- (1) Series B common stock is convertible at any time on a share-for-share basis into Series A common stock. Pursuant to Rule 13d-3(d)(1)(i), the Reporting Person is deemed to be the beneficial owner of the Series A shares into which the Series B shares are convertible, and such Series A shares are included in this number. Derivative securities (exercisable for or settled in the Issuer's common stock) were issued as a result of the spin-off of the Issuer from Belo Corp. pursuant to the anti-dilution adjustment provisions of previously outstanding awards.
- (2) Includes 11,199 Series A shares issuable upon the vesting and distribution of restricted stock awards within 60 days, 1,093 Series A shares held in the Issuer's 401(k) plan, 380,850 Series B shares subject to options that are presently exercisable or that

become exercisable within 60 days, and 754,211 Series B shares indirectly held in grantor retained annuity trusts (the GRATs). Also includes trusts (the Trusts) for which Mr. Decherd serves as trustee, which hold 2,796 Series A shares. The number does not include 240 Series A shares and 240 Series B shares owned by Mr. Decherd s wife, and 5,000 Series B shares held in trusts established for the benefit of Mr. Decherd s daughter, as to all of which shares Mr. Decherd disclaims beneficial ownership.

- (3) These shares of Series B stock are held by Mr. Decherd in joint tenancy with his wife.
- (4) Pursuant to Rule 13d-3(d)(1)(i), this percentage of ownership was calculated by taking the total number of Series A shares beneficially owned by the Reporting Person (i.e., total Series A and Series B shares beneficially owned by the Reporting Person, including the total number of

Series A and Series B shares the Reporting Person has the right to acquire or receive within 60 days pursuant to exercisable options and convertible securities) and dividing that number by the total number of Series A shares outstanding (i.e., the total Series A shares outstanding plus the Series B holdings of the Reporting Person plus the total number of Series A shares the Reporting Person has the right to acquire or receive within 60 days pursuant to exercisable options and convertible securities). The outstanding Series A shares used in this calculation include Series A shares into which the Series B holdings of the Reporting Person are convertible but does not contemplate the conversion of the Series B holdings of any other individual or entity. If the percentage were calculated to include all of the outstanding Series B shares which are convertible to Series A shares, the Reporting Person

would be deemed to
be the beneficial
owner of 7.2% of
the outstanding
Series A shares.

Item 3. Source and Amount of Funds or Other Consideration

On February 8, 2008, to effect the spin-off of the Issuer from Belo Corp. (BLC), BLC distributed all of the outstanding shares of Series A Common Stock of Issuer to holders of BLC Series A Common Stock of record as of the close of business on January 25, 2008 and all of the outstanding shares of Series B Common Stock of Issuer to the holders of BLC Series B Common Stock of record as of the same date. Thereafter, the Reporting Person acquired beneficial ownership of shares that are subject to these awards upon the vesting of these awards. No funds were expended in connection with the foregoing acquisition.

Item 4. Purpose of Transaction

The Reporting Person intends to review his investment in the Issuer on a continuing basis and may, at any time, consistent with the Reporting Person's obligations under the federal securities laws, determine to increase or decrease his ownership of shares of the Issuer's Series A common stock through purchases or sales in the open market or in privately-negotiated transactions. The Reporting Person's review of his investment in the Issuer will depend on various factors, including the Issuer's business prospects, other developments concerning the Issuer, general economic conditions, financial and stock market conditions, the Reporting Person's personal financial situation, need for, and availability of capital, and any other facts and circumstances which may become known to the Reporting Person regarding his investment in the Issuer. However, the Reporting Person may engage in privately-negotiated transactions in the future, may from time-to-time acquire additional shares of common stock under various employee benefit and compensation arrangements of the Issuer, and reserves his right to reevaluate his investment in the Issuer and to purchase additional shares in the open market or otherwise.

However, the Reporting Person, in his capacity as Chairman of the Board, President, and Chief Executive Officer may, from time to time, become aware of, initiate, and/or be involved in discussions that relate to the transactions described in this Item 4 and thus retains his right to modify his plans with respect to the transactions described in this Item 4 to acquire or dispose of securities of the Issuer and to formulate plans and proposals that could result in the occurrence of any such events, subject to applicable laws and regulations.
