15, 2004, June 26, 2007 and April 7, 2006, in each case (if applicable) as amended, or as amended and restated. In fiscal year 2008, Mr. Bisson's base salary was \$265,000, Mr. Brady's base salary was \$285,000, Mr. Stuckey's base salary was \$260,000 and Mr. Rittenbaum's base salary was \$285,000. In each case, the base salary may be adjusted annually by the Chief Executive Officer and the Compensation Committee.

**Table of Contents**

Mr. Furman's annual bonus is determined based upon the Company's return on shareholders' equity, pursuant to a formula set forth in his employment agreement. If the Company's return on equity ( ROE ) is less than 10%, no cash bonus is paid. If the ROE is at least 10%, Mr. Furman is entitled to receive a bonus equal to 36% of annual base salary; if ROE is at least 12% but less than 14%, the bonus is equal to 54% of base salary; if ROE is at least 14% but less than 16%, the bonus is equal to 72% of base salary; if ROE is at least 16% but less than 18%, the bonus is equal to 110% of base salary; and if ROE is 18% or greater, the bonus is equal to 150% of base salary. The return on equity in fiscal 2008 was 7.75%. Accordingly, Mr. Furman did not receive a bonus for the year ended August 31, 2008. The Compensation Committee has discretion to decrease the amount of the bonus by up to 50%, based upon the Chief Executive Officer's performance.

Pursuant to the terms of their employment agreements, each of Messrs. Bisson, Stuckey and Rittenbaum may receive an annual target bonus equal to 50% of his base salary, with greater or lesser amounts payable based on performance as determined by the Chief Executive Officer, in consultation with the Compensation Committee. Mr. Brady is eligible to receive annual discretionary cash bonuses in accordance with the Company's practice applicable to other senior executive officers, pursuant to the terms of his employment agreement.

Employment agreements with Messrs. Furman, Brady, Bisson, Rittenbaum and Stuckey provide for certain payments and benefits in the event the executive's employment is terminated by the Company without cause, and, except in the case of Mr. Brady, provide for payments and benefits in the event that the executive is terminated following a change in control of the Company. Details of the payments and benefits triggered by different termination events are discussed and disclosed in tabular format under the heading "Potential Post-Termination Payments," following the Equity Compensation Plan Information table.

Effective January 8, 2008, the Company entered into a second amended and restated employment agreement with Mr. Brady, who served as Senior Vice President and Chief Financial Officer of the Company until January 8, 2008. The employment agreement provides that the Company is employing Mr. Brady as a non-officer employee for a term beginning January 8, 2008 and ending August 31, 2008. The employment agreement further provides that Mr. Brady will, for a period of 60 months following expiration of the initial term, provide services to the Company on an as-needed basis as requested by the Company's Chief Executive Officer.

The employment agreement provides that during the initial term the Company will pay Mr. Brady a base salary at an annualized rate of \$285,000 per year. The employment agreement provides that during the extended term, which began September 1, 2008, the Company will pay Mr. Brady an annual base salary of \$120,000.

**Potential Post-Termination Payments****Benefits Triggered upon Termination Following a Change of Control**

Employment agreements entered into with Mr. Furman, Mr. Rittenbaum, Mr. Stuckey and Mr. Bisson provide for certain benefits to these officers if the officer's employment is terminated by us without cause or by the officer for good reason within 24 months after a change in control of the Company, or if the officer terminated his employment for any reason during the 30-day period immediately following the first anniversary of the change of control. Mr. Centurion has a Change of Control Agreement that provides for substantially the same benefits upon his termination of employment under these scenarios. Mr. Brady's employment agreement does not provide for special benefits in the event of a change of control.

In the above-described agreements, change of control generally is defined to include the acquisition by any individual, entity or group of 30 percent or more (in the case of Mr. Stuckey's and Mr. Bisson's employment agreements, 50 percent or more) of our stock, consummation of a merger or consolidation that results in 50 percent or more of our stock being owned by persons who were not stockholders prior to the transaction, a sale of substantially all of our assets, the dissolution or liquidation of the Company, or replacement of a majority of the members of the Board by individuals whose nomination, election or appointment was not approved by the incumbent Board.

Although the individual employment agreements and Mr. Centurion's Change of Control Agreement contain some negotiated differences in the definitions of terms, cause generally is defined to include gross negligence or willful misconduct in the performance of material duties, conviction of or a plea of no contest to certain crimes, conduct involving moral turpitude, and failure to carry out reasonable, material directives. Good reason generally is defined to include a change in position or responsibilities that does not represent a promotion, a decrease in compensation, and a home office relocation of over 35 miles.

The following table shows the estimated change of control benefits that would have been payable to the Named Executive Officers if a change of control (as defined in the applicable agreement) had occurred on August 31, 2008 and, except as noted, each officer's employment had been terminated on that date either by us without cause or by the officer with good reason.

- (1) **Cash Severance Benefit.** The employment agreements with Mr. Furman and Mr. Bisson provide for cash severance payments equal to three times the sum of their current base salary plus the average of the last two years' cash bonus payments. The agreements with Mr. Rittenbaum, Mr. Stuckey and Mr. Centurion provide for a payment equal to two and one half times the sum of his current base salary plus the average of the two most recent annual bonuses (the average bonus amount). Messrs. Bisson, Stuckey and Rittenbaum are also entitled to receive a pro-rated bonus for the year of termination, based on the average bonus amount and the number of days worked during the year of termination. Since it is assumed that termination is on August 31, 2008, the cash severance benefit amount includes 100% of the average bonus amount, in addition to the multiples of salary and bonus described above. All payments are to be made in a single lump sum within 30 days after the date of termination.
- (2) **Insurance Continuation.** If cash severance benefits are triggered, the employment agreements with Messrs. Bisson, Stuckey and Rittenbaum, and the Change of Control Agreement with Mr. Centurion, also provide that we will pay the cost of all health and welfare benefits paid for by us at the time of termination for up to 24 months following the termination of employment (in Mr. Centurion's case, for up to 30 months following termination of employment), except to the extent similar benefits are provided by a subsequent employer. The employment agreement with Mr. Furman provides for continuation of health and welfare benefits for up to 36 months following termination of employment. The amounts in the table above represent 12 months of life, accident and health insurance premium payments at the rates paid by us for each of these officers as of August 31, 2008.
- (3) **Restricted Stock Acceleration.** All unvested shares of restricted stock subject to time vesting provisions (time-based shares) held by Messrs. Furman, Bisson, Centurion, Rittenbaum and Stuckey will automatically vest upon death, disability or retirement. In addition, all time-based shares held by Messrs. Bisson, Rittenbaum and Stuckey will immediately vest upon the Company's termination of the executive other than for cause or other than in the event of a change of control of the Company (as such terms are defined in the executives' respective employment agreements). In the event of a change of control of the Company (as defined in the executives' respective employment agreements), all time-based shares held by Messrs. Bisson, Rittenbaum and Stuckey will vest upon (i) the Company's termination of the executive other than for cause or the executive's termination of his employment for good reason (as such terms are defined in the executives' respective employment agreements) following the change of control (in the case of Mr. Rittenbaum, if such termination occurs during the two-year period following the change of control) or (ii) the executive's termination of his employment without reason during the 30 days following the first anniversary of the change of control. Following a change of control of the Company (as defined in Mr. Centurion's Change of Control Agreement), time-based shares held by Mr. Centurion will vest upon (i) the Company's termination of Mr. Centurion other than for cause or disability during the change of control period (as such terms are defined in his Change of Control Agreement) or (ii) Mr. Centurion's termination of his employment for good reason (as defined in his Change of Control Agreement) during the change of control period or without reason during the 30 days following the first anniversary of the change of control.

All unvested shares of restricted stock subject to performance vesting provisions (performance-based shares) held by Messrs. Furman, Bisson, Centurion, Rittenbaum and Stuckey will automatically vest (i) upon death or disability or (ii) on January 7, 2011 if a change of control (as defined in the Company's 2005 Stock Incentive Plan) occurs prior to August 31, 2010. In addition, all performance-based shares held by Messrs. Bisson, Rittenbaum and Stuckey will immediately vest upon the Company's termination of the executive other than for cause or other than in the event of a change of control of the Company (as such terms are defined in the executives' respective employment agreements). In the event of a change of control of the Company (as defined in the executives' respective employment agreements), all performance-based shares held by Messrs. Bisson, Rittenbaum and

Stuckey will vest upon (i) the Company's termination of the executive other than for cause or the executive's termination of his employment for good reason (as such terms are defined in the executives' respective employment agreements) following the change of control (in the case of Mr. Rittenbaum, if such termination occurs during the two-year period following the change of control) or (ii) the executive's termination of his employment without reason during the 30 days following the first anniversary of the change of control. Following a change of control of the Company (as defined in

**Table of Contents**

Mr. Centurion's Change of Control Agreement), performance-based shares held by Mr. Centurion will vest upon (i) the Company's termination of Mr. Centurion other than for cause or disability during the change of control period (as such terms are defined in his Change of Control Agreement) or (ii) Mr. Centurion's termination of his employment for good reason (as defined in his Change of Control Agreement) during the change of control period or without reason during the 30 days following the first anniversary of the change of control. The amounts in the table above represent the number of shares of unvested restricted stock multiplied by a stock price of \$20.05 per share, which was the closing price of our Common Stock on August 31, 2008. The expense that the Company would record would differ from the amount above as under FAS 123R the amount of unamortized expense is based upon the stock price as the date of grant not at vesting.

- (4) **Retirement Benefit.** Pursuant to his employment agreement, the Company will make an annual payment to Mr. Furman in the amount of \$407,000 until he attains age 70, regardless of whether Mr. Furman's employment terminates prior to that date. Pursuant to his employment agreement, the Company will make an annual payment to Mr. Furman in the amount of \$407,000 until he attains age 70, regardless of whether Mr. Furman's employment terminates prior to that date. Of this payment, \$185,000 is intended to defray the premiums on a life insurance policy insuring his life and the remainder, \$222,000, is intended to defray the income taxes resulting from treating this payment as compensation. This benefit is provided in place of any executive life insurance or other supplemental retirement benefit.
- (5) **Target Benefit Plan Benefit.** Under the terms of the Target Benefit Plan, in the event of a change in control of the Company (as defined in the Target Benefit Plan), the Company is obligated to contribute to the Plan on behalf of each participating Named Executive Officer an amount equal to the discounted present value of the contributions that would have been required had the executive remained employed until age 65 (Normal Retirement Age under the Target Benefit Plan). Therefore, in the event that a participating executive's employment is terminated following a change in control (as defined in the Target Benefit Plan), the executive will receive a monthly retirement benefit equal to the benefit he would have received if he had remained employed until age 65. The amount shown in the table above is the purchase price of the amount of the additional annuity to be purchased so that the aggregate annuities result in a payment equal to the amount of the estimated annual target benefit payable to the executive under the Target Benefit Plan, assuming that the executive terminated employment as of August 31, 2008 following a change in control (as defined in the Target Benefit Plan). Monthly benefits commence when the executive attains age 65 and continue for 15 years (180 months) from that date.
- (6) **Other.** Pursuant to their employment agreements, the Company will provide Messrs. Bisson, Rittenbaum and Stuckey with continuation of the Company's customary automobile benefit at the Company's expense, for a period of two years following termination of employment. Pursuant to his employment agreement, Mr. Furman will continue to receive the Company's customary automobile benefit for three years following termination of employment. Pursuant to his Change of Control Agreement, Mr. Centurion will continue to receive tax preparation services as well as the Company's customary automobile benefit for two and one half years following termination of employment. For each executive other than Mr. Centurion, the amount above represents the cost of the post-termination automobile benefit for the applicable period, based on the current annual cost of the executive's leased car. For Mr. Centurion, the amount above represents the cost of post-termination tax preparation and automobile benefits for two and one half years, based on the current annual cost of Mr. Centurion's tax preparation services and leased car.
- (7) **Consulting Arrangement.** Pursuant to Mr. Bisson's employment agreement, the Company will enter into a consulting agreement with Mr. Bisson for a period of 60 months following his termination of employment, which provides for payment of \$1,000 per month for consulting services not to exceed 20 hours per month, and the provision of medical, dental and vision coverage for Mr. Bisson and his dependents during that period, provided such coverage is available for non-employee consultants under the Company's group health plans. The Company

will pay the cost of COBRA coverage for the maximum period of time available following the end of the consulting period, and will thereafter provide Mr. Bisson and his spouse with health benefits until each of them becomes eligible for Medicare, up to a maximum cost per person of \$2 million.

- (8) **280G Capped Amount.** Under all of the change of control provisions described above, the amount of change of control benefits each officer will receive are capped at an amount that will prevent any payments being non-deductible under section 280G of the Internal Revenue Code of 1986, as amended (the Code ) or subject to

**Table of Contents**

excise tax under Code section 4999. The amounts shown in this column are the capped amounts, which are equal to one dollar less than the product of three-times the amount of the officers' base amount, which, as calculated under Code section 280G, is equal to the average of the officer's W-2 wages over the five-year period preceding the change of control event (or such shorter period as the officer has been employed by the Company).

**Benefits Triggered on Involuntary Termination of Employment without Cause**

The following table shows the estimated benefits that would have been paid to each of the Named Executive Officers if the officer's employment had been terminated on August 31, 2008, either by us without cause or, with respect to certain benefits, by the officers with good reason, pursuant to the terms of such officer's employment agreement with the Company.

- (1) **Cash Severance Benefit.** Employment agreements with each of Messrs. Furman, Bisson, Stuckey and Rittenbaum provide for lump sum cash severance payments equal to two times the sum of base salary plus the average bonus amount. Messrs. Bisson, Stuckey and Rittenbaum also are entitled to receive a pro-rated bonus for the year of termination, based on the average bonus amount and the number of days worked during the year of termination. Since it is assumed that termination is on August 31, 2008, the cash severance benefit amount includes 100% of the average bonus amount, in addition to the multiples of salary and bonus described above. Mr. Brady is entitled to receive a lump sum cash severance benefit equal to his base salary for the remainder of the term of his agreement with the Company plus \$2,000 per month for the remainder of the term to defray the cost of employee benefits during that period. All payments are to be made in a single lump sum within 30 days after the executive signs a release of claims against the Company.
- (2) **Insurance Continuation.** Employment agreements with Messrs. Furman, Bisson, Rittenbaum and Stuckey also provide for continuation of life, accident and health insurance benefits paid by us for up to 24 months following the termination of employment, except to the extent similar benefits are provided by a subsequent employer. The amounts in the table above represent 12 months of life, accident and health insurance premium payments at the rates paid by us for each of these officers as of August 31, 2008.
- (3) **Restricted Stock Acceleration.** All unvested shares of restricted stock will immediately vest upon termination of each Named Executive Officer (other than Mr. Centurion) by the Company without cause, under the terms of the officers' employment agreements. Information regarding unvested restricted stock held by the Named Executive Officers is set forth in the Outstanding Equity Awards table above. The amounts in the table above represent the number of shares of unvested restricted stock multiplied by a stock price of \$20.05 per share, which was the closing price of our Common Stock on August 31, 2008. The expense that the Company would record would differ from the amount above as, under FAS 123R, the amount of unamortized expense is based upon the stock

price on the date of grant and not on the vesting date.

- (4) **Retirement Benefit.** Pursuant to his employment agreement, the Company will make an annual payment to Mr. Furman in the amount of \$407,000 until he attains age 70, regardless of whether Mr. Furman's employment terminates prior to that date. Of this payment, \$185,000 is intended to defray the premiums on a life insurance policy insuring his life and the remainder, \$222,000, is intended to defray the income taxes resulting from treating this payment as compensation. This benefit is provided in place of any executive life insurance or other supplemental retirement benefit.

- (5) **Target Benefit Plan Benefit.** Under the terms of the Target Benefit Plan, in the event that a participating executive terminates employment for any reason (other than following a change in control, as defined in the Target Benefit Plan) prior to the attainment of age 65, the Company will make no further contributions to the Plan on behalf of the executive. The executive will receive a monthly retirement benefit based upon the amounts payable under individual annuity contracts purchased by the Company on the executive's behalf prior to his termination of employment. The amount shown in the table above is the estimated annual benefit payable to the executive under the Target Benefit Plan, assuming that the executive's employment was involuntarily terminated as of August 31, 2008 (benefit amounts do not vary under the Target Benefit Plan based on whether termination of employment prior to retirement age was voluntary or involuntary, or with or without cause). Monthly benefits commence when the executive attains age 65 and continue for 15 years (180 months) from that date.
- (6) **Other.** Pursuant to their employment agreements, the Company will provide Messrs. Bisson, Rittenbaum and Stuckey with continued participation in the Company auto program, at the Company's expense, for a period of two years following termination of employment. The amount above represents the current annual cost of the employees' participation in the Company's automobile program for the two year period.

The Company's obligation to pay severance benefits is, in all cases, contingent upon the officer executing a release of claims in favor of the Company. Mr. Brady's entitlement to severance benefits is also contingent upon his compliance with the terms of a covenant not to compete in favor of the Company during the initial and extended terms under his employment agreement, as described above. The Company's obligation to pay severance benefits to each of Messrs. Bisson, Rittenbaum and Stuckey is contingent upon the officer's compliance with the terms of a covenant not to compete in favor of the Company for one year following termination of employment. The Company's obligation to pay severance benefits to Mr. Centurion is contingent on his compliance with the terms of a covenant not to compete in favor of the Company for two years following termination of employment.

**Benefits Triggered on Retirement**

The following table shows estimated benefits that would have been payable to the Named Executive Officers if each officer's employment terminated on August 31, 2008 by reason of retirement, excluding amounts payable under the Company's 401(k) Plan.

- (1) **Cash Benefit.** Under the terms of his employment agreement, in the event of termination due to retirement, Mr. Furman is entitled to receive an amount equal to the pro rated portion of the cash bonus which would have been payable to him for the portion of the fiscal year during which he was employed by the Company. Since it is assumed that the triggering event occurs on August 31, 2008, the amount of estimated cash benefit is equal to a

full year's cash bonus, estimated to be amount of the average of the most recent two years' cash bonuses actually paid to Mr. Furman.

- (2) **Insurance Continuation.** The Company is required to provide continued health insurance at the Company's expense for Mr. Furman and his spouse until such time that Mr. Furman and/or his spouse become eligible for Medicare. The amount in the table represents the annual premium payments at the rates paid by us for Mr. Furman as of August 31, 2008.
- (3) **Restricted Stock Acceleration.** Under the terms of the Company's standard forms of Restricted Share Agreement for restricted shares with time-based vesting (time-based shares), all unvested time-based shares become fully vested upon termination due to death, disability or retirement. The amounts in the table above

**Table of Contents**

represent the number of unvested time-based shares, multiplied by a stock price of \$20.05 per share, which was the closing price of our Common Stock on August 31, 2008. The expense that the Company would record would differ from the amount above as, under FAS 123R, the amount of unamortized expense is based upon the stock price on the date of grant and not on the vesting date.

- (4) **Retirement Benefit.** Pursuant to his employment agreement, the Company will make an annual payment to Mr. Furman in the amount of \$407,000 until he attains age 70, regardless of whether Mr. Furman's employment terminates prior to that date. Of this payment, \$185,000 is intended to defray the premiums on a life insurance policy insuring his life and the remainder, \$222,000, is intended to defray the income taxes resulting from treating this payment as compensation. This benefit is provided in place of any executive life insurance or other supplemental retirement benefit.
- (5) **Target Benefit Plan Benefit.** Under the terms of the Target Benefit Plan, in the event that a participating executive terminates employment due to retirement at age 65, the executive will receive monthly payments commencing at age 65 and continuing for 180 months. The amount shown in the table above is the estimated annual benefit payable to the executive under the Target Benefit Plan, assuming that the executive's employment terminated on August 31, 2008. Monthly benefits commence when the executive attains age 65 and continue for 15 years (180 months) from that date.

**Benefits Triggered on Disability or Death**

The following table shows estimated benefits that would have been payable to the Named Executive Officers if each officer's employment terminated on August 31, 2008 by reason of death or disability.

- (1) **Cash Benefit.** Under the terms of his employment agreement, in the event of termination due to death or disability, Mr. Furman (or his estate) is entitled to receive an amount equal to the pro rated portion of the cash bonus which would have been payable to him for the portion of the fiscal year during which he was employed by the Company. Since it is assumed that the triggering event occurs on August 31, 2008, the amount of estimated cash benefit is equal to a full year's cash bonus, estimated to be amount of the average of the most recent two years' cash bonuses actually paid to Mr. Furman.
- (2) **Insurance Continuation.** The Company is required to provide continued health insurance at the Company's expense for Mr. Furman and his spouse until such time that Mr. Furman and his spouse become eligible for Medicare. The amount in the table represents the annual premium payments at the rates paid by us for Mr. Furman as of August 31, 2008.

- (3) **Restricted Stock Acceleration.** Under the terms of the Company's standard forms of Restricted Share Agreement, all unvested shares of restricted stock become fully vested upon termination due to death or disability. The amounts in the table above represent the number of shares of unvested restricted stock multiplied by a stock price of \$20.05 per share, which was the closing price of our Common Stock on August 31, 2008. The expense that the Company would record would differ from the amount above as, under FAS 123R, the amount of unamortized expense is based upon the stock price on the date of grant and not on the vesting date.
- (4) **Retirement Benefit.** Pursuant to his employment agreement, the Company will make an annual payment to Mr. Furman in the amount of \$407,000 until he attains age 70, regardless of whether Mr. Furman's employment terminates prior to that date. Of this payment, \$185,000 is intended to defray the premiums on a life insurance policy insuring his life and the remainder, \$222,000, is intended to defray the income taxes resulting from

treating this payment as compensation. This benefit is provided in place of any executive life insurance or other supplemental retirement benefit.

- (5) **Target Benefit Plan Benefit.** Under the terms of the Target Benefit Plan, in the event that a participating executive's employment terminates due to the executive's death the executive's beneficiary will receive monthly payments commencing on the date the executive would have attained age 65, and continuing for 180 months, unless the beneficiary elects to receive the amounts held under the annuity contracts purchased for the executive's benefit in a single lump sum. In the event that a participating executive's employment terminates due to the executive's disability, the executive will receive a monthly benefit commencing at age 65 and continuing for 180 months. The amount shown in the table above is the estimated annual benefit payable to the executive (or his beneficiary, in the case of death) under the Target Benefit Plan, assuming that the executive's employment terminated as of August 31, 2008 due to the executive's death or disability.

**Compensation Of Directors**

The following table summarizes the compensation of the members of the Board of Directors who are not employees of the Company for the fiscal year ended August 31, 2008.

- (1) The amount shown is the stock based compensation expense recognized by the Company in fiscal 2008 for restricted stock granted to the director as determined pursuant to FAS 123R. Amounts shown do not reflect compensation actually received by the director who received restricted stock grants during fiscal year 2008, nor does it necessarily reflect the actual value that will be realized by them if and when the restricted stock awards vest. The assumptions used to calculate the value of restricted stock awards are set forth under Note 2, Summary of Significant Accounting Policies, to the Company's consolidated financial statements included in our Annual Report on Form 10-K for the fiscal year ended August 31, 2008. Directors who are not our employees receive annual grants of restricted shares of the Company's Common Stock with a fair market value equal to \$60,000

made immediately after the close of each annual shareholder meeting, with such shares vesting in equal amounts over a three-year period beginning one year from the date of grant. The total number of shares of restricted stock granted to directors in fiscal 2008 and outstanding as of August 31, 2008 for each of the eligible directors is as follows: Mr. Whiteley, 3,341 shares; Mr. Atiyeh, 3,341 shares; Mr. Jack, 3,341 shares; Mr. McDougall, 3,341 shares; Mr. Swindells, 3,341 shares; Mr. Ward, 3,341 shares and Mr. Washburn, 3,341. During fiscal 2008, Mr. Atiyeh received a special one-time restricted stock award in connection with his change of status to Emeritus Director. As Emeritus Director, Mr. Atiyeh will no longer be eligible to receive the annual grants of restricted shares under the Company's 2005 Plan.

- (2) Mr. Ward participated in the Gunderson LLC Nonqualified Deferred Compensation plan while he was an employee of Gunderson LLC, a manufacturing subsidiary of Greenbrier. Amount represents Mr. Ward's pro rata interest in the earnings (losses) in the plan. No additional contributions were made on Mr. Ward's behalf during the current year.

**Table of Contents**

- (3) Mr. Ward also received from the Company consulting fees aggregating \$96,000 during 2008 and use of a company automobile with estimated cost of \$14,511.

Members of the Board of Directors who are our employees are not separately compensated for serving on the Board of Directors. Directors who are not our employees are paid an annual retainer of \$30,000, payable quarterly, with the exception of the Chairman of the Board. The Chairman of the Board receives an annual retainer, payable quarterly, of three times the annual retainer paid to non-employee directors, or currently, \$90,000. All non-employee directors, including the Chairman of the Board, are also paid a meeting fee of \$1,000 per meeting, plus reimbursement of expenses. In addition to the annual retainer, the Audit Committee chairman receives a \$10,000 annual retainer and each other committee chairman receives a \$5,000 annual retainer, in each case payable quarterly. In addition, directors who are not our employees receive annual grants of restricted shares of the Company's Common Stock with a fair market value equal to \$60,000 made immediately after the close of each annual shareholder meeting with such shares vesting in equal amounts over a three-year period. However, no grant will be made to a non-employee director if such grant would cause that director to become an Acquiring Person (as defined in the Stockholder Rights Agreement between the Company and Equiserve Trust Company, N.A. dated as of July 13, 2004, as amended). In that case, the non-employee director would receive \$60,000 in cash in lieu of the grant of restricted shares. In the event a non-employee director ceases to be a director due to death, disability or retirement, because he or she is not re-elected to serve an additional term as a director, any unvested restricted shares shall immediately become fully vested. If a non-employee director ceases to be a director by reason of removal or resignation as a member of the Board, any unvested restricted shares shall automatically be forfeited, and the shares subject to such award shall be available for grant under the Plan. During fiscal 2008, each non-employee director received an award of restricted stock having a fair market value on the date of the award of \$60,000.

## **PROPOSAL NO. 2**

### **APPROVAL OF PROPOSED 2009 EMPLOYEE STOCK PURCHASE PLAN**

The Board of Directors has adopted, subject to shareholder approval, a proposed 2009 Employee Stock Purchase Plan (the 2009 Plan ). The 2009 Plan is intended to provide a convenient way for employees to purchase shares of the Company s Common Stock through payroll deductions and a method by which the Company may assist and encourage its employees to become shareholders. The 2009 Plan will continue in effect until February 28, 2014, subject to the right of the Board of Directors to terminate the 2009 Plan at any time. The 2009 Plan will replace the Company s 2004 Employee Stock Purchase Plan, which will expire on February 28, 2009. The following summary of the material provisions of the 2009 Plan does not purport to be complete, and is subject to and qualified in its entirety by reference to the complete text of the 2009 Plan. A complete copy of the 2009 Plan is attached as Appendix B.

#### **Eligibility**

Except as described below, all regular employees of the Company and designated subsidiaries, including employees who are officers or directors, are eligible to participate in the 2009 Plan. Any employee who owns or would be deemed to own five percent or more of the voting power or value of all classes of stock of the Company or one of its subsidiaries is ineligible to participate in the Plan. Approximately 2,857 current employees will be eligible to participate in the 2009 Plan. Rights of employees under the 2009 Plan are not transferable.

#### **Number of Shares Covered by the 2009 Plan**

The maximum number of shares issuable pursuant to the 2009 Plan, or purchasable by the custodian pursuant to the 2009 Plan, is 750,000 shares of the Company s Common Stock.

#### **Purchase of Shares**

Each eligible employee may participate in the 2009 Plan by filing a subscription and payroll deduction authorization form with the Company. No employee will be allowed to subscribe for shares which, together with shares purchasable under all stock purchase or option plans of the Company, would have a fair market value of more than \$25,000 in any one calendar year. The amount deducted from any pay check may not exceed five percent of the employee s gross amount of base pay for the payroll period. Payroll deductions for any subsequent pay period may be changed by giving written notice to the Company. An employee may change his or her deductions or reinstate participation in the 2009 Plan after termination only once during each calendar year.

Amounts withheld will be remitted monthly to an independent custodian selected under the 2009 Plan (the Custodian ), which will apply the funds, together with the Company s matching contribution described below, to the purchase in the open market of shares of the Company s Common Stock for participating employees. The purchase price for shares purchased under the 2009 Plan will be the price at which the shares are purchased by the Custodian in the open market. Brokerage commissions on such purchases will be paid by the Company.

#### **Administration**

The Board of Directors will administer the 2009 Plan. The Board may promulgate rules and regulations for the operation of the 2009 Plan, adopt forms for use in connection with the 2009 Plan, decide any question of interpretation of the 2009 Plan and generally supervise the administration of the 2009 Plan. The Board of Directors has delegated to the Compensation Committee of the Board of Directors authority for general administration of the 2009 Plan.

## **Table of Contents**

### **Matching Contributions**

The Company contributes to the 2009 Plan a monthly matching contribution that is added to the funds contributed by participants during the immediately preceding month (via payroll deductions) for the purchase of shares under the 2009 Plan by the Custodian. The matching contribution is the amount necessary to permit participants to acquire shares under the 2009 Plan at 85% of the market price paid by the Custodian for such shares.

### **Custodian**

Shares purchased under the 2009 Plan will be held by the Custodian. By appropriate instructions from the employee, the shares may be sold for the employee's account or transferred into the employee's own name or into a brokerage account. The Custodian will maintain the records of the 2009 Plan. The 2009 Plan requires that all cash dividends, if any, in respect of shares held by the Custodian will be automatically reinvested in the purchase of additional shares pursuant to the Company's Automatic Dividend Reinvestment Plan.

### **Expenses**

The Company will pay all the expenses of the 2009 Plan, except expenses incurred in connection with the sale of shares for the account of an employee.

### **Amendment and Termination**

The Board of Directors of the Company may from time to time amend the 2009 Plan in any and all respects, except that without the affirmative vote of a majority of the outstanding shares of the Company the Board of Directors may not extend the term of the 2009 Plan. The Board of Directors may terminate the 2009 Plan at any time without notice.

### **Shareholder Approval**

The 2009 Plan will not become effective until it has been approved by the shareholders of the Company. The proposal is being submitted to shareholders for this purpose. The favorable vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote and which has actually been voted will be required. Abstentions and broker non-votes will have no effect on the results of the vote. The enclosed proxy will be voted for or against approval of the 2009 Plan, or as an abstention, in accordance with the instructions specified in the proxy form. If no instructions are given on a properly executed and returned proxy, the proxy will be voted for approval of the Plan.

**The Board of Directors recommends a vote FOR approval of the proposed 2009 Plan.**

## **PROPOSAL NO. 3**

### **APPROVAL OF AMENDMENT TO 2005 STOCK INCENTIVE PLAN**

The Board of Directors has adopted, subject to shareholder approval, a proposed amendment to the Company's 2005 Stock Incentive Plan, as amended (the "2005 Plan"), that increases the total number of shares of the Company's Common Stock available for issuance under the 2005 Plan by 525,000 shares, from 1,300,000 to 1,825,000.

The purpose of the 2005 Plan is to promote the long-term success of the Company and the creation of shareholder value by encouraging employees, directors and consultants to focus on critical, long-range objectives, attracting and retaining employees, directors and consultants with exceptional qualifications, and linking 2005 Plan participants

directly to shareholder interests through increased share ownership. The 2005 Plan authorizes the grant of incentive stock options (options that qualify under Section 422 of the Internal Revenue Code), nonstatutory stock options, restricted shares, stock units and stock appreciation rights.

As of August 31, 2008, only 260,337 common shares remain available for issuance under the 2005 Plan. The Board of Directors believes that the proposed amendment to the 2005 Plan is necessary because the number of

## **Table of Contents**

shares that remains available for issuance to new and existing employees, directors and consultants is not sufficient to promote the objectives of the 2005 Plan. The use of broad-based equity incentive programs such as those made available through the 2005 Plan has long been an important component of the Company's compensation and incentive philosophy. This philosophy emphasizes the alignment of compensation and incentives with shareholder interests, and the utilization of long-term equity incentives to increase the proportion of individual compensation that is dependent upon Company and segment performance as the level of individual employee responsibility increases. As further discussed below, we believe that the proposed amendment to the 2005 Plan is necessary to enable the Company to continue to provide these incentives.

The amendment to the 2005 Plan would increase by 525,000 the maximum number of shares of the Company's Common Stock that may be issued under the 2005 Plan, subject to proportionate adjustment in the event of a stock split or other change in the Common Stock or capital structure of the Company. Currently, a maximum of 1,300,000 shares of Common Stock has been authorized for issuance under the 2005 Plan. Of that number, 260,337 shares remained available under the 2005 Plan for the grant of future awards as of August 31, 2008. Because we use restricted stock grants as part of our compensation plan to retain and motivate executives over the long term, and align their interests with the interests of the Company's shareholders, and because we grant restricted stock awards to Board members on an annual basis as part of our director compensation package, we believe that these remaining shares may be insufficient to continue operating the 2005 Plan through calendar year 2009. We believe, based on currently expected granting practices for the coming years, that the number of additional shares to be reserved for issuance under the 2005 Plan for which shareholder approval is being sought (along with shares currently available under the 2005 Plan) will be sufficient for at least two full years following shareholder approval.

The following summary of the material provisions of the 2005 Plan does not purport to be complete, and is subject to and qualified in its entirety by reference to the complete text of the 2005 Plan. A complete copy of the 2005 Plan, all amendments thereto as of the date of this Proxy Statement, and the proposed amendment is attached as Appendix C.

## **General**

The purpose of the 2005 Plan is to promote the long-term success of the Company and its affiliates and to create shareholder value by (a) encouraging employees, directors and consultants to focus on critical, long-range objectives, (b) attracting and retaining employees, directors and consultants with exceptional qualifications, and (c) linking employees, directors and consultants directly to shareholder interests through increased share ownership. The 2005 Plan provides for the grant of options (incentive stock options and nonstatutory stock options), restricted shares, stock units and stock appreciation rights (SARs) (each, an Award).

## **Shares Available for Grant**

The maximum aggregate number of common shares of the Company reserved and available for issuance pursuant to Awards under the 2005 Plan is currently 1,300,000, subject to adjustment under certain circumstances as specified in the 2005 Plan. The aggregate number of common shares with respect to which options or SARs may be granted to any individual participant during any calendar year cannot exceed 30,000.

If restricted shares or common shares issued upon the exercise of options are forfeited, then such common shares again become available for future Awards under the 2005 Plan. If a stock unit, option or SAR is forfeited or terminated before being exercised, then the corresponding common shares again become available for future Awards under the 2005 Plan. If stock units are settled, then only the number of common shares (if any) actually issued in settlement will reduce the number of common shares available for grant under the 2005 Plan, and the balance will again become available for Awards under the 2005 Plan. If SARs are exercised, then only the number of common shares (if any) actually issued in settlement of such SARs will reduce the number available for Awards under Plan,

and the balance will again become available for Awards under the 2005 Plan. Notwithstanding the above, the aggregate number of common shares that may be issued under the 2005 Plan upon exercise of incentive stock options will not be increased when restricted shares or other common shares are forfeited. In addition, any dividend equivalents paid or credited under the 2005 Plan will not be applied against the number of restricted shares, stock units, options or SARs available for Awards, whether or not such dividend equivalents are converted into

## **Table of Contents**

Stock Units; provided, however, that subject to Article 11 of the 2005 Plan, dividend equivalents that have been converted into Stock Units may not be paid in the form of Common Shares to the extent such payment would exceed the limitations set forth in Section 3.1 of the 2005 Plan.

## **Administration**

The 2005 Plan is administered by the Compensation Committee of the Company's Board (the Committee), which consists of two or more directors appointed by the Board. Unless otherwise determined by the Board, at all times that the Company is subject to Section 16 of the Securities Exchange Act of 1934 (the Exchange Act), the composition of the Committee will satisfy the requirements under Rule 16b-3 of the Exchange Act, 162(m) of the Internal Revenue Code (the Code) and New York Stock Exchange Rule 303A.02.

Subject to the provisions of the 2005 Plan, the Committee has the authority to determine: (a) which employees, directors and consultants will receive Awards, (b) the time or times when Awards will be granted, (c) the types of Awards to be granted, and (d) the number of common shares that may be issued under each Award. The Committee also has such additional powers as have been delegated to it by the 2005 Plan. Subject to the express provisions of the 2005 Plan, the Committee has the authority to construe the 2005 Plan and the respective agreements executed thereunder, to prescribe such rules and regulations relating to the 2005 Plan, to determine the terms, restrictions and provisions of each Award, and to make all other determinations necessary or advisable for administering the 2005 Plan. The determinations made by the Committee will be conclusive.

## **Eligibility**

Employees, directors and consultants of the Company or its affiliates are generally eligible for Awards, but only employees may be granted incentive stock options and only non-employee directors may be granted automatic awards of restricted shares as set forth in the 2005 Plan. In addition, an employee who owns more than 10% of the total combined voting power of all classes of outstanding stock of the Company or any of its parents or subsidiaries may not be granted an incentive stock option unless the requirements of Section 422(c)(5) of the Code are satisfied.

## **Options**

Each stock option agreement will contain terms and conditions of the option grant that are not inconsistent with the 2005 Plan, including, but not limited to, when the option becomes exercisable, the exercise price of the options (which may not be less than fair market value of a common share on the grant date) and the term of the option (not to exceed 10 years from date of grant). Among other things, the stock option agreement may also provide for accelerated exercisability and vesting in the event of the optionee's death, disability, retirement or other event or for the expiration of an option prior to the end of its term if the optionee terminates service with the Company or its affiliates.

Unless the stock option agreement provides otherwise, in the event of an optionee's termination of service as an employee, director or consultant (a) for any reason other than retirement, disability or death, the options (to the extent optionee was entitled to exercise the option at the date of such termination) remain exercisable until the option expiration date or three months after such termination of service, whichever is shorter, (b) for any reason other than disability or death but where the optionee is age 62 or older on such termination date, the options (to the extent optionee was entitled to exercise the option at date of such termination) remain exercisable until the option expiration date, (c) due to disability, the options (to the extent the optionee was entitled to exercise the option at date of such termination) remain exercisable until the option expiration date or one year after such termination of service, whichever is shorter, or (d) by reason of death, the options become fully vested and may be exercised any time prior to option expiration date.

The exercise price of an option may be paid, to the extent permitted by applicable laws, in cash or cash equivalents, by surrendering or attesting to ownership of common shares owned by the optionee for at least six months, by cashless exercise, via loan proceeds obtained from pledging common shares being purchased under the 2005 Plan, by a full-recourse promissory note, or in any other form that is consistent with applicable laws. In the case of incentive stock options, payment may be made only as set forth in the stock option agreement.

## **Table of Contents**

### **Automatic Restricted Share Grants to Eligible Directors**

Immediately after the close of each annual shareholder meeting, each non-employee director, including those that are elected at such meeting, will receive an automatic restricted share award for such number of common shares equal to the aggregate fair market value of \$60,000 as of the award date. No such grant, however, will be made to a non-employee director if such grant would cause that individual to become an acquiring person as defined in the Stockholder Rights Agreement dated July 13, 2004.

Such automatic restricted share awards will vest in equal annual installments over a three-year period on each anniversary of the award date. In the event a non-employee director ceases to be a director due to death or disability (as defined in the 2005 Plan), or because he or she is not re-elected to serve an additional term as a director, any unvested restricted shares shall immediately become fully vested. If a non-employee director ceases to be a director by reason of removal or resignation as a member of the Board, any unvested restricted shares shall automatically be forfeited, and the shares subject to such award shall be available for grant under this Plan.

### **Stock Appreciation Rights**

Each SAR agreement will contain terms and conditions of the SAR that are not inconsistent with the 2005 Plan including, but not limited to, the number of common shares underlying the SAR, the exercise price (which may vary in accordance with a predetermined formula), when the SAR becomes exercisable and the term of the SAR. Among other things, the SAR may also provide for accelerated exercisability and vesting in the event of the SAR holder's death, disability, retirement or other event or for the expiration of the SAR prior to the end of its term if the SAR holder terminates service with the Company or its affiliates. SARs may be awarded in combination with options, and such an Award may provide that the SARs will not be exercisable unless the related options are forfeited. A SAR may be included in an incentive stock option only at the time of grant. Upon the exercise of an SAR, the SAR holder may receive cash, common shares or a combination thereof, as the Committee determines.

### **Restricted Shares**

Each restricted share agreement will contain terms and conditions of the restricted share award that are not inconsistent with the 2005 Plan including, but not limited to, the number of common shares underlying the restricted share award, the consideration to be paid (if any) and the vesting terms. Unless the restricted share agreement provides otherwise, restricted shares will have a one year vesting period.

The restricted share agreement may also provide for accelerated vesting in the event of death, disability, retirement or other events. Restricted share holders have the same voting, dividend and other rights as the Company's shareholders. The restricted share agreement, however, may require that cash dividends received by restricted share holders be invested in additional restricted shares, with such additional restricted shares being subject to the same conditions and restrictions as the restricted shares with respect to which the dividends were paid.

### **Stock Units**

Each stock unit agreement will contain terms and conditions of the stock units that are not inconsistent with the 2005 Plan including, but not limited to, the number of common shares underlying the stock unit and the vesting terms (if any). Unless the stock unit agreement provides otherwise, stock units that are subject to vesting will have a one year vesting period. The stock unit agreement may also provide for accelerated vesting in the event of death, disability, retirement or other event. The stock unit holder has no voting rights with respect to his or her stock units, and has no rights other than those of a general creditor of the Company. Stock units may be settled in cash, common shares or a combination thereof, as the Committee determines. Vested stock units may be settled in a lump sum or installments,

and distribution may occur or commence when all vesting conditions have been satisfied or may be deferred until a later date. The amount of a deferred distribution may be increased by an interest factor or by dividend equivalents.

## **Table of Contents**

### **Adjustments**

In the event of a subdivision of the outstanding common shares, a declaration of a dividend payable in common shares or in the event of a combination or consolidation of the outstanding common shares (by reclassification or otherwise) into a lesser number of common shares, corresponding automatic adjustments will be made to (a) the number of options, SARs, restricted shares and stock units available for future Awards, (b) the number of common shares covered by each outstanding option and SAR, (c) the exercise price under each outstanding option and SAR, and (d) the number of stock units included in any prior Award that has not yet been settled.

In the event of a declaration of an extraordinary dividend payable in a form other than common shares in an amount that has a material effect on the price of common shares, a recapitalization, a spin-off, merger, consolidation or a similar occurrence, the Committee will make such adjustments as it, in its sole discretion, deems appropriate, including, but not limited to, the cancellation of outstanding Awards after giving Participants notice and an opportunity to exercise their Awards, if applicable.

### **Dissolution or Liquidation**

To the extent not previously exercised or settled, options, SARs and stock units will terminate immediately prior to the dissolution or liquidation of the Company.

### **Effect of Change in Control**

The Committee may determine, at the time of granting of an SAR, restricted share or stock unit or thereafter, that such Awards will become fully vested or exercisable in the event of a change in control (as defined in the 2005 Plan) or in the event that the participant is subject to an involuntary termination after a change in control.

In the event of a change in control, each outstanding option will become immediately and fully exercisable, unless the Committee determines otherwise prior to the occurrence of the change in control. Any optionee may decline such acceleration if the acceleration would result in adverse tax effects to the optionee.

In the event of: (a) a merger, exchange or consolidation in which the Company is not the resulting or surviving corporation (or in which the Company is the resulting or surviving corporation but becomes a subsidiary of another corporation), (b) a transfer of all or substantially all the assets of the Company, or (c) the dissolution or liquidation of the Company, the Committee will notify optionees in writing of the transaction at least 30 days prior to the effective date of the transaction. The Committee will, in its sole discretion, and to the extent possible under the structure of the transaction, select one of the following alternatives for treating outstanding options: (a) convert outstanding options to fully vested options to purchase stock of the surviving or acquiring corporation, or (b) provide for a 30-day period prior to the consummation of the transaction in which optionees may exercise outstanding options without any limitation on exercisability and provide that, upon consummation of such transaction, all unexercised options immediately terminate.

### **Awards under Other Plans**

The Company may grant awards under other plans or programs. Such awards may be settled in the form of common shares issued under this Plan. Such common shares will be treated for all purposes under the 2005 Plan like common shares issued in settlement of stock units and will, when issued, reduce the number of common shares available for Awards under the 2005 Plan.

### **Limitation on Change in Control Payments**

The payments or transfers of benefits under the 2005 Plan (the Payments ) may be reduced as described below, under certain circumstances relating to the occurrence of a change in control. Specifically, if either (a) the independent auditors determine that the participant would be better off on an after tax basis if the participant s Payments were reduced, or (b) regardless of the after-tax value of a participant s Award, the Committee, at the time of grant or any time thereafter determines that the following reduction will be imposed, then the aggregate present value of a participant s Payments will be reduced so that no Payments would be nondeductible by the Company for

**Table of Contents**

federal income tax purposes by reason of the tax provisions governing excess parachute payments in Section 280G of the Code.

**Term, Amendment and Termination**

The effective date of the 2005 Plan was November 9, 2004. The 2005 Plan remains in effect until terminated by the Board, except that no incentive stock options can be granted on or after the 10th anniversary of the later of (a) the date when the Board adopted the 2005 Plan, or (b) the date when the Board adopted the most recent increase in the number of common shares available for Awards that was approved by the Company's shareholders.

The Board may, at any time and for any reason, amend or terminate the 2005 Plan. An amendment of the 2005 Plan will be subject to the approval of the Company's shareholders only to the extent required by applicable laws, regulations or rules or requirements of any applicable governmental authority or listing organization governing the trading of the Company's stock. The termination or amendment of the 2005 Plan will not affect any Award previously granted under the 2005 Plan.

The Committee may amend the terms of any Award previously granted (and the related Award agreement), prospectively or retroactively, but generally, no such amendment may impair the rights of any participant without his or her consent and no such amendment may effect a repricing of any Award without approval of the Company's shareholders.

**New Plan Benefits Table**

The table below sets forth the Awards that were received by the non-employee eligible directors under the 2005 Plan as amended. Benefits that may be received by executive officers and other employees are not determinable and will depend on both the Compensation Committee's actions and the fair market value of the Company's Common Stock at various future dates.

| <b>Name and Position</b>              | <b>Number of Shares</b>     | <b>Dollar Value</b> |

<sup>(1)</sup> As of January 8, 2008, the date of the Company's last annual shareholder meeting, under the 2005 Plan seven non-employee members of the Board of Directors of the Company were eligible to receive automatic annual awards of restricted stock, namely, Messrs. Jack, McDougall, O'Neal, Swindells, Ward, Washburn and Whiteley.

<sup>(2)</sup> Based on \$17.96 per share, which was the closing price of the Company's Common Stock on the NYSE on January 8, 2008.

**Federal Income Tax Information**

The following is a brief summary of the federal income tax consequences of certain transactions under the 2005 Plan based on federal income tax laws in effect as of the date of this Proxy Statement. This summary is not intended to be exhaustive and does not describe state or local tax consequences. Additional or different federal income tax consequences to the 2005 Plan participant or the Company may result depending upon other considerations not described below.

Certain options under the 2005 Plan are intended to qualify as incentive stock options for federal income tax purposes. Under the federal income tax laws in effect as of the date of this Proxy Statement, an option holder will recognize no regular income upon grant or exercise of an incentive stock option. (The spread on exercise of an incentive stock option is taken into account for purposes of calculating the alternative minimum tax.) If an option holder exercises an incentive stock option and does not dispose of the shares acquired within two years of the date of grant and within one year following the date of exercise, the later sales of the shares will qualify for capital gains treatment. If an option holder disposes of shares acquired upon exercise of an incentive stock option before either the one-year or the two-year holding period (a disqualifying disposition), the option holder will recognize compensation income in an amount equal to the lesser of (a) the excess of the fair market value of the shares on the date of exercise over the option price or (b) the excess of the fair market value of the shares on the date of disposition

## **Table of Contents**

over the option price. Any additional gain realized upon the disqualifying disposition will be eligible for capital gains treatment.

The Company generally will not be allowed any deduction for federal income tax purposes at either the time of grant or the time of exercise of an incentive stock option. However, upon any disqualifying disposition by an employee, the Company will be entitled to a deduction to the extent the employee recognized compensation income.

Certain options under the 2005 Plan will be treated as nonstatutory stock options for federal income tax purposes. Under the federal income tax laws in effect as of the date of this Proxy Statement, no income is realized by the holder of a nonstatutory stock option until the option is exercised. At the time of exercise, the option holder will recognize ordinary income, and the Company will be entitled to a deduction, in the amount by which the fair market value of the shares acquired exceeds the exercise price at the time of exercise. The Company is required to withhold employment taxes on such income. Upon the sale of shares acquired upon exercise of a nonstatutory stock option, the option holder will receive capital gains treatment on the difference between the amount realized from the sale and the fair market value of the shares on the date of exercise. Such capital gains treatment shall be short-term or long-term, depending on the length of time the shares were held.

## **Vote Required For Approval**

The amendment to the 2005 Plan will not become effective until it has been approved by the shareholders of the Company. The proposal is being submitted to shareholders for this purpose. The favorable vote of a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting will be required for approval. Abstentions are considered votes cast and have the same effect as no votes in determining whether the proposal is adopted. Broker non-votes are not counted as voted on the proposal and therefore will not be counted in determining whether the proposal receives the necessary majority vote of outstanding shares for approval. The enclosed proxy will be voted for or against approval of the amendment to the 2005 Plan, or as an abstention, in accordance with the instructions specified in the proxy form. If no instructions are given on a properly executed and returned proxy, the proxy will be voted for approval of the amendment to the 2005 Plan.

**The Board of Directors recommends a vote FOR approval of the proposed amendment to the 2005 Plan.**

To be eligible for inclusion in the Company's proxy materials for the 2009 Annual Meeting of Shareholders, a proposal intended to be presented by a shareholder for action at that meeting, in addition to complying with the shareholder eligibility and other requirements of the Commission's rules governing such proposals, must have been received not later than July 30, 2008 by the Secretary of the Company at the Company's principal executive offices, One Centerpointe Drive, Suite 200, Lake Oswego, Oregon 97035.

**POLICY REGARDING THE APPROVAL OF AUDIT AND NON-AUDIT SERVICES PROVIDED BY THE INDEPENDENT AUDITOR**

**Purpose and Applicability**

We recognize the importance of maintaining the independent and objective viewpoint of our independent auditors. We believe that maintaining independence, both in fact and in appearance, is a shared responsibility involving management, the Audit Committee, and the independent auditors.

The Company (which includes consolidated subsidiaries as used herein) recognizes that Deloitte & Touche (the Audit Firm ) possesses a unique knowledge of the Company, and as a worldwide firm can provide necessary and valuable services to the Company in addition to the annual audit. Consequently, this policy sets forth guidelines and procedures to be followed by the Company when retaining the Audit Firm to perform audit and nonaudit services.

**Policy Statement**

All services provided by the Audit Firm, both audit and nonaudit, must be pre-approved by the Audit Committee or a Designated Member. The pre-approval of audit and nonaudit services may be given at any time up to a year before commencement of the specified service. Although the Sarbanes-Oxley Act of 2002 permits *de minimis* exceptions, our policy is to pre-approve all audit and nonaudit services. Pre-approval may be of classes of permitted services, such as annual audit services, tax consulting services or similar broadly defined predictable or recurring services. Such classes of services could include the following illustrative examples:

Audits of the Company's financial statements required by SEC rules, lenders, statutory requirements, regulators, and others, including quarterly review procedures.

Consents, comfort letters, reviews of registration statements and similar services that incorporate or include the audited financial statements of the Company, including responding to the SEC or other regulators regarding such financial statements.

Employee benefit plan audits.

Accounting consultations and support related to the application of generally accepted accounting principles or the implementation of new laws or regulations, such as compliance with the Sarbanes-Oxley Act, including Section 404 of the Act.

Tax compliance and related support for any tax returns filed by the Company, including returns filed by any executive or expatriate under a company-sponsored program.

Tax planning and support.

Merger and acquisition due diligence services.

The Audit Committee may delegate to one or more designated member(s) of the Audit Committee (a Designated Member ), who is independent as defined under the standards of the New York Stock Exchange, the authority to grant pre-approvals of permitted services (defined below), or classes of permitted services, to be provided by the Audit Firm. The decisions of a Designated Member to pre-approve a permitted service shall be reported to the Audit

Committee at each of its regularly scheduled meetings.

All fees paid to the Audit Firm will be disclosed in the Company's annual proxy statement in accordance with applicable SEC rules. Starting with fiscal 2004, the annual proxy statement should include disclosure of the amount of Audit Fees, Audit Related Fees, Tax Fees and All Other Fees.

## **Table of Contents**

Transfer studies, cost segregation studies and other tax-only valuations are not prohibited services.

3. *Actuarial Services.* The Audit Firm cannot provide insurance actuarial-oriented advisory services unless the Company uses its own actuaries or third party actuaries to provide management with the primary actuarial capabilities, and management accepts responsibility for actuarial methods and assumptions.

Non-prohibited services shall be deemed *permitted* services and may be provided to the Company with the pre-approval of a Designated Member or by the full Audit Committee, as described herein.

## **Services for which Policy-Based Pre-Approval Is Available**

The Audit Committee believes that the Audit Firm can provide tax services to the Company, such as tax compliance, tax planning and tax advice without impairing the Audit Firm's independence. However, the Audit Committee will not permit the retention of the Audit Firm to provide any tax services to the Company that are deemed to be incompatible with auditor independence per standards promulgated by the Public Company Accounting Oversight Board, including any aggressive tax position as defined by such rules.

The Audit Committee has given policy-based pre-approval for the tax services described on Exhibit A. All other tax services must be separately pre-approved by the Designated Member or by the full Audit Committee, including tax services related to large and complex transactions and tax services proposed to be provided by the Audit Firm to any executive officer or director of the Company, in his or her individual capacity, when such services are paid for by the Company.

**THE GREENBRIER COMPANIES, INC.**

**2009 EMPLOYEE STOCK PURCHASE PLAN**

1. *Purpose of the Plan.* The Greenbrier Companies, Inc. (the Company) believes that ownership of shares of its Common Stock, without par value ( Shares ), by employees of the Company and its participating subsidiaries (as defined below) is desirable as an incentive to continuation and enhancement of Company profits and as a means by which employees may share in the rewards of growth and success of the Company. The Company first adopted an Employee Stock Purchase Plan in 1995 (the 1995 Plan ), in order to encourage such employees to become stockholders and to provide a convenient way for employees of the Company and its participating subsidiaries to purchase Shares through payroll deductions. At the termination of the 1995 Plan, the Company adopted the 2004 Employee Stock Purchase Plan (the 2004 Plan ). The 2004 Plan is terminating and the Company is adopting this 2009 Employee Stock Purchase Plan (the Plan ) in order to continue to encourage and assist employees to become stockholders. The Company intends that the Plan shall qualify as an employee stock purchase plan under Section 423 of the Internal Revenue Code of 1986, as amended (the Code ). The Company also intends that the Plan shall satisfy the requirements of Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the Exchange Act ).

2. *Administration of the Plan.*

2.1. The Plan shall be administered by the Board of Directors. The Board of Directors may promulgate rules and regulations for operation of the Plan, adopt forms for use in connection with the Plan, and decide any question of interpretation of the Plan or rights arising under the Plan. The Board of Directors may consult with counsel for the Company on any matter arising under the Plan. All determinations and decisions of the Board of Directors shall be binding and conclusive on all persons.

2.2. Section 2.1 notwithstanding, the Board of Directors may delegate authority to administer the Plan to the Compensation Committee of the Board of Directors (the Committee ).

3. *Eligible Employees.*

3.1. Except as indicated in Section 3.2, all permanent employees of the Company, and all permanent employees of each subsidiary of the Company that is designated by the Board of Directors of the Company as a participant in the Plan (a Participating Subsidiary ), are eligible to participate in the Plan. Each subsidiary of the Company that is designated as a Participating Subsidiary under the 2004 Plan as of the date of adoption of this Plan shall be deemed a Participating Subsidiary under this Plan. The Board of Directors may designate additional Participating Subsidiaries from time to time.

3.2. Any employee who would, after a purchase of Shares under the Plan, own or be deemed to own stock possessing five percent or more of the total combined voting power or value of all classes of stock of the Company or its subsidiaries shall be ineligible to participate in the Plan.

3.3. A permanent employee is an employee who has been employed by the Company or any of its Participating Subsidiaries for at least three consecutive months and who is in the active service of the Company or any of its Participating Subsidiaries on the date a purchase of Shares is made under the Plan. The foregoing notwithstanding, any employee whose customary employment is 20 hours or less per week or whose customary employment is for not more than five months per calendar year is not considered a permanent employee.

4. *Participation in the Plan.*

4.1. An eligible employee may participate in the Plan by filing with the Company, on forms furnished by the Company, a subscription and payroll deduction authorization. The subscription and payroll deduction authorization shall authorize the Company (or Participating Subsidiary, as the case may be) to make payroll deductions from the employee's compensation.

**Table of Contents**

4.2. If payroll deductions are made by a Participating Subsidiary, that subsidiary shall promptly remit the amount of the deduction to the Company or to such bank, trust company, or investment or financial firm (the Custodian ) as shall be appointed by the Board of Directors.

4.3. No employee shall be allowed to subscribe for a number of Shares under the Plan which would permit his or her rights to purchase Shares under all stock purchase or option plans of the Company and its subsidiaries to accrue at a rate which exceeds \$25,000 of fair market value of such Shares (determined at the time such shares are offered) for each calendar year in which such right to subscribe or a subscription is outstanding at any time.

4.4. The amount deducted from a participant's compensation with respect to participation in the Plan shall not exceed five percent of the gross amount of base pay for the pay period to which the deduction relates. A participant may change the amount of his or her payroll deduction only once during any calendar quarter. A change in payroll deduction may be made for a subsequent pay period only by giving advance written notice to the Company.

4.5. Participation in the Plan shall terminate (a) when an employee gives written notice to the Company that he or she terminates his or her participation in the Plan, or (b) when an employee ceases to be an eligible employee for any reason, including death or retirement. An eligible employee may reinstate his or her participation in the Plan after termination only once during any calendar year.

*5. Offer to Sell Stock.*

5.1 Upon receipt and acceptance by the Company of a valid subscription and payroll deduction authorization from a participant, the Company shall offer to sell Shares to such participant. The first day of the month in which Shares are purchased on a participant's behalf under the Plan shall be deemed the Grant Date with respect to such Participant.

5.2 The offering period with respect to a participant shall begin on the Grant Date and shall continue until the earlier of (a) the effective date of the Participant's termination in the Plan pursuant to Section 4.5, or (b) the termination date of the Plan. The foregoing notwithstanding, the offering period in no event shall be longer than five years from the Grant Date.

The Custodian shall forthwith apply such funds, together with Company Contributions as provided for under Section 7.1 to the purchase of Shares in open market transactions through brokers or dealers at prevailing market prices. Purchases shall be completed on or before the 25th day following the date of the remittance (the Purchase Date ). Any funds remaining with the Custodian, after the purchase of the maximum number of shares which can be purchased with the remittance, shall be applied to the next month's purchase.

6.2. Purchases shall be made in the name of the Custodian for the account of The Greenbrier Employee Stock Purchase Plan. Each month, the Custodian shall credit each participant's account with his or her pro rata share of purchases of Shares under the Plan, including fractional shares to at least the third decimal.

6.5. Notwithstanding any other provision of this Plan to the contrary, the Company may determine to sell newly issued Shares under the Plan in place of open market purchases. In such event, the Committee shall adopt such forms, procedures and rules as it deems appropriate to implement sales of newly issued Shares under the Plan.

*7. Company Contributions.*

7.1. The Company will contribute to the Plan and remit to the Custodian funds to be added to the funds contributed by participants (via payroll deductions) for the purchase of Shares under the Plan, in the amount of the

B-2

difference between the discount price at which participants are permitted to purchase Shares (a 15% discount), and the market price of the Shares as of the date of purchase.

7.2. The Company shall remit to the Custodian any Company Contribution concurrently with its remittance to the Custodian of the total of all payroll deductions made under the Plan during the preceding month pursuant to Section 6.1 of the Plan. The Custodian may co-mingle any Company Contribution with other funds held under the Plan and shall apply any Company Contribution to the purchase of Shares in the same manner and under the same terms as described in Section 6.1 of the Plan.

8. *Delivery of Shares.*

8.1. By appropriate instructions to the Custodian on forms to be provided by the Custodian for such purpose or by following electronic or other procedures prescribed by the Custodian, a participant may from time to time, and subject to applicable law, direct the Custodian to (a) transfer into the participant's own name all or part of the whole Shares held by the Custodian for the participant's account and deliver such Shares to the participant; (b) transfer all or part of the whole Shares held for the participant's account by the Custodian to a regular individual brokerage account in the participant's own name, either with the firm then acting as Custodian or with another firm, or (c) sell all or part of the whole Shares held by the Custodian for the participant's account at the market price at the time the order is executed and remit to the participant the net proceeds of sale.

8.2. Upon termination of participation in the Plan, the participant may, subject to applicable law, elect to have the whole Shares held by the Custodian for the account of the participant transferred and delivered in accordance with (a) above, transferred to a brokerage account in accordance with (b) above, or sold in accordance with (c), above. A participant may only obtain cash with respect to a fractional Share reflected in his or her account by sale of the fractional Share to the Custodian. Upon termination of participation in the Plan, the cash balance remaining in a former participant's account shall be refunded to him or her.

9. *Records and Statements.* The Custodian shall maintain the records of the Plan. Each participant shall periodically receive a statement showing the current balance of his or her account and the activity of his or her account since the preceding statement date. Participants shall be furnished such other reports and statements as the Board of Directors shall from time to time determine.

10. *Expenses of the Plan.* The Company shall pay all expenses incident to operation of the Plan, including costs of record keeping, accounting fees, legal fees, fees of the Custodian, commissions and issue or transfer taxes on purchases pursuant to the Plan and on delivery of shares to a participant or into his or her brokerage account. The Company shall not pay expenses, commissions or taxes incurred in connection with sales of Shares by the Custodian at the request of a participant. Expenses to be paid by a participant shall be deducted from the proceeds of sale prior to remittance.

11. *Rights Not Transferable.* The right to purchase Shares under this Plan is not transferable by a participant, and such right is exercisable during the participant's lifetime only by the participant. Upon the death of a participant, any Shares held by the Custodian for the participant's account shall be transferred to the deceased participant's estate.

12. *Dividends and Other Distributions.* All cash dividends, if any, in respect of Shares held by the Custodian shall be automatically reinvested in the purchase of additional Shares pursuant to the Company's Automatic Dividend Reinvestment Plan. Any cash distributions not subject to the Dividend Reinvestment Plan shall be paid to the participants entitled thereto. Stock dividends and other distributions in Shares of the Company or other property in respect of Shares held by the Custodian shall be issued to the Custodian and held by it for the account of the respective participants entitled thereto.

13. *Voting and Stockholder Communications.* In connection with voting on any matter submitted to the stockholders of the Company, the Custodian shall furnish to each participant a proxy authorizing the participant to vote the Shares held by the Custodian for his or her account. Copies of all general communications to stockholders of the Company shall be sent to participants in the Plan.

14. *Responsibility and Indemnity.* Neither the Company, its Board of Directors, the Committee, the Custodian, any Participating Subsidiary, nor any member, officer, agent, or employee of any of them, shall be

liable to any participant under the Plan for any mistake of judgment nor for any omission or wrongful act unless resulting from gross negligence, willful misconduct or intentional misfeasance. The Company shall indemnify and save harmless its Board of Directors, the Committee, the Custodian and any such member, officer, agent or employee against any claim, loss, liability or expense arising out of the Plan, except such as may result from the gross negligence, willful misconduct or intentional misfeasance of such entity or person.

15. *Conditions and Approvals.* The obligations of the Company under the Plan shall be subject to compliance with all applicable state and federal laws and regulations, the rules of any stock exchange on which the Company's securities may be listed, and to the approval of such federal and state authorities or agencies as may have jurisdiction in the premises. The Company shall use its best efforts to comply with such laws, regulations and rules and to obtain such approvals.

16. *Amendment of the Plan.* The Committee may from time to time amend the Plan in any and all respects, except that without approval of the Board of Directors and the affirmative vote of a majority of the outstanding Shares of the Company the Committee may not extend the term of the Plan or increase the number of Shares issuable or purchasable pursuant to Section 6.3 of the Plan.

17. *Termination of the Plan.* The Plan shall terminate on February 28, 2014 unless terminated earlier pursuant to this Section 17. The Board of Directors may, in its sole discretion, terminate the Plan at any time without any obligation on account of such termination, except as otherwise provided in this Section 17. Upon termination of the Plan, the cash and Shares, if any, held in the account of each participant shall be distributed to the participant. The foregoing notwithstanding, if, prior to the termination of the Plan, the Board of Directors and stockholders of the Company shall have adopted and approved a substantially similar plan, the Board of Directors may in its discretion determine that the account of each participant under this Plan shall be carried forward and continued as the account of such participant under such other plan, subject to the right of any participant to request distribution of the cash and Shares, if any, held for his or her account.

18. *Restrictions on Directors and Executive Officers.* Notwithstanding any provision of this Plan or of any subscription, payroll deduction authorization or other document or instrument to the contrary, directors of the Company and each person who shall have been designated by the Board of Directors of the Company as an executive officer for purposes of Section 16 of the Securities Exchange shall be bound by the following additional provisions:

(a) Upon making a withdrawal, such participant must cease further purchases in the Plan for six months, or the securities so distributed must be held by the participant six months prior to disposition; provided, however, that extraordinary distributions of all of the Company's securities held by the Plan and distributions in connection with death, retirement, disability, termination of employment, or a qualified domestic relations order as defined by the Code or Title I of the Employee Retirement Income Security Act, or the rules thereunder, are not subject to this requirement;

(b) If such a participant ceases participation in the Plan, he/she may not participate again for at least six months; and

(c) Shares acquired by such participant must be held for six months from the date the Shares are purchased.

19. *Effective Date of the Plan.* The Plan shall not become effective until it has been approved by the affirmative vote, in person or by proxy, of the holders of a majority of the Shares of the Company entitled to vote thereon. **THE GREENBRIER COMPANIES, INC.**

**2005 STOCK INCENTIVE PLAN**

ARTICLE 1.

Purpose.

The purpose of the Plan is to promote the long-term success of the Company and its Affiliates and the creation of stockholder value by (a) encouraging Employees, Directors and Consultants to focus on critical long-range objectives, (b) encouraging the attraction and retention of Employees, Directors and Consultants with exceptional qualifications and (c) linking Employees, Directors and Consultants directly to stockholder interests through increased stock ownership. The Plan seeks to achieve this purpose by providing for Awards in the form of Options (which may constitute incentive stock options or nonstatutory stock options), Restricted Shares, Stock Units or SARs.

The Plan shall be governed by, and construed in accordance with, the laws of the State of Delaware (except their choice-of-law provisions).

ARTICLE 2.

Administration.

*2.1 Committee Composition.* The Committee shall administer the Plan. The Committee shall consist exclusively of two or more Directors of the Company, who shall be appointed by the Board. In addition, unless otherwise determined by the Board, at all times that the Company is subject to Section 16 of the Exchange Act, the composition of the Committee shall satisfy:

- (a) Such requirements as the Securities and Exchange Commission may establish for administrators acting under plans intended to qualify for exemption under Rule 16b-3 (or its successor) under the Exchange Act;
- (b) Such requirements as the Internal Revenue Service may establish for outside directors acting under plans intended to qualify for exemption under section 162(m)(4)(C) of the Code (or its successor); and
- (c) Such requirements as the New York Stock Exchange may establish for independent directors under NYSE Rule 303A.02 (or its successor).

*2.2 Authority of the Committee.* Subject to the provisions of the Plan, the Committee shall have sole authority, in its discretion, to determine: (a) which Employees, Directors and Consultants shall receive Awards, (b) the time or times when Awards shall be granted, (c) the type or types of Awards to be granted, and (d) the number of Common Shares which may be issued under each Award. In making such determinations the Committee may take into account the nature of the services rendered by the respective individuals, their present and potential contribution to the success of the Company and its Affiliates, and such other factors as the Committee in its discretion shall deem relevant. The Committee shall also have such additional powers as are delegated to it by the Plan. Subject to the express provisions of the Plan, the Committee is authorized to construe the Plan and the respective agreements executed thereunder, to prescribe such rules and regulations relating to the Plan as it may deem advisable to carry out the Plan, and to determine the terms, restrictions and provisions of each Award, including such terms, restrictions and provisions as shall be requisite in the judgment of the Committee to cause designated Options to qualify as ISOs, and to make all

other determinations necessary or advisable for administering the Plan. The Committee may correct any defect or supply any omission or reconcile any inconsistency in any agreement relating to an Award in the manner and to the extent it shall deem expedient to carry it into effect. The determinations of the Committee on the matters referred to in this Section 2.2 shall be conclusive.

ARTICLE 3.

Shares Available for Grants.

3.1 *Basic Limitations.* Common Shares issued pursuant to the Plan may be authorized but unissued shares. The maximum aggregate number of Common Shares reserved and available for issuance pursuant to Awards under the Plan is 1,300,000, subject to adjustment pursuant to Section 11.1. The aggregate number of Common Shares with respect to which Options or SARs may be granted to any individual Participant during any calendar year shall not exceed 30,000.

3.2 *Additional Shares.* If Restricted Shares or Common Shares issued upon the exercise of Options are forfeited, then such Common Shares shall again become available for Awards under the Plan. If Stock Units, Options or SARs are forfeited or terminate for any other reason before being exercised, then the corresponding Common Shares shall again become available for Awards under the Plan. If Stock Units are settled, then only the number of Common Shares (if any) actually issued in settlement of such Stock Units shall reduce the number available under Section 3.1 and the balance shall again become available for Awards under the Plan. If SARs are exercised, then only the number of Common Shares (if any) actually issued in settlement of such SARs shall reduce the number available under Section 3.1 and the balance shall again become available for Awards under the Plan. The foregoing notwithstanding, the aggregate number of Common Shares that may be issued under the Plan upon exercise of ISOs shall not be increased when Restricted Shares or other Common Shares are forfeited.

3.3 *Dividend Equivalents.* Any dividend equivalents paid or credited under the Plan shall not be applied against the number of Restricted Shares, Stock Units, Options or SARs available for Awards, whether or not such dividend equivalents are converted into Stock Units; provided, however, that subject to Article 11, dividend equivalents that have been converted into Stock Units may not be paid in the form of Common Shares to the extent such payment would exceed the limitations set forth in Section 3.1.

ARTICLE 4.

Eligibility.

4.1 *Incentive Stock Options.* Only Employees shall be eligible for the grant of ISOs. In addition, an Employee who owns more than 10% of the total combined voting power of all classes of outstanding stock of the Company or any of its Parents or Subsidiaries shall not be eligible for the grant of an ISO unless the requirements set forth in section 422(c)(5) of the Code are satisfied.

4.2 *Other Grants.* Only Employees, Directors and Consultants shall be eligible for the grant of Restricted Shares, Stock Units, NSOs or SARs. Only Eligible Directors shall be eligible for automatic awards of Director Restricted Shares under Article 6.

Such Option shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The Stock Option Agreement shall specify whether the Option is an ISO or a NSO. The provisions of the various Stock Option Agreements entered into under the Plan need not be identical. A Stock Option Agreement may provide that a new Option will be granted

automatically to the Optionee when he or she exercises a prior Option and pays the Exercise Price in the form described in Section 7.2.

*5.2 Number of Shares.* Each Stock Option Agreement shall specify the number of Common Shares subject to the Option and shall provide for the adjustment of such number in accordance with Section 11.1.

C-2

---

**Table of Contents**

*5.3 Exercise Price.* Each Stock Option Agreement shall specify the Exercise Price; provided that the Exercise Price under an Option shall in no event be less than 100% of the Fair Market Value of a Common Share on the date of grant.

*5.4 Exercisability and Term.* Each Stock Option Agreement shall specify the date or event when all or any installment of the Option is to become exercisable. The Stock Option Agreement shall also specify the term of the Option; provided that the term of an Option shall in no event exceed 10 years from the date of grant. A Stock Option Agreement may provide for accelerated exercisability and vesting in the event of the Optionee's death, Disability or retirement or other events and may provide for expiration prior to the end of its term in the event of the termination of the Optionee's Service. Options may be awarded in combination with SARs, and such an Award may provide that the Options will not be exercisable unless the related SARs are forfeited. Unless the Stock Option Agreement evidencing an Option provides otherwise, the following provisions shall apply in the event of the Optionee's termination of Service as an Employee, Director or Consultant:

(a) In the event an Optionee's Service terminates for any reason other than because of retirement, Disability or death, any Option held by the Optionee may be exercised at any time prior to the expiration date of the Option, or the expiration of three months after the date of such termination, whichever is the shorter period, but only if and to the extent the Optionee was entitled to exercise the Option at the date of such termination.

(b) In the event an Optionee's Service terminates for any reason other than because of Disability or death and the Optionee has obtained age 62 or older as of the date of such termination, any Option held by the Optionee may be exercised at any time prior to the original expiration date of the Option, but only if and to the extent the Optionee was entitled to exercise the Option at the date of such termination.

(c) In the event an Optionee's Service terminates because of Disability, any Option held by the Optionee may be exercised at any time prior to the expiration date of the Option or the expiration of one year after the date of such termination, whichever is the shorter period, but only if and to the extent the Optionee was entitled to exercise the Option at the date of such termination.

(d) In the event of the death of an Optionee while providing Service to the Company or any Affiliate, such Option shall become immediately exercisable in its entirety and may be exercised at any time prior to the expiration date of the Option, but only by the person or persons to whom such Optionee's rights under the Option shall pass by the Optionee's will or by the laws of descent and distribution of the state or country of domicile at the time of death.

(e) The Committee, at the time of grant or at any time thereafter, may extend the post-termination expiration periods otherwise applicable to options any length of time not later than the original expiration date of the Option, and may increase the portion of the Option that is exercisable and vested, subject to such terms and conditions as the Committee may determine.

(f) To the extent that the Option of any deceased Optionee, or of any Optionee whose Service terminates, is not exercised within the applicable period, all further rights to purchase Common Shares pursuant to such Option shall cease and terminate.

*5.5 Limitation on ISOs.* To the extent that an aggregate Fair Market Value of Common Shares with respect to which ISOs are exercisable for the first time by an Optionee during any calendar year under the Plan and any other plan of the Company or its Affiliates shall exceed \$100,000, such Option shall be treated as a NSO. Such Fair Market Value shall be determined as of the date on which such ISO was granted.

ARTICLE 6.

6.1 *Automatic Awards.*

Immediately after the close of each annual stockholder meeting, the Committee shall automatically grant a Director Restricted Share award of such number of shares of Common Stock as have an aggregate Fair Market

Value as of the award date of \$42,500.00 to each person then serving as an Eligible Director, including any such person who is elected at such meeting. Notwithstanding the foregoing, no grant shall be made to an Eligible Director if such grant would cause that Eligible Director to become an Acquiring Person (as defined in the Stockholder Rights Agreement between the Greenbrier Companies, Inc. and Equiserve Trust Company, N.A. dated as of July 13, 2004).

### *6.2 Vesting of Director Restricted Shares.*

Each Director Restricted Shares shall vest in equal annual installments over a period of three years, on the first, second and third anniversaries of the award date. If an Eligible Director ceases to be a Director due to death or Disability, or because he or she is not re-elected to serve an additional term as a Director, any unvested Director Restricted Shares shall immediately become fully vested. If an Eligible Director ceases to be a Director by reason of removal or resignation as a member of the Board, any unvested Director Restricted Shares shall automatically be forfeited, and the shares subject to such award shall be available for grant under this Plan.

### *6.3 General Rules.*

Director Restricted Share awards shall be governed by the provisions of Article 9 to the extent such provisions are not inconsistent with this Article 6. Each Director Restricted Shares award shall be evidenced by a Director Restricted Share Agreement.

## ARTICLE 7.

### Payment for Option Shares

*7.1 General Rule.* The entire Exercise Price of Common Shares issued upon exercise of Options shall be payable in cash or cash equivalents at the time when such Common Shares are purchased, except as follows:

(a) In the case of an ISO granted under the Plan, payment shall be made only pursuant to the express provisions of the applicable Stock Option Agreement. The Stock Option Agreement may specify that payment may be made in any form(s) described in this Article 7.

(b) In the case of an NSO, the Committee may at any time accept payment in any form(s) described in this Article 7.

*7.2 Surrender of Stock.* To the extent that this Section 7.2 is applicable, all or any part of the Exercise Price may be paid by surrendering, or attesting to the ownership of, Common Shares that are already owned by the Optionee, which have been held and fully paid for by the Optionee for at least six months prior to the date of such exercise. Such Common Shares shall be valued at their Fair Market Value on the date when the new Common Shares are purchased under the Plan. The Optionee shall not surrender, or attest to the ownership of, Common Shares in payment of the Exercise Price if such action would cause the Company to recognize compensation expense (or additional compensation expense) with respect to the Option for financial reporting purposes.

*7.3 Exercise/Sale.* To the extent that this Section 7.3 is applicable and to the extent permitted by applicable laws, regulations and rules, all or any part of the Exercise Price and any withholding taxes may be paid by delivering (on a form prescribed by the Company) an irrevocable direction to a securities broker approved by the Company to sell all or part of the Common Shares being purchased under the Plan and to deliver all or part of the sales proceeds to the Company.

*7.4 Exercise/Pledge.* To the extent that this Section 7.4 is applicable and to the extent permitted by applicable laws, regulations and rules, all or any part of the Exercise Price and any withholding taxes may be paid by delivering (on a

form prescribed by the Company) an irrevocable direction to pledge all or part of the Common Shares being purchased under the Plan to a securities broker or lender approved by the Company, as security for a loan, and to deliver all or part of the loan proceeds to the Company.

*7.5 Promissory Note.* To the extent that this Section 7.5 is applicable, all or any part of the Exercise Price and any withholding taxes may be paid by delivering (on a form prescribed by the Company) a full-recourse

**Table of Contents**

promissory note. However, the par value of the Common Shares being purchased under the Plan, if newly issued, shall be paid in cash or cash equivalents.

*7.6 Other Forms of Payment.* To the extent that this Section 7.6 is applicable, all or any part of the Exercise Price and any withholding taxes may be paid in any other form that is consistent with applicable laws, regulations and rules.

ARTICLE 8.

Stock Appreciation Rights

*8.1 SAR Agreement.* Each grant of an SAR under the Plan shall be evidenced by an SAR Agreement between the Optionee and the Company. Such SAR shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various SAR Agreements entered into under the Plan need not be identical. SARs may be granted in consideration of a reduction in the Optionee's other compensation.

*8.2 Number of Shares.* Each SAR Agreement shall specify the number of Common Shares to which the SAR pertains and shall provide for the adjustment of such number in accordance with Section 11.1.

*8.3 Exercise Price.* Each SAR Agreement shall specify the Exercise Price. An SAR Agreement may specify an Exercise Price that varies in accordance with a predetermined formula while the SAR is outstanding.

*8.4 Exercisability and Term.* Each SAR Agreement shall specify the date when all or any installment of the SAR is to become exercisable. The SAR Agreement shall also specify the term of the SAR. An SAR Agreement may provide for accelerated exercisability and vesting in the event of the Optionee's death, Disability or retirement or other events and may provide for expiration prior to the end of its term in the event of the termination of the Optionee's Service. SARs may be awarded in combination with Options, and such an Award may provide that the SARs will not be exercisable unless the related Options are forfeited. An SAR may be included in an ISO only at the time of grant but may be included in an NSO at the time of grant or thereafter.

*8.5 Effect of Change in Control.* The Committee may determine, at the time of granting an SAR or thereafter, that such SAR shall become fully exercisable as to all Common Shares subject to such SAR in the event that the Company is subject to a Change in Control or in the event that the Optionee is subject to an Involuntary Termination after a Change in Control.

*8.6 Exercise of SARs.* Upon exercise of an SAR, the Optionee (or any person having the right to exercise the SAR after his or her death) shall receive from the Company (a) Common Shares, (b) cash or (c) a combination of Common Shares and cash, as the Committee shall determine. The amount of cash and/or the Fair Market Value of Common Shares received upon exercise of SARs shall, in the aggregate, be equal to the amount by which the Fair Market Value (on the date of surrender) of the Common Shares subject to the SARs exceeds the Exercise Price. If, on the date when an SAR expires, the Exercise Price under such SAR is less than the Fair Market Value on such date but any portion of such SAR has not been exercised or surrendered, then such SAR shall automatically be deemed to be exercised as of such date with respect to such portion.

ARTICLE 9.

Restricted Shares

9.1 *Restricted Stock Agreement.* Each grant of Restricted Shares under the Plan shall be evidenced by a Restricted Stock Agreement between the recipient and the Company. Such Restricted Shares shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various Restricted Stock Agreements entered into under the Plan need not be identical.

9.2 *Payment for Awards.* Subject to the following sentence, Restricted Shares may be sold or awarded under the Plan for such consideration as the Committee may determine, including (without limitation) cash, cash equivalents, full-recourse promissory notes, past services and future services. To the extent that an Award consists

**Table of Contents**

of newly issued Restricted Shares, the consideration shall consist exclusively of cash, cash equivalents or services rendered to the Company (or a Parent or Subsidiary) or, for the amount in excess of the par value of such newly issued Restricted Shares, full-recourse promissory notes, as the Committee may determine.

9.3 *Vesting Conditions.* Each Award of Restricted Shares shall be subject to vesting. Vesting shall occur, in full or in installments, upon satisfaction of the conditions specified in the Restricted Stock Agreement. Unless otherwise provided in the Restricted Stock Agreement, Restricted Shares shall have a vesting period of one year. A Restricted Stock Agreement may provide for accelerated vesting in the event of the Participant's death, Disability or retirement or other events.

9.4 *Effect of Change in Control*

The Committee may determine, at the time of granting Restricted Shares or thereafter, that all or part of such Restricted Shares shall become vested in the event that a Change in Control occurs with respect to the Company or in the event that the Participant is subject to an Involuntary Termination after a Change in Control.

9.5 *Voting and Dividend Rights.* The holders of Restricted Shares awarded under the Plan shall have the same voting, dividend and other rights as the Company's other stockholders. A Restricted Stock Agreement, however, may require that the holders of Restricted Shares invest any cash dividends received in additional Restricted Shares. Such additional Restricted Shares shall be subject to the same conditions and restrictions as the Award with respect to which the dividends were paid.

ARTICLE 10.

Stock Units

10.1 *Stock Unit Agreement.* Each grant of Stock Units under the Plan shall be evidenced by a Stock Unit Agreement between the recipient and the Company. Such Stock Units shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various Stock Unit Agreements entered into under the Plan need not be identical. Stock Units may be granted in consideration of a reduction in the recipient's other compensation.

10.2 *Payment for Awards.* To the extent that an Award is granted in the form of Stock Units, no cash consideration shall be required of the Award recipients.

10.3 *Vesting Conditions.* Each Award of Stock Units may or may not be subject to vesting. Vesting, if any, shall occur, in full or in installments, upon satisfaction of the conditions specified in the Stock Unit Agreement. Unless otherwise provided in the Stock Unit Agreement, Stock Units that are subject to vesting shall have a vesting period of at least one year. A Stock Unit Agreement may provide for accelerated vesting in the event of the Participant's death, Disability or retirement or other events.

10.4 *Effect of Change in Control*

The Committee may determine, at the time of granting Stock Units or thereafter, that all or part of such Stock Units shall become vested in the event that the Company is subject to a Change in Control or in the event that the Participant is subject to an Involuntary Termination after a Change in Control.

10.5 *Voting and Dividend Rights.* The holders of Stock Units shall have no voting rights. Prior to settlement or forfeiture, any Stock Unit awarded under the Plan may, at the Committee's discretion, carry with it a right to dividend

equivalents. Such right entitles the holder to be credited with an amount equal to all cash dividends paid on one Common Share while the Stock Unit is outstanding. Dividend equivalents may be converted into additional Stock Units. Settlement of dividend equivalents may be made in the form of cash, in the form of Common Shares, or in a combination of both. Prior to distribution, any dividend equivalents that are not paid shall be subject to the same conditions and restrictions as the Stock Units to which they attach.

10.6 *Form and Time of Settlement of Stock Units.* Settlement of vested Stock Units may be made in the form of (a) cash, (b) Common Shares or (c) any combination of both, as determined by the Committee. The actual number of Stock Units eligible for settlement may be larger or smaller than the number included in the original

**Table of Contents**

Award, based on predetermined performance factors. Methods of converting Stock Units into cash may include (without limitation) a method based on the average Fair Market Value of Common Shares over a series of trading days. Vested Stock Units may be settled in a lump sum or in installments. The distribution may occur or commence when all vesting conditions applicable to the Stock Units have been satisfied or have lapsed, or it may be deferred to any later date. The amount of a deferred distribution may be increased by an interest factor or by dividend equivalents. Until an Award of Stock Units is settled, the number of such Stock Units shall be subject to adjustment pursuant to Section 11.1.

*10.7 Death of Recipient.* Any Stock Units Award that becomes payable after the recipient's death shall be distributed to the recipient's beneficiary or beneficiaries. Each recipient of a Stock Units Award under the Plan shall designate one or more beneficiaries for this purpose by filing the prescribed form with the Company. A beneficiary designation may be changed by filing the prescribed form with the Company at any time before the Award recipient's death. If no beneficiary was designated or if no designated beneficiary survives the Award recipient, then any Stock Units Award that becomes payable after the recipient's death shall be distributed to the recipient's estate.

*10.8 Creditors' Rights.* A holder of Stock Units shall have no rights other than those of a general creditor of the Company. Stock Units represent an unfunded and unsecured obligation of the Company, subject to the terms and conditions of the applicable Stock Unit Agreement.

ARTICLE 11.

Corporate Events

*11.1 Adjustments.* In the event of a subdivision of the outstanding Common Shares, a declaration of a dividend payable in Common Shares or in the event of a combination or consolidation of the outstanding Common Shares (by reclassification or otherwise) into a lesser number of Common Shares, corresponding adjustments shall automatically be made in each of the following:

- (a) The number of Options, SARs, Restricted Shares and Stock Units available for future Awards under Article 3;
- (b) The number of Common Shares covered by each outstanding Option and SAR;
- (c) The Exercise Price under each outstanding Option and SAR; or
- (d) The number of Stock Units included in any prior Award that has not yet been settled.

In the event of a declaration of an extraordinary dividend payable in a form other than Common Shares in an amount that has a material effect on the price of Common Shares, a recapitalization, a spin-off, merger, consolidation or a similar occurrence, the Committee shall make such adjustments as it, in its sole discretion, deems appropriate, including, but not limited to, the cancellation of outstanding Awards following the provision of notice to Participants and an opportunity to exercise such Award, if applicable. Except as provided in this Article 11, a Participant shall have no rights by reason of any issuance by the Company of stock of any class or securities convertible into stock of any class, any subdivision or consolidation of shares of stock of any class, the payment of any stock dividend or any other increase or decrease in the number of shares of stock of any class.

*11.2 Dissolution or Liquidation.* To the extent not previously exercised or settled, Options, SARs and Stock Units shall terminate immediately prior to the dissolution or liquidation of the Company.

*11.3 Acceleration of Options Upon Change of Control.*

(a) In the event of a Change in Control, each outstanding Option shall become immediately exercisable to the full extent theretofore not exercisable, unless otherwise determined by the Committee prior to the occurrence of a Change in Control. Notwithstanding the foregoing, any Optionee shall be entitled to decline the acceleration of all or any of his or her Options, if he or she determines that such acceleration may result in adverse tax consequences to him or her.

(b) In the event of: (i) a merger, exchange or consolidation in which the Company is not the resulting or surviving corporation (or in which the Company is the resulting or surviving corporation but becomes a subsidiary

C-7

of another corporation); (ii) a transfer of all or substantially all the assets of the Company; or (iii) the dissolution or liquidation of the Company (each, a Transaction ), the Committee shall notify Optionees in writing of the proposed Transaction (the Proposal Notice ) at least 30 days prior to the effective date of the proposed Transaction. The Committee shall, in its sole discretion, and to the extent possible under the structure of the Transaction, select one of the following alternatives for treating outstanding Options under the Plan:

(i) Outstanding Options shall be converted into Options to purchase stock in the corporation that is the surviving or acquiring corporation in the Transaction. The amount, type of securities subject thereto and exercise price of the converted Options shall be determined by the Committee and based on the exchange rate, if any, used in determining shares of the surviving corporation to be issued to Optionees of shares of the Company. If there is no exchange rate in the Transaction, the Committee shall, in making its determination, take into account the relative values of the companies involved in the Transaction and such other factors as it deems relevant. Such converted Options shall be fully vested.

(ii) The Committee shall provide a 30-day period prior to the consummation of the Transaction during which outstanding Options may be exercised without any limitation on exercisability, and upon consummation of such Transaction, all unexercised Options shall immediately terminate. If the Committee elects to provide such 30-day period for the exercise of Options, the Proposal Notice shall so state. Optionees, by written notice to the Company, may exercise their Options and, in so exercising the Options, may condition such exercise upon, and provide that such exercise shall become effective immediately prior to, the consummation of the Transaction, in which event Optionees need not make payment for the Common Shares to be purchased upon exercise of Options until five days after written notice by the Company to the Optionees that the Transaction has been consummated (the Transaction Notice ). If the Transaction is consummated, each Option, to the extent not previously exercised prior to the consummation of the Transaction, shall terminate and cease being exercisable as of the effective date of such consummation. If the Transaction is abandoned, (A) all outstanding Options not exercised shall continue to be exercisable, to the extent such Options were exercisable prior to the date of the Proposal Notice, and (B) to the extent that any Options not exercised prior to such abandonment shall have become exercisable solely by operation of this Section 11.3, such exercisability shall be deemed annulled, and the exercisability provisions otherwise in effect shall be reinstated, as of the date of such abandonment.

ARTICLE 12.

Awards Under Other Plans

The Company may grant awards under other plans or programs. Such awards may be settled in the form of Common Shares issued under this Plan. Such Common Shares shall be treated for all purposes under the Plan like Common Shares issued in settlement of Stock Units and shall, when issued, reduce the number of Common Shares available under Article 3.

ARTICLE 13.

Limitation on Rights

13.1 *Retention Rights.* Neither the Plan nor any Award granted under the Plan shall be deemed to give any individual a right to remain an Employee, Director or Consultant. The Company and its Parents, Subsidiaries and Affiliates reserve the right to terminate the Service of any Employee, Director or Consultant at any time, with or without cause, subject to applicable laws, the Company's certificate of incorporation and by-laws and a written employment agreement (if any).

13.2 *Stockholders Rights.* A Participant shall have no dividend rights, voting rights or other rights as a stockholder with respect to any Common Shares covered by his or her Award prior to the time when a stock certificate for such Common Shares is issued or, if applicable, the time when he or she becomes entitled to receive such Common Shares by filing any required notice of exercise and paying any required Exercise Price. No

adjustment shall be made for cash dividends or other rights for which the record date is prior to such time, except as expressly provided in the Plan.

13.3 *Regulatory Requirements.* Any other provision of the Plan notwithstanding, the obligation of the Company to issue Common Shares under the Plan shall be subject to all applicable laws, rules and regulations and such approval by any regulatory body as may be required. The Company reserves the right to restrict, in whole or in part, the delivery of Common Shares pursuant to any Award prior to the satisfaction of all legal requirements relating to the issuance of such Common Shares, to their registration, qualification or listing or to an exemption from registration, qualification or listing.

ARTICLE 14.

Withholding Taxes.

14.1 *General.* To the extent required by applicable federal, state, local or foreign law, a Participant or his or her successor shall make arrangements satisfactory to the Company for the satisfaction of any withholding tax obligations that arise in connection with the Plan. The Company shall not be required to issue any Common Shares or make any cash payment under the Plan until such obligations are satisfied.

14.2 *Share Withholding.* To the extent that applicable law subjects a Participant to tax withholding obligations, the Committee may permit such Participant to satisfy all or part of such obligations by having the Company withhold all or a portion of any Common Shares that otherwise would be issued to him or her or by surrendering all or a portion of any Common Shares that he or she previously acquired. Such Common Shares shall be valued at their Fair Market Value on the date when they are withheld or surrendered.

ARTICLE 15.

Plan Term; Amendment and Termination.

15.1 *Term of the Plan.* The Plan, as set forth herein, shall become effective as of the date it is adopted by the Board, and shall remain in effect until it is terminated under Section 15.2, except that no ISOs shall be granted on or after the 10th anniversary of the later of (a) the date when the Board adopted the Plan or (b) the date when the Board adopted the most recent increase in the number of Common Shares available under Article 3 that was approved by the Company's stockholders.

15.2 *Amendment or Termination.* The Board may, at any time and for any reason, amend or terminate the Plan. An amendment of the Plan shall be subject to the approval of the Company's stockholders only to the extent required by applicable laws, regulations or rules or requirements of any applicable governmental authority or listing organization governing the trading of the Company's stock. No Awards shall be granted under the Plan after the termination thereof. The termination of the Plan, or any amendment thereof, shall not affect any Award previously granted under the Plan.

The Committee may amend the terms of any Award theretofore granted (and the Award agreement with respect thereto), prospectively or retroactively, but subject to Section 11.1 of the Plan, no such amendment shall impair the rights of any Participant without his or her consent and no such amendment may effect a repricing of any Award without approval of the Company's stockholders.

ARTICLE 16.

Limitation on Change in Control Payments.

16.1 *Scope of Limitation.* This Article 16 shall apply to an Award only if:

(a) The independent auditors most recently selected by the Board (the Auditors ) determine that the after-tax value of such Award to the Participant, taking into account the effect of all federal, state and local income taxes, employment taxes and excise taxes applicable to the Participant (including the excise tax under

C-9

---

**Table of Contents**

section 4999 of the Code), will be greater after the application of this Article 16 than it was before the application of this Article 16; or

(b) The Committee, at the time of making an Award under the Plan or at any time thereafter, specifies in writing that such Award shall be subject to this Article 16 (regardless of the after-tax value of such Award to the Participant).

If this Article 16 applies to an Award, it shall supersede any contrary provision of the Plan or of any Award granted under the Plan.

**16.2 Basic Rule.** In the event that the Auditors determine that any payment or transfer by the Company under the Plan to or for the benefit of a Participant (a Payment ) would be nondeductible by the Company for federal income tax purposes because of the provisions concerning excess parachute payments in section 280G of the Code, then the aggregate present value of all Payments shall be reduced (but not below zero) to the Reduced Amount. For purposes of this Article 16, the Reduced Amount shall be the amount, expressed as a present value, which maximizes the aggregate present value of the Payments without causing any Payment to be nondeductible by the Company because of section 280G of the Code.

**16.3 Reduction of Payments.** If the Auditors determine that any Payment would be nondeductible by the Company because of section 280G of the Code, then the Company shall promptly give the Participant notice to that effect and a copy of the detailed calculation thereof and of the Reduced Amount, and the Participant may then elect, in his or her sole discretion, which and how much of the Payments shall be eliminated or reduced (as long as after such election the aggregate present value of the Payments equals the Reduced Amount) and shall advise the Company in writing of his or her election within 10 days of receipt of notice. If no such election is made by the Participant within such 10-day period, then the Company may elect which and how much of the Payments shall be eliminated or reduced (as long as after such election the aggregate present value of the Payments equals the Reduced Amount) and shall notify the Participant promptly of such election. For purposes of this Article 16, present value shall be determined in accordance with section 280G(d)(4) of the Code. All determinations made by the Auditors under this Article 16 shall be binding upon the Company and the Participant and shall be made within 60 days of the date when a Payment becomes payable or transferable. As promptly as practicable following such determination and the elections hereunder, the Company shall pay or transfer to or for the benefit of the Participant such amounts as are then due to him or her under the Plan and shall promptly pay or transfer to or for the benefit of the Participant in the future such amounts as become due to him or her under the Plan.

**16.4 Overpayments and Underpayments.** As a result of uncertainty in the application of section 280G of the Code at the time of an initial determination by the Auditors hereunder, it is possible that Payments will have been made by the Company which should not have been made (an Overpayment ) or that additional Payments which will not have been made by the Company could have been made (an Underpayment ), consistent in each case with the calculation of the Reduced Amount hereunder. In the event that the Auditors, based upon the assertion of a deficiency by the Internal Revenue Service against the Company or the Participant that the Auditors believe has a high probability of success, determine that an Overpayment has been made, the Participant shall repay such Overpayment to the Company; provided, however, that no amount shall be payable by the Participant to the Company if and to the extent that such payment would not reduce the amount that is subject to taxation under section 4999 of the Code. In the event that the Auditors determine that an Underpayment has occurred, such Underpayment shall promptly be paid or transferred by the Company to or for the benefit of the Participant, together with interest at the applicable federal rate provided in section 7872(f)(2) of the Code.

**16.5 Related Corporations.** For purposes of this Article 16, the term Company shall include affiliated corporations to the extent determined by the Auditors in accordance with section 280G(d)(5) of the Code.
