NOTICE OF ANNUAL MEETING OF STOCKHOLDERS

To Be Held On May 31, 2006

To our Stockholders:

Notice is hereby given that the 2006 Annual Meeting of Stockholders (the Annual Meeting) of Covanta Holding Corporation (the Company) will be held on May 31, 2006, at the Marriott New York East Side, 525 Lexington Avenue, New York, New York, at 10:00 a.m. local time, for the following purposes:

1. To elect ten directors, each for a term of one year;
2. To ratify the appointment of Ernst & Young LLP as the Company s independent auditors for the 2006 fiscal year; and
3. To consider such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

The Board of Directors of the Company has fixed the close of business on April 18, 2006 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting and at any adjournment or postponement thereof. A complete list of these stockholders will be available at the Company s principal executive offices prior to the Annual Meeting.

All stockholders are cordially invited to attend the Annual Meeting in person. Whether or not you expect to attend the meeting, please complete, date, sign and return the enclosed proxy card as promptly as possible in order to ensure your representation at the Annual Meeting. A return envelope (which is postage pre-paid if mailed in the United States) is enclosed for that purpose. Even if you have given your proxy, you may still vote in person if you attend the Annual Meeting. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to vote at the Annual Meeting, you must obtain from the record holder a proxy issued in your name.

By Order of the Board of Directors

PROXY STATEMENT

The enclosed proxy is solicited by Covanta Holding Corporation (the Company) for use at the 2006 Annual Meeting of Stockholders to be held on May 31, 2006 (the Annual Meeting), at 10:00 a.m. local time, or any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held at the Marriott New York East Side, 525 Lexington Avenue, New York, New York. This proxy statement and accompanying proxy card were mailed on or about April 27, 2006 to all stockholders entitled to vote at the Company's Annual Meeting.

Purpose of Annual Meeting

At the Company's Annual Meeting, stockholders will be asked to act upon the matters outlined in the accompanying Notice of Annual Meeting of Stockholders, including:

the election of ten directors to the Board of Directors of the Company (the Board), each for a term of one year (see page 8); and

ratification of the selection of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2006 (see page 11).

In addition, management will report on Covanta's performance and respond to questions from stockholders.

Record Date and Share Ownership

Only stockholders of record at the close of business on the record date, April 18, 2006, are entitled to vote at the Annual Meeting. At the close of business on the record date, 147,413,640 shares of common stock were outstanding and entitled to vote. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted on at the Annual Meeting.

Quorum

The presence in person or by proxy of stockholders entitled to cast a majority of all of the votes entitled to be cast at the Annual Meeting, including shares represented by proxies that reflect abstentions, shall constitute a quorum. Abstentions and broker non-votes (broker non-votes occur when a broker, bank or other nominee does not receive voting instructions regarding a proposal and does not have discretionary voting power with respect to the proposal) are counted for the purposes of determining the presence or absence of a quorum for the transaction of business. If there is not a quorum at the Annual Meeting, the stockholders entitled to vote at the Annual Meeting, whether present in person or represented by proxy, shall only have the power to adjourn the Annual Meeting until such time as there is a quorum. The Annual Meeting may be reconvened without notice to stockholders, other than an announcement at the prior adjournment of the Annual Meeting, within 30 days after the record date, and a quorum must be present at such reconvened meeting.

Voting, Submitting and Revoking Your Proxy

If you properly execute, date and return the enclosed proxy, and you do not revoke it before it is exercised at the Annual Meeting, your shares of common stock represented thereby will be voted by Anthony J. Orlando

and Timothy J. Simpson, the proxy agents for the Annual Meeting, in accordance with your instructions thereon. If you do not provide any specific instructions on the proxy, your proxy will be voted:

FOR election of the ten nominees for director to the Board; and

FOR ratification of the appointment of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2006.

In addition, if other matters are properly presented for voting at the Annual Meeting, or at any adjournment or postponement thereof, your proxy grants the persons named as proxy holders the discretion to vote your shares on such matters. The Company does not expect any additional matters to be presented for a vote at the Annual Meeting. If, for any unforeseen reason, any of the director nominees described in this proxy statement are not available as a candidate for director, then the two proxy agents will vote the stockholder proxies for such other candidate or candidates as may be nominated by the Board.

Even after you have submitted your proxy, you may revoke your proxy or change your vote by completing one of the following actions before your proxy is exercised at the Annual Meeting: (1) delivering a written notice of revocation to the Secretary of the Company at 40 Lane Road, Fairfield, New Jersey 07004; (2) submitting a properly executed proxy bearing a later date; or (3) attending the Annual Meeting and casting your vote in person. Attendance at the Annual Meeting will not cause your previously submitted proxy to be revoked unless you cast a vote at the Annual Meeting.

If you wish to attend the Annual Meeting and vote shares of the Company's common stock held through a broker, bank or other nominee, you will need to obtain a proxy form from the institution that holds your shares and follow the voting instructions on that form.

Required Vote For Approval of Matters

In the election for directors, the ten nominees receiving the highest number of FOR votes cast in person or by proxy will be elected to the Board. A WITHHOLD vote for a nominee is the equivalent of abstaining. Abstentions and broker non-votes are not counted as votes cast for the purposes of, and therefore will have no impact as to, the election of directors.

All other proposals require the affirmative FOR vote of a majority of those shares present and entitled to vote. An abstention as to any matter, when passage requires the vote of a majority of the votes entitled to be cast at the Annual Meeting, will have the effect of a vote AGAINST. Broker non-votes will not be considered, as they are not entitled to vote, and will not be counted for any purpose in determining whether a matter has been approved.

Brokers, banks or other nominees have discretionary authority to vote shares without instructions from beneficial owners only on matters considered routine by the New York Stock Exchange, such as the election of directors and the ratification of the appointment of Ernst & Young LLP as the independent auditors of the Company addressed by proposals 1 and 2 in this Proxy Statement; therefore, your shares may be voted on proposals 1 and 2 if they are held in the name of a brokerage firm, even if you do not provide the brokerage firm with voting instructions. On non-routine matters, nominees do not have discretion to vote shares without instructions from beneficial owners and thus are not entitled to vote on such proposals in the absence of such specific instructions, resulting in a broker non-vote for those shares.

Representatives of American Stock Transfer & Trust Company, the Company's transfer agent, will tabulate the votes and act as the inspector of the election at the Annual Meeting.

Cost of Solicitation of Proxies

The cost of solicitation of proxies will be paid by the Company. In addition to the solicitation of proxies by mail, the directors, officers and employees of the Company may also solicit proxies personally, electronically or by telephone without additional compensation for such proxy solicitation activity. Brokers and other nominees who held common stock of the Company on the record date will be asked to contact the beneficial owners of the shares that they hold to send proxy materials to and obtain proxies from such beneficial owners.

Although there is no formal agreement to do so, the Company may reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in forwarding this proxy statement to the Company's stockholders.

BOARD STRUCTURE AND COMPOSITION

The Board is currently comprised of ten directors. Following the retirement of Joseph P. Sullivan from the Board in December 2005, the Board passed a resolution to reduce the number of directors on the Board from eleven to ten. During 2005, the Board held ten meetings and took action by written consent four times. Each director attended at least 75% of all meetings of the Board and those Board committees on which he or she served during 2005. In 2004, the Company adopted a policy pursuant to which it expects its Board members to attend annual meetings of its stockholders. In September 2005, all of the then current directors attended the Company's annual meeting of stockholders.

The Board has adopted Corporate Governance Guidelines which, among other matters, describe the responsibilities and certain qualifications of the directors of the Company. One of these requirements is that a majority of the Board qualify as independent within the meaning of the independence standards of the New York Stock Exchange. The applicable standards for independence to the Board are attached to the Company's Corporate Governance Guidelines (the "Independence Standards"). These Independence Standards contain categorical standards that the Company has adopted to assist in making determinations of director independence required by New York Stock Exchange rules. These Independence Standards also describe certain relationships between directors and the Company that the Board has determined to be categorically immaterial. The Corporate Governance Guidelines, including the Independence Standards, are posted on the Company's website at www.covantaholding.com. A copy also may be obtained by writing to the Company's Director of Investor Relations at the Company's principal executive offices. The Independence Standards are also attached as Exhibit A to this proxy statement.

In accordance with the Independence Standards, the Board undertook its annual review of director independence. During this review, the Board considered transactions and relationships between each director or any member of his or her immediate family and the Company and its subsidiaries and affiliates. The Board also considered whether there were any transactions or relationships between directors, their organizational affiliations or any member of their immediate family, on the one hand, and the Company and its executive management, on the other hand. As provided in the Independence Standards, the purpose of this review was to determine whether any such relationships or transactions existed that were inconsistent with a determination that the director is independent.

As a result of this review, the Board affirmatively determined that the following directors are independent of the Company and its management under the standards set forth in the Independence Standards: David M. Barse, Ronald J. Broglio, Peter C.B. Bynoe, Richard L. Huber, William C. Pate, Robert S. Silberman, Jean Smith and Clayton Yeutter, and that none of these directors had relationships with the Company except those that the Board has determined to be categorically immaterial as set forth in the Independence Standards. In making these determinations, the Board considered that in the ordinary course of business, transactions may occur between the Company and its subsidiaries and companies at which one or more of the Company's directors are or have been officers. In each case, the amounts paid to these other companies in each of the last three years did not exceed the applicable thresholds set forth in the Independence Standards or the nature of the relationships with these other companies did not otherwise affect the independent judgment of any of such directors. The Board also considered charitable contributions to not-for-profit organizations of which directors or their immediate family members are affiliated, none of which exceeded the applicable thresholds set forth in the Independence Standards.

In connection with this review, the Board noted that as described under *Certain Relationships and Related Transactions* *Related Party Agreements*, Mr. Yeutter is senior advisor to the law firm of Hogan & Hartson LLP. Hogan & Hartson LLP has provided Covanta Energy Corporation (Covanta Energy) with certain legal services for many years, including 2005. This relationship preceded the Company's acquisition of Covanta Energy and Mr. Yeutter did not direct or have any direct or indirect involvement in the procurement,

provision, oversight or billing of such legal services and does not directly or indirectly benefit from those fees. The Board has concluded that this relationship does not interfere with Mr. Yeutter's exercise of independent judgment as a director or otherwise prevent him from meeting any of the Independence Standards as it does not constitute a material relationship to Mr. Yeutter, Hogan & Hartson, the Company or Covanta Energy and Mr. Yeutter qualifies as an independent director under applicable Securities and Exchange Commission (SEC) rules and regulations and New York Stock Exchange listing standards.

Messrs. Zell and Pate are executive officers of Equity Group Investments, L.L.C. (EGI). EGI is affiliated with SZ Investments LLC (SZ Investments), a holder of approximately 15.72% of the Company's common stock as of April 18, 2006, as described under *Equity Ownership of Certain Beneficial Owners*. Although Mr. Zell was an executive officer of the Company within the past three years, and is therefore not independent, the Board reviewed the independence of Mr. Pate. In particular, the Board examined not only the amounts paid to EGI and SZ Investments within the past three years in connection with the financings and other relationships more fully described under *Certain Relationships and Related Transactions - Related Party Agreements*, but also the subjective nature of Mr. Pate's relationship with the Company, as its former non-executive Chairman of the Board. The Board determined that the amounts paid to EGI and SZ Investments did not exceed the applicable thresholds under New York Stock Exchange listing standards and under the Company's Independence Standards and that these relationships do not interfere with Mr. Pate's exercise of independent judgment as a director. Therefore, the Board concluded that Mr. Pate qualifies as an independent director under applicable SEC rules and regulations and New York Stock Exchange listing standards.

Mr. Barse is the President and Chief Executive Officer of Third Avenue Management LLC (Third Avenue), a holder of approximately 5.98% of the Company's common stock as of April 18, 2006, as described under *Equity Ownership of Certain Beneficial Owners*. The Board noted that although Mr. Barse was the President and Chief Operating Officer of the Company from July 1996 until July 2002, such prior service as an executive officer of the Company occurred more than three years ago and does not interfere with his exercise of independent judgment as a director. Further, the Board examined the amounts paid to Third Avenue and its affiliates within the past three years in connection with the financings and other transactions more fully described under *Certain Relationships and Related Transactions - Related Party Agreements* and concluded that these transactions did not exceed the applicable thresholds under New York Stock Exchange rules and under the Company's Independence Standards and that these relationships do not interfere with Mr. Barse's exercise of independent judgment as a director. Therefore, the Board concluded that Mr. Barse qualifies as an independent director under applicable SEC rules and regulations and New York Stock Exchange listing standards.

Committees of the Board

Audit Committee. The current members of the Audit Committee are Mr. Huber (Chair), Ms. Smith and Mr. Pate. Each of the members of the Audit Committee is an independent director under applicable New York Stock Exchange listing standards and applicable SEC rules and regulations. The Board has determined that Mr. Huber qualifies as an audit committee financial expert under applicable SEC rules. Upon the recommendation of the Nominating and Governance Committee, the Board has appointed Ms. Smith to succeed Mr. Huber as Chair of the Audit Committee, subject to her re-election by the stockholders at the Annual Meeting.

The Audit Committee operates under a written charter that was amended and restated by the Board as of October 2005. A copy of the Company's Audit Committee Charter and Key Practices is attached as Exhibit B to this proxy statement and is also available on the Company's website at www.covantaholding.com or a copy may be obtained by writing to the Company's Director of Investor Relations at the Company's principal executive offices. Under its charter, the functions of the Audit Committee include assisting the Board in its oversight of the quality and integrity of the Company's financial statements and accounting processes, compliance with legal and regulatory requirements, assessing and reviewing the qualifications and independence of the Company's independent auditors and the performance of the independent auditors and overseeing the Company's internal audit function. The Audit Committee has the sole authority to select, evaluate,

appoint or replace the independent auditors of the Company and has the sole authority to approve all audit engagement fees and terms. The Audit Committee must pre-approve all permitted non-auditing services to be provided by the independent auditors, discuss with management and the independent auditors the Company's financial statements and any disclosures and SEC filings relating thereto, recommend for shareholder approval the independent auditors for the Company, review the integrity of the Company's financial reporting process, establish policies for hiring of employees or former employees of the auditors and investigate any matters pertaining to the integrity of management.

The Audit Committee held ten meetings during 2005 and took action by written consent twice.

Compensation Committee. The current members of the Compensation Committee are Mr. Barse (Chair), Mr. Bynoe and Mr. Yeutter. Each of the members of the Compensation Committee qualifies as an independent director under applicable New York Stock Exchange listing standards and each member, except for Mr. Barse, also qualifies as an outside director under section 162 of the Internal Revenue Code of 1986, as amended (the Code). Because Mr. Barse was previously the President and Chief Operating Officer of the Company, he does not qualify as an outside director solely for purposes of section 162(m) of the Code. However, the Board has determined that Mr. Barse's prior relationship does not interfere with his exercise of independent judgment as a director and Mr. Barse qualifies as an independent director under applicable New York Stock Exchange listing standards and Mr. Barse recuses himself from voting in connection with any compensation matters in which section 162(m) issues may arise.

The Compensation Committee operates under a written charter that was amended and restated by the Board as of October 2005, a copy of which is available on the Company's website at www.covantaholding.com or a copy may be obtained by writing to the Company's Director of Investor Relations at the Company's principal executive offices. Under its charter, the Compensation Committee among other things, has the authority (1) to review and approve the Company's goals relating to the Chief Executive Officer's compensation, evaluate the Chief Executive Officer's performance under those goals and set the Chief Executive Officer's compensation, (2) to evaluate, review and approve the compensation structure and process for the Company's other officers, and (3) to evaluate, review and recommend to the Board any changes to, or additional stock-based and other incentive compensation plans. In addition, the Compensation Committee is responsible for preparing and publishing an annual executive compensation report, administering certain compensation plans and monitoring compliance with legal prohibitions on loans to officers.

The Compensation Committee held five meetings during 2005 and took action by written consent once.

Nominating and Governance Committee. The current members of the Nominating and Governance Committee are Mr. Yeutter (Chair), Ms. Smith and Mr. Silberman. Each of the members of the Nominating and Governance Committee qualifies as an independent director under applicable New York Stock Exchange listing standards.

The Nominating and Governance Committee operates under a written charter that was amended and restated by the Board as of October 2005, a copy of which is available on the Company's website at www.covantaholding.com or a copy may be obtained by writing to the Company's Director of Investor Relations at the Company's principal executive offices. Under its charter, the Nominating and Governance Committee is responsible for assisting the Board in identifying qualified candidates to serve on the Board, recommending director nominees for the annual meeting of stockholders, identifying individuals to fill vacancies on the Board, recommending corporate governance guidelines to the Board, leading the Board in its annual self evaluations and recommending nominees to serve on each committee of the Board. The Nominating and Governance Committee, among other things, has the authority to evaluate candidates for the position of director, retain and terminate any search firm used to identify director candidates and review and reassess the adequacy of the Company's corporate governance procedures.

The Nominating and Governance Committee held five meetings during 2005 and took no action by written consent.

In identifying candidates for positions on the Board, the Nominating and Governance Committee generally relies on suggestions and recommendations from members of the Board, management and

stockholders. In 2005, the Company did not use any search firm or pay fees to other third parties in connection with seeking or evaluating Board nominee candidates.

The Nominating and Governance Committee does not set specific minimum qualifications for director positions. Instead, the committee believes that nominations should be based on a particular candidate's merits and the needs of the Company after taking into account the current composition of the Board. When evaluating candidates for the position of director, the Nominating and Governance Committee considers an individual's skills, age, diversity, independence from the Company, experience in areas that address the needs of the Board and ability to devote adequate time to Board duties. Candidates that appear to best fit the needs of the Board and the Company are identified and unless such individuals are well known to the Board, they are interviewed and further evaluated by the Nominating and Governance Committee. Candidates selected by the Nominating and Governance Committee are then recommended to the full Board. After the Board approves a candidate, the Chair of the Nominating and Governance Committee extends an invitation to the candidate to join the Board.

The Nominating and Governance Committee will consider candidates recommended by stockholders if such recommendations are accompanied by relevant biographical information and are submitted in accordance with the Company's organizational documents, New York Stock Exchange requirements and SEC rules and regulations, each as in effect from time to time. Candidates recommended by stockholders will be evaluated in the same manner as other candidates. Under the Company's Amended and Restated By-Laws, any holder of 20% or more of the outstanding voting securities of the Company has the right, but not the obligation, to nominate one qualified candidate for election as a director. Provided that such stockholder adequately notifies the Company of a nominee within the time periods set forth in the applicable proxy statement of the Company, that individual will be included in the Company's proxy statement as a nominee.

Executive Sessions of Non-Management Directors and Independent Directors

The non-management directors of the Board meet regularly in executive sessions without management of the Company present. The independent directors also meet on occasion or as necessary in executive session. The Chairs of each of the committees together select a director to serve as the Chair of each executive session of independent directors. Stockholders wishing to communicate with the independent directors may contact them by writing to: Independent Directors, c/o Corporate Secretary, Covanta Holding Corporation, 40 Lane Road, Fairfield, New Jersey 07004. Any such communication will be promptly distributed to the directors named in the communication in the same manner as described below in *Stockholder Communications with the Board*.

Stockholder Communications with the Board

Stockholders can send communications to one or more members of the Board by writing to the Board or to specific directors or group of directors at the following address: Covanta Holding Corporation Board of Directors, c/o Corporate Secretary, Covanta Holding Corporation, 40 Lane Road, Fairfield, New Jersey 07004. Any such communication will be promptly distributed by the Corporate Secretary to the individual director or directors named in the communication or to all directors if the communication is addressed to the entire Board.

Compensation of the Board

Effective as of the Annual Meeting, on an annual basis, at the annual meeting of stockholders at which directors are elected, each non-employee director will be awarded 4,000 shares of restricted stock, which vest as follows: one-third vest upon the grant of the award, one-third will vest one year after the date of grant and the final one-third of the restricted shares will vest two years after the date of grant. Mr. Barse waived his right to receive equity awards for 2005. Non-employee directors also will receive an annual fee of \$30,000. The Chairman of the Board will receive an additional annual fee of \$15,000. In addition, the Chairs of the Audit Committee and Compensation Committee will each receive an additional annual fee of \$10,000.

for such service and the chair of each of the other committees of the Board, including without limitation, the Nominating and Governance Committee and the Public Policy Committee, will be entitled to receive an additional annual fee of \$5,000 for such service. Non-employee directors will be entitled to receive a meeting fee of \$2,000 for each Audit Committee meeting and \$1,500 for each other committee meeting they attend. Directors who are appointed at a date other than the annual meeting of stockholders, will be entitled to receive a pro rata portion of the annual director compensation.

Policies on Business Conduct and Ethics

The Company has a Code of Conduct and Ethics for Senior Financial Officers and a Policy of Business Conduct. The Code of Conduct and Ethics applies to the Company's Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer, controller or persons performing similar functions. The Policy of Business Conduct applies to all of the Company's, and its subsidiaries', directors, officers and employees. Both the Code of Conduct and Ethics and the Policy of Business Conduct are posted on the Company's website at www.covantaholding.com on the Corporate Governance page and copies may be obtained by writing to the Company's Director of Investor Relations at the Company's principal executive offices.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

The Board is currently comprised of ten directors. Following the retirement of Joseph P. Sullivan from the Board in December 2005, the Board passed a resolution to reduce the number of directors on the Board from eleven to ten. The Board, at the recommendation of the Nominating and Governance Committee, has nominated each of the following ten individuals to serve as directors of the Company:

David M. Barse
Ronald J. Broglio
Peter C.B. Bynoe
Richard L. Huber
Anthony J. Orlando
William C. Pate
Robert S. Silberman
Jean Smith
Clayton Yeutter
Samuel Zell

Each of the nominees currently serves as a member of the Board. If elected to another term at this year's Annual Meeting, each nominee will serve until the date of next year's annual meeting or until his or her successor has been elected and qualified.

The Board has appointed Ms. Smith to succeed Mr. Huber as Chair of the Audit Committee, subject to her re-election by the stockholders at this year's Annual Meeting.

Each nominee has consented to serve as a member of the Board if elected or re-elected, as the case may be, for another term. Nevertheless, if any nominee becomes unable to stand for election (which the Board does not anticipate happening), each proxy will be voted for a substitute designated by the Board or, if no substitute is designated by the Board prior to or at the Annual Meeting, the Board will act to reduce the membership of the Board to the number of individuals nominated.

There is no family relationship between any nominee and any other nominee or any executive officer of the Company. The information set forth below concerning the nominees has been furnished to the Company by the nominees.

The Board recommends that you vote FOR the election of each of the above named nominees to the Board. Proxies solicited by the Board will be voted FOR the election of each of the nominees named above unless instructions to the contrary are given.

Covanta Energy Pension Plan

Messrs. Orlando, Abolt, Klett and Simpson participate in the Covanta Energy Pension Plan, a tax-qualified defined benefit plan of Covanta Energy subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended. Under the Covanta Energy Pension Plan each participant who meets the plan's vesting requirements will be provided with an annual benefit at or after age 65 equal to 1.5% of the participant's average compensation during the five consecutive calendar years of employment out of the ten consecutive calendar years immediately preceding the participant's retirement date or termination date during which such average is the highest, multiplied by his total years of service earned prior to January 1, 2002. For years of service earned after December 31, 2001, the benefit formula has been reduced to coordinate with Social Security. The reduced benefit is equal to 0.95% of the participant's average compensation up to the 35-year average of the Social Security wage base in effect during the 35-year period ending on the last day of the calendar year in which the participant's Social Security normal retirement age is reached, plus 1.5% of the participant's average compensation in excess of the 35-year average for each year of service earned after December 31, 2001 not to exceed 35 years of service. For each year of service exceeding 35 years earned after December 31, 2001, an additional benefit of 0.95% of final average compensation will be provided. Compensation includes salary and other compensation received during the year and deferred income earned, but does not include imputed income, severance pay, special discretionary cash payments or other non-cash compensation. The relationship of the covered compensation to the annual compensation shown in the Summary Compensation Table would be the Salary and Bonus columns. A plan participant who is at least age 55 and who retires after completion of at least five years of employment receives a benefit equal to the amount the participant would have received if the participant had retired at age 65, reduced by an amount equal to 0.5% of the benefit multiplied by the number of months between the date the participant commences receiving benefits and the date the participant would have commenced to receive benefits if he had not retired prior to age 65.

Messrs. Orlando, Abolt, Klett and Simpson also participate in Covanta Energy's Supplemental Benefit Plan, a deferred compensation plan that is not qualified for federal income tax purposes. Covanta Energy's Supplemental Benefit Plan provides that, in the event that the annual retirement benefit of any participant in the Covanta Energy Pension Plan, determined pursuant to such plan's benefit formula, cannot be paid because of certain limits on annual benefits and contributions imposed by the Internal Revenue Code, the amount by which such benefit must be reduced represent an unfunded liability and will be paid to the participant from the general assets of Covanta Energy.

The following table shows the estimated annual retirement benefits payable in the form of a life annuity at age 65 under the Covanta Energy Pension Plan and Covanta Energy's Supplemental Benefit Plan. Mr. Orlando has 18.7 years, Mr. Abolt has 1.6 years, Mr. Klett has 19.8 years and Mr. Simpson has 13.4 years of credited service under the Covanta Energy Pension Plan as of December 31, 2005 and had annual average earnings for the last five years of \$660,838, \$450,375, \$378,256 and \$376,490, respectively. Mr. Abolt's earnings were averaged over two years of service. The table below shows the estimated annual retirement benefits payable at age 65. Effective January 1, 2002 the Covanta Energy Pension Plan was amended to: (a) coordinate benefits with Social Security, and (b) change the normal form of payment from a ten-year certain and continuous annuity to a single life annuity. Because each individual's 35-year average of the Social Security wage base is different and because the January 1, 2002 plan changes apply only to service after 2001, the annual benefit illustrated is at the pre-coordination level (1.5%) on a single life annuity basis for all years of service. The annual benefit illustrated will not be materially impacted by the integration with the 35-year average of the social security wage base and the form of benefit change, as one will slightly decrease the annual benefit, and the other will slightly increase the annual benefit, resulting in no material impact. Since

Mr. Abolt's service with the Company is all post-2001 service, the table of benefits overstates his pension benefit by approximately 6%.

Employment Arrangements

See the descriptions of the Company's employment agreements with Anthony J. Orlando, Craig D. Abolt, John M. Klett and Timothy J. Simpson contained in *Executive Compensation Employment Arrangements* above.

Related Party Agreements

As part of the investment and purchase agreement dated as of December 2, 2003 pursuant to which the Company agreed to acquire Covanta Energy, the Company arranged for a new replacement letter of credit facility for Covanta Energy, secured by a second priority lien on Covanta Energy's available domestic assets, consisting of commitments for the issuance of standby letters of credit in the aggregate amount of \$118 million. This financing was provided by SZ Investments, Third Avenue and Laminar, then a significant creditor of Covanta Energy (collectively, SZ Investments, Third Avenue and Laminar are referred to as the Bridge Lenders).

Each of SZ Investments, Third Avenue Trust and Laminar, or an affiliate own over 5% of the Company's common stock. Samuel Zell, current Chairman and former Chief Executive Officer of the Company, and William Pate, a former Chairman and current director of the Company, are affiliated with SZ Investments. David Barse, a current director of the Company, is affiliated with Third Avenue.

The Company obtained the financing for the Company's acquisition of Covanta Energy pursuant to a note purchase agreement dated December 2, 2003, from the Bridge Lenders. Pursuant to the note purchase agreement, the Bridge Lenders provided the Company with \$40 million of bridge financing in exchange for notes the Company issued. The Company repaid these notes with the proceeds from a rights offering of the Company's common stock which was completed in June 2004 and in connection with the conversion of a portion of the note held by Laminar into 8.75 million shares of the Company's common stock pursuant to the note purchase agreement. In consideration for the \$40 million of bridge financing and the arrangement by the Bridge Lenders of the \$118 million second lien credit facility and the arrangement by Laminar of a \$10 million international revolving credit facility secured by Covanta Energy's international assets, the Company issued to the Bridge Lenders an aggregate of 5,120,853 shares of the Company's common stock during 2004. During the term of this financing and prior to its termination on June 24, 2005, Covanta Energy paid to the agent bank for this facility an upfront fee of \$2.36 million and a commitment fee equal to 0.5% per annum of the daily calculation of available credit, an annual agency fee of \$30,000 and, with respect to each issued letter of credit, an amount equal to 6.5% per annum of the daily amount available to be drawn under such letter of credit. The second lien facility was terminated with the refinancing of its indebtedness in connection with the ARC Holdings acquisition.

Pursuant to a registration rights agreement, dated as of December 2, 2003, the Company filed a registration statement at the Company's expense with the SEC to register the shares of common stock issued to the Bridge Lenders under the note purchase agreement. The registration statement was declared effective on August 24, 2004 and the Company filed with the SEC a post-effective amendment to that registration statement that was declared effective on March 20, 2006.

As part of the negotiations with Laminar and Laminar becoming a 5% stockholders of the Company, pursuant to a letter agreement dated December 2, 2003, Laminar agreed to transfer restrictions on the shares of common stock that Laminar acquired pursuant to the note purchase agreement. Further, in accordance with the transfer restrictions contained in Article Fifth of the Company's certificate of incorporation restricting the resale of the Company's common stock by 5% stockholders, the Company agreed with Laminar to provide it with limited rights to resell the common stock that it holds. As of March 10, 2006, Laminar was permitted to sell up to 20% of the Company's outstanding shares, or all of the shares of the Company's common stock then held by it.

Also in connection with the financing for the acquisition of Covanta Energy, the Company agreed to pay up to \$0.9 million in the aggregate to the Bridge Lenders as reimbursement for expenses incurred by them in connection with the note purchase agreement.

The note purchase agreement and other transactions associated with the Covanta Energy acquisition involving SZ Investments, Third Avenue and Laminar were negotiated, reviewed and approved by a special committee of the Board composed solely of disinterested directors and advised by independent legal and financial advisors.

On January 31, 2005, the Company entered into a stock purchase agreement with ARC Holdings, and ARC Holdings stockholders to purchase the issued and outstanding shares of ARC Holdings capital stock. Under the terms of the stock purchase agreement, the Company paid approximately \$747 million, including transaction costs, for the stock of ARC Holdings and the assumption of the consolidated net debt of ARC Holdings, which was approximately \$1.3 billion (\$1.5 billion of consolidated indebtedness net of \$0.2 billion of cash and restricted cash), resulting in an enterprise value of approximately \$2 billion for ARC Holdings. The transaction was completed on June 24, 2005 and ARC Holdings is now a wholly-owned subsidiary of Covanta Energy. The Company financed the purchase of ARC Holdings through a combination of debt and equity financing. The equity component of the financing consisted of an approximate \$400 million offering of rights to purchase the Company's common stock to all of the Company's existing stockholders (the ARC Holdings Rights Offering). In the ARC Holdings Rights Offering, the Company's existing stockholders were issued rights to purchase the Company's stock on a pro rata basis, with each holder entitled to purchase 0.9 shares of the Company's common stock at an exercise price of \$6.00 per full share for each share of the Company's common stock then held.

SZ Investments (and its affiliate Fund 05-07), Third Avenue and Laminar, then representing ownership of approximately 40% of the Company's outstanding common stock, each separately committed to participate in the ARC Holdings Rights Offering and acquire their respective pro rata portion of the shares. As consideration for their commitments, the Company paid each of these stockholders an amount in cash equal to 1.75% of their respective equity commitments, which in the aggregate was \$2.8 million. The Company agreed to amend the existing registration rights agreement to provide these stockholders with the right to demand that the Company undertake an underwritten offering within twelve months of the closing of the acquisition of ARC Holdings in order to provide such stockholders with liquidity. The equity commitments and related agreements involving SZ Investments, Third Avenue and Laminar were negotiated, reviewed and approved by a special committee of the Board composed solely of disinterested directors and advised by independent legal and financial advisors.

As part of the Covanta Energy acquisition, the Company agreed to and conducted an offering for up to 3.0 million shares of its common stock at a purchase price of \$1.53 per share (the 9.25% Offering). The 9.25% Offering was made solely to those holders of Covanta Energy's 9.25% Debentures (which had been issued prior to its bankruptcy) who had voted in favor of Covanta Energy's second reorganization plan on January 12, 2004 or were otherwise authorized to participate by the bankruptcy court. Laminar held a portion of such debentures and was entitled to participate in the 9.25% Offering. On January 31, 2005, the Company entered into a letter agreement with Laminar pursuant to which the Company agreed that if the 9.25% Offering had not closed prior to the record date for the ARC Holdings Rights Offering, then it would revise the 9.25% Offering so that the holders that participated in the 9.25% Offering would be offered additional shares of the Company's common stock at the same purchase price as in the ARC Holdings Rights Offering and in an amount equal to the number of shares of the Company's common stock that such holders would have been entitled to purchase in the ARC Holdings Rights Offering if the 9.25% Offering was consummated on or prior to the record date for the ARC Holdings Rights Offering. Accordingly, the Company restructured the offering to offer up to an additional 2.7 million contingently issuable shares at \$6.00 per share. The 9.25% Offering was completed on February 24, 2006 and Laminar exercised its rights to purchase a total of 633,380 shares.

SZ Investments, a company affiliated with Samuel Zell, the former Chief Executive Officer and current Chairman of the Board, and William Pate, a former Chairman of the Board and a current director of the

Company, was a holder through its affiliate, HYI Investments, L.L.C. (HYI), of approximately 42% of the senior notes and payment-in-kind notes of ACL, a former unconsolidated subsidiary of the Company. ACL emerged from Chapter 11 bankruptcy proceedings in 2004 with its plan of reorganization being confirmed without material condition as of December 30, 2004 and effective as of January 11, 2005. Pursuant to the terms of ACL's plan of reorganization the notes held by HYI were converted into equity of ACL. The holders of ACL's senior notes were among the class of grantors of the ACL warrants to subsidiaries of the Company, which during October 2005 were exercised and the Company's interest in ACL was liquidated.

Following ACL's emergence from bankruptcy, the Company sold its entire 50% interest in Vessel Leasing LLC to ACL for \$2.5 million on January 13, 2005. The price and other terms and conditions of the sale were negotiated on an arm's length-basis for the Company by a special committee of the Board composed solely of disinterested directors and advised by independent legal counsel.

Clayton Yeutter, a current director of the Company, is senior advisor to the law firm of Hogan & Hartson LLP. Hogan & Hartson has provided Covanta Energy with certain legal services for many years including 2005. This relationship preceded the Company's acquisition of Covanta Energy and Mr. Yeutter did not direct or have any direct or indirect involvement in the procurement, provision, oversight or billing of such legal services and does not directly or indirectly benefit from those fees. The Board has determined that such relationship does not interfere with Mr. Yeutter's exercise of independent judgment as a director.

Covanta Energy holds a 26% investment in Quezon Power, Inc. in the Philippines (Quezon). Covanta Energy and Quezon are both party to an agreement in which Covanta Energy assumed responsibility for the operation and maintenance of Quezon's coal-fired electricity generation facility. For the fiscal years ended December 31, 2005 and 2004, Covanta Energy, subsequent to their acquisition by Covanta, collected \$29.5 million and \$34.7 million, respectively, for the operation and maintenance of the facility. As of December 31, 2005 the net amount due from Quezon was \$0.1 million and as of December 31, 2004, the net amount due to Quezon related to the operation and maintenance of the facility was \$3.8 million, which reflected advance payments made by Quezon.

BOARD OF DIRECTORS COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board is currently comprised of three independent directors. Each of the directors has been determined to be independent under applicable New York Stock Exchange listing standards. Joseph Sullivan, an independent director, served as Chair of the Compensation Committee until his retirement from the Board on December 1, 2005. David Barse became a member of the Compensation Committee effective as of the Company's listing of its shares on the New York Stock Exchange and he also succeeded Mr. Sullivan as Chair of the Compensation Committee following Mr. Sullivan's retirement. The Compensation Committee provided the following report on executive compensation during 2005 as required by applicable securities regulations and the Compensation Committee's charter:

Executive Compensation Generally

The Compensation Committee's overriding goal continues to be to structure compensation in a way that will attract and retain highly qualified individuals who will conduct the business of the Company in a manner that will maximize stockholder value. To advance this goal, the Compensation Committee has attempted to align compensation with the Company's performance, while recognizing that the Company's performance is largely dependent upon the performance of Covanta Energy, its largest subsidiary. Within this framework, the Company's compensation structure is comprised of three elements: base salary, a cash bonus, and for approximately 104 employees, including executive officers, equity awards in the form of restricted shares of the Company's common stock. With the Company's acquisition of ARC Holdings in 2005, the number of participants in the Company's equity award program in 2006 will increase significantly. A very significant component of the executive officers' cash bonus and restricted stock compensation is performance-based.

In 2005, the Compensation Committee consulted with independent, outside advisors and compensation consultants. The Compensation Committee also reviewed compensation information of other publicly held companies in the waste and/or energy industries with comparable annual revenues. In general, the Compensation Committee's objective was to provide the Company's senior employees, including its executive officers with a compensation package that would generally target the 50th percentile of employees serving comparable functions in the reviewed companies.

During 2005, executive officers were granted awards in the form of restricted stock, which vest ratably over a period of three years following the date of grant. In 2005 and consistent with previously stated goals, the Compensation Committee increased the proportion of such grants that vest on the basis of performance measures from 50% to 66%. In addition, the Compensation Committee tied the payment of cash bonuses to the satisfaction of the same financial performance measures. Accordingly, the vesting of restricted stock and the award of cash bonuses to executive officers in 2005 were predicated upon the satisfaction of certain pre-designated thresholds and targets of two financial measures important to the Company's performance in 2005 and its ability to reduce the debt incurred in connection with the acquisitions of Covanta Energy and ARC Holdings: (1) adjusted earnings before interest, taxes, depreciation and amortization; and (2) cash available to service debt. Further, vesting in subsequent years of previously issued restricted stock awards is tied to the financial performance of the Company and Covanta Energy in such subsequent years based upon financial measures approved by the Compensation Committee in each subsequent year. For example, for 2006 the Compensation Committee has adopted new financial measures and targets based upon satisfaction in 2006 of projected (1) adjusted earnings before interest, taxes, depreciation and amortization, as such term is used and defined in a financial covenant in its credit agreements; and (2) free cash flow, defined as cash flow from operating activities less purchases of property, plant and equipment.

In addition to the compensation outlined above, each of the executive officers that has entered into an employment agreement has a severance arrangement as part of his employment agreement. This severance arrangement provides that, in the event the executive officer is terminated without cause, resigns for good reason, or ceases employment due to death or disability (as those terms are defined in the employment agreement), the executive officer will be entitled to receive his base salary and annual bonus for a period of 36 or 24 months for the chief executive officer and 24 or 18 months for other executives, depending on the timing of termination. Additionally, in the event of certain changes of control (as set forth in the employment agreement), an executive officer will be entitled to immediate vesting of his stock options and restricted stock. The Compensation Committee believes that these protections for its executive officers are common among similarly situated companies and are necessary and reasonable to attract and retain highly qualified executives.

Chief Executive Officer Compensation

Mr. Orlando's compensation package for 2005 consisted of (1) annual base salary of \$425,000, (2) a target cash bonus of 80% of his base salary, subject to and based on achievement against performance metrics approved by the Compensation Committee and described above, and (3) a restricted stock grant valued at \$600,000, vesting over three years with 34% time-based and 66% performance-based. Based upon the Company's performance in 2005, which exceeded target amounts set by the Compensation Committee and included Mr. Orlando's leadership and direction in the successful acquisition of ARC Holdings, the Compensation Committee awarded Mr. Orlando a cash bonus of \$506,000. As discussed above, Mr. Orlando's compensation package was determined by the Compensation Committee in accordance with its stated goals and targeted generally to the 50th percentile of chief executive officers of other publicly held companies in the waste and/or energy industries with annual revenues adjusted to approximately \$1.2 billion.

Conclusion

Based on its review of all components of the compensation of the executive officers of the Company and its review of the compensation of executive officers of similar companies as discussed above, the Compensation Committee finds the total compensation paid to its executive officers (including potential payouts upon change-in-control and severance events) to be reasonable to attract and retain highly qualified executives.

Finally, the Compensation Committee notes that section 162(m) of the Code, in most circumstances, limits to \$1 million the deductibility of compensation, including stock-based compensation, paid to top executives by public companies. Due to the performance-based criteria applied to a significant portion of the executive officers compensation, including the chief executive officer, all of the 2005 compensation paid to the executive officers named in the Summary Compensation Table qualified for deductibility under section 162(m).

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee is composed of three directors. Each of the current directors is independent as defined by the New York Stock Exchange listing standards. The Audit Committee operates under a written charter and key practices approved by the Board. A copy of the charter and key practices is attached hereto as Exhibit B and is also available on the Company's website at www.covantaholding.com.

Management is responsible for the Company's internal controls and financial reporting process. Ernst & Young LLP (Ernst & Young), a registered independent public accounting firm and the Company's independent auditors for 2005, are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In connection with these responsibilities, the Audit Committee met with management and Ernst & Young to review and discuss the December 31, 2005 financial statements. The Audit Committee also discussed with Ernst & Young the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee also received written disclosure from Ernst & Young required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with Ernst & Young the firm's independence.

Based upon the Audit Committee's discussions with management and Ernst & Young, and the Audit Committee's review of the representations of management and Ernst & Young, the Audit Committee recommended that the Board include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2005.

All Other Fees. This category consists of any other products or services provided by Ernst & Young not described above. Ernst & Young did not bill any fees that would be categorized as All Other Fees during 2005 or 2004.

Audit Committee's Pre-Approval Policies and Procedures

In March 2004, the Board, upon the recommendation of the Audit Committee, adopted an amended and restated Audit Committee Charter and Audit Committee Key Practices, which require the Audit Committee to pre-approve all permitted non-audit services. It is the Audit Committee's practice to restrict the non-audit services that may be provided to the Company by the Company's independent auditors primarily to tax services and merger and acquisition due diligence and integration services, and then only when the services offered by the auditor's firm are more effective or economical than services available from other providers, and, to the extent possible, only after competitive bidding for such services.

In pre-approving the services generating fees in 2005, the Audit Committee did not rely on the de minimis exception to the SEC pre-approval requirements applicable to audit-related, tax and all other permitted non-audit services.

In June 2005, the Audit Committee adopted an Audit and Non-Audit Service Pre-Approval Policy (the Pre-Approval Policy) for all permitted services the Company's independent auditors may perform for the Company. The Pre-Approval Policy provides for the general approval of specific types of services and gives detailed guidance as to the specific types of services eligible for general pre-approval within each of the specifically designated categories of services and provides for maximum dollar amounts for such pre-approved services. Any additional services not described in the Pre-Approval Policy or otherwise exceeding the maximum dollar amounts prescribed by the Pre-Approval Policy for that specified year will require the further advance review and approval of the Audit Committee. Pre-approval of services is generally provided for up to one year. The Audit Committee has delegated the authority to grant any such additional required approval to its Chair between meetings of the Audit Committee, provided that the Chair reports the details of the exercise of any such delegated authority at the next meeting of the Audit Committee. The Pre-Approval Policy prohibits the Audit Committee from delegating to the Company's management the Audit Committee's responsibilities to pre-approve services performed by the independent auditors.

PERFORMANCE GRAPH

The following graph sets forth a comparison of the yearly percentage change in the Company's cumulative total stockholder return on common stock with the Standard & Poor's 500 Stock Index,* the NASDAQ Financial Sub Index** and the Dow Jones Waste & Disposal Services Index (DJ Waste & Disposal Services Index).*** The foregoing cumulative total returns are computed assuming (a) an initial investment of \$100, and (b) the reinvestment of dividends at the frequency with which dividends were paid during the applicable years. The Company has never paid any dividends on shares of common stock. The graph below reflects comparative information for the five fiscal years of the Company beginning with the close of trading on December 31, 2000, and ending December 31, 2005. The stockholder return reflected below is not necessarily indicative of future performance.

In previous years the Company has compared its cumulative stockholder returns to the Standard & Poor's 500 Stock Index and the NASDAQ Financial Sub Index; however, due to the significance of the Covanta Energy and ARC Holdings acquisitions to its business, the Company has determined that the DJ Waste & Disposal Services Index is a more appropriate index for such comparison than the NASDAQ Financial Sub Index. Therefore in this proxy statement, the Company has added DJ Waste & Disposal Services Index to the comparison of its cumulative stockholder returns and intends to discontinue the use of the NASDAQ Financial Sub Index after this proxy statement.

* The Standard & Poor's 500 Stock Index is a capitalization-weighted index of 500 stocks designed to measure performance of the broad domestic economy through changes in the aggregate market value of 500 stocks representing all major industries.

** The NASDAQ Financial Sub Index (NFSI) is maintained by NASDAQ. As described by NASDAQ, the NFSI consists of 100 large financial organizations listed on the NASDAQ National Market.

*** The DJ Waste & Disposal Services Index is maintained by is Dow Jones & Company, Inc. (Dow Jones). As described by Dow Jones, the DJ Waste & Disposal Services Index consists of providers of pollution control and environmental services for the management, recovery and disposal of solid and hazardous waste materials, such as landfills and recycling centers.

PROPOSALS BY STOCKHOLDERS

In order for a proposal of a stockholder to be included in the proxy statement and form(s) of proxy relating to the Company's 2007 annual meeting, the proposal must be received by the Company no later than December 28, 2006. In order to be considered for stockholder action at the Company's 2007 annual meeting, a proposal of a stockholder must be received by the Company at its principal executive offices no later than March 13, 2007. All stockholder proposals should be directed to the attention of the Secretary of the Company at the Company's principal offices as set forth on the first page of this proxy statement.

Timely receipt of a stockholder's proposal will satisfy only one of various conditions established by the SEC for inclusion in the Company's proxy materials.

**ATTACHMENT A TO BOARD OF DIRECTORS CORPORATE
GOVERNANCE GUIDELINES
INDEPENDENCE STANDARDS**

1. *New York Stock Exchange Standards of Independence* A Director is considered independent under the New York Stock Exchange criteria if the Board of Directors finds that the Director has no material relationship with the Company. Under the New York Stock Exchange rules, a Director will not be considered independent if, within the past three years:

the Director has been employed by the Company, either directly or through a personal or professional services agreement;

an immediate family member of the Director was employed by the Company as an executive officer;

the Director receives more than \$100,000 per year in direct compensation from the Company, other than for service as an interim chairman or CEO and other than Director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);

an immediate family member of the Director receives more than \$100,000 per year in direct compensation from the Company, other than for service as a non-executive employee and other than Director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);

the Director was affiliated with or employed by the Company's independent auditor;

an immediate family member of the Director was affiliated with or employed in a professional capacity by the Company's independent auditor;

a Company executive officer has served on the compensation committee of a company that, at the same time, employed the Director or an immediate family member of the Director as an executive officer; or

the Director is employed, or the immediate family member of a Director is employed as an executive officer of another company and the annual payments to, or received from the Company exceed in any single fiscal year the greater of \$1 million or 2% of such other company's consolidated gross annual revenues.

2. *Categorical Standards of Independence*

The Board of Directors has established the following additional categorical standards of independence to assist it in making independence determinations:

Business Relationships. Any payments by the Company to a business employing, or 10% or more owned by, a Director or an immediate family member of a Director for goods or services, or other contractual arrangements, must be made in the ordinary course of business and on substantially the same terms as those prevailing at the time for comparable transactions with non-affiliated persons. The following relationships are not considered material relationships that would impair a Director's independence:

if a Director (or an immediate family member of the Director) is an officer of another company that does business with the Company and the annual sales to, or purchases from the Company during such company's preceding fiscal year are less than 1% of the gross annual revenues of such company;

if the Director (or an immediate family member of the Director) is an officer of another company which is indebted to the Company, or to which the Company is indebted, and the total amount of either company's

indebtedness to the other is less than 1% of the total consolidated assets of such other company;
A-1

if a Director is a partner of or of counsel to a law firm, the Director (or an immediate family member of the Director) does not personally perform any legal services for the Company, and the annual fees paid to the firm by the Company during such firm's preceding fiscal year do not exceed 2% of the firm's gross revenues for that firm's last full fiscal year;

if a Director is a partner, officer or employee of an investment bank or consulting firm, the Director (or an immediate family member of the Director) does not personally perform any investment banking or consulting services for the Company, and the annual fees paid to the firm by the Company during such firm's preceding fiscal year do not exceed 2% of the investment banking or consulting firm's consolidated gross revenues for that firm's last full fiscal year.

Charitable Relationships. If a Director or immediate family member is a director or trustee of a charitable organization and the Company's discretionary charitable contributions to the organization are one percent or less of that organization's total charitable receipts during such organization's preceding fiscal year.

For relationships that exceed the thresholds set forth above, the determination of whether the relationship is material or not, and therefore whether the Director would be an Independent Director, shall be made by the Independent Directors. For example, if a Director is the CEO of a company that is indebted to the Company in excess of 1% of that company's total consolidated assets, the Independent Directors could determine, after considering all of the relevant circumstances, that such a relationship was immaterial, and that therefore the director would be an Independent Director.

The

Audit Committee will also review steps taken by the auditing firm to address any findings in any of the foregoing reviews.

The Audit Committee shall meet separately at least quarterly with management, with the internal audit staff and also with the Corporation's independent auditors.

The Audit Committee shall have authority to retain such outside counsel, experts and other advisors as the Audit Committee may deem appropriate in its sole discretion. The Audit Committee shall have sole authority to approve and receive funding for related fees and retention terms.

This Audit Committee Charter will be made available on the Corporation's website at www.covantaholding.com.

COVANTA HOLDING CORPORATION
AUDIT COMMITTEE KEY PRACTICES
(As of October 2005)

The Audit Committee has adopted the following key practices to assist it in undertaking the functions and responsibilities set forth in its charter:

1. **Meetings.** The Audit Committee will meet at least 4 times a year, generally on a day different than the regularly scheduled Board of Directors meeting to allow time for in-depth discussion.

2. **Review of Financial Statements.** The Audit Committee will review the Corporation's 10-K in detail with the CEO, the CFO and the full Board of Directors. The Audit Committee will meet to review the Corporation's 10-Q's with the CFO. These reviews will include the Management's Discussion and Analysis of Financial Condition and Results of Operations section in the periodic reports. The independent auditor will be present at these meetings. The Audit Committee will prepare any report required to be included in public filings by an audit committee pursuant to SEC rules or New York Stock Exchange Requirements.

3. **Quarterly Review of CEO and CFO Certification Process.** In conjunction with its reviews of the 10-K's and 10-Q's, the Audit Committee will also review the process for the CEO and CFO quarterly certifications required by the SEC with respect to the financial statements and the Corporation's disclosure and internal controls, including any material changes or deficiencies in such controls.

4. **Review of Earnings Releases and Information Provided to Analysts and Rating Agencies.** The CFO shall review earnings releases with the Chairman of the Audit Committee prior to their release to the public. Prior to the event, the CEO or the CFO shall review with the Audit Committee, or the full Board of Directors, the substance of any presentations to analysts or rating agencies which constitute a shift in Corporation strategy or outlook. In addition, the CEO or CFO shall review subsequently with the Audit Committee, or the full Board of Directors, a summary of major presentations that have been given to analysts or rating agencies that do not constitute a shift in strategy or outlook.

5. **Approval of Audit and Non-audit Services.** In addition to approving the engagement of the independent auditor to audit the Corporation's consolidated financial statements, the Audit Committee will approve all use of the Corporation's independent auditor for non-audit services prior to any such engagement. To minimize relationships which could appear to impair the objectivity of the independent auditor, it is the Audit Committee's practice to restrict the non-audit services that may be provided to the Corporation by the Corporation's independent auditor primarily to tax services and merger and acquisition due diligence and integration services. The Corporation will obtain such limited non-audit services from the Corporation's auditor as permitted by New York Stock Exchange rules and SEC rules and regulations and only when the services offered by the auditor's firm are more effective or economical than services available from other providers, and, to the extent possible, only following competitive bidding for such services. The Audit Committee has also adopted policies and procedures for pre-approving all non-audit performed by the Corporation's independent auditor.

6. **Hiring Guidelines for Independent Auditor Employees.** The Audit Committee has adopted the following practices regarding the hiring by the Corporation of any new partner, director, manager, staff, advising member of the department of professional practice, reviewing actuary, reviewing tax professional and any other persons having responsibility for providing audit assurance to the Corporation's independent auditor on any aspect of their certification of the Corporation's financial statements. Audit assurance includes all work that results in the expression of an opinion on financial statements, including audits of statutory accounts.

(a) No member of the audit team that is auditing the Corporation or a Corporation business can be hired into either entity or into a position to which that business reports for a period of 2 years following association with that audit.

(b) No former employee of the independent auditor may sign the Corporation's or an affiliate's SEC filing for 5 years following employment with the independent auditor.

(c) No former employee of the independent auditor may be named a Corporation or major affiliate officer for 3 years following employment by the independent auditor.

(d) The Corporation's CFO must approve all executive-level and higher hires from the independent auditor.

(e) The Corporation's CFO shall report annually to the Audit Committee the profile of the preceding year's hires from the independent auditor.

7. **Process for Handling Complaints About Accounting Matters.** As part of the Board of Directors' procedure for receiving and handling complaints or concerns about the Corporation's conduct, the Audit Committee has established the following procedures for: (i) the receipt, retention, and treatment of complaints received by the Corporation regarding accounting, internal accounting controls, or auditing matters; and (ii) the

confidential, anonymous submission by Corporation employees of concerns regarding questionable accounting or auditing matters.

B-3

(a) To facilitate the confidential, anonymous submission by employees of the Corporation of concerns regarding questionable accounting or auditing standards, the Corporation may engage a consultant for security matters to establish (i) a post office box to which such complaints may be addressed. Such post office box shall not be used for any other purpose, and/or (ii) a toll-free confidential telephone hot-line for employees to call.

(b) Immediately upon management's receipt of complaints regarding accounting, internal accounting controls or auditing matters, shall forward a copy thereof (or if received orally, a memorandum describing such communication) to the Corporation's general counsel, who shall maintain a copy of all such communications in his or her records for a period of three years.

(c) Upon receipt of such complaints, the general counsel shall immediately forward a copy of the complaint to the Chairman of the Audit Committee and as soon thereafter as practical, management's response to the communication.

(d) The Chairman of the Audit Committee may take such further action as he or she deems necessary to obtain further information in regard to such complaint from the person making the complaint, from management or from the Corporation's independent auditors as he or she deems appropriate.

(e) Unless the Chairman of the Audit Committee determines that such complaint is without merit, he or she will refer such complaint to the Audit Committee at its next scheduled meeting, or sooner if he or she determines a special meeting for consideration of the complaint is appropriate.

(f) The Audit Committee shall review the complaint and in such review may discuss the complaint with management and the independent auditors and take such actions as it deems necessary, which may include: (i) determining that such complaint is without merit, (ii) asking the complainant, management or the independent auditors for additional information, (iii) responding to the complaint, (iv) directing management or the independent auditors to make changes to the Corporation's financial statements or accounting or auditing procedures, and (v) taking such other actions as they deem necessary or appropriate.

(g) The availability of the post office box and its address, as well as the telephone number of the confidential hot-line, will be published in the Corporation's Code of Business Conduct and Ethics.

(h) Access to such post office box shall only be by such consultant for securities matters, if any, and the Corporation's general counsel.

(i) Anything received in such post office box shall not be opened by such consultant and shall promptly be forwarded to the Chairman of the Audit Committee.

(j) The Chairman of the Audit Committee shall inform management of the substance of such employee communication in a manner which will not reveal the identity of the employee. Thereafter, the communication will be processed as described in paragraphs above.

(k) In effecting these procedures, the Audit Committee may obtain advice from the Corporation's legal counsel or from counsel retained by the Audit Committee.

8. **Audit Committee Memberships.** The Audit Committee has determined that in view of the increasing demands and responsibilities of the Audit Committee, members of the Audit Committee should not serve on more than two additional Audit Committees of other public companies, and the Chairman of the Audit Committee should not serve on more than two other audit committees of a public company, unless the Board of Directors determines that such simultaneous service would not impair the relevant individual's ability to effectively serve on

the Audit Committee. Existing relationships exceeding these limits may continue in place provided that the full Board of Directors determines that such relationships do not impair the member's ability to serve effectively on the Audit Committee.

B-4

9. **Code of Ethics for CEO and Senior Financial Officers.** Corporation's Audit Committee shall annually acknowledge that they shall abide by the Corporation's Code of Business Conduct and Ethics then in place, and to resolve ethically any actual or apparent conflicts of interest, and to comply with all generally accepted accounting principles, laws and regulations designed to produce full, fair accurate, timely and understandable disclosure in the Corporation's periodic reports filed with the SEC.

10. **Conflict of Interest Review.** The Audit Committee will review at least once a year the independence of the Corporation's auditors as defined by the rules, regulations and standards of the SEC and the New York Stock Exchange.

11. **Related Party Transactions.** The Audit Committee shall be responsible for reviewing and approving all related party transactions involving the Corporation and the Corporation's subsidiaries.

12. **General Power to Investigate.** The Audit Committee shall investigate any matter brought to its attention, within the scope of its duties, with the power to retain expert advice and legal counsel for this purpose if, in its judgment, that is appropriate.

13. **Audit Partner Rotation.** The Audit Committee shall ensure that the lead audit partners assigned by the Corporation's independent auditor to the Corporation, and to each of its subsidiaries that have securities registered with the SEC, as well as the audit partner responsible for reviewing the Corporation's audit shall be changed at least every five years.

14. **Share Owner Ratification of Independent Auditor.** Although the Audit Committee has the sole authority to appoint, direct and monitor the independent auditor, the Audit Committee will continue its longstanding practice of recommending that the Board of Directors ask the shareholders, at their annual meeting, to approve the Audit Committee's selection of the independent auditor.

15. **Reports and Procedures.** The Audit Committee shall keep a written record of its proceedings. In advance of every regular meeting, the Chairman of the Audit Committee, with the assistance of the Secretary of the Corporation, shall prepare and distribute to the Audit Committee members and others as deemed appropriate by the Chairman, an agenda of matters to be addressed at the meeting. The Audit Committee may require officers and employees of the Corporation to produce such information and reports, including reports to be provided annually or on other regular bases, as the Audit Committee may deem appropriate. The Chairman of the Audit Committee shall report to the Board of Directors at each meeting of the Board of Directors on the Audit Committee's activities since the last Board of Directors meeting.

16. **Disclosure of Corporate Governance Key Practices.** These Key Practices will be made available on the Corporation's website at www.covantaholding.com.
