The proxy may be revoked by the stockholder at any time before the meeting by providing notice to the Secretary.

The Company has a deferred compensation plan for nonemployee directors under which certain directors who are not employees of the Company or of a subsidiary of the Company participate. Under the plan, which is not a tax-qualified plan, an account is established for each participant to which amounts are credited quarterly at the rate of \$4,000 per annum. Amounts credited to these accounts are used to purchase shares of Capital Stock, and all dividends received on such shares are reinvested in such Capital Stock. Each participant is entitled to receive the balance in his account within 90 days following the date he ceases to serve as a director.

Directors may also elect to defer receipt of their directors' fees under the Company's Excess Benefit Plan.

COMMITTEES AND MEETINGS OF THE BOARD

The Company has the following Committees of the Board of Directors: Audit Committee, Nominating Committee and Compensation/Incentive Committee.

3

The Audit Committee consists of Messrs. Erhart, Grace and Saunders. The Audit Committee met on nine occasions during 2003.

The Compensation/Incentive Committee makes recommendations to the Board

of Directors concerning (a) salary and incentive compensation payable to officers and certain other key employees of the Company, (b) establishment of incentive compensation plans and programs generally, (c) adoption and administration of certain employee benefit plans and programs and (d) additional year-end contributions by the Company under the Roto-Rooter Savings and Retirement Plan ("Retirement Plan"). In addition, the Compensation/Incentive Committee administers the Company's (a) 2002 Executive Long-Term Incentive Plan, (b) seven Stock Incentive Plans and the 1999 Long-Term Employee Incentive Plan and (c) grants of stock options and stock awards to key employees of the Company. The Compensation/Incentive Committee consists of Messrs. Erhart, Walsh and Wood. The Compensation/Incentive Committee met on four occasions during 2003. A copy of the Compensation/Incentive Committee Charter is available on the Company's Web site, www.rotorooterinc.com.

The Nominating Committee (a) recommends to the Board of Directors the candidates for election to the Board at each Annual Meeting of Stockholders of the Company, (b) recommends to the Board of Directors candidates for election by the Board to fill vacancies on the Board, (c) considers candidates submitted by directors, officers, employees, stockholders and others and (d) performs such other functions as may be assigned by the Board. The Nominating Committee consists of Messrs. Erhart, Grace and Walsh. Each member of the Nominating Committee is independent as defined under the listing standards of the New York Stock Exchange. The Nominating Committee met once during 2003. In identifying and evaluating nominees for director, the Nominating Committee considers candidates with a wide variety of academic backgrounds and professional and business experiences. After reviewing written statements of the candidates' backgrounds and qualifications, the Nominating Committee arranges for personal interviews with those candidates that it believes merit further consideration. Once it has completed this process, the Nominating Committee makes its final recommendations to the Board. Mr. Breen, who is the only nominee for director who is not standing for re-election, was recommended to the Nominating Committee by Mr. McNamara, the Company's Chief Executive Officer. Stockholders wishing to submit a candidate for election to the Board should submit the name of such candidate and a supporting statement to the Company's Secretary at 2600 Chemed Center, 255 East Fifth Street, Cincinnati, Ohio 45202-4726. The Nominating Committee has a charter and a current copy is available on the Company's Web site, www.rotorooterinc.com.

During 2003, there were seven meetings of the Board of Directors, and each director attended at least 75 percent of the aggregate of (a) the total number of meetings held by the Board of Directors and (b) the total number of meetings held by all Committees of the Board of Directors on which he or she served that were held during the period for which he or she was a director or member of any such Committee. While the Company does not have a formal policy with regard to Board members' attendance at the Annual Meeting, all members of the Board are encouraged to attend. Seven members of the Board attended last year's Annual Meeting held on May 19, 2003.

The Board has determined that six of the Company's directors meet the independence requirements of the New York Stock Exchange. These directors are Messrs. Erhart, Gemunder, Grace, Saunders, Walsh and Wood.

Stockholders wishing to communicate with members of the Board should send such communications to the Company's Secretary at 2600 Chemed Center, 255 East Fifth Street, Cincinnati, Ohio, 45202-4726. The Secretary will forward these communications to the members of the Board and, if applicable, to specified individual directors.

EXECUTIVE COMPENSATION

REPORT OF THE COMPENSATION/INCENTIVE COMMITTEE ON EXECUTIVE COMPENSATION

Edgar Filing: ROTO-ROOTER INC - Form PRE 14A

The Company believes that executive compensation must align executive officers' interests with those of the Company's stockholders and that such interests are served by having compensation directly and materially linked to financial and operating performance criteria which, when successfully achieved, will enhance stockholder value.

4

The Company attempts to achieve this objective with an executive compensation package for its senior executives which combines base salary, annual cash incentive compensation, and long-term incentive compensation in the form of stock options, stock awards and awards under the 2002 Executive Long-Term Incentive Plan ("LTIP"), along with various benefit plans, including pension plans, savings plans and medical benefits generally available to the employees of the Company.

The executive compensation program is administered by the Compensation/Incentive Committee of the Board of Directors. The membership of the Compensation/Incentive Committee is comprised of three outside directors (i.e., nonemployees of the Company). The Compensation/Incentive Committee is responsible for the review, approval and recommendation to the Board of Directors of matters concerning base salary and annual cash incentive compensation for key executives of the Company. The recommendations of the Compensation/Incentive Committee on such matters must be approved by the full Board of Directors. The Compensation/Incentive Committee also administers the Company's stock incentive plans, under which it reviews and approves grants of stock options and stock awards, and the Company's LTIP.

The Compensation/Incentive Committee may use its discretion to set executive compensation where, in its judgment, external, internal or individual circumstances warrant.

Following is a discussion of the components of the executive officer compensation program.

In determining base salary levels for the Company's executive officers, the Compensation/Incentive Committee takes into account the magnitude of responsibility of the position, individual experience and performance and specific issues particular to the Company. In general, base salaries are set at levels believed by this Compensation/Incentive Committee to be sufficient to attract and retain qualified executives when considered along with the other components of the Company's compensation structure.

The Compensation/Incentive Committee believes that a significant portion of total cash compensation should be linked to annual performance criteria. Consequently, the purpose of annual incentive compensation for senior executives and key managers is to provide a direct financial incentive in the form of an annual cash bonus to those executives who achieve their business units' and the Company's annual goals. Operational and financial goals are established at the beginning of each fiscal year and generally take into account such measures of performance as sales and earnings growth, profitability, cash flow and return on investment. Other nonfinancial measures of performance relate to organizational development, product or service expansion and strategic positioning of the Company's assets.

Individual performance is also taken into account in determining individual bonuses. It is the Company's belief that bonuses as a percentage of a senior executive's salary should be sufficiently high so as to provide a major incentive for achieving annual performance targets. Bonuses for senior executives of the Company generally range from 25 percent to 75 percent of base salary.

Edgar Filing: ROTO-ROOTER INC - Form PRE 14A

The Long-Term Incentive Plan and stock option and stock award programs form the basis of the Company's incentive plans for executive officers and key managers. The objective of these plans has been to align executive and long-term-stockholder interests by creating a strong and direct link between executive pay and stockholder return.

Stock options have customarily been granted annually and have been generally regarded as the primary incentive for long-term performance as they are granted at fair market value and have had vesting restrictions over four-year periods. The Committee considers each grantee's current option holdings in making grants. Both the amounts of stock awards and proportion of stock options have increased as a function of higher salary and position of responsibility within the Company. In May 2002, the stockholders of the Company approved the adoption of the LTIP covering officers and key employees of the Company. The LTIP is administered by the Compensation/Incentive Committee of the Board of Directors and was adopted to replace the restricted stock program, which was terminated at the end of 2001. Based on guidelines established by the Compensation/Incentive Committee in August 2002, the LTIP covers the granting of compensation awards based on two independent elements: 1) a totally discretionary award based on operating performance of the Company covering a period greater than one year and less than four years and 2) an award based on the attainment of a target stock price of \$50 per share during 10 consecutive trading days prior to the fourth anniversary of the plan.

The Compensation/Incentive Committee has considered, and is continuing to review, the qualifying compensation regulations issued by the Internal Revenue Service in December 1993. Generally, the Committee structures compensation arrangements to achieve deductibility under the tax regulations, except where the benefit of such deductibility is outweighed by the need for flexibility or the attainment of other corporate objectives.

5

The base salary of Mr. K. J. McNamara, President and Chief Executive Officer of the Company, was increased on November 7, 2003, to a base rate of \$417,600. His bonus in respect of 2003 services was \$260,575. The Compensation/Incentive Committee believes that Mr. McNamara's base salary, 2003 bonus and stock options granted are consistent with his performance as measured by these factors and the other criteria discussed above.

Mr. McNamara's employment agreement provides for his continued employment as President and Chief Executive Officer of the Company through May 3, 2007, subject to earlier termination under certain circumstances, at a base salary of \$404,850 per annum or such higher amount as the Board of Directors may determine, as well as participation in incentive compensation plans, stock incentive plans and other benefit plans. In the event of termination without cause, the agreement provides that for the balance of the term of the agreement, Mr. McNamara will receive severance payments equal to 150 percent of his then-current base salary, the amount of incentive compensation most recently paid or approved in respect of the previous year, and the fair market value of all stock awards which would have vested during the 12 months prior to termination notwithstanding that such shares vested on an accelerated basis effective January 1, 2002. In addition, such severance payments will be reduced by the amount of any earned income received by Mr. McNamara from any other source for any period such severance payments are payable. Messrs. Lee, O'Toole and Tucker have employment agreements which provide for their continued employment as senior executives of the Company through May 21, 2006, May 3, 2007, and May 3, 2006, respectively, and are identical in all material respects to that of Mr. McNamara, except their respective agreements provide for a base salary of \$238,921, \$240,800 and \$140,600 per annum or such higher amounts as the Board of Directors may determine.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to Section 16(a) of the Securities Exchange Act of 1934 and the regulations thereunder, the Company's executive officers and directors and persons who own more than 10 percent of Capital Stock are required to file reports with respect to their ownership and changes in ownership of Capital Stock with the Securities and Exchange Commission ("SEC"). In addition, such persons are required to forward copies of such reports to the Company. Based on a review of the copies of such reports furnished to the Company and on the written representation of such non-reporting persons that, with respect to 2003, no reports on Form 5 were required to be filed with the SEC, the Company believes that, during the period January 1, 2003, through December 31, 2003, except for Mr. E. L. Hutton and Mr. Lee, the Company's executive officers and directors and greater-than-10-percent stockholders have complied with all Section 16(a) reporting requirements. Mr. E. L. Hutton filed a Form 4 late involving the sale of stock by his wife and Mr. Lee filed a Form 4 to reflect additional shares.

PROPOSAL TO APPROVE AND ADOPT THE

Edgar Filing: ROTO-ROOTER INC - Form PRE 14A

2004 STOCK INCENTIVE PLAN

In view of the few remaining shares available for the grant of additional stock awards or stock options under the previously adopted stock incentive plans, the Board of Directors has approved, subject to stockholder approval, the adoption of the 2004 Stock Incentive Plan (the "Stock Incentive Plan") pursuant to which 700,000 shares of Capital Stock may be issued or transferred to key employees as stock incentives. The full text of the proposed Stock Incentive Plan is set forth as Exhibit A to this Proxy Statement and the following discussion is qualified in its entirety by reference to such text.

THE STOCK INCENTIVE PLAN

The Stock Incentive Plan will become effective as of the date it is adopted by the stockholders of the Company, i.e., May 17, 2004. If it is not adopted by the stockholders, the Stock Incentive Plan will be of no force and effect. If it is adopted, no stock options may be granted under the Stock Incentive Plan after May 17, 2014. The Board of Directors may terminate the Stock Incentive Plan at any earlier time, but outstanding options will continue to be exercisable until they expire in accordance with their terms. The market value of the Capital Stock as of March 19, 2004 was \$_____ per share.

The Stock Incentive Plan authorizes the issuance or transfer of a maximum of 700,000 shares of Capital Stock pursuant to stock incentives granted to key employees of the Company and its subsidiaries under the Stock Incentive Plan. For purposes of the Stock Incentive Plan, a "subsidiary" is a corporation or other form of business association of which shares (or other ownership interests) having 50 percent or more of the voting power are owned or controlled, directly or indirectly, by the Company and "key employees" are employees of the Company or a subsidiary, including officers and directors thereof, who, in the opinion of the Compensation/Incentive Committee (as defined below), are deemed to have the capacity to contribute significantly to the growth and successful operations of the Company or a subsidiary.

Stock incentives granted under the Stock Incentive Plan may be in the form of options to purchase Capital Stock ("stock options") or in the form of awards of Capital Stock in payment of incentive compensation ("stock awards"), or a combination of stock awards and stock options. However, no more than 300,000 shares of Capital Stock may be issued or transferred pursuant to stock incentives granted under this Plan in the form of stock awards.

The Stock Incentive Plan shall be administered by a Committee (the "Compensation/Incentive Committee") consisting of no fewer than three persons designated by, and serving at the pleasure of, the Board of Directors of the Company.

The Compensation/Incentive Committee designates the key employees of the Company and its subsidiaries who might participate in the Stock Incentive Plan and as to the form and terms of the number of shares covered by each stock incentive granted thereunder. In making such designation, the Committee may consider an employee's present or potential contribution to the success of the Company or any subsidiary and other factors which it may deem relevant.

Under the Stock Incentive Plan, a stock incentive in the form of a stock award will consist of shares of Capital Stock issued as incentive compensation earned or to be earned by the employee. Shares subject to a stock award may be issued when the award is granted or at a later date, with or without dividend equivalent rights. A stock award shall be subject to such terms, conditions and restrictions (including restrictions on the transfer of the shares issued pursuant to the award) as the Compensation/Incentive Committee shall designate.

Under the Stock Incentive Plan, a stock incentive in the form of a stock option will provide for the purchase of shares of Capital Stock in the future at an option price per share which will not be less than 100 percent of the fair market value of the shares covered thereby on the date the stock option is granted. Each option shall be exercisable in full or in part six months after the date the option is granted, or may become exercisable in one or more installments and at such time or times, as the Compensation/Incentive Committee shall determine, or upon various circumstances which may result in a change of control. Unless otherwise provided in the option, an option, to the extent it is or becomes exercisable, may be exercised at any time in whole or in part until the expiration or termination of the option. Any term or provision in any outstanding option specifying when the option may be exercisable or that it be exercisable in installments may be modified at any time during the life of the option by the Compensation/Incentive Committee, provided, however, no such modification of an outstanding option shall, without the consent of the optionee, adversely affect any option theretofore granted to him.

Upon the exercise of an option, the purchase price shall be paid in cash or, if so provided in the option, in shares of Capital Stock or in a combination of cash and such shares. The Company may cancel all or a portion of an option subject to exercise and pay the holder cash or shares equal in value to the excess of the fair market value of the shares subject to the portion of the option so canceled over the option price of such shares. Options shall be granted for such lawful consideration as the Compensation/Incentive Committee shall determine.

All stock options granted under the Stock Incentive Plan will expire within ten years from the date of grant. No more than 50,000 options may be granted to an individual employee in any calendar year. A stock option is not transferable or assignable by an optionee other than by will, by the laws of descent and distribution, pursuant to a qualified domestic relations order or to certain family members, if permitted under SEC Rule 16b-3 or any successor rule thereto, and each option is exercisable, during his lifetime, only by him or a permitted transferee or assignee. Unexercised options terminate upon termination of employment, except that if termination arises from a resignation with the consent of the Compensation/Incentive Committee, the options terminate three months after such termination of employment, and except further that if an optionee ceases to be an employee by reason of his death while employed, retirement or disability, or if he should die within three months following his resignation with the consent of the Compensation/Incentive Committee, the options terminate fifteen months after an optionee's termination of employment but may be exercised only to the extent that they could have been exercised by the optionee, had he lived, three months after he ceased to be an employee. A leave of absence for military or governmental service or for other purposes, if approved by the Compensation/Incentive Committee, does not constitute a termination of employment, but no options are exercisable during any such leave of absence.

Exercise of a stock option will be conditioned on an optionee's payment in full of the purchase price for the shares, in cash or by the transfer to the Company of shares of Capital Stock at fair market value on the date of transfer. An optionee shall not be considered a holder of the shares subject to a stock option until actual delivery of a certificate representing such shares is made by the Company.

None of the stock options granted under the Stock Incentive Plan will be "restricted," "qualified" or "incentive" stock options or options granted pursuant to an "employee stock purchase plan" as the quoted terms are defined in Sections 422 through 424 of the Internal Revenue Code of 1986, as amended.

Edgar Filing: ROTO-ROOTER INC - Form PRE 14A

With respect to stock awards in shares of Capital Stock that are either transferable or not subject to a substantial risk of forfeiture, the employee must recognize ordinary income equal to the cash or the fair market value of the shares of Capital Stock and the Company will be entitled to a deduction for the same amount. With respect to stock awards that are settled in shares of Capital Stock that are restricted as to transferability and subject to substantial risk of forfeiture, the employee must recognize ordinary income equal to the fair market value of the shares of Capital Stock at the first time such shares become transferable or not subject to a substantial risk of forfeiture, whichever occurs earlier, and the Company will be entitled to a deduction for the same amount.

An optionee realizes no taxable income by reason of the grant of a nonstatutory option. Subject to insider trading restrictions, upon exercise of the option an optionee realizes compensation taxable as ordinary income in the amount of the excess of the fair market value of the shares of Capital Stock over the option price on the date of exercise. Upon the sale of shares of Capital Stock acquired pursuant to the exercise of an option, an optionee realizes either a capital gain or a capital loss based upon the difference between his selling price and the fair market value of such shares on the date of exercise. Such capital gain or loss, as the case may be, will be either short-term or long-term depending on the period elapsed between the date of exercise and the date of sale. In those instances where the employee receives compensation taxable as ordinary income, the Company or a subsidiary (except for certain foreign subsidiaries) will generally be entitled to a Federal income tax deduction in the amount of such compensation. An employee will not recognize a gain on previously owned shares of Capital Stock if he exercises an option and transfers such shares to the Company in payment of the option price. Taxes payable by an optionee or awardee on exercise of an option or

14

removal of restrictions on an award may be paid in cash, by surrender of shares, or by withholding of shares of Capital Stock as the Compensation/Incentive Committee shall determine.

The Board of Directors, upon the recommendation of the Compensation/Incentive Committee, may amend the Stock Incentive Plan subject, in the case of specified amendments, to stockholder approval. The Stock Incentive Plan may be discontinued at any time by the Board of Directors. No amendment or discontinuance of the Stock Incentive Plan shall, without the consent of the employee, adversely affect any stock incentive held by him under the Stock Incentive Plan.

Subject to stockholder approval, a grant of 139,727 options under the proposed Stock Incentive Plan to purchase shares valued in a total of \$7,967,235 of the Company's Capital Stock and a grant of 79,672 shares of restricted stock awards in the aggregate fair market value of \$4,542,917 of the Company's Capital Stock have been approved for twenty-two Vitas management employees. No determination has been made with respect to any prospective grant of a stock incentive under the Stock Incentive Plan for any of the Company's executive officers or directors. It is, therefore, not possible at the present time to indicate specifically the names of the executive officers or directors to whom stock incentives may be granted or to whom stock incentives would have been granted had this Plan been in effect during 2003 or the number of shares to be subject to stock incentives or any other information concerning the operation of the Stock Incentive Plan as it may affect these specific individuals. The proceeds of sale of shares of Capital Stock under the Stock Incentive Plan will be used by the Company for general corporate purposes.

(1) In May 1999 the Board of Directors adopted the 1999 Long-Term Employee Incentive Plan without stockholder approval. This plan permits the Company to grant up to 250,000 shares of non-qualified options and stock awards to a broad base of salaried and hourly employees (excluding officers and directors) of the Company. Except for the exclusion of officers and directors, this plan has the same general terms and provisions of the proposed 2004 Stock Incentive Plan. In addition, pursuant, to this plan no individual may be granted more than 25,000 stock options in a calendar year, the aggregate number of the shares of Capital Stock which may be issued pursuant to stock incentives in the form of Stock Awards shall not be more than 135,000, and no stock incentives shall be granted under the plan after May 17, 2009.

In order to effect the approval and adoption of the Stock Incentive Plan, the following resolution will be presented to the Annual Meeting:

"RESOLVED, THAT THE 2004 STOCK INCENTIVE PLAN SET FORTH AS EXHIBIT A TO THE PROXY STATEMENT ACCOMPANYING THE NOTICE OF THE ANNUAL MEETING OF THE STOCKHOLDERS OF ROTO-ROOTER, INC. TO BE HELD MAY 17, 2004, BE AND THE SAME HEREBY IS APPROVED AND ADOPTED."

The affirmative vote of the majority of the shares represented at the meeting and entitled to vote will be necessary for the adoption of the foregoing resolution, with abstentions having the effect of negative votes and broker non-votes having no effect because they are not considered entitled to vote on this matter. The approval and adoption of the Stock Incentive Plan is not a matter which is required to be submitted to a vote of the stockholders of the Company. The reason for submitting such proposal to a vote of the stockholders is to meet a condition of Section 162(m) of the Internal Revenue Code of 1986, as amended, which

Edgar Filing: ROTO-ROOTER INC - Form PRE 14A

provides for the deduction of certain executive compensation in excess of \$1,000,000, and to meet the requirements of the New York Stock Exchange. The Stock Incentive Plan will become effective upon adoption by the stockholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL AND ADOPTION OF THE STOCK INCENTIVE PLAN.

PROPOSAL TO AMEND THE COMPANY'S 2002 EXECUTIVE LONG-TERM INCENTIVE PLAN

The Board of Directors has approved, subject to stockholder approval, an amendment of the Corporation's 2002 Executive Long-Term Incentive Plan ("the Plan") to permit awards thereunder to be payable in shares of Capital Stock as well as in cash.

THE PLAN

The Plan, adopted in May 2002 following stockholder approval, permits the awarding of incentive compensation relating to the achievement of certain performance-related goals over periods longer than one fiscal year.

The purpose of the Plan is to provide the Company with the means to attract and retain officers and other key employees and to motivate those individuals to improve the long-term performance of the Company.

The Plan is administered by a Committee of the Board of Directors, consisting solely of two or more "outside directors" within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended. The Committee has the power to interpret the Plan and to prescribe, amend, and rescind rules and regulations relating to the administration of the Plan, including treatment upon terminations of employment and in connection with a change in control of the Company. The Committee's determinations with respect to the Plan are conclusive and binding.

All officers and other key employees of the Company and its Subsidiaries, as determined by the Committee for each Plan Period, are eligible to participate in the Plan.

At the commencement of each Plan Period, the Committee shall determine the length of the Plan Period, select which eligible employees shall participate in the Plan for that Plan Period, and determine the Performance Goals for each Participant and the payment schedule detailing the amount which may be available for payment to each Participant based on the level of achievement of the Performance Goals. Upon completion of the Plan Period, the Committee shall certify the extent to which the Performance Goals were satisfied and determine the amount available for each Participant's Award pursuant to the payment schedule. Prior to authorizing payment, the Committee may increase or decrease the amount of an Award based on any factors the Committee determines to be appropriate; provided, however, that the Committee may not increase the amount of an Award with respect to a Participant who the Committee determines in its discretion is or may be a "covered employee" under Section 162(m). A new Plan Period shall not commence until any preceding Plan Period has been completed, and the Maximum Amount of an Award with respect to a Participant for a particular Plan Period cannot exceed the product of \$2,000,000 and the number of full or partial fiscal years in a Plan Period.

The Committee can select the Performance Measures, upon which the Performance Goals are based, from the following list:

- (i) Cash flow;
- (ii) Cash flow from operations;

Edgar Filing: ROTO-ROOTER INC - Form PRE 14A

- (iii) Total earnings;
- (iv) Earnings per share, diluted or basic;
- (v) Earnings per share from continuing operations, diluted or basic;
- (vi) Earnings before interest and taxes;
- (vii) Earnings before interest, taxes, depreciation, and amortization;
- (viii) Earnings from continuing operations;
- (ix) Net asset turnover;
- (x) Inventory turnover;
- (xi) Net earnings or net income;
- (xii) Operating earnings;
- (xiii) Operating margin;
- (xiv) Return on equity;
- (xv) Return on net assets;

16

- (xvi) Return on total assets;
- (xvii) Return on capital;
- (xviii) Return on investment;
- (xix) Return on sales;
- (xx) Sales;
- (xxi) Revenues;
- (xxii) Market share;
- (xxiii) Economic value added;
- (xxiv) Expense reduction levels;
- (xxv) Stock price; and
- (xxvi) Total stockholder return.

The Performance Measures may be expressed with respect to the Company or one or more operating units or Subsidiaries. The Performance Measures may be determined on an absolute basis, relative to internal goals, relative to levels attained in prior years, or related to indices or other companies. They may also be expressed as ratios expressing a relationship between two or more Performance Measures. The Committee may adjust any Performance Measure to prevent dilution or enlargement of any Award as a result of extraordinary events or circumstances or to exclude the effects of extraordinary, unusual, or non-recurring items; changes in law, regulations, or accounting principles; currency fluctuations; discontinued operations; non-cash items; certain recapitalizations,

Edgar Filing: ROTO-ROOTER INC - Form PRE 14A

restructurings, or other corporate transactions; stock dividends; or stock splits or combinations. However, no such adjustments will be made to the extent that amounts paid to a "covered employee" under the Plan would fail to qualify as "qualified performance-based compensation" under Section 162(m).

Awards under the Plan were previously payable in a lump sum in cash or to a deferred compensation plan, as may be established for this purpose. The Company also may deduct from an Award any amounts required to be withheld under federal, state, or local tax laws. The proposed amendment allows the Committee sole discretion to denominate such awards in either cash or in shares of Capital Stock. Such shares of Capital Stock shall be issued from authorized reserves of stock incentive plans approved by the stockholders.

Nothing in the Plan shall give any person any right to continued employment, constitute a contract or agreement of employment, or interfere with the Company's right to terminate or change the conditions of employment. Any rights of a Participant under the Plan are not assignable, and cash awards shall be made from the general funds of the Company.

Except with respect to terminations of employment or in connection with a change in control of the Company, Awards under the Plan are intended to qualify as "qualified performance-based compensation" satisfying the requirements of Section 162(m). To the extent that any provision of the Plan or an Award does not comply or is inconsistent with these requirements, such provision shall be construed or deemed amended to the extent necessary to conform to such requirements.

The Board of Directors may alter, amend, suspend, or terminate the Plan; provided, however, that no amendment that requires stockholder approval in order for the Plan to continue to comply with Section 162(m) shall be effective unless such stockholder approval is obtained. No amendment or termination of the Plan may, without the consent of a Participant for whom an Award has been determined for a completed Plan Period but not yet paid, adversely affect the Participant's rights under such an Award.

The Plan if amended will be so effective on May 17, 2004.

No determination has been made with respect to the selection of Participants or the payment of Awards under the Plan as amended. It is, therefore, not possible at the present time to indicate specifically the names and positions of Participants to whom Awards may be made or any other information concerning the operation of the amended Plan as it may affect specific individuals.

In order to effect the approval of the amendment to the Plan, the following resolution will be presented at the Annual Meeting:

"RESOLVED, THAT THE 2002 EXECUTIVE LONG-TERM INCENTIVE PLAN BE AMENDED TO PERMIT AWARDS THEREUNDER TO BE MADE IN SHARES OF CAPITAL STOCK AS WELL AS IN CASH, SUCH AMENDMENT BE AND THE SAME HEREBY IS ADOPTED."

The affirmative vote of the majority of the shares represented at the meeting and entitled to vote will be necessary for the adoption of the foregoing resolution, with abstentions having the effect of negative votes and broker non-votes having no effect because they are not considered entitled to vote on this matter. The approval of the amendment of the Plan is not a matter which is required to be submitted to a vote of the stockholders of the Company. The reason for submitting such proposal to a vote of the

Edgar Filing: ROTO-ROOTER INC - Form PRE 14A

stockholders is to meet a condition of Section 162(m) of the Internal Revenue Code of 1986, as amended, which provides for the deduction of certain executive compensation in excess of \$1,000,000, and to meet the requirements of the New York Stock Exchange.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL AND ADOPTION OF THE AMENDMENT TO THE PLAN.

PROPOSAL TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION, AS AMENDED, TO INCREASE THE AUTHORIZED SHARES OF CAPITAL STOCK

The Board of Directors proposes that stockholders approve an amendment to the Company's Certificate of Incorporation, as amended ("Certificate"), to increase the Company's authorized shares of Capital Stock. The amendment would increase the authorized shares of Capital Stock from 15,000,000 shares to 40,000,000 shares.

After the Company's merger with Vitas on February 24, 2004, 12,160,961 shares of the Company's 15,000,000 shares of Capital Stock were issued and outstanding. In addition, 1,128,455 shares of Capital Stock were reserved for employee stock option plans and 381,169 shares were reserved for conversion of the Company's Capital Trust Convertible Trust Preferred Securities. Therefore, as of February 24, 2004 the Company had approximately 1,329,415 shares of unissued and unreserved Capital Stock available for further issuance.

After the Company's acquisition of Vitas, the Board of Directors believes that the number of authorized shares of Capital Stock available for issuance is not sufficient to enable the Company to respond to potential business opportunities and to pursue objectives designed to enhance stockholder value. The additional authorized shares of Capital Stock will provide the Company with greater flexibility to use the Company's Capital Stock, without further stockholder approval except to the extent such approval may be required by law or by applicable New York Stock Exchange listing standards, for various purposes including, without limitation, raising equity capital in order to reduce the Company's level of debt or for other general corporate purposes; making future acquisitions, entering into strategic relationships, providing equity incentives to employees, officers, or directors and effecting stock dividends (including stock splits in the form of stock dividends). The Company does not currently have any specific agreements or plans that would involve the issuance of the proposed additional authorized shares of Capital Stock.

The additional shares of Capital Stock that would become available for issuance if the proposal were adopted could also be used by the Company to oppose a hostile takeover attempt or delay or prevent changes in control of management. For example, without further stockholder approval, the Board of Directors could adopt a "poison pill" that would under certain circumstances related to an acquisition of the Company shares of Capital Stock not approved by the Board, give certain holders the right to acquire additional shares of the Company's Capital Stock at a low price, or the Board could strategically sell shares of Capital Stock in a private transaction to purchasers who oppose a takeover or favor the current Board.

Although the proposal to increase the authorized shares of Capital Stock has been prompted by business and financial considerations and not by the threat of any hostile takeover attempt (nor is the Board aware of any such attempt), stockholders should be aware that the approval of this proposal could facilitate future efforts by the Board to deter or prevent changes in control, including transactions in which the stockholders might otherwise receive a premium over the current market prices.

Edgar Filing: ROTO-ROOTER INC - Form PRE 14A

In order to amend the Company's Certificate of Incorporation, as amended, the following resolution will be presented at the Annual Meeting:

RESOLVED, THAT THE CERTIFICATE OF INCORPORATION, AS AMENDED, OF THE CORPORATION BE FURTHER AMENDED BY STRIKING ARTICLE IV THEREOF IN ITS ENTIRETY AND SUBSTITUTING IN LIEU THEREOF THE FOLLOWING NEW ARTICLE IV:

"ARTICLE IV. THE TOTAL NUMBER OF SHARES OF STOCK WHICH THE CORPORATION SHALL HAVE AUTHORITY TO ISSUE IS FORTY MILLION (40,000,000), OF WHICH FORTY MILLION (40,000,000) SHARES SHALL BE CAPITAL STOCK WITH A PAR VALUE OF ONE DOLLAR (\$1.00) PER SHARE AMOUNTING IN THE AGGREGATE TO FORTY MILLION DOLLARS (\$40,000,000).

The affirmative vote of the holders of a majority of the Company's shares outstanding on the record date will be necessary for the adoption of the foregoing resolution. Abstentions and broker nonvotes will have the effect of votes against the resolution.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE INCREASE IN AUTHORIZED SHARES OF CAPITAL STOCK.

AMENDING THE COMPANY'S AMENDED CERTIFICATE OF INCORPORATION CHANGING THE NAME OF THE COMPANY TO CHEMED CORPORATION

The Company seeks stockholder approval to amend the Amended Certificate of Incorporation to change the Company's name from Roto-Rooter, Inc. back to Chemed Corporation. Twelve months ago, the Company changed its name from Chemed Corporation to Roto-Rooter, Inc. The rationale at that time was that the Roto-Rooter subsidiary was to be the main focus of activity. In late 2003, the Company was presented with the opportunity to make a major investment in the hospice field, which we completed on February 24, 2004. Accordingly, it is appropriate now to signal, with this name change, that our focus has broadened and the management has made a significant commitment to the hospice field.

Approval of the amendment to the Company's Amended Certificate of Incorporation to change the Company's name requires the affirmative vote of a majority of all votes entitled to be cast by holders of record of Capital Stock. Abstentions and broker shares that are not voted on the matter will have the same effect as a "no" vote.

A copy of the proposed amendment to the Amended Certificate of Incorporation is attached as Exhibit C to this proxy statement.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THIS PROPOSAL.

(b) Stock Incentives may be granted in the following forms:

(i) a Stock Award, or

(ii) an Option, or

(iii) a combination of a Stock Award and an Option.

4. STOCK SUBJECT TO THIS PLAN:

(a) Subject to the provisions of paragraph (c) and (d) of this Section 4 and of Section 8, the aggregate number of shares of Capital Stock which may be issued or transferred pursuant to Stock Incentives granted under this Plan shall not exceed 700,000 shares; provided, however, that the maximum aggregate number of shares of Capital Stock which may be issued or transferred pursuant to Stock Incentives in the form of Stock Awards, shall not exceed 300,000 shares.

(c) Authorized but unissued shares of Capital Stock and shares of Capital Stock held in the treasury, whether acquired by the Corporation specifically for use under this Plan or otherwise, may be used, as the Compensation/Incentive Committee may from time to time determine, for purposes of this Plan, provided, however, that any shares acquired or held by the Corporation for the purposes of this Plan shall, unless and until transferred to a Key Employee in accordance with the terms and conditions of a Stock Incentive, be and at all times remain treasury shares of the Corporation, irrespective of whether such shares are entered in a special account for purposes of this Plan, and shall be available for any corporate purpose.

(d) If any shares of Capital Stock subject to a Stock Incentive shall not be issued or transferred and shall cease to be issuable or transferable because of the termination, in whole or in part, of such Stock Incentive or for any other reason, or if any such shares shall, after issuance or transfer, be reacquired by the Corporation or a Subsidiary because of an employee's failure to comply

Edgar Filing: ROTO-ROOTER INC - Form PRE 14A

with the terms and conditions of a Stock Incentive, the shares not so issued or transferred, or the shares so reacquired by the Corporation or a Subsidiary shall no longer be charged against any of the limitations provided for in paragraphs (a) or (b) of this Section 4 and may again be made subject to Stock Incentives.

A-2

5. STOCK AWARDS: Stock Incentives in the form of Stock Awards shall be subject to the following provisions:

(a) A Stock Award shall be granted only in payment of Incentive Compensation that has been earned or as Incentive Compensation to be earned, including, without limitation, Incentive Compensation awarded concurrently with or prior to the grant of the Stock Award.

(b) For the purposes of this Plan, in determining the value of a Stock Award, all shares of Capital Stock subject to such Stock Award shall be valued at not less than 100 percent of the Fair Market Value of such shares on the date such Stock Award is granted, regardless of whether or when such shares are issued or transferred to the Key Employee and whether such shares are subject to restrictions which affect their value.

(c) Shares of Capital Stock subject to a Stock Award may be issued or transferred to the Key Employee at the time the Stock Award is granted, or at any time subsequent thereto, or in installments from time to time, as the Compensation/Incentive Committee shall determine. In the event that any such issuance or transfer shall not be made to the Key Employee at the time the Stock Award is granted, the Compensation/Incentive Committee may provide for payment to such Key Employee, either in cash or in shares of Capital Stock from time to time or at the time or times such shares shall be issued or transferred to such Key Employee, of amounts not exceeding the dividends which would have been payable to such Key Employee in respect of such shares (as adjusted under Section 8) if they had been issued or transferred to such Key Employee at the time such Stock Award was granted. Any amount payable in shares of Capital Stock under the terms of a Stock Award may, at the discretion of the Corporation, be paid in cash, on each date on which delivery of shares would otherwise have been made, in an amount equal to the Fair Market Value on such date of the shares which would otherwise have been delivered.

(d) A Stock Award shall be subject to such terms and conditions, including, without limitation, restrictions on sale or other disposition of the Stock Award or of the shares issued or transferred pursuant to such Stock Award, as the Compensation/Incentive Committee may determine; provided, however, that upon the issuance or transfer of shares pursuant to a Stock Award, the recipient shall, with respect to such shares, be and become a stockholder of the Corporation fully entitled to receive dividends, to vote and to exercise all other rights of a stockholder except to the extent otherwise provided in the Stock Award. Each Stock Award shall be evidenced by a written instrument in such form as the Compensation/Incentive Committee shall determine, provided the Stock Award is consistent with this Plan and incorporates it by reference.

6. OPTIONS: Stock Incentives in the form of Options shall be subject to the following provisions:

Edgar Filing: ROTO-ROOTER INC - Form PRE 14A

(a) The maximum aggregate number of Stock Incentives in the form of Options which may be granted to an individual employee of the Corporation or a Subsidiary in any calendar year shall not exceed 50,000 Options.

(b) Upon the exercise of an Option, the purchase price shall be paid in cash or, if so provided in the Option or in a resolution adopted by the Compensation/Incentive Committee (and subject to such terms and conditions as are specified in the Option or by the Compensation/Incentive Committee), in shares of Capital Stock or in a combination of cash and such shares. Shares of Capital Stock thus delivered shall be valued at their Fair Market Value on the date of exercise. Subject to the provisions of Section 8, the purchase price per share shall be not less than 100 percent of the Fair Market Value of a share of Capital Stock on the date the Option is granted.

A-3

(c) Each Option shall be exercisable, in full or in part, six months after the date the Option is granted, or may become exercisable in one or more installments and at such time or times, as the Compensation/Incentive Committee shall determine. Unless otherwise provided in the Option, an Option, to the extent it is or becomes exercisable, may be exercised at any time, in whole or in part, until the expiration or termination of the Option. Any term or provision in any outstanding Option specifying when the Option is exercisable or that it be exercisable in installments may be modified at any time during the life of the Option by the Compensation/Incentive Committee, provided, however, no such modification of an outstanding Option shall, without the consent of the optionee, adversely affect any Option theretofore granted to him. An Option will become immediately exercisable in full if at any time during the term of the Option the Corporation obtains actual knowledge that any of the following events has occurred, irrespective of the applicability of any limitation on the number of shares then exercisable under the Option: (1) any person within the meaning of Sections 13(d) and 14(d) of the Securities Exchange Act of 1934 (the "1934 Act"), other than the Corporation or any of its subsidiaries, has become the beneficial owner, within the meaning of Rule 13d-3 under the 1934 Act, of 30 percent or more of the combined voting power of the Corporation's then outstanding voting securities; (2) the expiration of a tender offer or exchange offer, other than an offer by the Corporation, pursuant to which 20 percent or more of the shares of the Corporation's Capital Stock have been purchased; (3) the stockholders of the Corporation have approved (i) an agreement to merge or consolidate with or into another corporation and the Corporation is not the surviving corporation or (ii) an agreement to sell or otherwise dispose of all or substantially all of the assets of the Corporation (including a plan of liquidation); or (4) during any period of two consecutive years, individuals who at the beginning of such period constitute the Board of Directors cease for any reason to constitute at least a majority thereof, unless the nomination for the election by the Corporation's stockholders of each new director was approved by a vote of at least one-half of the persons who were directors at the beginning of the two-year period.

(d) Each Option shall be exercisable during the life of the optionee only by him or a transferee or assignee permitted by paragraph (g) of this Section 6 and, after his death, only by his estate or by a person who acquired the right to exercise the Option pursuant to one of the provisions of paragraph (g) of this Section 6. An Option, to the extent that it shall not have been exercised, shall terminate when the

Edgar Filing: ROTO-ROOTER INC - Form PRE 14A

optionee ceases to be an employee of the Corporation or a Subsidiary, unless he ceases to be an employee because of his resignation with the consent of the Compensation/Incentive Committee (which consent may be given before or after resignation), or by reason of his death, incapacity or retirement under a retirement plan of the Corporation or a Subsidiary. Except as provided in the next sentence, if the optionee ceases to be an employee by reason of such resignation, the Option shall terminate three months after he ceases to be an employee. If the optionee ceases to be an employee by reason of such death, incapacity or retirement, or if he should die during the three-month period referred to in the preceding sentence, the Option shall terminate fifteen months after he ceases to be an employee. Where an Option is exercised more than three months after the optionee ceased to be an employee, the Option may be exercised only to the extent it could have been exercised three months after he ceased to be an employee. A leave of absence for military or governmental service or for other purposes shall not, if approved by the Compensation/Incentive Committee, be deemed a termination of employment within the meaning of this paragraph (d); provided, however, that an Option may not be exercised during any such leave of absence. Notwithstanding the foregoing provisions of this paragraph (d) or any other provision of this Plan, no Option shall be exercisable after expiration of the term for which the Option was granted, which shall in no event exceed ten years. Where an Option is granted for a term of less than ten years, the Compensation/Incentive Committee, may, at any time prior to the expiration of the Option, extend its term for a period ending not later than ten years from the date the Option was granted.

(e) Options shall be granted for such lawful consideration as the Compensation/Incentive Committee shall determine.

(f) Neither the Corporation nor any Subsidiary may directly or indirectly lend any money to any person for the purpose of assisting him to purchase or carry shares of Capital Stock issued or transferred upon the exercise of an Option.

(g) No Option nor any right thereunder may be assigned or transferred by the optionee except:

(i) by will or the laws of descent and distribution;

(ii) pursuant to a qualified domestic relations order as defined by the Internal Revenue Code of 1986, as amended, or by the Employee Retirement Income Security Act of 1974, as amended, or the rules thereunder;

(iii) by an optionee who, at the time of the transfer, is not subject to the provisions of Section 16 of the 1934 Act, provided such transfer is to, or for the benefit of (including but not limited to trusts for the benefit of), the optionee's spouse or lineal descendants of the optionee's parents; or

(iv) by an optionee who, at the time of the transfer, is subject to the provisions of Section 16 of the 1934 Act, to the extent, if any, such transfer would be permitted under Securities and Exchange Commission Rule 16b-3 or any successor rule thereto, as such rule or any successor rule thereto may be in effect at the time of the transfer.

Edgar Filing: ROTO-ROOTER INC - Form PRE 14A

If so provided in the Option or if so authorized by the Compensation/Incentive Committee and subject to such terms and conditions as are specified in the Option or by the Compensation/Incentive Committee, the Corporation may, upon or without the request of the holder of the Option and at any time or from time to time, cancel all or a portion of the Option then subject to exercise and either (i) pay the holder an amount of money equal to the excess, if any, of the Fair Market Value, at such time or times, of the shares subject to the portion of the Option so canceled over the aggregate purchase price of such shares, or (ii) issue or transfer shares of Capital Stock to the holder with a Fair Market Value, at such time or times, equal to such excess.

(h) Each Option shall be evidenced by a written instrument, which shall contain such terms and conditions, and shall be in such form, as the Compensation/Incentive Committee may determine, provided the Option is consistent with this Plan and incorporates it by reference. Notwithstanding the preceding sentence, an Option, if so granted by the Compensation/Incentive Committee, may include restrictions and limitations in addition to those provided for in this Plan.

(i) Any federal, state or local withholding taxes payable by an optionee or awardee upon the exercise of an Option or upon the removal of restrictions of a Stock Award shall be paid in cash or in such other form as the Compensation/Incentive Committee may authorize from time to time, including the surrender of shares of Capital Stock or the withholding of shares of Capital Stock to be issued to the optionee or awardee. All such shares so surrendered or withheld shall be valued at Fair Market Value on the date such are surrendered to the Corporation or authorized to be withheld.

7. COMBINATIONS OF STOCK AWARDS AND OPTIONS: Stock Incentives authorized by paragraph (b) (iii) of Section 3 in the form of combinations of Stock Awards and Options shall be subject to the following provisions:

(a) A Stock Incentive may be a combination of any form of Stock Award with any form of Option; provided, however, that the terms and conditions of such Stock Incentive pertaining to a Stock Award are consistent with Section 5 and the terms and conditions of such Stock Incentive pertaining to an Option are consistent with Section 6.

(b) Such combination Stock Incentive shall be subject to such other terms and conditions as the Compensation/Incentive Committee may determine, including, without limitation, a provision terminating in whole or in part a portion thereof upon the exercise in whole or in part of another portion thereof. Such combination Stock Incentive shall be evidenced by a written instrument in such form as the Compensation/Incentive Committee shall determine, provided it is consistent with this Plan and incorporates it by reference.

8. ADJUSTMENT PROVISIONS: In the event that any recapitalization, or reclassification, split-up or consolidation of shares of Capital Stock shall be effected, or the outstanding shares of Capital Stock are, in connection with a merger or consolidation of the Corporation or a sale by the Corporation of all or a part of its assets, exchanged for a different number or class of shares of stock or other securities of the Corporation or for shares of the stock or other securities of any other corporation, or a record date for determination of holders of Capital Stock entitled to receive a dividend payable in Capital Stock shall occur (a) the number and class of shares or other securities that may be issued or transferred pursuant to Stock Incentives, (b) the number and class of shares or other securities which have not been issued or transferred under

Edgar Filing: ROTO-ROOTER INC - Form PRE 14A

outstanding Stock Incentives, (c) the purchase price to be paid per share or other security under outstanding Options, and (d) the price to be paid per share or other security by the Corporation or a Subsidiary for shares or other securities issued or transferred pursuant to Stock Incentives which are subject to a right of the Corporation or a Subsidiary to reacquire such shares or other securities, shall in each case be equitably adjusted.

9. TERM: This Plan shall be deemed adopted and shall become effective on the date it is approved and adopted by the stockholders of the Corporation. No Stock Incentives shall be granted under this Plan after May 17, 2014.

10. ADMINISTRATION:

- (a) The Plan shall be administered by the Compensation/Incentive Committee, which shall consist of no fewer than three persons designated by the Board of Directors. Grants of Stock Incentive may be granted by the Compensation/Incentive Committee either in or without consultation with employees, but, anything in this plan to the contrary notwithstanding, the Compensation/Incentive Committee shall have full authority to act in the matter of selection of all Key Employees and in determining the number of Stock Incentives to be granted to them.
- (b) The Compensation/Incentive Committee may establish such rules and regulations, not inconsistent with the provisions of this Plan, as it deems necessary to determine eligibility to participate in this Plan and for the proper administration of this Plan, and may amend or revoke any rule or regulation so established. The

A-5

Compensation/Incentive Committee may make such determinations and interpretations under or in connection with this Plan as it deems necessary or advisable. All such rules, regulations, determinations and interpretations shall be binding and conclusive upon the Corporation, its Subsidiaries, its stockholders and all employees, and upon their respective legal representatives, beneficiaries, successors and assigns upon all other persons claiming under or through any of them.
