

Section 5 - Corporate Governance and Management

Item 5.02 - Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

On November 15, 2004, Park National Corporation ("Park") issued a news release announcing changes to Park's Board of Directors and executive officers. A copy of the November 15, 2004 Management Changes Release is included as Exhibit 99.1 and incorporated by reference.

As reported in the November 15, 2004 Management Changes Release, on November 15, 2004, Howard E. LeFevre announced his plan to resign from the Park Board of Directors effective December 31, 2004. On November 15, 2004, the Park Board of Directors subsequently elected F. William Englefield IV and Michael J. Menzer as directors of Park, effective January 1, 2005. Mr. Englefield has served as a member of the Board of Directors of The Park National Bank ("PNB"), a subsidiary of Park, since 1994 and is President of Englefield Oil Co., a retailer and wholesaler of petroleum products. Mr. Englefield will serve in the class of Park directors whose terms expire in 2005. It is expected that Mr. Englefield will be appointed to the Audit Committee of the Park Board of Directors. Mr. Menzer has served as a member of the PNB Board of Directors since 1999 and is President of Northstreet Partners, Inc., a private equity investment company. Mr. Menzer will serve in the class of Park directors whose terms expire in 2006. It is expected that Mr. Menzer will be appointed to the Audit and Investment Committees of the Park Board of Directors.

On November 15, 2004, the Park Board of Directors also took action addressing the executive leadership of Park. David L. Trautman was elected President of each of Park and PNB as well as a director of Park, in each case effective as of January 1, 2005. Mr. Trautman will serve in the class of Park directors whose terms expire in 2007. Mr. Trautman, age 43, has served as Secretary of Park since July 2002; as Executive Vice President and a director of PNB since February 2002; as Chairman of the Board of The First-Knox National Bank of Mount Vernon, a subsidiary of Park ("FKNB"), since March 2001 and a director of FKNB since May 1997; and as a director of United Bank, N.A., a subsidiary of Park, since 2000. Mr. Trautman served as President and Chief Executive Officer of FKNB from May 1997 to February 2002 and as a Vice President of PNB from 1993 to May 1997.

C. Daniel DeLawder was elected Chairman of the Board of each of Park and PNB, effective as of January 1, 2005. He will also continue as Chief Executive Officer and a director of both Park and PNB. Mr. DeLawder, age 55, has served as Chief Executive Officer since 1999, President since 1994 and a director since 1994, of Park; as Chief Executive Officer since January 1999, President since 1993 and a director since 1992 of PNB; as Chairman of the Advisory Board since 1989 of the Fairfield National Division of PNB; as a director of The Richland Trust Company, a subsidiary of Park, since 1997; and as a director of Second National Bank, a subsidiary of Park, since 2000. Mr. DeLawder served as Executive Vice President of PNB from 1992 to 1993; and as President of the Fairfield National Division of PNB from 1985 to 1992.

William T. McConnell will cease to serve as Chairman of the Board of each of Park and PNB, effective January 1, 2005, but will continue to serve as a director and Chairman of the Executive Committee of the Board of Directors of each of Park and PNB.

During each of Park's fiscal year ended December 31, 2003 and Park's fiscal year ending December 31, 2004, each of Messrs. Englefield, Menzer, Trautman and DeLawder, members of their immediate families and, in the case of Messrs. Englefield and Menzer, corporations with which they are associated, were involved in banking transactions with the banking subsidiaries of Park in the ordinary course of their respective businesses and in compliance with applicable federal and state laws and regulations. It is expected that similar banking transactions will be entered into in the future. Loans to these persons have been made on substantially the same terms, including the interest rate charged and collateral required, as those prevailing at the time for comparable transactions with persons not affiliated with Park or its subsidiaries. These loans have been subject to and are presently subject to no more than a normal risk of uncollectibility and present no other unfavorable features.
