Item 2.01. Completion of Acquisition or Disposition of Assets.

On August 1, 2006, Ameron International Corporation (Ameron or the Registrant) and certain of its subsidiaries completed the previously announced sale of substantially all of the assets and certain specified liabilities of its worldwide Performance Coatings & Finishes business (the Coatings Business) to PPG Industries, Inc. (PPG) and certain of its subsidiaries, pursuant to an asset purchase agreement entered into between Ameron and PPG on June 28, 2006, and amended as of July 31, 2006 (as amended, the Agreement). The total consideration received by Ameron upon the closing of the transaction was \$115 million in cash. In addition, the Agreement includes a post-closing purchase price adjustment, which based on Ameron s current estimate of net assets would result in approximately \$5 million of additional consideration.

Certain assets were excluded from the sale, including cash and cash equivalents and certain real properties that are currently used in the Coatings Business. Ameron intends to sell those retained properties in the next 12 to 18 months and expects to generate additional proceeds of approximately \$15 million, based on current estimates of market values.

Pursuant to the Agreement, PPG assumed certain liabilities related to the Coatings Business, including, without limitation, (i) warranty and guaranty obligations and liabilities for products sold or manufactured by Ameron, (ii) all environmental liabilities associated with the real properties that PPG is acquiring and (iii) general tort liability. Pursuant to the Agreement, PPG did not assume certain other liabilities related to Ameron s operation of the Coatings Business, including, without limitation, (i) any liability of the Coatings Business arising out of asbestos, silica or lead and (ii) any pre-closing environmental liabilities related to the real properties that Ameron will be retaining. Additionally, PPG did not assume any liabilities related to Ameron s lawsuits with Dominion Exploration and Production, Inc. and Pioneer Natural Resources USA, Inc. and with Sable Offshore Energy Inc. (as those lawsuits are more particularly described in Ameron s Annual Report on Form 10-K for the year ended November 30, 2005). The foregoing description of the Agreement and the transactions consummated pursuant thereto is qualified in its entirety by reference to the Agreement attached as Exhibit 2.1 hereto and the copy of the press release announcing the closing of the transaction attached as Exhibit 99.1 hereto, each of which is incorporated by reference herein.

Item 9.01. Financial Statements and Exhibits.
