**PROXY STATEMENT
FOR THE TRAVELZOO INC.
2006 ANNUAL MEETING OF STOCKHOLDERS
INFORMATION ABOUT THE ANNUAL MEETING**

Why am I receiving these proxy materials?

Travelzoo's Board of Directors is soliciting proxies to be voted at the 2006 Annual Meeting of Stockholders. This proxy statement includes information about the issues to be voted upon at the meeting.

On April 28, 2006, we began mailing these proxy materials to all stockholders of record at the close of business on April 24, 2006. On the record date, there were 15,800,191 shares of our common stock outstanding.

Where and when is the Annual Meeting?

The Annual Meeting of Stockholders will take place on June 1, 2006 at The Warwick Hotel, 65 West 54th Street, New York, New York 10019. The meeting will begin at 10:00 a.m. local time.

What am I voting on?

We are asking our stockholders to elect five directors.

How many votes do I have?

You have one vote for each share of our common stock that you owned at the close of business on April 24, 2006, the record date. These shares include:

Shares held directly in your name as the stockholder of record, and

Shares held for you as the beneficial owner through a broker, bank, or other nominee in street name.

If I am a stockholder of record, how can I vote my shares?

You can vote by proxy or in person.

How do I vote by proxy?

If you are a stockholder of record, you may vote your proxy by mail. If you receive a paper copy of the Proxy Statement, simply mark the enclosed proxy card, date and sign it, and return it in the postage paid envelope provided. If you receive the Proxy Statement via e-mail, please print the attached proxy card, date and sign it, and return it via mail to Travelzoo Inc., Attention: Corporate Secretary, 590 Madison Avenue, 21st Floor, New York, New York 10022.

If you vote by proxy, the persons named on the card (your proxies) will vote your shares in the manner you indicate. You may specify whether your shares should be voted for all, some or none of the nominees for director or any other proposals properly brought before the Annual Meeting. If you sign your proxy card and do not indicate specific choices, your shares will be voted FOR the election of all nominees for director. If any other matter is properly brought before the meeting, your proxies will vote in accordance with their best judgment. At the time of submitting this Proxy Statement for printing, we knew of no matter that is required to be acted on at the Annual Meeting other than those discussed in this Proxy Statement.

If you wish to give a proxy to someone other than the persons named on the enclosed proxy card, you may strike out the names appearing on the card and write in the name of any other person, sign the proxy, and deliver it to the person whose name has been substituted.

Table of Contents

May I revoke my proxy?

If you give a proxy, you may revoke it in any one of three ways:

Submit a valid, later-dated proxy before the Annual Meeting,

Notify our Corporate Secretary in writing before the Annual Meeting that you have revoked your proxy, or

Vote in person at the Annual Meeting.

How do I vote in person?

If you are a stockholder of record, you may cast your vote in person at the Annual Meeting.

If I hold shares in street name, how can I vote my shares?

You can submit voting instructions to your broker or nominee. In most instances, you will be able to do this over the Internet or by mail. Please refer to the voting instruction card included in these materials by your broker or nominee.

What vote is required to approve each proposal?

Each share of our common stock is entitled to one vote with respect to each matter on which it is entitled to vote. Our directors are elected by a plurality of votes, which means that the nominees who receive the greatest number of votes will be elected. Under our bylaws, a majority of the shares present at the meeting in person or by proxy is required for approval of all other items.

In order to have a valid stockholder vote, a stockholder quorum must exist at the Annual Meeting. A quorum will exist when stockholders holding a majority of the outstanding shares of our stock are present at the meeting, either in person or by proxy.

If a broker indicates on its proxy that it does not have authority to vote certain shares held in street name on particular proposals, the shares not voted (broker non-votes) will not have any effect with respect to such proposals. Broker non-votes occur when brokers do not have discretionary voting authority on certain proposals and the beneficial owner has not instructed the broker how to vote on these proposals.

Ralph Bartel holds an aggregate of 12,628,470 shares of our common stock, representing approximately 80% of the outstanding shares as of April 21, 2006. He has indicated that he intends to vote in favor of all of the director nominees.

Who is paying the costs of soliciting these proxies?

We are paying the cost of preparing, printing, mailing and otherwise distributing these proxy materials. We will reimburse banks, brokerage firms, and others for their reasonable expenses in forwarding proxy materials to beneficial owners and obtaining their instructions. A few of our officers and employees may also participate in the solicitation, without additional compensation, by telephone, e-mail, other electronic means, or in person.

Where can I find the voting results of the meeting?

We intend to announce preliminary voting results at the meeting. We will publish the final results in our Quarterly Report on Form 10-Q for the second quarter of 2006, which we intend to file on or before August 14, 2006. You can obtain a copy of the Form 10-Q by logging on to Travelzoo's investor relations Web site at www.travelzoo.com/ir, by calling the Securities and Exchange Commission at (800) SEC-0330 for the location of the nearest public reference room, or through the EDGAR system at www.sec.gov. Information on our Web site does not constitute part of this proxy statement.

Mr. Neale-May attended 50 percent of the total number of meetings of the Board of Directors and of the committees on which he serves.

Mr. Holger Bartel	Member			
Mr. Ehrlich	Member	Chair		
Mr. Neale-May	Member	Member		Member
Ms. Urso	Member	Member	Member	Chair
Number of 2005 Meetings	4	4	2	4

The Company does not require that directors attend the Annual Meeting. Ralph Bartel, our Chairman of the Board of Directors, and Ms. Urso were the only directors who attended the 2005 Annual Meeting.

Audit Committee

The Audit Committee's primary responsibilities are to oversee and monitor (i) the integrity of Travelzoo's financial statements, (ii) the qualifications and independence of our independent auditor, (iii) the performance of our independent auditor and internal audit staff, and (iv) the compliance by Travelzoo with legal and regulatory requirements. A complete description of the committee's responsibilities is set forth in its written charter, a copy of which is attached as Appendix A. The Audit Committee is responsible for appointing the auditors and is directly responsible for the compensation and oversight of the work of our independent auditors. The Audit Committee is composed solely of independent directors as defined in the listing standards of the National Association of Securities Dealers and operates under a written charter adopted by the entire Board of Directors. The Board has determined that Mr. Neale-May qualifies as an audit committee financial expert within the definition of SEC regulations.

Compensation Committee

The Compensation Committee reviews and approves the compensation and benefits for the Company's executive officers and directors, and makes recommendations to the Board of Directors regarding such matters. The Report of the Compensation Committee is included on page 11.

Disclosure Committee

The Disclosure Committee's primary responsibilities are (i) to design, establish and evaluate controls and other procedures that are designed to ensure the accuracy and timely disclosure of information to the SEC and

Table of Contents

investment community and (ii) to review and supervise preparation of all SEC filings, press releases and other broadly disseminated correspondence.

Nominating Committee

Travelzoo does not have a nominating committee of the Board of Directors. Since it is a Controlled Company under Rule 4350(c)(5) of the NASD Manual, on account of the stock ownership by Ralph Bartel, such a committee is not required. Through his share ownership, Mr. Bartel is in a position to control Travelzoo and to elect our entire board of directors.

Communications With Directors

The board has established a process to receive communications from stockholders. Stockholders and other interested parties may contact any member (or all members) of the board, or the non-management directors as a group, any board committee or any chair of any such committee by mail. To communicate with the board of directors, any individual directors or any group or committee of directors, correspondence should be addressed to the board of directors or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent c/o Corporate Secretary at Travelzoo Inc., 590 Madison Avenue, 21st Floor, New York, NY 10022.

All communications received as set forth in the preceding paragraph will be opened by the Corporate Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters deemed inappropriate for the board of directors will be forwarded promptly to the addressee. In the case of communications to the board or any group or committee of directors, the Corporate Secretary will make the sufficient copies of the contents to send to each director who is a member of the group or committee to which the correspondence is addressed.

Audit Committee Report

The Audit Committee oversees Travelzoo's financial reporting process on behalf of your Board of Directors. Management is primarily responsible for the financial statements and reporting processes including the systems of internal controls, while the independent auditors are responsible for performing an independent audit of Travelzoo's consolidated financial statements in accordance with auditing standards of the Public Company Accounting Oversight Board (PCAOB), and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States.

In this context, the committee has met and held discussions with management and the independent auditors. The committee discussed with Travelzoo's independent auditors the overall scope and plan for their audit. The committee met, at least quarterly, with the independent auditors, with and without management present, and discussed the results of their examinations, their evaluations of Travelzoo's internal controls, and the overall quality of Travelzoo's financial reporting. Management represented to the committee that Travelzoo's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. The committee has reviewed and discussed the consolidated financial statements with management and the independent auditors, including their judgments as to the quality, not just the acceptability, of Travelzoo's accounting principles and such other matters as are required to be discussed with the committee under auditing standards of the PCAOB.

Travelzoo's independent auditors also provided to the committee the written disclosures required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the committee discussed with the independent auditors that firm's independence, including those matters required to be discussed by Statement on Auditing Standards No. 61.

In reliance on the reviews and discussions referred to above, the committee recommended to the Board of Directors (and the Board of Directors has approved) that the audited financial statements be included in the

Table of Contents

Annual Report on Form 10-K for the fiscal year ended December 31, 2005 for filing with the SEC. The committee has not yet selected Travelzoo's independent auditors for fiscal year 2006.

While the committee has the responsibilities and powers set forth in its charter, it is not the duty of the committee to plan or conduct audits or to determine that Travelzoo's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditor. Nor is it the duty of the committee to conduct investigations or to assure compliance with laws and regulations and Travelzoo's business conduct policies.

Report of the Compensation Committee on Executive Compensation

The Compensation Committee consists of two directors, one of whom is an independent director. Ralph Bartel does not participate in the committee's decision as to his specific compensation package. The committee regularly reviews the company's executive compensation policies and practices and establishes the compensation of executive officers.

Compensation Principles

The fundamental objective of Travelzoo's executive compensation program is to attract, retain and motivate key executives to enhance long-term profitability and shareholder value. Travelzoo's executive compensation program meets this objective by:

providing for a level of compensation that is competitive with other similarly sized publicly traded companies, with particular emphasis on those in the Internet and media industries, and

linking the compensation of executives to the operating and financial performance of the company by reviewing the salary regularly and making adjustments relative to the company's overall performance.

Salary

Travelzoo targets executives' annual salaries to be competitive with comparable companies in the Internet and media industries with whom the company competes for management. It considers the experience and performance of the individual executive, the compensation of his or her peers in the industry, the

responsibilities and change in responsibilities during the past year of the individual executive, the overall performance of the department under the executive's control and the overall performance of the entire company. The committee does not have a formula for its determination and the committee considers all factors in making its decision. Executive salaries are reviewed annually by the committee.

Stock-Based Compensation

Travelzoo did not compensate executives with stock or stock options in 2005.

CEO Compensation

The CEO's compensation is determined in accordance with the executive compensation principles established by the committee. The committee considers overall performance, individual performance, competitive compensation and targeted pay levels when determining Mr. Bartel's compensation. Performance is measured in terms of financial results and overall growth of the Company. Mr. Bartel's annual salary was increased to \$350,000 from \$250,000 as of July 1, 2005.

Table of Contents**Performance Graph**

The following graph compares, for the four year period ending December 31, 2005, the cumulative total stockholder return for Travelzoo, the NASDAQ Stock Market (U.S. companies) Index (the NASDAQ Market Index), and the Standard & Poor's 500 Publishing Index (the S&P 500 Publishing). Measurement points are the last trading day of each of the Company's fiscal years ended December 31, 2002, December 31, 2003, December 31, 2004, and December 31, 2005. The graph assumes that \$100 was invested on December 31, 2002 in the Common Stock of the Company, the NASDAQ Market Index and the S&P 500 Publishing and assumes reinvestment of any dividends. The stock price performance on the following graph is not indicative of future stock price performance. Only four years of cumulative total stockholder return is provided because Travelzoo's stock wasn't registered under Section 12 of the Exchange Act prior to that date. Price information is not given for periods prior to 2002 because the shares of the Company were not publicly traded before 2002.

Independent Auditors

KPMG LLP served as Travelzoo's principal independent auditors for our 2005 fiscal year. KPMG LLP representatives are not expected to be present at the Annual Meeting or to make a formal statement. Consequently, representatives of KPMG LLP will not be available to respond to questions at the meeting.

The Audit Committee has not yet selected our independent auditors for our 2006 fiscal year. The Audit Committee annually reviews the performance of our independent public accountants and the fees charged for their services. This review has not yet been completed. Based upon the results of this review, the Audit Committee will determine which independent public accounting firm to engage to perform our annual audit. Approval of our accounting firm is not required by our bylaws or otherwise to be submitted to the shareholders.

Table of Contents**Principal Accountant Fees and Services**

During fiscal year 2005, KPMG charged fees for services rendered to Travelzoo as follows:

Service	2004 Fees	2005 Fees
Audit fees(1)	\$ 214,170	\$ 898,760
Audit-related fees(2)	\$ 67,309	
Tax fees		
All other fees		
Total	\$ 281,479	\$ 898,760

- (1) Audit fees consisted of fees for professional services rendered for the annual audit of Company's consolidated financial statements and review of the interim consolidated financial statements included in quarterly reports. Our audit fees increased in fiscal 2005 primarily because fiscal 2005 was the first year in which KPMG conducted compliance testing pursuant to Section 404 of the Sarbanes-Oxley Act of 2002, which included: (1) the required audit of management's assessment of the effectiveness of internal control over financial reporting, and (2) KPMG's independent audit of the Company's internal control over financial reporting.
- (2) Audit-related fees consisted of fees for services that are normally provided by the independent registered public accounting firm in connection with statutory and regulatory filings or engagements.

Voting

Under the Delaware General Corporation Law and our certificate of incorporation and bylaws, the presence, in person or represented by proxy, of the holders of a majority of the outstanding shares of our stock is necessary to constitute a quorum of stockholders to take action at the Annual Meeting. Once a quorum of stockholders is established, the affirmative vote of a plurality of the shares, which are present in person or represented by proxy at the Annual Meeting, is required to elect each director. The affirmative vote of a majority of the shares entitled to vote and present in person or by proxy in favor of any other matter properly brought before the Annual Meeting is required to approve of such action.

Shares represented by proxies which are marked "vote withheld" with respect to the election of any person to serve on the Board of Directors will not be considered in determining whether such a person has received the affirmative vote of a plurality of the shares. Shares represented by proxies that are marked "abstain" with respect to any other proposal will not be considered in determining whether such proposal has received the affirmative vote of a majority of the shares and such proxies will not have the effect of a "no" vote.

Shares represented by proxies which deny the proxy-holder discretionary authority to vote on any other proposal will not be considered in determining whether such proposal has received the affirmative vote of a majority of the shares and such proxies will not have the effect of a "no" vote.

We know of no matters to come before the Annual Meeting except as described in this Proxy Statement. If any other matters properly come before the Annual Meeting, the proxies solicited hereby will be voted on such matters in accordance with the judgment of the persons voting such proxies.

Stockholder Proposals for the 2007 Annual Meeting

Proposals of eligible stockholders intended to be presented at the 2007 Annual Meeting, currently scheduled to be held on June 1, 2007, must be received by us by January 2, 2007 for inclusion in our proxy statement and proxy relating to that meeting. Upon receipt of any such proposal, we will determine whether or not to include such proposal in the proxy statement and proxy in accordance with regulations governing the solicitation of proxies.

Table of Contents

If a stockholder wishes to present a proposal at Travelzoo's Annual Meeting in the year 2007 or to nominate one or more directors and the proposal is not intended to be included in Travelzoo's proxy statement relating to that meeting, the stockholder must give advance written notice to Travelzoo by March 15, 2007. These requirements are separate from and in addition to the requirements a stockholder must meet to have a proposal included in our proxy statement.

Any such notice must be given to our Corporate Secretary, at 590 Madison Avenue, 21st Floor, New York, New York 10022. Any stockholder desiring a copy of our bylaws will be forwarded one upon written request.

Householding

As permitted by applicable law, only one copy of this Proxy Statement is being delivered to stockholders residing at the same address, unless such stockholders have notified the Company of their desire to receive multiple copies of the Proxy Statement.

The Company will promptly deliver, upon oral or written request, a separate copy of the Proxy Statement to any stockholder residing at an address to which only one copy was mailed. Requests for additional copies should be directed to Investor Relations, Travelzoo Inc., 590 Madison Avenue, 21st Floor, New York, New York 10022 or by telephone at (212) 521-4200.

Other

We will bear the cost of solicitation of proxies. Proxies will be solicited by mail and also may be solicited by our executive officers and other employees personally or by telephone, but such persons will not be specifically compensated for such services. It is contemplated that brokerage houses, custodians, nominees and fiduciaries will be requested to forward the soliciting material to the beneficial owners of stock held of record by such persons and we will reimburse them for their reasonable expenses incurred in connection therewith.

Even if you plan to attend the meeting in person, please sign, date and return the enclosed proxy promptly in accordance with the instructions shown on the enclosed proxy. Table of Contents**Appendix A: Audit Committee Charter****I. STATEMENT OF PURPOSE**

The Audit Committee (the Committee) will assist the Board of Directors (the Board) of Travelzoo Inc. (the Company) in fulfilling the Board's oversight responsibilities with regard to the Company's financial reporting process. The duties of the Committee are ones of oversight. It is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and prepared in accordance with generally accepted accounting principles. The primary responsibility for the Company's financial statements and internal controls rests with the Company's management. Similarly, it is not the duty of the Committee to conduct investigations or to assure compliance with laws and regulations or to monitor the Company's legal compliance programs. The primary responsibility for these matters also rests with the Company's management. The Board recognizes that the Committee necessarily will rely on the advice and information it receives from the Company's management and independent auditors. Recognizing these inherent limits on the scope of the Committee's review, however, the Board expects the Committee to exercise independent judgment in assessing the quality of the Company's financial reporting process and its internal controls. The Board also expects that the Committee will maintain free and open communication with the other directors, the Company's independent auditors and the financial management of the Company.

II. COMPOSITION OF THE AUDIT COMMITTEE

The Committee shall be comprised of at least three members of the Board, with the number of members to be determined from time to time by the Board. The members shall be designated by the Board, and the composition of the Committee shall, in the judgment of the Board, be such as to comply with (i) Rule 4350(d)(2) of The NASDAQ Stock Market Rules, or the applicable rule governing audit committees of such other national market system or exchange on which the Company's stock may be traded from time to time, (ii) Sections 301 and 407 of the Sarbanes-Oxley Act of 2002 and any rules or regulations promulgated thereunder (the Act), and (iii) any successor laws, rules or regulations.

III. MEETINGS

The Committee shall meet at least four times annually, or more frequently as the Committee may from time to time determine may be appropriate. At least quarterly, the Committee shall meet in separate executive sessions with the Company's Chief Financial Officer, the independent auditors and the Controller. Unless the Board has previously designated the Chair, the members of the Committee shall designate a Chair by majority vote. Two or more committee members shall constitute a quorum.

At the invitation of the Chair of the Committee, the meetings will be attended by the Chair of the Board, Chief Executive Officer, Chief Financial Officer, Controller, representatives from the independent audit firm, and/or other persons as are appropriate to matters under consideration.

IV. DUTIES AND RESPONSIBILITIES OF THE AUDIT COMMITTEE

The duties and responsibilities of the Committee shall include the following:

A. Independent Auditors

1. Receive the written disclosures and letter from the Company's independent auditors contemplated by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as the same may be modified or supplemented, and discuss with the independent auditors any issues required to be discussed regarding their objectivity and independence. Receive the disclosures, as the same may be modified or supplemented, required by Section 204 of the Act, and discuss with the independent auditors any issues disclosed therein. Approve, in advance, the retention of the independent auditors for any non-audit service permissible under Sections 201 and 202 of the Act and the fee for such service. Consider any significant non-audit assignments awarded to the independent auditors and

determine whether or not these have any impact on the independence of the independent auditors in the performance of the annual audit.

2. Annually evaluate the qualifications, the quality control procedures and prior performance of the Company's current independent auditors, which shall be ultimately accountable to the Board and this Committee, as representatives of the shareholders. Based on the representations regarding independence and the results of such evaluation, determine whether to recommend to the Board that the independent auditors be reappointed or replaced and whether it is appropriate to adopt a policy of rotating on a regular basis; provided that the independent auditors must be replaced if the lead audit partner, or the audit partner responsible for reviewing the audit, has performed audit services for the Company in each of the five (5) previous fiscal years. If a determination is made to recommend that the current independent auditors be replaced, recommend to the Board such replacement.

3. Meet with the independent auditors and financial management of the Company in advance of the annual audit to review its proposed scope, the proposed scope of the quarterly reviews, and the procedures to be followed in conducting the audit and the reviews.

4. Review and approve the independent auditors' annual engagement letter, and the compensation of the independent auditors.

5. Review with the independent auditors any matters required to be discussed by Statement of Auditing Standards No. 61, as the same may be modified or supplemented.

6. Review and discuss, prior to filing, the Company's financial statements proposed to be included in the Company's Annual Report on Form 10-K with the Company's financial management and independent auditors, including major issues regarding accounting and auditing principles and practices as well as the adequacy of internal controls that could significantly affect the Company's financial statements. If deemed appropriate after such review and discussion, recommend to the Board that the financial statements be included in the Annual Report on Form 10-K.

7. Review and discuss, prior to issuance or filing, the Company's financial statements proposed to be included in the Company's public earnings reports and the Company's Quarterly Reports on Form 10-Q with the Company's financial management and independent auditors, including the results of the independent auditors' quarterly reviews. The Chair of the Committee may represent the entire Committee for purposes of the Form 10-Q review.

9. Review with management and the independent auditors any comments or inquiries from the Securities and Exchange Commission relating to the Company's financial statements or other financial matters included in the Company's filings with the Commission.

10. Obtain reports from management that the Company's subsidiary(ies) are in conformity with applicable legal requirements, including disclosures of insider and affiliated party transactions.

3. Authorize and oversee investigations deemed appropriate by the Committee into any matters within the Committee's scope of responsibility as described in this Charter or as may subsequently be delegated to the Committee by the Board, with the power to retain independent counsel, accountants and other advisors and experts to assist the Committee if deemed appropriate and to determine appropriate compensation for such advisors.

4. Prepare the disclosure required of this Committee by S-K Item 306 of the Securities and Exchange Commission regulations to be included in the Company's annual proxy statement.
