March 29, 2001

Dear Fellow Stockholder:

You are cordially invited to attend the Company's Annual Meeting of Stockholders which will be held at The St. Regis Hotel, 2 East 55th Street, New York, New York on Wednesday, May 2, 2001 at 11:00 a.m. This year you are being asked to elect seven directors to the Company's Board and approve the Company's auditors for the year ending December 31, 2001, all as set forth in the accompanying notice and proxy statement.

We look forward to greeting personally those stockholders who are able to be present at the meeting; however, whether or not you plan to be with us at the meeting, it is important that your shares be represented. Accordingly, you are requested to sign and date the enclosed proxy and mail it in the envelope provided at your earliest convenience.

Thank you for your cooperation.

Sincerely yours,

PROXY STATEMENT

GENERAL INFORMATION

PROXY SOLICITATION

This proxy statement is furnished to the holders of common stock of TransPro, Inc. in connection with the solicitation by our Board of Directors of proxies for use at the annual meeting of stockholders to be held on Wednesday, May 2, 2001, or at any adjournment of the annual meeting. The purposes of the meeting and the matters to be acted upon are described in the accompanying Notice of Annual Meeting of Stockholders. The Board of Directors is not currently aware of any other matters that will come before the meeting.

Proxies for use at the meeting are being solicited by our Board of Directors. Proxies will be mailed to stockholders on or about March 30, 2001 and will be solicited chiefly by mail. We will make arrangements with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of the shares and will reimburse them for their expenses in so doing. Should it appear desirable to do so in order to ensure adequate representation of shares at the meeting, our officers, agents and employees may communicate with stockholders, banks, brokerage houses and

Edgar Filing: TRANSPRO INC - Form DEF 14A

others by telephone, e-mail, facsimile, or in person to request that proxies be furnished. We will pay all expenses incurred in connection with this solicitation.

REVOCABILITY AND VOTING OF PROXY

A form of proxy for use at the annual meeting and a return envelope for the proxy are enclosed. Stockholders may revoke the authority granted by their execution of proxies at any time before their effective exercise by filing with our Secretary a written notice of revocation or a duly executed proxy bearing a later date, or by voting in person at the meeting. Shares of common stock represented by executed and unrevoked proxies will be voted in accordance with the choice or instructions specified. If no specifications are given, the proxies intend to vote the shares represented to approve Proposals No. 1 and 2 as described in the accompanying Notice of Annual Meeting of Stockholders and in accordance with their best judgment on any other matters which may properly come before the meeting.

RECORD DATE AND VOTING RIGHTS

Only stockholders of record at the close of business on March 5, 2001 are entitled to notice of and to vote at the annual meeting or any adjournment of the annual meeting. On March 5, 2001 there were 6,580,635 shares of common stock outstanding; each share is entitled to one vote on each of the matters to be presented at the annual meeting. The holders of a majority of the outstanding shares of common stock, present in person or by proxy, will constitute a quorum at the annual meeting. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. "Broker non-votes" are shares held by brokers or nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner. Under Delaware law, the effect of broker non-votes on a particular matter depends on whether the matter is one as to which the broker or nominee has discretionary voting authority under the applicable rule of the New York Stock Exchange. The effect of broker non-votes on the specific items to be brought before the annual meeting is discussed under each item.

PROPOSAL NO. 1 -- ELECTION OF DIRECTORS

Seven directors (constituting the entire Board) are to be elected at the annual meeting. Unless otherwise specified, the enclosed proxy will be voted in favor of the persons named below to serve until the next annual meeting of stockholders and until their successors have been duly elected and qualified. Each person named below is now a director of TransPro. In the event any of these nominees will be unable to serve as a director, the shares represented by the proxy will be voted for the person, if any, who is designated by the Board of Directors to replace the nominee. All nominees have consented to be named and have indicated their intent to serve if elected. The Board of Directors has no reason to believe that any of the nominees will be unable to serve or that any vacancy on the Board of Directors will occur.

The nominees, their ages, the year in which each first became a director of the Company and their principal occupations or employment during the past five years are:

INFORMATION REGARDING BOARD OF DIRECTORS

The business and affairs of TransPro are managed under the direction of our Board of Directors, whose members are elected annually by the stockholders. During 1995, the Board of Directors designated a Management Compensation and Nominating Committee and an Audit Committee. Messrs. Lederer and Banducci and Ms. Oster are the members of the Management Compensation and Nominating Committee; and Messrs. Smith, Abraham and Colburn are the members of the Audit Committee. During 1999, the Board of Directors designated a Management Committee. Messrs. Banducci, Johnson and Lederer are the members of the Management Committee. Henry P. McHale, our former President and Chief Executive Officer, was a member of the Management Committee until December 31, 2000. Charles E. Johnson, our current President and Chief Executive Officer joined the Management Committee in March 2001.

The Management Compensation and Nominating Committee (the "Compensation Committee") recommends to the Board salaries and incentive compensation awards for our officers; reviews and approves guidelines for the administration of incentive compensation programs for other management employees; makes recommendations to the Board with respect to major compensation programs; administers our 1995 Stock Plan and our 1995 Nonemployee Directors Stock Option Plan (the "Directors Plan"), grants stock options and restricted shares of common stock under the 1995 Stock Plan; and issues the Report on Executive Compensation required to be included in our proxy statement by the rules of the Securities and Exchange Commission. This Committee also selects and recommends to the Board nominees for election as directors and considers the performance of incumbent directors in determining whether to recommend them for nomination for re-election. The Compensation Committee has recommended each of the seven returning incumbent directors for re-election at the annual meeting. The Compensation Committee will consider nominees recommended by stockholders for election at the 2002 Annual Meeting of Stockholders that are submitted prior to the end of 2001 to our Secretary at TransPro's offices, 100 Gando Drive, New Haven, Connecticut 06513. Any recommendation must be in writing and must include a detailed description of the business experience and other

Edgar Filing: TRANSPRO INC - Form DEF 14A

qualifications of the recommended nominee as well as the signed consent of the nominee to serve if nominated and elected.

The Audit Committee recommends to the Board of Directors the appointment of our independent auditors and reviews the degree of their independence; approves the scope of the audit engagement,

3

including the cost of the audit; reviews any non-audit services rendered by the auditors and the fees therefor; reviews with the auditors and management our policies and procedures with respect to internal accounting and financial controls and, upon completion of an audit, the results of the audit engagement; and reviews internal accounting and auditing procedures with our financial staff and the extent to which recommendations made by the independent auditors have been implemented. All members of the Audit Committee are independent as defined in the listing standards of the New York Stock Exchange. On June 13, 2000, the Board of Directors adopted an Audit Committee Charter that meets the requirements of the Securities and Exchange Commission and the New York Stock Exchange. A copy of the Audit Committee Charter is attached as Exhibit B to the electronic version of this proxy statement filed with the SEC.

The Management Committee serves as an advisory resource for TransPro management with regard to industry-specific strategic issues and the condition of the marketplace in which we operate. The Management Committee was established to assist management in its oversight of our operations through the experience and knowledge of its members, rather than to take specific action with regard to any particular area of corporate governance.

During the year ended December 31, 2000, the Board of Directors of the Company held six meetings, the Compensation Committee held seven meetings, the Audit Committee held five meetings and the Management Committee held five meetings. Each director attended at least 75% of the meetings of the Board of Directors held and of all committees of the Board of Directors on which he or she served while he or she was director or a member of a committee of the Board of Directors, with the exception of Mr. Abraham, who attended three of the five meetings of the Audit Committee during 2000.

COMPENSATION OF DIRECTORS

The Chairman of the Board of Directors is paid an annual retainer of \$35,000 per year for his services as Chairman and \$1,000 for each meeting of the Board of Directors attended. The Chairman does not receive any additional compensation for committee participation. All other nonemployee directors are paid \$12,000 per year for their services as a director and \$1,000 for each meeting of the Board of Directors attended. Each nonemployee member of the Audit, Compensation or Management Committee is paid \$2,000 per year for his or her services as a member, and each committee member is paid \$500 for each meeting of a committee attended. Directors are not paid fees for their participation in meetings by telephone conference or for actions by unanimous written consent. Each director and committee member is reimbursed for travel and related expenses incurred in attending meetings.

Under our 1995 Nonemployee Directors Stock Option Plan, the Chairman and each nonemployee director are automatically entitled to a grant of options to purchase 3,200 and 1,500 shares of common stock, respectively, on an annual basis, on the first Friday following our annual meeting of stockholders. The

Edgar Filing: TRANSPRO INC - Form DEF 14A

Board of Directors unanimously determined not to accept the automatic option grant due in May 2000.

We maintain a matching gift program for the benefit of our directors. Pursuant to the matching gift program, in 2000, we matched gifts to charitable organizations made by the directors in amounts up to \$2,500 for each director.

We are party to an employment agreement with Charles E. Johnson, our President and Chief Executive Officer, and a director. In addition, we were a party to an employment agreement with Henry P. McHale, our former President and Chief Executive Officer and a former director. For a description of the terms of these agreements, see "Executive Compensation -- Employment, Termination of Employment and Change of Control Arrangements."

VOTE REQUIRED

The seven nominees receiving the affirmative vote of holders of a majority of the shares of common stock issued, outstanding and entitled to vote, present or represented at the meeting, a quorum being present, shall be elected as directors. Broker non-votes with respect to this matter will be treated as neither a vote "for" or a vote "against" the matter, although they will be counted in determining if a

4

quorum is present. However, instructions on the accompanying proxy card to withhold authority to vote for one or more nominees will be considered in determining the number of votes required to attain a majority of the shares present or represented at the meeting and entitled to vote. Accordingly, an instruction to withhold authority by a stockholder present in person or by proxy at the meeting has the same legal effect as a vote "against" the nominee because it represents a share present or represented at the meeting and entitled to vote, thereby increasing the number of affirmative votes required to approve the nominee.

THE BOARD OF DIRECTORS DEEMS "PROPOSAL NO. 1 -- ELECTION OF DIRECTORS" TO BE IN THE BEST INTERESTS OF TRANSPRO AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL OF THIS PROPOSAL.

EXECUTIVE COMPENSATION

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Management Compensation and Nominating Committee is comprised of three independent non-employee directors. As members of the Compensation Committee, it is our responsibility to administer TransPro's executive compensation programs, monitor corporate performance and its relationship to compensation of executive officers, and make appropriate recommendations concerning matters of executive compensation.

Compensation Policies

We have formulated a compensation philosophy which is designed to enable us to attract, retain and reward capable employees who can contribute to the success of TransPro, principally by (i) setting base salaries at the median of

Edgar Filing: TRANSPRO INC - Form DEF 14A

the marketplace, (ii) creating a significant annual incentive opportunity with target award levels somewhat above median marketplace practices and (iii) creating a highly leveraged (i.e., approximately between the marketplace 50th and 75th percentiles) long term incentive opportunity for senior management. We believe that implementation of a system of compensation that emphasizes performance based compensation provides a strong alignment to stockholders' interests. Five key principles serve as the guiding framework for compensation decisions for all employees of TransPro:

- o To attract and retain the most highly qualified management and employee team.
- o To pay competitively compared to similar automotive companies.
- o To encourage superior employee performance by aligning rewards with stockholder interests, especially through the use of tangible performance targets.
- o To motivate senior executives to achieve TransPro's annual and long-term business goals by providing higher than average leveraged equity-based incentive opportunities.
- o To strive for fairness in administration by emphasizing performance related contributions as the basis of pay decisions.

To implement these policies, we have designed the framework for a four-part executive compensation program consisting of base salary, annual incentive plan, long-term incentive opportunities for senior management, and other employment benefits.

Base Salary. We will seek to maintain levels of compensation that are competitive with similar automotive companies. Base salary represents the fixed component of the executive compensation program. TransPro's philosophy regarding base salaries is conservative, and will seek to maintain salaries for the aggregate officer group at approximately the competitive industry average. Periodic increases in base salary will relate to individual contributions evaluated against established objectives, length of service, and the industry's annual competitive pay practice movement. We have determined that base salary for 2000 for our former Chief Executive Officer and for the other executive officers was generally at the competitive industry average.

Annual Incentive Plan. We have designed an annual incentive plan pursuant to which key TransPro employees will be eligible to receive performance bonuses in a range based upon a percentage of their

annual base salary. Payment of the performance bonuses is based upon performance measures set by the Compensation Committee that incorporate overall corporate, divisional and personal targets. In general, with regard to senior executives, a greater degree of emphasis is placed on the long-term incentives described below.

Long Term Incentives. We believe that the pay program should provide senior executives with an opportunity to increase their ownership and potentially gain financially from TransPro stock price increases. By this approach, the best interests of stockholders and senior executives will be closely aligned. Therefore, senior executives are eligible to receive

Edgar Filing: TRANSPRO INC - Form DEF 14A

restricted stock and are also eligible to receive stock options, giving them the right to purchase shares of common stock at a specified price in the future. We believe that the use of restricted stock and stock options as the basis for long-term incentive compensation meets our defined compensation strategy and business needs of TransPro by achieving increased value for stockholders and retaining key employees.

Other Benefits. Our philosophy is to provide competitive health- and welfare-oriented benefits to executives and employees, but to maintain a conservative posture relative to executive benefits. Consistent with industry practices, we provide a company automobile to executive officers and reimbursed club dues for our former Chief Executive Officer.

Compliance With Section 162(m) of the Internal Revenue Code

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to a public corporation for compensation over \$1 million paid to a corporation's chief executive officer and four other most highly compensated executive officers. Qualifying performance-based compensation will not be subject to the cap if certain requirements are met. We intend to structure the compensation of our executive officers in a manner that should ensure that TransPro does not lose any tax deductions because of the \$1 million compensation limit in the foreseeable future.

The salaries for our highest paid executives will be set, based on independent studies, at levels approximating the average for companies of comparable size in similar industries and are not expected to approach \$1 million in the foreseeable future. We are a proponent of using more performance and equity-based compensation, which can often be designed to ensure that tax deductibility is not compromised.

Our 1995 Stock Plan incorporates maximum limitations on individual annual stock option and restricted stock grants so as to meet the requirements of Section 162(m). The 1995 Stock Plan also identifies performance measures to be used if we decide to use performance-based vesting restricted stock in the future to meet the requirements of Section 162(m).

2000 Compensation for the Chief Executive Officer

In 2000, Henry P. McHale received annual base salary payments of \$386,250, pursuant to the terms of his employment agreement with the Company. See "Executive Compensation -- Employment, Termination of Employment and Change of Control Arrangements." Mr. McHale did not receive an annual performance bonus pursuant to the Annual Incentive Plan in 2000, due to the failure to achieve certain goals set by the Compensation Committee. No option or restricted stock grants were made to Mr. McHale in 2000, since the Committee believed that the significant stock option and restricted stock grants previously made to Mr. McHale in accordance with the terms of his employment agreement aligned his interests with those of the stockholders.

Summary

The Compensation Committee believes that we have implemented a comprehensive compensation program for TransPro executives that is appropriate and competitive with the total compensation programs provided by other similar automotive companies with which we compete. We believe our compensation

Edgar Filing: TRANSPRO INC - Form DEF 14A

philosophy ties compensation to stockholder returns and thereby links compensation to the achievement of annual and longer-term operational results of TransPro on behalf of our stockholders. We look forward to providing the stockholders with an update in our next annual report to you.

RETIREMENT PLANS

Edgar Filing: TRANSPRO INC - Form DEF 14A

We maintain a defined benefit retirement plan covering all of the full-time salaried employees of the G&O division in the United States and Messrs. Hooper and Della Ventura. The other full-time salaried employees of TransPro and its GDI division continue to be covered by GDI's non-contributory defined benefit cash balance plan.

TransPro, Inc. Retirement Plan

The retirement plan generally provides a retirement benefit based upon the participant's years of credited service and his or her final average earnings, with final average earnings consisting of the sum of

8

(i) the average of the salaries of the participant during the five years of highest salaries of the participant in the 10 years preceding the participant's retirement or termination date, and (ii) the average of the performance bonuses and overtime earnings of the participant during the five years of highest aggregate bonuses and overtime earnings of the participant in the 10 years preceding the participant's retirement or termination date. Retirement benefits are payable either as a straight life annuity, a joint and survivor annuity or in other optional forms. Normal retirement is at age 65, but certain early retirement benefits may be payable to participants who have attained age 55 and completed 10 years of continuous service, and survivor benefits may be payable to the surviving spouse of a vested participant who dies prior to early or normal retirement. A participant's benefit under the retirement plan vests after five years of credited service, all benefits funded by TransPro are based upon actuarial computations, and no contributions are made by participants.

The following table shows estimated annual benefits payable under the Retirement Plan to participants in specified compensation (final average earnings) and years-of-service classifications on a straight life annuity basis, assuming normal retirement at age 65 in 2000 and application of the current U.S. Social Security covered compensation base.

GO/DAN Industries Retirement Plan

Messrs. McHale, O'Connor, Jackson and Coyne are covered by a non-contributory defined benefit cash balance plan of GDI. GDI credits an amount, quarterly, to a notional account for each participant under the plan equal to the sum of (i) each participant's total compensation for the quarter (excluding bonus) multiplied by a percentage factor plus (ii) each participant's total compensation for the quarter (excluding bonus) in excess of a fraction of the Social Security wage base multiplied by a percentage factor. The percentage factors are determined under the following table:

YEARS OF SERVICE	CREDIT ACCOUNT WITH % OF PAY	PLUS % OF PAY ABOVE 1/12 OF SOCIAL SECURITY TAXABLE WAGE BASE
-----	-----	-----
Less than 10 years	2.25%	2%
10 to 20 years	3.00%	2%
20 or more years	4.00%	2%

Each year until each participant's normal retirement date (age 65), the notional account balances will be credited quarterly with interest equal to the average of the one-year Treasury bill rate on the first day of October, November and December of the previous calendar year multiplied by his or her account balance at the beginning of the quarter. Upon retirement, the notional account balance will be paid in the

9

form of a lump sum payment or converted to an annuity to provide monthly benefit payments. Upon normal retirement at age 65, Messrs. McHale's, O'Connor's, Jackson's and Coyne's estimated annual pension benefits under the cash balance plan are \$7,396, \$17,299, \$15,267 and \$25,439, respectively.

EMPLOYMENT, TERMINATION OF EMPLOYMENT AND CHANGE OF CONTROL ARRANGEMENTS

Charles E. Johnson

Effective March 12, 2001, we entered into an employment agreement with Charles E. Johnson, our President and Chief Executive Officer. The agreement has a two-year term with automatic one-year extensions upon each anniversary date of the agreement unless either party gives at least 90 days' notice to the contrary. The employment agreement can be terminated by TransPro for "serious cause" (as defined in the employment agreement) or in the event Mr. Johnson becomes disabled, and Mr. Johnson can terminate the agreement for "good reason" (as defined in the agreement). The employment agreement provides annual pension

Edgar Filing: TRANSPRO INC - Form DEF 14A

benefits, supplemental to the annual benefits paid under our retirement plans, in an amount determined in accordance with the applicable TransPro retirement plan, without giving effect to limits imposed by the Internal Revenue Code and regulations of the IRS on the amount of benefits payable or compensation that may be used in determining benefits that may be paid to an individual under a Federal income tax qualified plan. The employment agreement provides for an annual salary of \$360,000 and a bonus of up to 150% of base salary determined based upon performance targets set annually by the Board. In addition, under the agreement, in March 2001 Mr. Johnson received options to purchase 60,000 shares of common stock under our 1995 Stock Plan and he is entitled to a further grant for an additional 40,000 shares with vesting to be determined based upon mutually agreed performance criteria. We also agreed to pay Mr. Johnson's reasonable relocation expenses.

Mr. Johnson's employment agreement contains additional provisions which provide that, in the event we terminate Mr. Johnson's employment other than for "serious cause" or his disability, death or retirement, or if Mr. Johnson terminates his employment for "good reason," we would pay him an amount equal to his salary for one year and would provide his life, disability, accident, medical and hospitalization insurance benefits during a period of one year after termination. In addition, we would pay Mr. Johnson accrued vacation pay and all other amounts to which he is entitled under the agreement prior to termination.

Henry P. McHale

We entered into an employment agreement with Mr. McHale, our former President and Chief Executive Officer, which initially extended through December 31, 1996, with automatic one-year extensions upon each anniversary date of the agreement unless either party gave at least 90 days' notice to the contrary. No such notice was given with regard to Mr. McHale's agreement prior to 2000. The employment agreement could be terminated by TransPro for "cause" (as defined in the employment agreement) or in the event Mr. McHale became disabled, and Mr. McHale could terminate the agreement for "good reason" (as defined in the agreement). The employment agreement provided annual pension benefits, supplemental to the annual benefits paid under our retirement plans, in an amount determined in accordance with the applicable TransPro retirement plan, without giving effect to limits imposed by the Internal Revenue Code and regulations of the IRS on the amount of benefits payable or compensation that may be used in determining benefits that may be paid to an individual under a Federal income tax qualified plan. The employment agreement provided for an annual salary of not less than the prior year's salary (except for across-the-board salary reductions similarly affecting all management personnel) and fringe benefits in accordance with our policies adopted from time to time. The initial base salary under the employment agreement with Mr. McHale was \$300,000. During 1996, Mr. McHale's base salary was increased to \$355,000. Effective January 1997, Mr. McHale's base salary was increased to \$375,000. Effective February 1999, Mr. McHale's base salary was increased to \$386,250. In addition, under the agreement, Mr. McHale previously received awards of options to purchase 125,000 shares of common stock under our 1995 Stock Plan. In 1997 Mr. McHale received an additional 9,700 shares of restricted common stock and options to purchase 50,700 shares of common stock. In 1999 Mr. McHale received options to purchase an additional 25,000 shares of Common Stock. See "Executive Compensation -- Annual and Long-Term Executive Compensation." Mr. McHale's employment agreement was amended

Edgar Filing: TRANSPRO INC - Form DEF 14A

effective October 1, 1998 to provide that at all times after October 15, 1998, during the term of the employment agreement, Mr. McHale shall have his principal residence in Connecticut within a 45 mile radius of the Company's New Haven, Connecticut headquarters. In order to induce Mr. McHale to amend his employment agreement, the Company agreed to reimburse Mr. McHale's temporary housing costs in an amount not to exceed \$18,000 and further agreed to reimburse Mr. McHale for the reasonable costs of relocation from Florida to Connecticut, consisting of the costs of two trips from Florida to Connecticut by Mr. McHale's spouse to search for a home in Connecticut, moving costs, and reasonable and customary closing costs related to the purchase of a new home in Connecticut (excluding any prepaid mortgage interest or "points"). The foregoing cost reimbursements did not include any closing costs or ancillary costs (i.e. brokerage fees) related to the sale of Mr. McHale's previous home.

Mr. McHale's employment agreement contained additional provisions which provided that, in the event we terminated Mr. McHale's employment other than for "cause" or his disability, or if Mr. McHale terminated his employment for "good reason," we would pay him an amount equal to his salary for one year and would provide his life, disability, accident, medical and hospitalization insurance benefits during a period of one year after such termination. In addition, we would pay Mr. McHale accrued vacation pay and all other amounts to which he is entitled under any compensation plan. All severance payments and all insurance benefits would be discontinued if, following the Company's termination of his employment for "cause" or "disability" or Mr. McHale's termination of his employment other than for "good reason", Mr. McHale engages in competition with the Company or engages in conduct which is injurious to the Company.

Mr. McHale resigned from TransPro effective December 31, 2000. In lieu of any payments due to Mr. McHale pursuant to his employment agreement, we agreed to make certain payments and provided other consideration to Mr. McHale as described below. See "-- Severance Payments."

Severance Agreements

Messrs. Hooper, Della Ventura, O'Connor, Coyne and Jackson entered into severance agreements with the Company. Pursuant to their respective severance agreements, if either Mr. Hooper, Mr. Della Ventura, Mr. O'Connor, Mr. Coyne or Mr. Jackson lost his current position (except for termination for "cause" as defined in each severance agreement), or if during the term thereof should there be a material change in ownership, or the sale of a portion of the business, which results in his not having a position similar to his current position including similar pay and benefits then his base salary will continue to be paid until he either secures other full-time employment, or for one year, whichever occurs first.

In addition to their severance agreements, Messrs. Hooper and Della Ventura each entered into a stay pay agreement with the Company. Each agreement provides for a cash bonus in the amount of sixteen months base salary, payable one-half upon a closing of the sale of the division of which he is President and one-half if he is still employed on the six-month anniversary of the closing or at the time he has been terminated (except for termination for "cause" as defined in each stay pay agreement) by the purchaser of the respective division prior to the end of the six month period. The stay pay agreements also provided for a bonus payment in the event their respective divisions were sold for more than certain threshold sale prices. Mr. Della Ventura's stay pay agreement was terminated in 2000.

Severance Payments

We entered into a Separation and Release Agreement with Mr. McHale pursuant to which Mr. McHale resigned from TransPro effective December 31,

Edgar Filing: TRANSPRO INC - Form DEF 14A

2000. As part of this agreement TransPro and Mr. McHale generally released one another from all claims and we agreed to pay Mr. McHale in equal monthly installments an aggregate amount of \$386,250 and also agreed to provide McHale with insurance benefits equivalent to those which he was receiving while employed with TransPro and the use of a company automobile for one year. We also agreed to pay Mr. McHale his legal fees and expenses in connection with the preparation of the Separation and Release Agreement together with \$15,800, representing accrued vacation pay and additional consideration for his release.

In May 2000 we sold our Crown Division to Leggett & Platt, Incorporated. In connection with the sale, we made payments to Mr. Hooper in accordance with his stay pay agreement. Mr. Hooper complied

11

with the terms of the agreement by remaining with TransPro through the date of the sale and remaining with Leggett & Platt for six months following the sale. We therefore paid Mr. Hooper \$233,334, representing sixteen months base salary and \$138,542 representing a bonus based upon the sale price of the Crown Division. We also agreed to accelerate the vesting of all of Mr. Hooper's TransPro stock options although no options were exercised by Mr. Hooper prior to their expiration in February 2001.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Our Compensation Committee currently consists of three non-employee directors -- Messrs. Lederer, Banducci and Ms. Oster. The Board of Directors unanimously determined not to accept the automatic option grant due in May 2000. See "Proposal No. 1 -- Compensation of Directors".

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors, and persons who beneficially own more than ten percent of our common stock, to file initial reports of ownership and reports of changes in ownership with the SEC and The New York Stock Exchange. Executive officers, directors and greater than ten percent beneficial owners are required by the SEC to furnish us with copies of all Section 16(a) forms they file.

Based upon a review of the copies of these forms furnished to us and written representations from our executive officers and directors, we believe that during fiscal 2000 all Section 16(a) filing requirements applicable to our executive officers, directors and greater than ten percent beneficial owners were complied with.

PROPOSAL NO. 2 -- RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

Our Board of Directors has selected PricewaterhouseCoopers LLP as our independent auditors for the year ending December 31, 2001, and has directed that management submit the selection of independent auditors for ratification by stockholders at the annual meeting. PricewaterhouseCoopers LLP and its predecessor Coopers & Lybrand L.L.P. has audited our financial statements since we were spun-off from Allen Telecom Inc. (formerly The Allen Group Inc.) in 1995. A representative of PricewaterhouseCoopers LLP is expected to be present at the annual meeting and will have an opportunity to make a statement if he or she desires and will be available to respond to appropriate questions.

Stockholder ratification of the selection of PricewaterhouseCoopers LLP as our independent auditors is not required by our Bylaws or otherwise. However, the Board is submitting the selection of PricewaterhouseCoopers LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Board will reconsider whether or not to retain that firm. Even if the selection were ratified, the Board in its discretion may direct the appointment of a different independent accounting firm at any time during the year if the Board determines that such a change would be in the best interests of TransPro and its stockholders.

VOTE REQUIRED

Edgar Filing: TRANSPRO INC - Form DEF 14A

The affirmative vote of holders of a majority of the shares of common stock issued, outstanding and entitled to vote, present or represented at the meeting, a quorum being present, is required for the adoption of this proposal. Broker non-votes with respect to this matter will be treated as neither a vote "for" or a vote "against" the matter, although they will be counted in determining if a quorum is present. However, abstentions will be considered in determining the number of votes required to attain a majority of the shares present or represented at the meeting and entitled to vote. Accordingly, an abstention from voting by a stockholder present in person or by proxy at the meeting has the same legal effect as a vote "against" the matter because it represents a share present or represented at the meeting and entitled to vote, thereby increasing the number of affirmative votes required to approve this proposal.

THE BOARD OF DIRECTORS DEEMS "PROPOSAL NO. 2 -- RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS" TO BE IN THE BEST INTERESTS OF TRANSPRO AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL OF THIS PROPOSAL.

AUDITOR MATTERS

REPORT OF THE AUDIT COMMITTEE

The Audit Committee reviews TransPro's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process. TransPro's independent auditors are responsible for expressing an opinion on the conformity of our audited financial statements to generally accepted accounting principles.

In this context, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements for the fiscal year ended December 31, 2000. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received from the independent auditors the written disclosures required by Independence Standards Board No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from TransPro and its management. The Audit Committee has also considered whether the independent auditors provision of information technology services and other non-audit services to TransPro is compatible with the auditor's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements for the fiscal year ended December 31, 2000 be included for filing in TransPro's annual report on SEC Form 10-K for the year ended December 31, 2000.

AUDIT FEES

The aggregate fees billed to TransPro by our auditors PricewaterhouseCoopers LLP for professional services rendered in connection with the audit of our annual financial statements for the 2000 fiscal year and the reviews of the interim financial statements included in our quarterly reports on Form 10-Q were approximately \$530,000.

ALL OTHER FEES

The aggregate fees billed to TransPro for professional services rendered in 2000 by our auditors PricewaterhouseCoopers LLP, other than for services specifically described above, were approximately \$100,000.

CERTAIN TRANSACTIONS

We have from time to time retained the law firm of Foley & Lardner to perform legal services on our behalf. Payments made by us to Foley & Lardner in 2000 were approximately \$387,416. William J. Abraham, one of our directors, is a partner with Foley & Lardner.

17

STOCKHOLDER PROPOSALS

All stockholder proposals which are intended to be presented at the 2002 annual meeting of stockholders must be received by us no later than December 1, 2001 for inclusion in the Board of Directors' proxy statement and form of proxy relating to that meeting.

OTHER BUSINESS

The Board of Directors knows of no other business to be acted upon at the annual meeting. However, if any other business properly comes before the annual meeting, it is the intention of the persons named in the enclosed proxy to vote on such matters in accordance with their best judgment.

Our annual report, including financial statements, for the year 2000 is enclosed with this proxy mailing but is not a part of the proxy soliciting material.

The prompt return of your proxy will be appreciated and helpful in obtaining the necessary vote. Therefore, whether or not you expect to attend the annual meeting, please sign the proxy and return it in the enclosed envelope.

EXHIBIT B

TRANSPRO, INC.
CHARTER OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

I. PURPOSE

The function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibility. While the

Audit Committee has the duties and responsibilities set forth in this charter, the Audit Committee does not have the duty or responsibility to plan or conduct audits, to determine if the Corporation's financial statements are complete and accurate and in accordance with generally accepted accounting principles or to assure compliance with laws and regulations to which the Corporation may be subject.

II. COMPOSITION

1. The Audit Committee shall be comprised of three or more directors as determined by the Board of Directors.
2. The members of the Audit Committee shall be elected by the Board of Directors annually. Unless a Chairman is elected by the full Board, the members of the Committee may designate a Chairman by majority vote of the full Committee membership.
3. Each member of the Audit Committee shall be an independent director, and free from any relationship that, in the business judgment of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee.
4. Each member of the Audit Committee shall be financially literate, in the business judgment of the Board of Directors.
5. At least one member of the Audit Committee shall possess accounting or related financial management expertise, in the business judgment of the Board of Directors.

III. MEETINGS

The Committee shall meet at least four times annually, at least two of which will be in person, or more frequently as circumstances dictate.

1

IV. RESPONSIBILITIES AND DUTIES

1. Review and update the Charter annually or when conditions dictate, and submit it to the Board of Directors for approval.
2. Review the annual audited financial statements with management and the independent accountants.
3. Review and discuss with management and the independent accountants the adequacy of the Corporation's system of internal controls that could have a significant effect on the financial statements.
4. Review with management and the independent accountants significant financial reporting issues and judgments made in the preparation of the financial statements.
5. Review and discuss the quarterly financial results with

management and the independent accountants.

6. Review with management the Corporation's major risk exposures and the steps management has taken to monitor and control such exposures.
7. Review the scope of internal audit activity, significant issues identified and management's responses to those issues.
8. Review major changes to the Corporation's auditing and accounting principles and practices as suggested by management or the independent accountants.
9. Recommend to the Board of Directors the selection of the independent accountants and approve the fees and other compensation to be paid to the independent accountants.
10. Discuss with the independent accountants the matters required to be communicated to Audit Committees pursuant to Statements of Auditing Standards issued by the Auditing Standards Board of the American Institute of Certified Public Accountants.
11. Review and discuss with the independent accountants all significant relationships the independent accountants have with the Corporation to determine the accountants' independence and recommend that the Board of Directors take appropriate action to assure the independence of the independent accountants when circumstances warrant.
12. Evaluate the performance of the independent accountants and recommend that the Board of Directors discharge the independent accountants when circumstances warrant.

2

13. Following completion of the annual audit, review with each of management and the independent accountants any significant difficulties encountered during the course of the audit, including any restrictions on the scope of work, access to required information, or changes to the planned scope of the audit.
14. Prepare the report required by the rules of the Securities and Exchange Commission for inclusion in the Corporation's annual proxy statement.
15. Review management's monitoring of the Corporation's compliance with the Corporation's Business Conduct policy.
16. Review with the Corporation's counsel any legal matter that could have a material impact on the organization's financial statements.
