PROXY STATEMENT
OF
GRAND CENTRAL FINANCIAL CORP.

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors to be used at the annual meeting of Grand Central Financial Corp. (the "Company"). The Company is the holding company for Central Federal Savings and Loan Association of Wellsville (the "Association"). The annual meeting will be held on April 23, 2003 at the East Liverpool Motor Lodge, 2340 Dresden Avenue, East Liverpool, Ohio, at 10:00 a.m., local time. The Annual Report to Shareholders, including the consolidated financial statements of the Company for the fiscal year ended December 31, 2002, accompanies this proxy statement which is first being mailed to record holders on or about March 28, 2003.

VOTING AND PROXY PROCEDURE

WHO CAN VOTE AT THE MEETING

You are entitled to vote your Company common stock if the records of the Company show that you held your shares as of the close of business on February 27, 2003. As of the close of business on that date, a total of 1,645,921 shares of Company common stock were outstanding. Each share of common stock has one vote. As provided in the Company's Certificate of Incorporation, record holders of common stock who beneficially own, either directly or indirectly, in excess of 10% of the Company's outstanding shares of common stock are not entitled to any vote in respect of the shares held in excess of the 10% limit and those shares are not treated as outstanding for voting purposes.

A person or entity is deemed to beneficially own shares owned by an affiliate of, as well as, by persons acting in concert with, such person or entity. The Company's Certificate of Incorporation authorizes the Board of

Edgar Filing: GRAND CENTRAL FINANCIAL CORP - Form PRE 14A

Directors (i) to make all determinations necessary to implement and apply the 10% limit, including determining whether persons or entities are acting in concert, and (ii) to demand that any person who is reasonably believed to beneficially own stock in excess of the 10% limit supply information to the Company to enable the Board of Directors to implement and apply the 10% limit.

ATTENDING THE MEETING

If you are a shareholder as of the close of business on February 27, 2003, you may attend the annual meeting. However, if you are a beneficial owner of Company common stock held by a broker, bank or other nominee (i.e., in "street name"), you will need proof of ownership to be admitted to the meeting. A recent brokerage statement or letter from a bank or broker are examples of proof of ownership. If you want to vote your shares of Company common stock held in street name in person at the meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

VOTE REQUIRED

The annual meeting will be held if a majority of the total outstanding shares of common stock entitled to vote (after subtracting any shares in excess of the 10% limit) is represented at the meeting. If you return valid proxy instructions or attend the meeting in person, your shares will be counted for

purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes also will be counted for purposes of determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

In voting on the election of two directors to three-year terms of office each (Proposal 1), you may vote in favor of the nominees or withhold authority to vote for the nominees. Directors are elected by a plurality of the votes cast. This means that the nominees receiving the greatest number of votes will be elected. Votes that are withheld and broker non-votes will have no effect on the outcome of the election.

In voting on ratification of the Company's 2003 Stock-Based Incentive Plan (Proposal 2), the ratification of Crowe, Chizek and Company LLP as independent auditors of the Company (Proposal 3), amendment of the Certificate of Incorporation to change the Company's name to Central Federal Corporation (Proposal 4) and all other matters that may properly come before the annual meeting, you may vote in favor of the proposal, vote against the proposal or abstain from voting. Under the Company's Bylaws and Delaware law, an affirmative vote of the holders of a majority of the votes cast at the annual meeting on Proposal 2 and Proposal 3 is required to constitute shareholder approval and on Proposal 4 an affirmative vote of a majority of the outstanding stock entitled to vote thereon is required to constitute shareholder approval. Shares underlying broker non-votes or in excess of the 10% limit will not be counted as present and entitled to vote or as votes cast and will have no effect on the vote.

VOTING BY PROXY

The Company's Board of Directors is sending you this proxy statement for the purpose of requesting that you allow your shares of Company common stock to be represented at the Annual Meeting by persons named in the enclosed proxy card. All shares of Company common stock represented at the meeting by properly

Edgar Filing: GRAND CENTRAL FINANCIAL CORP - Form PRE 14A

executed proxies will be voted according to the instructions indicated on the proxy card. If you sign and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF THE NOMINEES FOR DIRECTOR, "FOR" RATIFICATION OF THE COMPANY'S 2003 EQUITY COMPENSATION PLAN, "FOR" RATIFICATION OF CROWE, CHIZEK AND COMPANY LLP AS INDEPENDENT AUDITORS OF THE COMPANY AND "FOR" AMENDMENT OF THE COMPANY'S CERTIFICATE OF INCORPORATION TO CHANGE THE COMPANY'S NAME TO CENTRAL FEDERAL CORPORATION.

If any matters not described in this proxy statement are properly presented at the annual meeting, the persons named in the proxy card will use their best judgement to determine how to vote your shares. This includes a motion to adjourn or postpone the meeting in order to solicit additional proxies. If the annual meeting is postponed or adjourned, your Company common stock may be voted by the persons named on the proxy card on the new meeting date as well, unless you have revoked your proxy. The Company does not know of any other matters to be presented at the meeting.

You may revoke your proxy at any time before the vote is taken at the meeting. To revoke your proxy, you must either advise the Corporate Secretary of the Company in writing before your common stock has been voted at the annual meeting, deliver to the Company another proxy that bears a later date, or attend the annual meeting and vote your shares in person. Attendance at the annual meeting will not in itself revoke your proxy.

2

If your Company common stock is held in street name, you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker or bank may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form that is provided by your broker, bank or other nominee and which accompanies this proxy statement. If you wish to change your voting instructions after you have returned your voting instruction form to your broker or bank, you must contact your broker or bank.

Proxies solicited should be returned to the Company's transfer agent, Registrar and Transfer Company. The Board of Directors has designated Richard Kloch of Crowe, Chizek & Co., LLP to act as the inspector of election and to tabulate the votes at the annual meeting. Mr. Kloch is not otherwise employed by, or a director of, the Company or any of its affiliates. After the final adjournment of the Annual Meeting, the proxies will be returned to the Company.

PARTICIPANTS IN THE ASSOCIATION'S ESOP

If you participate in the Association's Employee Stock Ownership Plan (the "ESOP"), you will receive a voting instruction form that reflects all shares you may vote under the plan. Under the terms of the ESOP, the ESOP trustee votes all shares held by the ESOP, but each participant in the ESOP may direct the trustee on how to vote shares of common stock allocated to his or her account. The ESOP trustee, subject to the exercise of its fiduciary duties, will vote all unallocated shares of common stock held by the ESOP and allocated shares for which voting instructions are not timely received in the same proportion as shares for which it has received timely voting instructions. The deadline for returning your voting instructions to the ESOP trustee is April 16, 2003.

EMPLOYMENT AGREEMENTS

The Association and the Company maintain employment agreements (collectively, the "Employment Agreements") with William R. Williams, John A. Rife and Charles O. Standley (individually, the "Executive"). The Employment Agreements provide for a three-year term for each Executive. The Association Employment Agreements provide that, beginning on the first anniversary date of the agreement and continuing each anniversary date thereafter, the Board of Directors of the Association may extend each of the agreements for an additional year so that the remaining term shall be three years unless written notice of non-renewal is given by the Board of Directors after conducting a performance evaluation of the Executive. The terms of the Company Employment Agreements shall be extended on a daily basis, unless written notice of non-renewal is given by the Board of Directors of the Company. Effective February 21, 2003, the Boards of Directors of the Association and the Company notified the Executives that the Association and the Company are not renewing the Employment Agreements. The Association Employment Agreements will expire on December 30, 2004, and the Company Employment Agreements will expire on February 21, 2006. The Association and Company Employment Agreements provide that the Executive's base salary will be reviewed at least annually. Effective January 1, 2003, the base salary for Messrs. Williams, Rife and Standley is \$155,489, \$111,772 and \$103,799, respectively. In addition to base salary, the Employment Agreements provide for, among other things, participation in various employee benefit plans and stock-based compensation programs, as well as furnishing certain fringe benefits available to similarly-situated executive personnel. The Employment Agreements provide for termination by the Association or the Company for cause (as

Edgar Filing: GRAND CENTRAL FINANCIAL CORP - Form PRE 14A

described in the agreements) at any time. In the event the Association or the Company chooses to terminate the Executive's employment for reasons other than for cause or, in the event of the Executive's resignation from the Association or the Company upon: (i) failure to re-elect the Executive to his current offices; (ii) a material change in the Executive's functions, duties or responsibilities; (iii) a relocation of the Executive's principal place of employment by more than 25 miles; (iv) a material reduction in the benefits and perquisites to the Executive; (v) liquidation or dissolution of the Association or the Company; or (vi) a breach of the Employment Agreements by the Association or the Company, the Executive or, in the event of the Executive's death, the Executive's beneficiary would be entitled to receive an amount generally equal to the remaining base salary and bonus payments that would have been paid to the Executive during the remaining term of the Employment Agreements, plus all benefits that would have been provided to the Executive during the remaining term of the agreement. The Employment Agreements restrict each Executive's right to compete against the Association or the Company for a period of one year from the date of termination of the agreement if his employment is terminated without cause, except if termination follows a change in control.

Under the agreements, if involuntary or voluntary termination (under certain circumstances) follows a change in control of the Association or the Company, the Executive or, in the event of the Executive's death, the Executive's beneficiary would be entitled to a severance payment equal to the greater of: (i) the payments due for the remaining terms of the agreements; or (ii) three times the average of the five preceding taxable years' annual compensation. The Association and the Company would also continue the Executive's life, health, and disability coverage for thirty-six months. Notwithstanding that both Employment Agreements provide for a severance payment in the event of a change in control, the Executive would only be entitled to receive a severance payment under one agreement.

9

Payments to the Executive under the Association Employment Agreement are guaranteed by the Company in the event that payments or benefits are not paid by the Association. Payments under the Company Employment Agreements would be made by the Company. All reasonable costs and legal fees paid or incurred by the Executive pursuant to any dispute or question of interpretation relating to the Employment Agreements shall be paid by the Association or Company, respectively, if the Executive is successful on the merits pursuant to a legal judgment, arbitration or settlement. The Employment Agreements also provide that the Association and Company shall indemnify the Executive to the fullest extent allowable under federal, Ohio and Delaware law, respectively.

PENSION PLAN

The Association participates in the Financial Institutions Retirement Fund, a multiple-employer defined benefit pension plan. Generally, employees of the Association become members of the pension plan upon the completion of one year of service with the Association and the attainment of age twenty-one. The Association makes annual contributions to the Financial Institutions Retirement Fund sufficient to fund retirement benefits for its employees, as determined in accordance with a formula set forth in the plan document. Participants generally become vested in their accrued benefits under the pension plan after completing five years of vesting service. In general, accrued benefits under the pension plan, including reduced benefits payable upon early retirement or in the event of a disability, are based on an individual's

Edgar Filing: GRAND CENTRAL FINANCIAL CORP - Form PRE 14A

years of benefit service and the average of the individual's highest five years' salary.

The following table reflects the annual pension benefit that would be payable to a participant of the pension plan upon retirement at age 65, based on various levels of the highest five-year average salary and years of credited service. For the 2003 calendar year, the Internal Revenue Code (the "Code") limits the maximum annual benefit under a pension plan to \$160,000 per year and annual compensation for benefit calculation purposes to \$200,000 per year.

SUPPLEMENTAL EXECUTIVE RETIREMENT PLAN

The Association maintains the Supplemental Executive Retirement Plan (the "SERP"), a non-qualified deferred compensation arrangement, for the benefit of certain officers designated by the Board of Directors. The SERP provides benefits to participants that cannot be provided under the ESOP as a result of the limitations imposed by the Code, but that would have been provided under the ESOP but for such limitations. In addition to providing for benefits lost under the ESOP as a result of limitations imposed by the Code, the SERP also makes up benefits lost in the event of a change in control of the Company or the Association prior to the repayment of the loan and to participants who retire prior to the complete repayment of the ESOP loan. Generally, upon the retirement of an eligible individual or upon a change in control of the Association or the Company before complete repayment of the ESOP loan, the SERP provides the individual with a benefit equal to what the individual would have received under the ESOP throughout the term of the ESOP loan less the benefits actually accrued under the ESOP. An individual's benefits under the SERP generally become payable upon the participant's retirement, upon the change in control of the Association or the Company, or as determined under the ESOP. As

Edgar Filing: GRAND CENTRAL FINANCIAL CORP - Form PRE 14A

of December 31, 2002, Mr. Williams is the only participant in the SERP.

FISCAL YEAR-END OPTION VALUES

The following table provides certain information with respect to the number of shares of Common Stock represented by outstanding options held by the Named Executive Officers as of December 31, 2002. Also reported are the values for "in-the-money" options which represent the positive spread between the exercise price of any such existing stock options and the year-end price of the Common Stock.

NAME	NUMBER OF SECURITIES UNDERLYING UNEXERCISED OPTIONS AT FISCAL YEAR-END (#) (1)		VALUE O IN-THE AT FISCAL
	EXERCISABLE	UNEXERCISABLE	EXERCISABLE
William R. Williams	29,084	19,388	\$5,526
John A. Rife	17,451	11,632	3,316
Charles O. Standley	17,451	11,632	3,316

- (1) The options in this table have an exercise price of \$9.19 per share, adjusted to reflect a return of capital.
- (2) The value of unexercised in-the-money stock options equals the market value of shares covered by in-the-money options as of December 31, 2002 (\$9.38) less the option exercise price (\$9.19). Options are in-the-money if the market value of shares covered by the options is greater than the exercise price.

AUDIT COMMITTEE REPORT

The Audit Committee of the Company's Board of Directors is composed of three (3) non-employee directors. The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is included as Appendix A to this proxy statement. The Board of Directors has determined that each Audit Committee member is independent in accordance with the listing standards of the Nasdaq Stock Market.

Edgar Filing: GRAND CENTRAL FINANCIAL CORP - Form PRE 14A

The Company's management is responsible for the Company's internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements and issuing an opinion on the conformity of those financial statements with generally accepted accounting principles. The Audit Committee oversees the Company's internal controls and financial reporting process on behalf of the Board of Directors.

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees), including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements.

In addition, the Audit Committee has received the written disclosures and the letter from the independent auditors required by the Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees) and has discussed with the independent auditors the auditors' independence from the Company and its management. In concluding that the auditors are independent, the Audit Committee considered, among other factors, whether the non-audit services provided by the auditors were compatible with its independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent auditors who, in their report, express an opinion on the conformity of the Company's financial statements to generally accepted accounting principles. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted

12

accounting principles, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent auditors are in fact "independent."

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2002 for filing

Edgar Filing: GRAND CENTRAL FINANCIAL CORP - Form PRE 14A

with the Securities and Exchange Commission. The Audit Committee and the Board of Directors also have approved, subject to stockholder ratification, the selection of the Company's independent auditors.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than 10% of any registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC. Executive officers, directors and greater than 10% shareholders are required by regulation to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on its review of the copies of the reports it has received and written representations provided to the Company from the individuals required to file the reports, the Company believes that each of its executive officers and directors has complied with applicable reporting requirements for transactions in Company common stock during the fiscal year ended December 31, 2002.

TRANSACTIONS WITH MANAGEMENT

Federal regulations require that all loans or extensions of credit to executive officers and directors of insured financial institutions must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, except for loans made pursuant to programs generally available to all employees, and must not involve more than the normal risk of repayment or present other unfavorable features. The Association is therefore prohibited from making any new loans or extensions of credit to executive officers and directors at different rates or terms than those offered to the general public, except for loans made pursuant to programs generally available to all employees, and has adopted a policy to this effect. In addition, loans made to a director or executive officer in an amount that, when aggregated with the amount of all other loans to such person and his or her related interests, are in excess of the greater of

\$25,000 or 5% of the Association's capital and surplus (up to a maximum of \$500,000) must be approved in advance by a majority of the disinterested members

of the Board of Directors.

Founders Capital Corporation, of which Mr. Vernon is the founder, received a consulting fee of \$75,000 from the Company on January 24, 2003.

PROPOSAL 2. RATIFICATION OF THE GRAND CENTRAL FINANCIAL CORP. 2003 EQUITY COMPENSATION PLAN

The Board of Directors of the Company approved the Grand Central Financial Corp. 2003 Equity Compensation Plan (the "Plan") on February 20, 2003, subject to ratification by the Company's stockholders. The Board of Directors believes that the granting of stock options and restricted stock awards is an important component of the Company's overall compensation and benefit philosophy. In order to continue to be able to attract and retain employees and outside directors, the Company must have the ability to offer market-competitive, long-term compensation opportunities.

The Plan is similar to the Company's 1999 Stock-Based Incentive Plan, which was approved by stockholders on July 13, 1999, in that it allows the Company to use stock options and restricted stock to reward performance and build the participants' equity interests in the Company by providing long-term incentives and rewards to employees and outside directors who provide services to the Company and its subsidiaries and who contribute to the success of the Company by their innovation, ability, industry, loyalty and exceptional service. The Company's 1999 Stock-Based Incentive Plan provided for the issuance of 193,887 shares of Company common stock upon the exercise of incentive and non-statutory stock options and 77,554 shares of Company common stock upon the grant of restricted stock awards. Currently, under the Company's existing plan no shares of Company common stock remain available for the grant of stock options or for the grant of restricted stock awards.

As part of the Company's long-term growth strategy, implementation of the Company's 2003 Equity Compensation Plan will position the Company to attract and retain additional executives, employees and directors. The Company currently intends to issue additional shares of Company common stock and anticipates that it will consider expansion into one or more additional geographic markets. In connection with such expansion, the Company would expect to increase the Company's Board of Directors by adding directors familiar with such a new market or markets. The Board has authorized the issuance by the Company of additional shares totaling up to (but less than) 20 percent of the total stock outstanding on the date of the issuance of the new shares through a private placement at a price per share equal to book value per share of the Company's Stock. Such book value will be determined after recognizing all costs and obligations incurred by the Company prior to issuance of the new shares. The purchasers of the shares sold in the private placement are expected to be accredited investors, who previously expressed interest in purchasing shares in Founders Capital Corporation, which was founded by the Company's Chairman and Chief Executive Officer.

Edgar Filing: GRAND CENTRAL FINANCIAL CORP - Form PRE 14A

The following summary is a brief description of the material features of the Plan. This summary is qualified in its entirety by reference to the Plan, a copy of which is attached as Appendix B.

SUMMARY OF THE PLAN

TYPE OF AWARDS. The Plan provides for the grant of incentive stock options ("ISOs"), within the meaning of Section 422 of the Code, Non-Statutory Stock Options ("NSOs"), which do not satisfy the requirements for ISO treatment, and Restricted Stock Awards ("RSAs"). ISOs, NSOs and RSAs are collectively referred to under the Plan as "Awards."

ADMINISTRATION. The Plan will be administered by the Board of Directors of the Company (the "Committee"). Subject to the terms of the Plan the Committee interprets the Plan and is authorized to make all determinations and decisions thereunder. The Committee also determines the participants to whom Awards will be granted, the type and amount of Awards that will be granted and the terms and conditions applicable to such Awards.

PARTICIPANTS. All employees and outside directors of the Company and the Association, as well as other persons who render services to the Company, are eligible to participate in the Plan.

NUMBER OF SHARES OF COMMON STOCK AVAILABLE. The Company has reserved 100,000 shares of Company common stock for issuance under the Plan. Of that amount, no more than 30,000 shares may be issued as RSAs. Shares of common stock to be issued under the Plan may be either authorized but unissued shares, or reacquired shares held by the Company as treasury stock. Any shares subject to a forfeited stock option or RSA will be deposited back in the Plan and be available for future grant under the Plan.

TERMS OF STOCK OPTION GRANTS. The exercise price of each ISO or NSO will not be less than the fair market value of the common stock on the date the ISO or NSO is granted. The plan does not permit the repricing of stock options. The aggregate fair market value of the shares for which ISOs granted to any employee may be exercisable for the first time by such employee during any calendar year (under all Company stock option plans) may not exceed \$100,000.

Presently, under accounting principles generally accepted in the United States of America, compensation expense is not recognized with respect to the award of options to employees and outside directors of the Company and its subsidiaries.

The exercise price of an option may be paid in cash, common stock or a combination of cash and common stock, by the surrender of all or part of the option being exercised, by the immediate sale through a broker of the number of shares being acquired sufficient to pay the purchase price, or by a combination of these methods, as and to the extent permitted by the Committee.

Under the Plan, the Committee may permit participants to transfer options to eligible transferees (as such eligibility is determined by the Committee). Each option may be exercised during the option holder's lifetime, only by the option holder or the option holder's guardian or legal representative, and after death only by the option holder's beneficiary or, absent a beneficiary, by the estate or by a person who acquired the right to exercise the option by will or the laws of descent and distribution. Options may become exercisable in full at the time of grant or at such other times and in such installments as the Committee determines or as may be specified in the Plan. Vested options may be exercised during

periods before and after the participant terminates employment, as the case may be, to the extent authorized by the Committee or specified in the Plan. However, no option may be exercised after the tenth anniversary of the date the option was granted. The Committee may, at any time and without additional consideration, accelerate the date on which an option becomes exercisable.

TERMS OF RESTRICTED STOCK AWARDS. Subject to the terms of the Plan, the Committee has the authority to determine the number of shares subject to an RSA, the dates on which an RSA will vest and any other conditions which must be satisfied prior to vesting.

RSA recipients are entitled to all cash and stock dividends or other distributions (if any) with respect to shares awarded in the form of restricted stock. The Committee will determine the timing of these distributions. In addition, before vesting, RSA recipients may direct the Plan Trustee on the voting of shares of common stock subject to their RSAs.

Unless the Committee determines otherwise, upon the termination of service of an RSA recipient for any reason other than death, disability or retirement, all rights to an unvested RSA will be canceled. If the holder of the RSA dies or becomes disabled, all unvested RSAs held by such individual will become fully vested. Unless otherwise determined by the Committee, all unvested RSAs will be forfeited upon a participant's retirement.

EFFECT OF A CHANGE IN CONTROL. In the event of a change in control (as defined in the Plan) all unvested RSAs and stock options will immediately vest and all unexercised stock options will remain exercisable for the term of the stock options regardless of termination of employment or service.

TERM OF THE PLAN. The Plan will be effective upon shareholder approval. The Plan will expire on the tenth anniversary of the effective date, unless terminated sooner by the Board.

AMENDMENT OF THE PLAN. The Plan allows the Board to amend the Plan in certain respects without shareholder approval, unless such approval is required to comply with a tax law or regulatory requirement.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES. The following brief description of the material tax consequences of stock options and restricted stock awards granted under the Plan is based on federal income tax laws currently in effect and does not purport to be a complete description of such federal income tax consequences.

STOCK OPTIONS. There are generally no federal income tax consequences either to the optionee or to the Company upon the grant of an ISO or NSO. On the exercise of an ISO during employment or within three months thereafter, the optionee will not recognize any ordinary income and the Company will not be entitled to a deduction, although the excess of the fair market value of the shares on the date of exercise over the exercise price is includible for purposes of determining an optionee's alternative minimum tax liability. Generally, if the optionee disposes of shares acquired upon exercise of an ISO within two years of the date of grant or one year of the date of exercise, the optionee will recognize ordinary income, and the Company will be entitled to a deduction, equal to the excess of the fair market value of the shares on the date of exercise over the exercise price (limited generally to the gain on the sale). The balance of any gain or loss will be treated as a capital gain or loss to the optionee. If the shares are disposed of after the two year and one year

Edgar Filing: GRAND CENTRAL FINANCIAL CORP - Form PRE 14A

periods mentioned above, the Company will not be

16

entitled to any deduction, and the entire gain or loss for the optionee will be treated as a capital gain or loss.

On exercise of an NSO, the excess of the date-of-exercise fair market value of the shares acquired over the exercise price will generally be taxable to the optionee as ordinary income and deductible by the Company, provided the Company properly withholds taxes in respect of the exercise. This disposition of shares acquired upon the exercise of a NSO will generally result in a capital gain or loss for the optionee, but will have no tax consequences for the Company.

RESTRICTED STOCK AWARDS. A participant who has been awarded restricted stock under the Plan and does not make an election under Section 83(b) of the Code will not recognize taxable income at the time of the award. At the time any transfer or forfeiture restrictions applicable to an RSA lapse, the recipient will recognize ordinary income and the Company will be entitled to a corresponding deduction equal to the fair market value of the stock at such time. Any dividend paid to the recipient on the restricted stock at or prior to such time will be ordinary compensation income to the recipient and deductible as such by the Company.

A recipient of an RSA who makes an election under Section 83(b) of the Code will recognize ordinary income at the time of the award and the Company will be entitled to a corresponding deduction equal to the fair market value of the stock at such time. Any dividends subsequently paid to the recipient on the restricted stock will be dividend income to the recipient and not deductible by the Company. If the recipient makes a Section 83(b) election, there are no federal income tax consequences either to the recipient or the Company at the time any applicable transfer or forfeiture restrictions lapse.

NEW PLAN BENEFITS. The Company anticipates that grants of stock options and restricted stock awards will be made to outside directors, officers and employees on or after the effective date of the Plan at levels consistent with other peer institutions. However, the Board has not made specific determinations regarding the size of individual awards.

EQUITY COMPENSATION PLAN INFORMATION. The following table sets forth information about Company common stock that may be issued upon exercise of options, warrants and rights under all of the Company's equity compensation plans as of December 31, 2002, including the Company's 1999 Stock-Based Incentive Plan. The Company's shareholders previously approved this plan.

 PROPOSAL 3. RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors has appointed Crowe, Chizek and Company LLP to be its auditors for the 2003 fiscal year, subject to ratification by shareholders. A representative of Crowe, Chizek and Company LLP will be present at the annual meeting to respond to appropriate questions from shareholders and will have the opportunity to make a statement should he or she desire to do so.

If ratification of the appointment of the auditors is not approved by a majority of the votes cast by shareholders at the annual meeting, other independent auditors will be considered by the Board of Directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF CROWE, CHIZEK AND COMPANY LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR FISCAL YEAR 2003.

The following table sets forth the fees billed to the Company for the fiscal year ending December 31, 2002 by Crowe, Chizek and Company LLP:

Audit Fees	\$24,750
Financial information and systems design and implementation fees	--
All other fees*	41,725

 * Includes fees for tax-related services and assistance with securities filings.

The Audit Committee believes that the provision of non-audit services by Crowe, Chizek and Company LLP is compatible with maintaining Crowe, Chizek and Company LLP's independence.

PROPOSAL 4. AMENDMENT OF THE COMPANY'S CERTIFICATE OF
INCORPORATION TO CHANGE THE COMPANY'S NAME

The Board of Directors has voted to amend the Company's Certificate of Incorporation to change the Company's name from Grand Central Financial Corp. to Central Federal Corporation. The Company's subsidiary, Central Federal Savings and Loan Association of Wellsville, is also changing its name to Central Federal Bank. The Company's Board of Directors believes the name changes will enhance the Company's marketing efforts.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE AMENDMENT OF THE COMPANY'S CERTIFICATE OF INCORPORATION TO CHANGE THE COMPANY'S NAME TO CENTRAL FEDERAL CORPORATION.

Sarbanes-Oxley Act of 2002 will require companies to have procedures to receive, retain and treat complaints received regarding accounting, internal accounting controls or auditing matters and to allow for the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters. The Company currently has such procedures in place, and will monitor any rules adopted by the Securities and Exchange Commission to determine whether it needs to modify the Company's process.

The Company will pay the cost of this proxy solicitation. In addition to soliciting proxies by mail, Georgeson & Company, Inc., a proxy solicitation firm, will be paid a fee of \$4,500 plus expenses to assist the Company. Independent Accountants

1. Select the independent accountants considering independence and effectiveness, and approve the fees and other compensation to be paid to the independent accountants. On an annual basis the Committee shall review and discuss with the accountants all significant relationships the accountants have with the Company to determine the accountant's independence.
2. Review the performance of the independent accountants and approve any proposed discharge of the independent accountants when circumstances warrant.
3. Periodically consult with the independent accountants out of the presence of management about the Company's financial and accounting personnel, the fullness and accuracy of the Company's financial statements, the adequacy and effectiveness of the accounting and financial controls of the Company, and illicit any recommendations for the improvement of such internal control procedures. Particular emphasis should be given to the adequacy of such internal controls to expose payments, transactions or procedures that might be deemed illegal or otherwise improper. Further, the Committee should periodically review Company policy statements to determine their adherence to the code of conduct. As part of this review, the Committee shall ensure receipt of a formal written statement from the independent accountants consistent with the standards set by the Independence Standards Board.
4. Approve, in advance, all permissible non-audit services to be completed by the independent accountants. The terms of each Award Agreement shall be set in accordance with the Plan, but each Award Agreement may also include any additional provisions and restrictions determined by the Committee. In particular, and at a minimum, the Committee shall set forth in each Award Agreement:

 - (ii) the Exercise Price of any Option;
 - (iii) the number of shares subject to the Award;
 - (iv) the expiration date of the Award;
 - (v) the manner, time and rate (cumulative or otherwise) of exercise or vesting of the Award; and
 - (vi) the restrictions, if any, placed on the Award, or upon shares which may be issued upon the exercise or vesting of the Award.

The Chairman of the Committee and such other directors and employees as shall be designated by the Committee are hereby authorized to execute Award Agreements on behalf of the Holding Company or an Affiliate and to cause them to be delivered to the recipients of Awards granted under the Plan.

- (d) The Committee may delegate all authority for the determination of forms of payment to be made or received by the Plan and for the execution of any Award Agreement. Shares underlying outstanding Awards will be unavailable for any other use, including future grants under the Plan, except that, to the extent the Awards terminate, expire or are forfeited without vesting or having been exercised, new Awards may be granted with respect to these shares subject to the limitations set forth in this Section 4.

Edgar Filing: GRAND CENTRAL FINANCIAL CORP - Form PRE 14A

5. OPTIONS

The Committee may, subject to the limitations of this Plan and the availability of shares of Common Stock reserved but not previously awarded under the Plan, grant Options to Employees and outside directors, subject to terms and conditions as it may determine, to the extent that such terms and conditions are consistent with the following provisions:

- (a) EXERCISE PRICE. The Exercise Price shall not be less than one hundred percent (100%) of the Fair Market Value of the Common Stock on the date of grant.
- (b) TERMS OF OPTIONS. In no event may an individual exercise an Option, in whole or in part, more than ten (10) years from the date of grant.
- (c) NON-TRANSFERABILITY. Unless otherwise determined by the Committee in accordance with this Section 5(c), an individual may not transfer, assign, hypothecate, or dispose of an Option in any manner, other than by will or the laws of intestate succession. The Committee may, however, in its sole discretion, permit transfer or assignment of a Non-Statutory Stock Option, if it determines that the transfer or assignment is for valid estate planning purposes and is permitted under the Code and Rule 16b-3 of the Exchange Act. For purposes of this Section 5(c), a transfer for valid estate planning purposes includes, but is not limited to, transfers:
 - (i) to a revocable inter vivos trust, as to which an individual is both settlor and trustee; or
 - (ii) for no consideration to: (1) any member of the individual's Immediate Family; (2) a trust solely for the benefit of members of the individual's Immediate Family; (3) any partnership whose only partners are members of the individual's Immediate Family; or (4) any limited liability corporation or other corporate entity whose only members or equity owners are members of the individual's Immediate Family.

For purposes of this Section 5(c), "Immediate Family" includes, but is not necessarily limited to, an individual's parents, grandparents, spouse, children, grandchildren, siblings (including half brothers and sisters), and individuals who are family members by adoption. Nothing contained in this Section 5(c) shall be construed to require the Committee to approve the transfer or assignment of any Non-Statutory Stock Option, in whole or in part. Receipt of the Committee's approval to transfer or assign a Non-Statutory Stock Option, in whole or in part, does not mean that the Committee must approve a transfer or assignment of any other Non-Statutory Stock Option, or portion thereof. The transferee or assignee of any Non-Statutory Stock Option shall be subject to all terms and conditions applicable to the Option immediately prior to transfer or assignment, and shall remain subject to any other conditions proscribed by the Committee with respect to the Option.

B-5

- (d) SPECIAL RULES FOR INCENTIVE STOCK OPTIONS. Notwithstanding foregoing provisions, the following rules apply to the grant of Incentive Stock

Edgar Filing: GRAND CENTRAL FINANCIAL CORP - Form PRE 14A

Options:

- (i) If an Employee owns or is treated as owning, for purposes of Section 422 of the Code, Common Stock representing more than ten percent (10%) of the total combined voting securities of the Holding Company at the time the Committee grants the Incentive Stock Option (a "10% Owner"), the Exercise Price shall not be less than one hundred and ten percent (110%) of the Fair Market Value of the Common Stock on the date of grant.
 - (ii) An Incentive Stock Option granted to a 10% Owner shall not be exercisable more than five (5) years from the date of grant.
 - (iii) To the extent the aggregate Fair Market Value of shares of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by an Employee during any calendar year, under the Plan or any other stock option plan of the Holding Company, exceeds \$100,000, or such higher value as may be permitted under Section 422 of the Code, Options in excess of the limit shall be treated as Non-Statutory Stock Options. Fair Market Value shall be determined as of the date of grant for each Incentive Stock Option.
 - (iv) Each Award Agreement for an Incentive Stock Option shall require the individual to notify the Committee within ten (10) days of any disposition of shares of Common Stock under the circumstances described in Section 421(b) of the Code (relating to certain disqualifying dispositions).
 - (v) Incentive Stock Options exercised more than three (3) months following the date an Employee terminates employment (for reasons other than death or Disability) will be treated as Non-Statutory Stock Options. In the event employment is terminated due to death or Disability, Incentive Stock Options will remain exercisable for one (1) year from the date the Employee terminates employment.
- (e) ACCELERATION UPON A CHANGE IN CONTROL. Upon a Change in Control, all Options held by an individual as of the date of the Change in Control shall immediately become exercisable and shall remain exercisable until the expiration of the Option term.
- (f) TERMINATION OF EMPLOYMENT OR SERVICE. The following rules apply upon the termination of a Participant's employment or other service:
- (i) In General. Unless the Committee determines otherwise, upon termination of employment or service for any reason other than Retirement, Disability or death, or Termination for Cause, a Participant may exercise only those Options that were immediately exercisable by the Participant at the date of termination, and only for a period of three (3) months from the date of termination, or, if sooner, until the expiration of the Option term.
 - (ii) Retirement. Unless the Committee determines otherwise, upon a Participant's Retirement, the Participant may exercise only those Options that were immediately exercisable by the Participant at the date of Retirement, and only for a period of one (1) year from the date of Retirement, or, if sooner, until the expiration of the Option term.

B-6

- (iii) Disability or Death. Unless the Committee determines otherwise, upon termination of a Participant's employment or service due to Disability or death, all Options shall become immediately exercisable and shall remain exercisable for a period of one (1) year from the date of termination, or, if sooner, until the expiration of the Option term.
- (iv) Termination for Cause. Unless the Committee determines otherwise, upon Termination for Cause, all rights to a Participant's Options shall expire immediately upon the effective date of Termination for Cause.

6. RESTRICTED STOCK AWARDS

The Committee may make grants of Restricted Stock Awards, which shall consist of the grant of some number of shares of Common Stock to an individual upon such terms and conditions as it may determine to the extent such terms and conditions are consistent with the following provisions:

- (a) GRANTS OF STOCK. Restricted Stock Awards may only be granted in whole shares of Common Stock.
- (b) NON-TRANSFERABILITY. Except to the extent permitted by the Code, the rules promulgated under Section 16(b) of the Exchange Act or any successor statutes or rules:
 - (i) The recipient of a Restricted Stock Award grant shall not sell, transfer, assign, pledge, or otherwise encumber shares subject to the grant until full vesting of such shares has occurred. For purposes of this section, the separation of beneficial ownership and legal title through the use of any "swap" transaction is deemed to be a prohibited encumbrance.
 - (ii) Unless determined otherwise by the Committee and except in the event of the Participant's death or pursuant to a domestic relations order, a Restricted Stock Award grant is not transferable and may be earned in his or her lifetime only by the individual to whom it is granted. Upon the death of a Participant, a Restricted Stock Award grant is transferable by will or the laws of descent and distribution. The designation of a beneficiary shall not constitute a transfer.
 - (iii) If the recipient of a Restricted Stock Award is subject to the provisions of Section 16 of the Exchange Act, shares of Common Stock subject to the grant may not, without the written consent of the Committee (which consent may be given in the Award Agreement), be sold or otherwise disposed of within six (6) months following the date of grant.
- (c) ACCELERATION OF VESTING UPON A CHANGE IN CONTROL. Upon a Change in Control, all Restricted Stock Awards held by a Participant as of the date of the Change in Control shall immediately become vested and any further restrictions shall lapse.
- (d) TERMINATION OF EMPLOYMENT OR SERVICE. The following rules will govern

Edgar Filing: GRAND CENTRAL FINANCIAL CORP - Form PRE 14A

the treatment of a Restricted Stock Award upon the termination of a Participant's termination of employment or other service:

B-7

- (i) In General. Unless the Committee determines otherwise, upon the termination of a Participant's employment or service for any reason other than Retirement, Disability or death, or Termination for Cause, any Restricted Stock Award in which the Participant has not become vested as of the date of such termination shall be forfeited and any rights the Participant had to such Restricted Stock Award shall become null and void.
- (ii) Retirement. Unless the Committee determines otherwise, upon a Participant's Retirement, any Restricted Stock Award in which the Participant has not become vested as of the date of Retirement shall be forfeited and any rights the individual had to such unvested Restricted Stock Award shall become null and void.
- (iii) Disability or Death. Unless otherwise determined by the Committee, in the event of a termination of a Participant's service due to Disability or death, all unvested Restricted Stock Awards held by such Participant shall immediately vest as of the date of such termination.
- (iv) Termination for Cause. Unless otherwise determined by the Committee, in the event of a Participant's Termination for Cause, all Restricted Stock Awards in which the Participant had not become vested as of the effective date of such termination shall be forfeited and any rights the Participant had to such unvested Restricted Stock Awards shall become null and void.
- (e) ISSUANCE OF CERTIFICATES. Unless otherwise held in trust and registered in the name of the Plan trustee, reasonably promptly after the date of grant with respect to shares of Common Stock pursuant to a Restricted Stock Award, the Holding Company shall cause to be issued a stock certificate, registered in the name of the Participant to whom the Restricted Stock Award was granted, evidencing such shares; provided, that the Holding Company shall not cause a stock certificate to be issued unless it has received a stock power duly endorsed in blank with respect to such shares. Each such stock certificate shall bear the following legend:

"The transferability of this certificate and the shares of stock represented hereby are subject to the restrictions, terms and conditions (including forfeiture provisions and restrictions against transfer) contained in the Grand Central Financial Corp. 2003 Equity Compensation Plan entered into between the registered owner of such shares and Grand Central Financial Corp. or its Affiliates. A copy of the Plan and Award Agreement is on file in the office of the Corporate Secretary of Grand Central Financial Corp., 601 Main Street, Wellsville, Ohio 43968."

This legend shall not be removed until the individual becomes

Edgar Filing: GRAND CENTRAL FINANCIAL CORP - Form PRE 14A

vested in such shares pursuant to the terms of the Plan and Award Agreement. Each certificate issued pursuant to this Section 6(e) shall be held by the Holding Company or its Affiliates, unless the Committee determines otherwise.

- (f) TREATMENT OF DIVIDENDS. Participants are entitled to all dividends and other distributions declared and paid on Common Stock with respect to all shares of Common Stock subject to a Restricted Stock Award, from and after the date such shares are awarded or from and after such later date as may be specified by the Committee in the Award Agreement, and the Participant shall not be required to return any such dividends or other distributions to the Holding Company

B-8

in the event of forfeiture of the Restricted Stock Award. In the event the Committee establishes a trust for the Incentive Plan, the Committee may elect to distribute dividends and other distributions at the time the Restricted Stock Award vests or pay the dividends (or other distributions) directly to the Participants.

- (g) VOTING OF RESTRICTED STOCK AWARDS. Participants who are granted Restricted Stock Awards are entitled to vote or to direct the Plan trustee to vote, as the case may be, all unvested shares of Common Stock subject to the Restricted Stock Award.

7. DEFERRED PAYMENTS

The Committee, in its discretion, may permit an individual to elect to defer the receipt of all or any part of any cash or stock payment under the Plan, or the Committee may determine to defer receipt by some or all individuals, of all or a portion of any payment. The Committee shall determine the terms and conditions of any permitted deferral, including the period of deferral, the manner of deferral and the method used to measure appreciation on deferred amounts until paid.

8. METHOD OF EXERCISING OPTIONS

Subject to any applicable Award Agreement, an individual may exercise any Option, in whole or in part, at such time or times as the Committee specifies in the Award Agreement. The individual may make payment of the Exercise Price in such form or forms as the Committee specifies in the Award Agreement, including, without limitation, payment by delivery of cash, Common Stock or a cashless exercise with a qualified broker. Any Common Stock used in full or partial payment of the Exercise Price shall be valued at the Fair Market Value of the Common Stock on the date of exercise. Delivery by the Holding Company of the shares as to which an Option has been exercised shall be made to the person exercising the Option or the designee of such person. If so provided by the Committee upon grant of the Option, the shares received upon exercise may be subject to certain restrictions upon subsequent transfer or sale by the Participant. In the event the Exercise Price is to be paid in full or in part by surrender of Common Stock, in lieu of actual surrender of shares of Common Stock the Holding Company may waive such surrender and instead deliver to or on behalf of the Participant a number of shares equal to the total number of shares as to which the Option is then being exercised less the number of shares which would otherwise have been surrendered by the Participant to the Holding Company.

9. RIGHTS OF INDIVIDUALS

Edgar Filing: GRAND CENTRAL FINANCIAL CORP - Form PRE 14A

No individual shall have any rights as a shareholder with respect to any shares of Common Stock covered by a grant under this Plan until the date of issuance of a stock certificate for such Common Stock. Nothing contained in this Plan or in any Award Agreement confers on any person the right to continue in the employ or service of the Holding Company or an Affiliate or interferes in any way with the right of the Holding Company or an Affiliate to terminate an individual's services.

10. DESIGNATION OF BENEFICIARY

With the Committee's consent, an individual may designate a person or persons to receive, upon the individual's death, any Award to which the individual would then be entitled. This designation shall be made upon forms supplied by and delivered to the Holding Company and it may be revoked in writing. If an individual fails to effectively designate a beneficiary, the individual's estate shall be deemed to be the beneficiary for purposes of the Plan.

B-9

11. DILUTION AND OTHER ADJUSTMENTS

In the event of any change in the outstanding shares of Common Stock, by reason of any stock dividend or split, recapitalization, merger, consolidation, spin-off, reorganization, combination or exchange of shares, or other similar corporate change, or any other increase or decrease in such shares, without receipt or payment of consideration by the Holding Company, or in the event an extraordinary capital distribution is made, the Committee may make adjustments to previously granted Awards, to prevent dilution, diminution, or enlargement of the rights of individuals, including any or all of the following:

- (a) adjustments in the aggregate number or kind of shares of Common Stock or other securities that may underlie future Awards under the Plan;
- (b) adjustments in the aggregate number or kind of shares of Common Stock or other securities that underlie Awards already made under the Plan; and
- (c) adjustments in the Exercise Price of outstanding Options.

The Committee, however, shall not make adjustments that materially change the value of benefits available to an individual under a previously granted Award. All Awards under this Plan shall be binding upon any successors or assigns of the Holding Company.

12. TAXES

Under this Plan, whenever cash or shares of Common Stock are to be delivered, the Committee is entitled to require as a condition of delivery that:

- (i) the individual remit an amount sufficient to satisfy all related federal, state, and local withholding tax requirements;
- (ii) the withholding of such sums may come from compensation otherwise due to the individual or from shares of Common Stock

Edgar Filing: GRAND CENTRAL FINANCIAL CORP - Form PRE 14A

due to the individual under this Plan; or

- (iii) any combination of (i) and (ii), above; provided, however, that no amount shall be withheld from any cash payment or shares of Common Stock related to an Option transferred by the individual in accordance with this Plan.

13. NOTIFICATION UNDER SECTION 83(b)

The Committee may, on the date of grant or at a later date, prohibit an individual from making the election described below. If the Committee has not prohibited an individual from making this election, and the individual shall, in connection with the exercise of any Award, make the election permitted under Section 83(b) of the Code, the individual shall notify the Committee of the election within ten (10) days of filing notice of the election with the Internal Revenue Service. This requirement is in addition to any filing and notification required under the regulations issued under the authority of Section 83(b) of the Code.

B-10

14. AMENDMENT OF THE PLAN AND AWARD GRANTS

- (a) Except as provided in paragraph (c) of this Section 14, the Board of Directors may at any time, and from time to time, modify or amend the Plan in any respect, prospectively or retroactively; provided, however, that provisions governing grants of Incentive Stock Options shall be submitted for shareholder approval to the extent required by law, regulation, or otherwise. Failure to ratify or approve amendments or modifications by shareholders shall be effective only as to the specific amendment or modification requiring shareholder ratification or approval. Other provisions of this Plan shall remain in full force and effect. No termination, modification, or amendment of this Plan may adversely affect the rights of an individual under an outstanding Award without the written permission of the affected individual.
- (b) Except as provided in paragraph (c) of this Section 14, the Committee may amend any Award Agreement, prospectively or retroactively; provided, however, that no amendment shall adversely affect the rights of an individual under an outstanding Award Agreement without the written consent of the affected individual.
- (c) In no event shall the Board of Directors, without shareholder approval, amend the Plan or shall the Committee amend an Award Agreement in any manner that effectively:
 - (i) allows any Option to be granted with an Exercise Price below the Fair Market Value of the Common Stock on the date of grant; or
 - (ii) allows the Exercise Price of any Option previously granted under the Plan to be reduced after the date of grant.

15. EFFECTIVE DATE AND TERMINATION OF THE PLAN

The Plan shall become effective upon approval by the Holding Company's shareholders. The right to grant Awards under the Plan will terminate upon the earlier of: (i) ten (10) years after the effective date; or (ii) the issuance of

Edgar Filing: GRAND CENTRAL FINANCIAL CORP - Form PRE 14A

a number of shares of Common Stock pursuant to the exercise of Options and vesting of Restricted Stock Awards equal to the maximum number of shares reserved under the Plan, as set forth in Section 4. The Board of Directors may suspend or terminate the Plan at any time; provided, however, that no such action will adversely affect an individual's vested rights under a previously granted Award, without the consent of the affected individual.

16. APPLICABLE LAW

The Plan will be administered in accordance with the laws of the state of Delaware, except to the extent that Federal law is deemed to apply.
