Mailing

We mailed this proxy statement and the accompanying proxy card on or about March 14, 2006 to all shareholders entitled to vote their common shares at the Annual Meeting. We also sent with the proxy statement Park s 2005 Annual Report. Audited consolidated financial statements for Park and its subsidiaries for the fiscal year ended December 31, 2005 (the 2005 fiscal year) are included in the 2005 Annual Report.

Additional copies of the 2005 Annual Report and of Park s Annual Report on Form 10-K for the 2005 fiscal year may be obtained, without charge, by sending a written request to: David L. Trautman, President and Secretary, Park National Corporation, 50 North Third Street, Post Office Box 3500, Newark, Ohio 43058-3500. Delivery of Proxy Materials to Multiple Shareholders Sharing the Same Address

Periodically, Park provides each registered shareholder at a shared address, not previously notified, with a separate notice of Park s intention to household proxy materials. The record holder notifies beneficial shareholders (those who hold common shares through a broker, financial institution or other record holder) of the householding process. Only one copy of this proxy statement and Park s 2005 Annual Report is being delivered to previously notified multiple registered shareholders who share an address unless Park has received contrary instructions from one or more of the shareholders. A separate proxy card and a separate notice of the Annual Meeting is being included for each account at the shared address.

Registered shareholders who share an address and would like to receive a separate 2005 Annual Report and/or a separate proxy statement for the Annual Meeting, or who have questions regarding the

householding process, may contact Park's transfer agent and registrar, The First-Knox National Bank of Mount Vernon (First-Knox National Bank) by calling 1-800-837-5266, ext. 5208, or forwarding a written request addressed to First-Knox National Bank, Attention Debbie Daniels, P.O. Box 1270, One South Main Street, Mount Vernon, Ohio 43050-1270. Promptly upon request, additional copies of the 2005 Annual Report and/or a separate proxy statement for the Annual Meeting will be sent. By contacting First-Knox National Bank, registered shareholders sharing an address can also (i) notify Park that the registered shareholders wish to receive separate annual reports and/or proxy statements in the future or (ii) request delivery of a single copy of annual reports and/or proxy statements in the future if they are receiving multiple copies. Beneficial shareholders should contact their brokers, financial institutions or other record holders for specific information on the householding process as it applies to their accounts.

VOTING INFORMATION

Who can vote at the Annual Meeting?

Only shareholders of record at the close of business on February 22, 2006, are entitled to receive notice of and to vote at the Annual Meeting. At the close of business on February 22, 2006, there were 14,017,535 common shares outstanding and entitled to vote.

Each shareholder is entitled to one vote for each common share held. A shareholder wishing to exercise cumulative voting with respect to the election of directors must notify the President, a Vice President or the Secretary of Park in writing before 2:00 p.m., Eastern Daylight Saving Time, on April 15, 2006. If cumulative voting is requested and if an announcement of such request is made upon the convening of the Annual Meeting by the chairman or the secretary of the meeting or by or on behalf of the shareholder requesting cumulative voting, you will have votes equal to the number of directors to be elected, multiplied by the number of common shares owned by you, and will be entitled to distribute your votes among the candidates as you see fit. If cumulative voting is requested, the enclosed proxy card would grant discretionary authority to your proxy (one of the individuals named on your proxy card) to cumulate votes and to distribute the votes among the candidates.

How do I vote?

Whether or not you plan to attend the Annual Meeting, we urge you to vote in advance by proxy. To do so, you may complete, sign and date the enclosed proxy card and return it in the envelope provided.

If you plan to attend the Annual Meeting and vote in person, we will give you a ballot when you arrive. If your common shares are held in the name of your broker, your financial institution or another record holder, you must bring an account statement or letter from that broker, financial institution or other holder of record authorizing you to vote on behalf of the record holder. The account statement or letter must show that you were the direct or indirect beneficial owner of the common shares on February 22, 2006, the record date for voting.

How will my common shares be voted?

Those common shares represented by a properly executed proxy card that is received prior to the Annual Meeting and not subsequently revoked will be voted in accordance with your instructions by your proxy. If you submit a valid proxy card prior to the Annual Meeting but do not complete the voting

Table of Contents

instructions on the proxy card, your proxy will vote your common shares as recommended by the Board of Directors, except in the case of broker non-votes where applicable, as follows:

FOR the election as Park directors of the nominees listed under **PROPOSAL NUMBER 1: ELECTION OF DIRECTORS** ;

FOR the adoption of the proposed amendments to Section 1.04 of Park's Regulations described in **PROPOSAL NUMBER 2: ADOPTION OF AMENDMENTS TO SECTION 1.04 OF PARK'S REGULATIONS TO (A) REQUIRE THAT SHAREHOLDERS BE GIVEN WRITTEN NOTICE AT LEAST TEN DAYS IN ADVANCE OF ALL SHAREHOLDER MEETINGS AND (B) PERMIT ELECTRONIC NOTICES OF SHAREHOLDER MEETINGS** ; and

FOR the adoption of the proposed amendment to Section 1.11 of Park's Regulations described in **PROPOSAL NUMBER 3: ADOPTION OF AMENDMENT TO SECTION 1.11 OF PARK'S REGULATIONS TO PERMIT ELECTRONIC VOTING OF SHAREHOLDER PROXIES.**

If any other matters are properly presented for voting at the Annual Meeting, the persons named as proxies on the enclosed proxy card will vote on those matters in accordance with their best judgment.

May I revoke my proxy?

Yes. You may change your mind after you send in your proxy card by following any one of the following three procedures. To revoke your proxy:

Send in another signed proxy card with a later date, which must be received by Park prior to the Annual Meeting;

Send written notice revoking your proxy to David L. Trautman, Park's President and Secretary, at 50 North Third Street, Post Office Box 3500, Newark, Ohio 43058-3500, which must be received prior to the Annual Meeting; or

Attend the Annual Meeting and revoke your proxy in person if your common shares are held in your name. If your common shares are held in the name of your broker, your financial institution or another holder of record and you wish to revoke your proxy in person, you must bring an account statement or letter from the broker, financial institution or other holder of record indicating that you were the beneficial owner of the common shares on February 22, 2006, the record date for voting.

Attendance at the Annual Meeting will not, by itself, revoke your proxy.

What is the quorum requirement for the Annual Meeting?

Under Park's Regulations, a quorum is a majority of the common shares outstanding. Common shares may be present in person or represented by proxy at the Annual Meeting. Both abstentions and broker non-votes are counted as present for purposes of determining the presence of a quorum. Generally, broker non-votes occur when common shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because the broker has not received voting instructions from the beneficial owner and the broker lacks discretionary voting power to vote such common shares.

Table of Contents

Brokers have discretionary authority to vote their clients' common shares on routine proposals, such as the uncontested election of directors, even if they do not receive voting instructions from their clients. They cannot, however, vote their clients' common shares on other non-routine matters without instructions from their clients.

What if my common shares are held in street name ?

If you hold your common shares in street name with a broker, financial institution or other holder of record, you should review the information provided to you by such holder of record. This information will describe the procedures you need to follow in instructing the holder of record how to vote your street name common shares and how to revoke previously given instructions. If you hold your common shares in street name, you may be eligible to appoint your proxy electronically via the Internet or telephonically and may incur costs associated with the electronic access.

What if my common shares are held through the Park National Corporation Employees Stock Ownership Plan?

If you participate in the Park National Corporation Employees Stock Ownership Plan (the Park ESOP) and common shares have been allocated to your account in the Park ESOP, you will be entitled to instruct the trustee of the Park ESOP how to vote those common shares. If you are such a participant, you may receive your voting instructions card separately. If you give no voting instructions to the trustee of the Park ESOP, the trustee will vote the common shares allocated to your Park ESOP account pro rata in accordance with the instructions received from other participants in the Park ESOP who have voted.

Who pays the cost of proxy solicitation?

Park will pay the costs of soliciting proxies on behalf of the Board of Directors other than the Internet access and telephone usage charges if a proxy is appointed electronically through a holder of record. Although we are mailing these proxy materials, directors, officers and employees of Park and its subsidiaries also may solicit proxies by further mailing, personal contact, telephone, facsimile or electronic mail without receiving any additional compensation for such solicitations. Park will also reimburse our transfer agent, brokers, voting trustees, financial instructions and other custodians, nominees and fiduciaries for their reasonable costs in forwarding the proxy materials to the beneficial shareholders.

What vote is required with respect to the proposals presented at the Annual Meeting?

Proposal Number 1: Election of Directors

Under Ohio law and Park's Regulations, the four nominees for election as directors in the class whose terms will expire in 2009 receiving the greatest number of votes **FOR** election will be elected as directors. Common shares as to which the authority to vote is withheld will be counted for quorum purposes but will not affect whether a nominee has received sufficient votes to be elected.

Proposal Number 2: Adoption of Amendments to Section 1.04 of Park's Regulations

The affirmative vote of the holders of common shares entitling them to exercise not less than two-thirds of the voting power of Park is required to adopt the proposed amendments to Section 1.04 of Park's Regulations. The effect of an abstention or a broker non-vote is the same as a vote **AGAINST** the proposal.

Table of Contents**Proposal Number 3: Adoption of Amendment to Section 1.11 of Park's Regulations**

The affirmative vote of the holders of common shares entitling them to exercise not less than two-thirds of the voting power of Park is required to adopt the proposed amendment to Section 1.11 of Park's Regulations. The effect of an abstention or a broker non-vote is the same as a vote **AGAINST** the proposal.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires that Park's directors, executive officers and greater-than-10% beneficial owners file reports with the SEC reporting their initial beneficial ownership of common shares and any subsequent changes in their beneficial ownership. Specific due dates have been established by the SEC, and Park is required to disclose in this proxy statement any late reports. To Park's knowledge, based solely on a review of reports furnished to Park and written representations that no other reports were required, during the 2005 fiscal year, all Section 16(a) filing requirements applicable to Park's officers, directors and greater-than-10% beneficial owners were complied with; except that Michael J. Menzer, a director of Park, filed late one report covering two transactions.

Table of Contents

**PROPOSAL NUMBER 1:
ELECTION OF DIRECTORS**

As of the date of this proxy statement, there were 13 members of the Board of Directors – four directors in the class whose terms expire at the Annual Meeting, five directors in the class whose terms expire in 2007 and four directors in the class whose terms expire in 2008. R. William Geyer, who had served as a director of Park since 1992, passed away on June 17, 2005. Mr. Geyer’s death created a vacancy in the class whose terms expire at the Annual Meeting. However, upon the unanimous recommendation of the Nominating Committee and as permitted by Section 2.02 of Park’s Regulations, the Board of Directors has fixed the number of directors at 13, reflecting the number of individuals currently serving as directors.

The Board of Directors proposes that each of the four nominees identified below be re-elected for a new term of three years. Each nominee was recommended by the Nominating Committee. Each individual elected as a director at the Annual Meeting will hold office for a term to expire at the Annual Meeting of Shareholders to be held in 2009 and until his successor is duly elected and qualified, or until his earlier resignation, removal from office or death. While it is contemplated that all nominees will stand for re-election, if a nominee who would otherwise receive the required number of votes becomes unavailable or unable to serve as a candidate for re-election as a director, the individuals designated as proxies on the proxy card will have full discretion to vote the common shares represented by the proxies they hold for the election of the remaining nominees and for the election of any substitute nominee or nominees designated by the Board of Directors following recommendation by the Nominating Committee. The Board of Directors knows of no reason why any of the nominees named below will be unavailable or unable to serve if elected to the Board.

The following information, as of February 22, 2006, concerning the age, principal occupation, other affiliations and business experience of each nominee for re-election as a director has been furnished to Park by each director. Unless otherwise indicated, each individual has had his principal occupation for more than five years.

THE BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

Independence of Directors

Applicable sections of the Company Guide (the AMEX Rules) of the American Stock Exchange LLC (AMEX) require that a majority of the members of Park s Board of Directors be independent directors. The definition of independence for purposes of the AMEX Rules includes a series of objective tests, such as the director is not an employee of Park or any of Park s subsidiaries and has not directly or indirectly engaged in various types of business dealings with Park or any of Park s subsidiaries and the director does not have an immediate family member who is employed by Park or any of Park s subsidiaries as an executive officer. In addition, as further required by the AMEX Rules, the Board of Directors has affirmatively determined that each independent director has no material relationship with Park or any of Park s subsidiaries that would interfere with the exercise of independent judgment.

In making determinations as to the independence of Park s directors, the Board of Directors has reviewed, considered and discussed:

the relationships (including commercial, industrial, banking, consulting, legal, accounting, charitable and family relationships) of each director (and the immediate family members of each director) with Park and/or any of Park s subsidiaries (either directly or as a partner, controlling shareholder, executive officer or member of any organization that has any such relationship); and

the compensation and other payments each director (and the immediate family members of each director):

has received from or made to Park and/or any of Park s subsidiaries (either directly or as a partner, controlling shareholder, executive officer or member of an organization which has received compensation or payments from or made payments to Park and/or any of Park s subsidiaries); and

presently expects to receive from or make to Park and/or any of the subsidiaries of Park (either directly or as a partner, controlling shareholder, executive officer or member of an organization which has received compensation or payments from or made payments to Park and/or any of the subsidiaries of Park).

Based upon that review, consideration and discussion and the unanimous recommendation of the Nominating Committee, the Board of Directors has determined that at least a majority of its members are independent. The Board of Directors has determined that each of Maureen Buchwald, James J. Cullers, F. William Englefield IV, Michael J. Menzer, John J. O Neill, J. Gilbert Reese, Rick R. Taylor and Leon Zazworsky qualifies as independent because the director has no financial or personal ties, either directly or indirectly, with Park or Park s subsidiaries other than: (i) compensation received in the individual s capacity as a director of Park and one of Park s subsidiaries; (ii) banking relationships entered into in the ordinary course of business with one or more of Park s bank subsidiaries; (iii) ownership of common shares of Park; (iv) in

Table of Contents

the case of Messrs. Cullers and Reese, compensation paid by one or more of Park's subsidiaries to the law firms with which they have been associated in an amount which has represented, in each of the last three fiscal years, less than \$80,000 of each law firm's consolidated gross revenues; (v) in the case of Mr. O'Neill, compensation received by Mr. O'Neill's son in his capacity as a director of Park National Bank; and (vi) in the case of Mr. Menzer, the purchase in January of 2005 by Park and three of the directors of Park who are current or former executive officers of Park (or members of their immediate family) of shares of Patriot Bank, a state-chartered bank located in Houston, Texas associated with Mr. Menzer. Mr. Menzer is a director and the controlling shareholder of Patriot Bank. Park invested \$100,000 and each of the individuals invested \$50,000 or less in their respective purchases of shares of Patriot Bank.

C. Daniel DeLawder and David L. Trautman do not qualify as independent directors because they currently serve as executive officers of Park and Park National Bank. William T. McConnell does not qualify as an independent director because he is employed in a non-executive officer capacity by Park National Bank and was formerly an executive officer of Park and Park National Bank. William A. Philips does not qualify as an independent director because he is employed in a non-executive officer capacity by Century National Bank and was formerly an executive officer of Century National Bank. Harry O. Egger does not qualify as an independent director because he formerly served as an executive officer of Park and of Security National Bank.

Meetings of the Board of Directors and Attendance at Annual Meetings of Shareholders

The Board of Directors held four meetings during the 2005 fiscal year. Each incumbent director attended at least 75% of the aggregate of the total number of meetings held by the Board of Directors and the total number of meetings held by the Board committees on which he or she served, in each case during the period of his or her service. In accordance with applicable AMEX Rules, the independent directors meet in executive session (without the presence of management and non-independent directors) immediately following each regular meeting of the Board of Directors and at such other times as the independent directors deem necessary.

Park encourages all incumbent directors and director nominees to attend each annual meeting of shareholders. All of the then incumbent directors attended Park's last annual meeting of shareholders held on April 18, 2005.

Communications with the Board of Directors

Although Park has not to date developed formal processes by which shareholders may communicate directly with directors, Park believes that the informal process, in which any communication sent to the Board of Directors, either generally or in care of the Chief Executive Officer, the President and Secretary or another officer of Park, is forwarded to all members of the Board, has served the needs of the Board and Park's shareholders. There is no screening process in respect of shareholder communications. All shareholder communications received by an officer of Park for the attention of the Board of Directors are forwarded to the members of the Board.

Park's Board of Directors, or one of the Board committees, may consider the development of more specific procedures related to shareholder communications with the Board. Until other procedures are developed and posted on the Governance Documents (Corporate Governance) section of the Investor Relations page of Park's website at www.parknationalcorp.com, any communication to the Board of Directors or individual directors may be sent to the Board or an individual director, in care of David L. Trautman, Park's President and Secretary, at the executive offices of Park, 50 North Third Street, Post Office Box 3500, Newark, Ohio 43058-3500. The mailing envelope must contain a clear notation indicating that the

enclosed letter is a Shareholder-Board Communication or Shareholder-Director Communication. All shareholder communications must identify the author as a shareholder and clearly state whether the intended recipients are all members of the Board of Directors or just certain specified directors. All shareholder communications will be copied and circulated to the appropriate director or directors without any screening.

Committees of the Board

During the 2005 fiscal year, the Board of Directors had five standing committees which held regularly scheduled meetings the Audit Committee, the Compensation Committee, the Executive Committee, the Investment Committee and the Nominating Committee.

Audit Committee

The Board of Directors has an Audit Committee which is currently comprised of Maureen Buchwald (Chair), F. William Englefield IV, Michael J. Menzer and Leon Zazworsky. Each member of the Audit Committee also served during the entire 2005 fiscal year. Upon the recommendation of the Nominating Committee, the Board of Directors has determined that each member of the Audit Committee qualifies as independent under the applicable AMEX Rules and under SEC Rule 10A-3.

Upon the recommendation of the Nominating Committee, the Board of Directors has also determined that Maureen Buchwald qualifies as an audit committee financial expert for purposes of Item 401(h) of SEC Regulation S-K and satisfies the financial sophistication requirement of the AMEX Rules, by virtue of her service as Vice President of Administration and Secretary of Ariel Corporation for more than 20 years prior to her retirement in 1997. In her capacity as Vice President of Administration, Ms. Buchwald oversaw the accounting functions of Ariel Corporation. In addition to Ms. Buchwald's qualification as an audit committee financial expert, Park's Board of Directors strongly believes that each of the members of the Audit Committee is highly qualified to discharge the member's duties on behalf of Park and Park's subsidiaries and satisfies the financial literacy requirement of the AMEX Rules.

The Audit Committee is organized and conducts its business pursuant to a written charter adopted by the Board of Directors (the Audit Committee Charter). A copy of the Audit Committee Charter is attached to this proxy statement as Annex A. In addition, a copy of the Audit Committee Charter is posted on the Governance Documents (Corporate Governance) section of the Investor Relations page of Park's website at www.parknationalcorp.com. At least annually, the Audit Committee reviews and reassesses the adequacy of the Audit Committee Charter and recommends changes to the full Board as necessary.

The Audit Committee is responsible for:

overseeing the accounting and financial reporting processes of Park and Park's subsidiaries;

overseeing the audits of the consolidated financial statements of Park;

appointing, compensating and overseeing the work of the independent registered public accounting firm employed by Park for the purpose of preparing or issuing an audit report or performing related work;

instituting procedures for the receipt, retention and treatment of complaints received by Park regarding accounting, internal accounting controls or auditing matters, which procedures are outlined in Park's Code of Business Conduct and Ethics; and

assisting the Board of Directors in the oversight of:

the integrity of Park's consolidated financial statements and the effectiveness of Park's internal control over financial reporting;

the performance of Park's independent registered public accounting firm and Park's internal auditors;

the independent registered public accounting firm's qualifications and independence; and

the legal compliance and ethics programs established by management and the full Board.

In addition, the Audit Committee reviews and pre-approves all audit services and permitted non-audit services provided by the independent registered public accounting firm to Park or any of Park's subsidiaries and ensures that the independent registered public accounting firm is not engaged to perform the specific non-audit services prohibited by law, rule or regulation. The Audit Committee will also carry out any other responsibilities delegated to the Audit Committee by the full Board.

The Audit Committee met nine times during the 2005 fiscal year. The Audit Committee's report relating to the 2005 fiscal year begins at page 40.

Compensation Committee

The Board of Directors has a Compensation Committee which is currently comprised of J. Gilbert Reese (Chair), John J. O'Neill and Leon Zazworsky. Each member of the Compensation Committee also served during the entire 2005 fiscal year. Upon the recommendation of the Nominating Committee, the Board of Directors has determined that each member of the Compensation Committee qualifies as independent under the applicable AMEX Rules. In addition, each Compensation Committee member qualifies as an outside director for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Internal Revenue Code), and as a non-employee director for purposes of SEC Rule 16b-3.

The Compensation Committee is organized and conducts its business pursuant to a written charter adopted by the Board of Directors (the Compensation Committee Charter). A copy of the Compensation Committee Charter is posted on the Governance Documents (Corporate Governance) section of the Investor Relations page of Park's website at www.parknationalcorp.com. The Compensation Committee will periodically review and reassess the adequacy of the Compensation Committee Charter and recommend changes to the full Board as necessary.

The Compensation Committee's primary responsibilities include:

reviewing with management and approving the general compensation policy for the executive officers of Park and those other employees of Park and Park's subsidiaries which the full Board directs;

evaluating the performance of Park's executive officers in light of goals and objectives approved by the Compensation Committee and determining those executive officers' compensation based on that evaluation;

Table of Contents

administering Park's equity-based plans and any other plans requiring Compensation Committee administration and approving awards as required to comply with applicable securities and tax laws, rules and regulations;

overseeing the preparation of the report on executive compensation for inclusion in the annual proxy statement; and

reviewing and making recommendations to the full Board with respect to incentive compensation plans and equity-based plans in accordance with applicable laws, rules and regulations.

In addition, the Compensation Committee will review Park's organizational structure and succession plans for Park's executive officers with the full Board as needed. The Compensation Committee will also carry out any other responsibilities delegated to the Compensation Committee by the full Board.

The Compensation Committee met five times during the 2005 fiscal year. The report of the Compensation Committee on executive compensation for the 2005 fiscal year begins at page 24.

Executive Committee

The Board of Directors has an Executive Committee which is currently comprised of William T. McConnell (Chair), C. Daniel DeLawder (Vice Chair), Harry O. Egger, John J. O'Neill, J. Gilbert Reese and Leon Zazworsky. Each member of the Executive Committee also served during the entire 2005 fiscal year. David L. Trautman serves as a non-member Secretary to the Executive Committee. The Executive Committee may exercise, to the fullest extent permitted by law and not delegated to another committee of the Board, all of the powers and authority granted to the Board. The Executive Committee reviews and approves large loans as well as major capital expenditures proposed to be made by Park's bank subsidiaries. The Executive Committee met nine times during the 2005 fiscal year.

Investment Committee

The Board of Directors has an Investment Committee which is currently comprised of C. Daniel DeLawder (Chair), Harry O. Egger, William T. McConnell, Michael J. Menzer, John J. O'Neill, Rick R. Taylor and David L. Trautman. Each member of the Investment Committee also served during the entire 2005 fiscal year. The Investment Committee reviews the activity in the investment portfolio of Park and Park's subsidiary banks, monitors compliance with Park's investment policy and assists management with the development of investment strategies. The Investment Committee met three times during the 2005 fiscal year.

Nominating Committee

The Board of Directors has a Nominating Committee which is currently comprised of John J. O'Neill (Chair), J. Gilbert Reese and Leon Zazworsky. Each member of the Nominating Committee also served during the entire 2005 fiscal year. The Board of Directors has determined that each member of the Nominating Committee qualifies as independent under the applicable AMEX Rules.

The Nominating Committee is organized and conducts its business pursuant to a written charter adopted by the Board of Directors (the Nominating Committee Charter). A copy of the Nominating Committee Charter is posted on the Governance Documents (Corporate Governance) section of the Investor Relations page of Park's website at www.parknationalcorp.com. The Nominating Committee will

Table of Contents

periodically review and reassess the adequacy of the Nominating Committee Charter and recommend changes to the full Board as necessary.

The primary purpose of the Nominating Committee is to identify qualified candidates for election, nomination or appointment to the Board of Directors and to recommend to the full Board a slate of director nominees for each annual meeting of the shareholders of Park or as vacancies occur between annual meetings of the shareholders. In addition, the Nominating Committee provides oversight on matters surrounding the composition and operation of the Board, including the evaluation of Board performance and processes, and makes recommendations to the full Board in the areas of Board committee selection, including Board committee chairpersons and committee rotation practices. The Nominating Committee will also carry out any other responsibilities delegated to the Nominating Committee by the full Board.

The Nominating Committee met once during the 2005 fiscal year.

Nominating Procedures

The Nominating Committee recommended the nominees identified in **PROPOSAL NUMBER 1: ELECTION OF DIRECTORS** for re-election as directors at Park's Annual Meeting. As detailed in the Nominating Committee Charter, the Nominating Committee has the responsibility to identify and recommend individuals qualified to become directors. To be eligible for election as a director, an individual must be a shareholder of Park.

The Nominating Committee takes into account many factors when considering candidates for the Board of Directors to ensure that the Board is comprised of directors with a variety of experiences and backgrounds, each of whom has high-level managerial experience and represents the interests of Park's shareholders as a whole rather than those of special interest groups. The Nominating Committee may consider those factors it deems appropriate when evaluating candidates, including judgment, skill, diversity, strength of character, experience with businesses and organizations comparable in size and scope to Park, experience as an executive of or adviser to a publicly traded or private company, experience and skill relative to other Board members, and any additional specialized knowledge or experience. Depending on the current needs of the Board, certain factors may be weighed more or less heavily by the Nominating Committee.

In considering candidates for the Board, the Nominating Committee evaluates the entirety of each candidate's credentials. Other than the requirement that a candidate be a Park shareholder, there are no specific minimum qualifications that must be met by a Nominating Committee-recommended nominee. However, the Nominating Committee does believe that all members of the Board should have the highest character and integrity; a reputation for working constructively with others; sufficient time to devote to Board matters; and no conflict of interest that would interfere with performance as a director.

The Nominating Committee will consider candidates for the Board from any reasonable source, including shareholder recommendations. The Nominating Committee does not evaluate candidates differently based on who has made the recommendation. The Nominating Committee has the authority under the Nominating Committee Charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates. No such consultants or search firms have been used by the Nominating Committee or the full Board to date.

Shareholders may recommend director candidates for consideration by the Nominating Committee by writing to David L. Trautman, Park's President and Secretary, at the executive offices of Park, 50 North Third Street, Post Office Box 3500, Newark, Ohio 43058-3500. The recommendation must give the candidate's name, age, business address, residence address, principal occupation and number of Park

Table of Contents

common shares beneficially owned. The recommendation should also describe the qualifications, attributes, skills or other qualities of the recommended director candidate. A written statement from the candidate consenting to be named as a director candidate and, if nominated and elected, to serve as a director should accompany any such recommendation.

Shareholders who wish to nominate an individual for election as a director at an annual meeting of the shareholders of Park must comply with Park's Regulations regarding shareholder nominations. Shareholder nominations must be made in writing and delivered or mailed to the President of Park not less than 14 days nor more than 50 days prior to any meeting of shareholders called for the election of directors. However, if less than 21 days' notice of the meeting is given to the shareholders, the nomination must be mailed or delivered to Park's President not later than the close of business on the seventh day following the day on which the notice of the meeting was mailed to the shareholders. Nominations for the 2006 Annual Meeting must be received by April 3, 2006. Each shareholder nomination must contain the following information to the extent known by the nominating shareholder:

the name and address of each proposed nominee;

the principal occupation of each proposed nominee;

the total number of Park common shares that will be voted for each proposed nominee;

the name and residence address of the nominating shareholder; and

the number of Park common shares beneficially owned by the nominating shareholder.

Nominations which do not comply with the requirements of Park's Regulations will be disregarded.

Code of Business Conduct and Ethics

In accordance with the applicable AMEX Rules and SEC Rules, the Board of Directors has adopted the Code of Business Conduct and Ethics which applies to the directors, officers and employees of Park and Park's subsidiaries. The Code of Business Conduct and Ethics is posted on the Governance Documents (Corporate Governance) section of the Investor Relations page of Park's website at www.parknationalcorp.com.

Compensation of Directors

Annual Retainer and Meeting Fees

Each director of Park who is not an employee of Park or one of Park's subsidiaries (a non-employee director) currently receives, on the date of the regular meeting of the Park Board of Directors held during the fourth fiscal quarter, an annual retainer in the form of 120 common shares awarded under the Park National Corporation Stock Plan for Non-Employee Directors of Park National Corporation and Subsidiaries (the Directors Stock Plan). During the 2005 fiscal year, each non-employee director also received \$750 for each meeting of the Board of Directors of Park attended and \$300 for each meeting of a committee of the Board of Directors attended. At the January 17, 2006 meeting of the Board of Directors, the Board approved an increase in the cash compensation to be paid to directors. Effective on and after January 18, 2006, each non-employee director will receive \$1,000 for each meeting of the Park Board of Directors attended and \$400 for each meeting of a committee of the Board attended. If the date of a meeting of the full Board of Directors is changed from that provided for by resolution of the Board and a non-employer director is not able to attend

Table of Contents

the rescheduled meeting, he or she receives the meeting fee as though he or she attended the meeting. In addition, each member of the Executive Committee will receive a \$2,500 annual cash retainer and each member of the Audit Committee (other than the Chair) will receive a \$2,000 annual cash retainer. The Chair of the Audit Committee will receive a \$5,000 annual cash retainer.

Each non-employee director of Park also serves on the board of directors of one of Park's bank subsidiaries, and receives, on the date of the regular meeting of the Park Board of Directors held during the fourth fiscal quarter, an annual retainer in the form of 60 common shares of Park awarded under the Directors' Stock Plan and, in some cases, a specified amount of cash for such service as well as fees for attendance at meetings of the board of directors of the appropriate Park bank subsidiary (and committees of that board).

C. Daniel DeLawder, William T. McConnell, William A. Phillips and David L. Trautman receive no compensation for serving as members of the Board of Directors of Park or of any subsidiary of Park.

The following table summarizes the fair market value of the common share annual retainer received and the meeting fees paid to each incumbent non-employee director of Park for service on the Park Board of Directors and the board of directors of a Park subsidiary bank during the 2005 fiscal year:

The Security Deferred Compensation Plan permits directors and officers of Security National Bank to defer any percentage of salary, director's fees or other compensation. Deferred amounts are credited to a deferred compensation account maintained by Security National Bank for the participant and are treated as though invested in one or more designated eligible investments selected by the participant. During the 2005 fiscal year, earnings in the amount of \$23,165 were accrued in respect of the cumulative amount which has been deferred for Mr. Egger's account under the Security Deferred Compensation Plan. Split-Dollar Life Insurance Policies

The Park bank subsidiaries maintain split-dollar life insurance policies on behalf of those Park directors who are not or have not been executive officers of Park or one of Park's subsidiaries, in their respective capacities as directors of a Park bank subsidiary. The Park bank subsidiary for which such an individual also serves as a director will receive proceeds under the policy in an amount equal to the premiums paid up to the date of death plus earnings accrued in respect of the policy since the inception of the policy. The director has the right to designate the beneficiary to whom his or her share of the proceeds under the policy (\$100,000) is to be paid. A director becomes fully vested under his or her policy after three years of service with the bank subsidiary.

Park National Bank maintains split-dollar life insurance policies on behalf of C. Daniel DeLawder, William T. McConnell and David L. Trautman, in their respective capacities as executive officers (and, in the case of Mr. McConnell, a former executive officer) of Park National Bank. Century National Bank maintains a split-dollar life insurance policy on behalf of William A. Phillips in his capacity as a former executive officer of Century National Bank. Park National Bank or Century National Bank, as appropriate, will receive proceeds under each policy in an amount equal to the premiums paid up to the date of death plus earnings accrued in respect of the policy since the inception of the policy. Each of Messrs. DeLawder, McConnell, Phillips and Trautman has the right to designate the beneficiary to whom his share of the proceeds under the policy (approximately two times his highest annual total compensation during his employment with Park National Bank or Century National Bank, as appropriate) is to be paid. Each policy remains in effect following the covered individual's retirement as long as the covered individual is fully vested in the Park National Corporation Defined Benefit Pension Plan, has reached age 62, has not been employed by another financial services firm and was not terminated for cause. If Mr. DeLawder's share of the proceeds under his policy were computed as of December 31, 2005, his share would have been \$1,856,960. If Mr. McConnell's share of the proceeds under his policy were computed as of December 31, 2005, his share would have been \$1,455,000. If Mr. Phillips' share of the proceeds under his policy were computed as of December 31, 2005, his share would have been \$319,405. If Mr. Trautman's share of the proceeds under his policy were computed as of December 31, 2005, his share would have been \$1,228,432.

Security National Bank maintains a split-dollar life insurance policy on behalf of Mr. Egger. Security National Bank will receive proceeds under the policy in an amount equal to the premiums paid up to the date of death plus earnings accrued in respect of the policy since the inception of the policy. Mr. Egger has the right to designate the beneficiary to whom his share of the proceeds under the policy (approximately three and one-half times his highest annual total compensation during his employment with Security National Bank or \$1,597,341) is to be paid. Mr. Egger's policy remained in effect following his retirement as an executive officer of Security National Bank on March 31, 2003.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee of Park's Board of Directors is comprised of J. Gilbert Reese (Chair), John J. O Neill and Leon Zazworsky. J. Gilbert Reese is senior partner in the law firm of Reese, Pyle, Drake & Meyer, P.L.L., which rendered legal services to Park National Bank during the 2005 fiscal year and continues to do so.

**REPORT OF THE COMPENSATION COMMITTEE
OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION**

Overall Philosophy and Administration

The executive officers of Park receive no compensation directly from Park. Instead, C. Daniel DeLawder, David L. Trautman and John W. Kozak are paid by Park National Bank for services rendered in their capacities as executive officers of Park and Park National Bank.

The Compensation Committee of Park's Board of Directors administers Park's incentive compensation plan and determines the amounts of incentive compensation to be paid for the 2005 fiscal year. The Compensation Committee is also responsible for evaluating the performance of Park's executive officers and determining the compensation of those executive officers as well as administering Park's equity-based compensation plans.

The compensation philosophy of both Park and Park National Bank reflects a commitment to pay for performance. The compensation program for all officers, including executive officers, consists of three primary elements—a base salary component, an incentive compensation component and a stock option component. The combination of base salary and incentive compensation is designed to tie compensation levels to overall performance by Park and Park's subsidiaries as well as the individual performance of the executive officers. The cash compensation philosophy of both Park and Park National Bank reflects the belief that a significant part of total executive cash compensation should be at risk in the form of incentive compensation based on the performance of Park and Park's subsidiaries. The ratio of incentive compensation to total cash compensation for the 2005 fiscal year was 50.0% for Mr. DeLawder, 50.0% for Mr. Trautman and 52.3% for Mr. Kozak.

During the 2006 fiscal year, management, at the request of the Compensation Committee, intends to engage a third party compensation consultant to review Park's overall officer compensation program, including, but not limited to: (a) total compensation; (b) the relative percentages of the base salary and incentive compensation components of cash compensation; and (c) the methods for calculating the amount to be made available for incentive compensation under the incentive compensation program (i.e., the incentive compensation pool) and the distribution of such incentive compensation pool among participants in the incentive compensation program. The Compensation Committee and management believe that Park's historically high performance (relative to its peers) has been related in large part to its incentive compensation program.

Park believes that it is also important to provide compensation which serves to incentivize long-term corporate financial performance. In that regard, the Park Board of Directors adopted the 2005 Incentive Stock Option Plan (the 2005 Plan) and the Park shareholders approved the 2005 Plan at the 2005 Annual Meeting of Shareholders. Under the 2005 Plan, officers and other key employees of Park and Park's subsidiaries may be selected by Park's Compensation Committee to receive incentive stock options (ISOs). Park also maintains the Park National Corporation 1995 Incentive Stock Option Plan (the 1995 Plan); however, the 1995 Plan expired by its terms on January 16, 2005 and no further grants may be made under it. As of February 22, 2006, there were ISOs outstanding under the 2005 Plan covering an aggregate of 225,811 common shares and ISOs outstanding under the 1995 Plan covering an aggregate of 559,726 common shares.

Each ISO granted under the 1995 Plan had, and each ISO granted under the 2005 Plan has, an exercise price equal to 100% of the fair market value of Park's common shares on the date of grant. If Park's common shares do not appreciate in value, the ISOs will be valueless. Thus, in contrast to the base

Table of Contents

year as they had received in 2005 and the salary and incentive components of compensation, ISO grants are tied directly to the price performance of Park's common shares. At the time of exercise of an ISO (other than an exercise following death, disability or normal retirement), the optionee must enter into an agreement with Park providing that the common shares acquired upon exercise may not be sold or otherwise disposed of to any person other than Park for a period of five years after the exercise date. This creates a further shared interest between each optionee and Park's shareholders in the price performance of the common shares.

Section 162(m) of the Internal Revenue Code prohibits Park from claiming a deduction on its federal income tax return for compensation in excess of \$1,000,000 paid for a given year to the chief executive officer and the four other most highly compensated officers of the corporation, other than the chief executive officer, serving at the end of the corporation's fiscal year. The \$1,000,000 compensation deduction limitation does not apply to performance-based compensation. None of Park's executive officers received more than \$1,000,000 of compensation from Park and Park's subsidiaries for the 2005 fiscal year.

Park does not have a policy that requires all compensation payable in respect of the 2005 fiscal year and thereafter to the covered executive officers to be deductible under Section 162(m) of the Internal Revenue Code. Park has not attempted to revise the incentive compensation plan or the 1995 Plan to satisfy the performance-based compensation exceptions but may consider doing so in the future if compensation paid thereunder would otherwise not be deductible under Section 162(m) and such provisions would not distort or discourage the existing incentives for performance that enhance the value of Park and Park's subsidiaries. The design and administration of the 2005 Plan are intended to qualify any compensation which may be attributable to participation thereunder as performance-based compensation. In all cases, Park will continue to carefully consider the net cost and value to Park and Park's subsidiaries of their respective compensation policies.

Base Salary

On January 18, 2005, upon recommendation of the Compensation Committee, the Board of Directors approved the base salaries for each of C. Daniel DeLawder, David L. Trautman and John W. Kozak for the 2005 fiscal year. The Compensation Committee also recommended that the cash compensation paid to these three executive officers during the 2005 fiscal year be split at 50% base salary and 50% incentive compensation. Messrs. DeLawder, Trautman and Kozak historically had received the majority of their total cash compensation in incentive compensation (59.3%, 59.3% and 56.8%, respectively in 2004). The Compensation Committee reviewed independently generated peer group information of similarly sized bank holding companies developed by SNL Securities which revealed that the individuals holding these positions typically receive a majority of their cash compensation in base salary. To be more consistent with peers, and at the suggestion of the management of Park and Park National Bank, the Compensation Committee considered and then approved a 50/50 split between base salary and cash incentive compensation. Management also suggested that Messrs. DeLawder and Trautman receive no increase in the aggregate amount of cash compensation paid during the 2005 fiscal year, but that the proportion of total cash compensation allocated to base salary and incentive compensation for the 2005 fiscal year should change. Management suggested, and the Compensation Committee concurred after reviewing peer data, to increase Mr. Kozak's total cash compensation. Accordingly, the base salaries for the 2005 fiscal year were \$464,240 for Mr. DeLawder, \$307,108 for Mr. Trautman and \$200,500 for Mr. Kozak.

On February 7, 2006, the Compensation Committee approved the base salaries for each of Messrs. DeLawder, Trautman and Kozak. Management suggested that Messrs. DeLawder, Trautman and Kozak receive the same base salary for the 2006 fiscal year as they had received in 2005 and the

Compensation Committee concurred after reviewing independently generated peer group information of similarly sized bank holding companies developed by SNL Securities.

Incentive Compensation

The Compensation Committee of Park's Board of Directors administers the Park incentive compensation plan which enables the officers of Park National Bank (the Park National Division, the Fairfield National Division, the Consolidated Computer Center Division and the First Clermont Division), Richland Trust Company, Century National Bank, First-Knox National Bank (the First-Knox National Division and the Farmers and Savings Division), Second National Bank, United Bank, N.A., Security National Bank (the Security National Division and the Unity National Division), The Citizens National Bank of Urbana (Citizens National Bank), Scope Leasing, Inc. and Guardian Financial Services Company (collectively, Park's Principal Subsidiaries) to share in any above-average return on equity (net income divided by average equity) which Park and its subsidiaries on a consolidated basis may generate during a fiscal year. In the 2005 fiscal year, all officers of Park's Principal Subsidiaries were eligible to participate in the incentive compensation plan.

Above-average return on equity is defined as the amount by which the net income to average equity ratio of Park and its subsidiaries on a consolidated basis exceeds the median net income to average equity ratio of all U.S. bank holding companies of similar asset size (\$3 billion to \$10 billion). A formula determines the amount, if any, by which Park's return on equity ratio exceeds the median return on equity ratio of these peer bank holding companies. Twenty percent (20%) of that amount on a before-tax equivalent basis is available for incentive compensation. If Park's return on equity ratio is equal to or less than that of the peer group, no incentive compensation will be available with respect to that year. The Chief Executive Officer and the President of Park and Park National Bank have historically received a fixed percentage of the amount available for incentive compensation as determined by the Board of Directors and, more recently, the Compensation Committee. Mr. DeLawder and Mr. Trautman recommended to the Compensation Committee that, because of the modest increase in net income earned by Park for the 2005 fiscal year, their total cash compensation to be paid during the 2006 fiscal year remain unchanged, and that the ratio of base salary and incentive compensation to be paid during the 2006 fiscal year remain at 50/50. After reviewing the peer group information developed by SNL Securities, the Compensation Committee determined that Mr. Kozak's total cash compensation to be paid during the 2006 fiscal year should be increased to \$420,500. As a result, Mr. Kozak's incentive compensation in respect of the 2005 fiscal year was \$220,000. Mr. DeLawder's incentive compensation and Mr. Trautman's incentive compensation in respect of the 2005 fiscal year were \$464,240 and \$307,108, respectively.

After deducting the incentive compensation paid to Messrs. DeLawder, Trautman and Kozak, the remaining amount available for incentive compensation pay was distributed to the officers of Park's Principal Subsidiaries on the basis of their respective contributions to Park's meeting its short-term and long-term financial goals during the 2005 fiscal year, which contributions were subjectively determined by the Chairman of the Board and Chief Executive Officer and the President and Secretary of Park and approved by Park's Board of Directors, upon recommendation of the Compensation Committee. Recommendations of the presidents of Park's Principal Subsidiaries were considered when determining incentive compensation amounts for officers (other than the internal audit staff) of those subsidiaries. The incentive compensation paid to the internal audit staff of Park's Principal Subsidiaries is determined by the Audit Committee of Park's Board of Directors. The payment of the incentive compensation amounts for the 2005 fiscal year was made during the first quarter of the 2006 fiscal year (in February of 2006).

Stock Options

The Compensation Committee administers the 1995 Plan and the 2005 Plan, although no further ISOs may be granted under the 1995 Plan since its term expired on January 16, 2005. During the 2005 fiscal year, the Compensation Committee approved the grant of ISOs covering an aggregate of 228,150 common shares to 716 key employees of Park and Park's subsidiaries. During the 2005 fiscal year, each of C. Daniel DeLawder, David L. Trautman and John W. Kozak was granted an ISO covering 900 common shares. In determining the number of common shares subject to their ISO grants, the Compensation Committee considered the contributions of Messrs. DeLawder, Trautman and Kozak to Park's performance and the number of common shares which could be subject to each ISO while allowing it to qualify as such under the applicable provisions of the Internal Revenue Code.

Each ISO has been granted with an exercise price equal to the fair market value of Park's common shares on the date of grant and a vesting schedule determined by the Compensation Committee to allow the ISOs to qualify as such under Section 422 of the Internal Revenue Code.

Other Compensation

Park's officers and the officers and employees of Park's Principal Subsidiaries are encouraged individually and collectively to maintain a significant long-term stock ownership position in Park. This has been fostered not only through the grant of ISOs under the 2005 Plan and the 1995 Plan, but also by the Park ESOP.

The Park ESOP is an employee stock ownership plan within the meaning of Section 4975(e)(7) of the Internal Revenue Code. Employee salary deferral contributions to the Park ESOP and employer matching contributions (which are established annually upon the recommendation of management of Park) to the Park ESOP are made in cash and then invested under the Park ESOP substantially in the form of Park common shares. For the 2005 fiscal year, the aggregate amount of employer matching contributions to the Park ESOP was \$1,763,000 (50% of employee pre-tax salary deferral contributions, subject to the applicable statutory limitations). For the 2006 fiscal year, the employer matching contribution will continue to be 50% of employee pre-tax salary deferral contributions, subject to the applicable statutory limitations. Participants in the Park ESOP have the opportunity to instruct the trustee of the Park ESOP how to vote the Park common shares held for their benefit under the Park ESOP. Each of Messrs. DeLawder, Trautman and Kozak participates in the Park ESOP. Messrs. DeLawder, Trautman and Kozak each received employer matching contributions in the aggregate amount of \$7,000 for the 2005 fiscal year, the maximum allowable under the applicable provisions of the Internal Revenue Code.

Park's executive officers participate in the Park National Corporation Defined Benefit Pension Plan on the same basis as all other eligible employees. Annual pension benefits are payable upon retirement based upon specified compensation and years of service classifications.

Park adopted the Park National Corporation Supplemental Executive Retirement Plan or SERP in December 1996. The SERP currently benefits 31 current and former officers of Park and Park's subsidiaries, including Messrs. DeLawder and Kozak. Mr. Trautman does not participate in the SERP. The SERP is a non-qualified benefit plan designed to restore benefits lost due to limitations under the Internal Revenue Code on the amount of compensation covered by and the benefits payable under a defined benefit plan such as the Park National Corporation Defined Benefit Pension Plan. Park has purchased life insurance contracts to fund the SERP. The SERP is designed to provide a monthly retirement benefit of approximately \$10,500 and \$500 for Messrs. DeLawder and Kozak, respectively. These additional benefits are not guaranteed and are dependent upon the earnings from the related life

Table of Contents

insurance contracts compared to the average yield on three-month Treasury bills. The SERP also provides a life insurance benefit for current or former officers of Park and Park's subsidiaries participating in the SERP who die before age 86. The amount of this life insurance benefit will be equal to the present value of the stream of future benefits which would have been paid to the individual until age 86 but had not been paid at the time of the individual's death.

All of the executive officers of Park are eligible to participate in the employee benefit programs maintained by Park and Park National Bank, including medical, dental and disability insurance plans, on the same terms as all other employees of Park and Park National Bank. In addition, Messrs. DeLawder and Trautman are provided with automobiles owned by Park National Bank for their personal and professional use, the aggregate incremental cost of which is reported in the Summary Compensation Table.

Compensation of Chairman of the Board and Chief Executive Officer

As discussed above, Mr. DeLawder's cash compensation includes a base salary component and an incentive compensation component. His base salary and incentive compensation were determined by the Compensation Committee after reviewing independently generated peer group information of similarly sized bank holding companies developed by SNL Securities and considering the suggestion of management in respect of the aggregate amount of cash compensation to be paid during the 2005 fiscal year and the 2006 fiscal year. Accordingly, his base salary for the 2005 fiscal year was \$464,240 and will remain at that level for the 2006 fiscal year. His incentive compensation in respect of the 2005 fiscal year was \$464,240.

During the 2005 fiscal year, the Compensation Committee granted Mr. DeLawder an ISO covering 900 common shares. As previously discussed, in determining the number of common shares subject to the ISO, the Compensation Committee considered Mr. DeLawder's contribution to Park's performance and the number of common shares which could be subject to the ISO while allowing it to qualify as such under the applicable provisions of the Internal Revenue Code.

The Compensation Committee believes that the total value of Mr. DeLawder's compensation is appropriate with respect to Park's performance and the comparative data of compensation paid to chief executive officers of similarly sized bank holding companies.

Conclusion

The Compensation Committee has reviewed all components of the compensation of Messrs. DeLawder, Trautman and Kozak, including base salary, incentive compensation, long-term equity compensation in the form of ISO grants, accumulated realized and unrealized ISO grants, the dollar value to the individual and cost to Park of the Park ESOP, the Defined Benefit Pension Plan, the SERP and all perquisites and other personal benefits and the projected payout obligations under scenarios involving a change in control or a termination of employment. Based on this review, the Compensation Committee concluded that each executive officer's total compensation (and, in the case of change in control and termination of employment scenarios, the potential payouts) in the aggregate to be reasonable and not

Table of Contents

excessive. Furthermore, the Compensation Committee believes that the compensation paid to all executive officers is consistent with Park's goals and objectives.

If an optionee's employment is terminated for any other reason, his ISOs are forfeited. Upon the occurrence of a defined change in control of Park, all outstanding ISOs (whether or not then exercisable) will become fully vested and exercisable as of the date of the change in control. At the time of exercise of an ISO (other than an exercise following death, disability or retirement at or after age 62), the optionee must enter into an agreement with Park providing that the common shares acquired upon exercise may not be sold or otherwise disposed of to any person other than Park for a period of five years after the exercise date. If an optionee who exercised an ISO subsequently leaves the employment of Park and Park's subsidiaries by reason of death, disability or retirement after age 62, these restrictions cease to apply.

(3) This ISO was granted on June 21, 2005 and was fully exercisable as of the date of grant.

Equity Compensation Plan Information

Park has three compensation plans (excluding plans assumed by Park in mergers) under which common shares of Park are authorized for issuance to directors, officers or employees of Park and Park's subsidiaries in exchange for consideration in the form of goods or services: the 1995 Plan, the 2005 Plan and the Directors' Stock Plan. The 1995 Plan (and amendments thereto), the 2005 Plan and the Directors' Stock Plan have been approved by Park's shareholders.

The following table shows the number of common shares issuable upon exercise of ISOs granted under the 1995 Plan and the 2005 Plan outstanding at December 31, 2005, the weighted-average exercise price of those ISOs and the number of common shares remaining available for future issuance under the 2005 Plan and the Directors' Stock Plan at December 31, 2005, excluding common shares issuable upon exercise of outstanding ISOs granted under the 2005 Plan. No further ISOs may be granted under the 1995 Plan. The table does not include common shares subject to outstanding options granted under equity compensation plans assumed by Park in mergers. Footnote (2) to the table sets forth the total number of common shares issuable upon exercise of options granted under plans assumed in mergers and outstanding at December 31, 2005, and the weighted-average exercise price of those options. Park cannot grant additional options under the assumed plans.

assumed in mergers and outstanding at December 31, 2005, including 17,932 common shares issuable upon exercise of options granted under plans assumed by Park in the merger with Security effective March 23, 2001 and 684 common shares issuable upon exercise of options granted under plans assumed by Park in the merger with First-Knox Banc Corp. effective May 5, 1997. The weighted-average exercise price of all options granted under plans assumed in mergers and outstanding at December 31, 2005, was \$103.11. Park cannot grant additional options under these assumed plans.

Pension Plan and Supplemental Retirement Benefits***Pension Plan***

The following table shows the estimated annual pension benefits (rounded to the nearest \$100) payable to a covered participant upon normal retirement after January 1, 2006 under the Park National Corporation Defined Benefit Pension Plan (the Park pension plan). The Park pension plan covers employees of Park's Principal Subsidiaries who have attained age 21 and completed one year of credited service. Benefits from the Park pension plan are payable in monthly installments for the life of the participant with 120 monthly payments guaranteed. Normal retirement is the earlier of the attainment of age 70^{1/2} or the attainment of age 65 and the completion of five years of credited service.

(1) Applicable provisions of the Internal Revenue Code currently limit the amount of annual compensation used to determine plan benefits under a defined benefit pension plan, such as the Park pension plan, and the amount of plan benefits payable annually under such a plan. Total compensation in excess of the limit will not be taken into account for benefit calculation purposes. Similarly, years of credited service in excess of 35 years will not be taken into account for benefit calculation purposes. The Park pension plan is operated in compliance with these provisions.

The annualized average monthly compensation shown above is the annual equivalent of an average of monthly rates of total compensation (salary and bonus, including elective deferral contributions). The benefits shown above are based on the sum of the highest five consecutive and complete annual total compensation during the ten years preceding retirement, divided by sixty. The benefits shown in the table will not be reduced by Social Security or other amounts received by a participant. A participant will be fully vested in the participant's benefits under the Park pension plan upon the completion of five years of credited service.

The table shown above does not take into account certain additional minimum benefits. Specifically, the employees of certain of Park's bank subsidiaries participated in pension plans maintained for their benefit prior to the bank's being acquired by Park and the merger of the bank's pension plan into the Park pension

Table of Contents

plan. Benefits provided by the Park pension plan cannot be less than the sum of the benefit provided under the merged pension plan and the benefit earned under the Park pension plan based on years of credited service since the date of merger of the two plans.

The average of the maximum annual total compensation which may be used in determining plan benefits under qualified defined benefit pension plans, such as the Park pension plan, for the past five years is \$197,000. The projected annualized average monthly compensation as of January 1, 2006 for each of the current executive officers of Park (C. Daniel DeLawder, David L. Trautman and John W. Kozak) exceeded this average of \$197,000. Accordingly, the table shown above reflects estimated pension benefits based upon the maximum annualized average monthly compensation which may be taken into account for benefit calculation purposes. Messrs. DeLawder, Trautman and Kozak had approximately 35, 22 and 15 years of credited service, respectively, under the Park pension plan as of October 1, 2005. Mr. Kozak also has 11 years of credited service with a Park subsidiary bank and will receive a benefit equal to the sum of the benefit provided under the merged pension plan of the subsidiary bank and the benefit earned under the Park pension plan based on years of credited service since the date of merger of the two plans. This benefit will approximate the benefit Mr. Kozak would receive if he had been employed by Park for his entire service time.

Under the applicable provisions of the Internal Revenue Code, the 2006 monthly rate of total compensation used to determine benefits is limited to \$18,333.33 per month, which is the equivalent of an annual total compensation of \$220,000. If \$220,000 were used as the maximum annualized average monthly compensation which may be taken into account for benefit calculation purposes, the following table shows the estimated annual pension benefits which would be payable to a covered participant upon normal retirement after January 1, 2006 under the Park pension plan:

Annualized Average Monthly Compensation	Years of Credited Service					
	10	15	20	25	30	35 or more
\$ 200,000	\$23,400	\$35,100	\$46,700	\$58,400	\$70,100	\$81,800
220,000 and up	25,900	38,900	51,900	64,900	77,800	90,800

When Harry O. Egger retired as an employee of Security National Bank on March 31, 2003, his annualized average monthly compensation was \$486,500. Mr. Egger had 26 years of credited service when the pension plan which had been maintained by Security was merged into the Park pension plan on June 30, 2001. As contemplated by the Security Merger Agreement, Mr. Egger was credited with 26 years of service for purposes of eligibility and vesting (but not for benefit accrual purposes) under the Park pension plan and as of the date of his retirement, had 28 years of credited service for purposes of eligibility and vesting and 1.5 years of credited service for benefit accrual purposes under the Park pension plan. Since his retirement, Mr. Egger has received and will continue to receive a monthly pension benefit of \$6,318.86.

William T. McConnell and William A. Phillips no longer participate in the Park pension plan. In 1998, each received a lump sum distribution in respect of the benefits payable to him in accordance with the terms of the Park pension plan, after reaching age 65.

SERP

Park adopted the SERP in December 1996. The SERP currently benefits 31 current and former officers of Park and its subsidiaries, including C. Daniel DeLawder, John W. Kozak and William T. McConnell. Harry O. Egger, who was formerly employed by Security National Bank, has not participated in

Table of Contents

the SERP but has been provided with supplemental retirement benefits under the terms of his employment agreement with Security National Bank. David L. Trautman and William A. Phillips do not participate in the SERP.

The SERP is a non-qualified benefit plan designed to restore benefits lost due to limitations under the Internal Revenue Code on the amount of compensation covered by and the benefits payable under a defined benefit plan. Park has purchased life insurance contracts to fund the SERP. The SERP is designed to provide a monthly retirement benefit of approximately \$10,500, \$500 and \$5,000 for Messrs. DeLawder, Kozak and McConnell, respectively. These additional benefits are not guaranteed and are dependent upon the earnings from the related life insurance contracts compared to the average yield on three-month Treasury bills. The SERP also provides a life insurance benefit for current or former officers of Park and Park's subsidiaries participating in the SERP who die before age 86. The amount of this life insurance benefit will be equal to the present value of the stream of future benefits which would have been paid to the individual until age 86 but had not been paid at the time of the individual's death.

Other Supplemental Retirement Benefits

Until his retirement on March 31, 2003, Harry O. Egger was party to an employment agreement with Security National Bank. Under the terms of the employment agreement, Mr. Egger receives an annual supplemental retirement benefit in the amount of \$153,320, which he will be paid for the remainder of his life.

Split-Dollar Insurance Policies

Park National Bank maintains split-dollar life insurance policies on behalf of C. Daniel DeLawder, David L. Trautman and John W. Kozak, in their respective capacities as executive officers. Park National Bank will receive proceeds under each policy in an amount equal to the premiums paid up to the date of death plus earnings accrued in respect of the policy since the inception of the policy. Each of Messrs. DeLawder, Trautman and Kozak has the right to designate the beneficiary to whom his share of the proceeds under the policy (approximately two times his highest annual total compensation during his employment with Park National Bank) is to be paid. Each policy remains in effect following the covered individual's retirement as long as the covered individual is fully vested in the Park pension plan, has reached age 62, has not been employed by another financial services firm and was not terminated for cause. If Mr. DeLawder's share of the proceeds under his policy were computed as of December 31, 2005, his share would have been \$1,856,960. If Mr. Trautman's share of the proceeds under his policy were computed as of December 31, 2005, his share would have been \$1,228,432. If Mr. Kozak's share of the proceeds under his policy were computed as of December 31, 2005, his share would have been \$715,851.

Executive Officer Perquisites

Park National Bank provides automobiles to C. Daniel DeLawder and David L. Trautman for their personal and professional use. The aggregate incremental cost to Park National Bank of this perquisite is included in the "All Other Compensation" column of the Summary Compensation Table. The aggregate incremental cost to Park National Bank of perquisites and other personal benefits paid to each of the individuals named in the Summary Compensation Table for each of the three years presented did not exceed \$5,000.

Table of Contents**Other Executive Compensation**

C. Daniel DeLawder, David L. Trautman and John W. Kozak participate in the Park ESOP on the same basis as all other eligible employees. Employees of Park and Park's Principal Subsidiaries who have attained age 18 and completed one year of credited service are eligible to participate in the Park ESOP. Employee salary deferral contributions to the Park ESOP and employer matching contributions (which are established annually upon the recommendation of management of Park) to the Park ESOP are made in cash and then invested under the Park ESOP substantially in the form of Park common shares. For the 2005 fiscal year, the employer matching contribution was 50% of employee pre-tax salary deferral contributions, subject to the applicable statutory limitations. The employer matching contribution made on behalf of each executive officer is included in the "All Other Compensation" column of the Summary Compensation Table. For the 2006 fiscal year, the employer matching contribution will continue to be 50% of employee pre-tax salary deferral contributions, subject to the applicable statutory limitations.

C. Daniel DeLawder, David L. Trautman and John W. Kozak are also eligible to participate in the employee benefit programs maintained by Park and Park National Bank, including medical, dental and disability insurance plans, on the same terms as all other employees.

TRANSACTIONS INVOLVING MANAGEMENT

J. Gilbert Reese, a director of Park, is senior partner in the law firm of Reese, Pyle, Drake & Meyer, P.L.L. which rendered legal services to Park National Bank during the 2005 fiscal year and continues to do so.

On January 1, 2005, James J. Cullers, a director of Park, retired as Of Counsel to the law firm of Zerkowicz, Barry & Cullers. That firm rendered legal services to First-Knox National Bank during the 2005 fiscal year and continues to do so.

During the 2005 fiscal year, executive officers and directors of Park, members of their immediate families and corporations or organizations as to which directors of Park serve as executive officers or beneficially own more than 10% of the equity interest, were involved in banking transactions with one or more of Park's bank subsidiaries in the ordinary course of their respective businesses and in compliance with applicable federal and state laws and regulations. It is expected that similar banking transactions will be entered into in the future. Payments from Park's bank subsidiaries to such persons in connection with the deposit of funds or those bank subsidiaries acting in an agency capacity have been made on substantially the same terms as those prevailing at the time for comparable transactions with persons not affiliated with Park or its subsidiaries. Loans to these persons have been made on substantially the same terms, including the interest rate charged and collateral required, as those prevailing at the time for comparable transactions with persons not affiliated with Park or its subsidiaries. These loans have been subject to and are presently subject to no more than a normal risk of uncollectibility and present no other unfavorable features. At December 31, 2005, the aggregate amount of loans to the fourteen individuals then serving as directors and executive officers of Park and their respective associates as a group was approximately \$65,782,000. In addition, at December 31, 2005, loans to the individuals then serving as directors and executive officers of Park's subsidiaries, who were not also directors or executive officers of Park, totaled approximately \$64,334,000. As of the date of this proxy statement, all of the loans described in this paragraph were performing in accordance with their original terms.

In January of 2005, Park purchased shares of Patriot Bank, a state-chartered bank located in Houston, Texas associated with Michael J. Menzer, a director of Park. Mr. Menzer is a director and the controlling shareholder of Patriot Bank. Park invested \$100,000 in its purchase of shares of Patriot Bank.

PERFORMANCE GRAPH

The following line graph compares the monthly percentage change in the cumulative total shareholder return on the Park common shares with an index for the AMEX Stock Market (US Companies) comprised of all domestic common shares traded on AMEX and an index for Nasdaq Bank Stocks comprised of all depository institutions (SIC Code #6020-6029) and holding and other investment companies (SIC Code # 6710-6719) that are traded on The NASDAQ National Market and The NASDAQ SmallCap Market (Nasdaq Bank Stocks), for the five-year period from December 29, 2000 (the last trading day for the 2000 fiscal year) to December 30, 2005 (the last trading day for the 2005 fiscal year). The Nasdaq Bank Stocks index is comprised of stocks of banks and other depository institutions and their holding companies, a number of which Park considers to be within its peer group. The AMEX Financial Stocks index includes the stocks of banks, thrifts, finance companies and securities broker-dealers. Park believes that the Nasdaq Bank Stocks index is, therefore, the most appropriate industry index available to compare to the cumulative total return on the Park common shares. However, since the Park common shares are traded on AMEX, Park is using the AMEX Stock Market (US Companies) index as the broad equity market index for comparative purposes.

**PROPOSAL NUMBER 2:
ADOPTION OF AMENDMENTS TO SECTION 1.04 OF PARK S REGULATIONS TO
(A) REQUIRE THAT SHAREHOLDERS BE GIVEN WRITTEN NOTICE AT LEAST TEN DAYS
IN ADVANCE OF ALL SHAREHOLDER MEETINGS AND
(B) PERMIT ELECTRONIC NOTICES OF SHAREHOLDER MEETINGS**

Proposal

Under Section 1.04 of Park s Regulations as presently in effect, written notice of a Park shareholder meeting is to be given to the shareholders not less than seven nor more than 60 days before the date of the meeting. Applicable AMEX Rules require that an AMEX listed company give shareholders written notice at least ten days in advance of each shareholder meeting, and provide for such notice in its governing documents. Effective May 16, 2002, the Ohio General Corporation Law was amended to expand the methods by which shareholders may be given notice of a meeting. Ohio law permits notice of a meeting to be given either by personal delivery or by mail, overnight delivery service or any other means of communication authorized by the shareholder receiving the notice. The proposed amendments to Section 1.04 of Park s Regulations would clarify that shareholders of Park must be given written notice at least ten days in advance of all shareholder meetings and that electronic notices of shareholder meetings are permitted.

Park s Board of Directors has unanimously approved, and recommends that shareholders adopt, amendments to Section 1.04 of Park s Regulations to (a) require that shareholders be given written notice at least ten days in advance of all shareholder meetings and (b) permit electronic notices of shareholder meetings. The text of Section 1.04, as amended, would read as follows:

Section 1.04. Notice of Meetings.

- (A) Written notice stating the time, place and purposes of a meeting of the shareholders shall be given either by personal delivery or by mail, overnight delivery service, or any other means of communication authorized by the shareholder to whom the notice is given, not less than ten nor more than 60 days before the date of the meeting (i) to every shareholder of record entitled to notice of the meeting (ii) by or at the direction of the president, the secretary, or another officer expressly authorized by action of the directors to give such notice. If mailed or sent by overnight delivery service, such notice shall be addressed to the shareholder at such shareholder s address as it appears on the records of the corporation. If sent by another means of communication authorized by the shareholder, the notice shall be sent to the address furnished by the shareholder for those transmissions. Notice of adjournment of a meeting need not be given if the time and place to which it is adjourned are fixed and announced at such meeting. In the event of a transfer of shares after the record date for determining the shareholders who are entitled to receive notice of a meeting of shareholders, it shall not be necessary to give notice to the transferee. Nothing herein contained shall prevent the setting of a record date in the manner provided by law, the Articles or the Regulations for the determination of shareholders who

Table of Contents

are entitled to receive notice of or to vote at any meeting of shareholders or for any purpose required or permitted by law.

- (B) Upon request in writing delivered either in person or by registered mail to the president or the secretary, specifying the purpose or the purposes for which the persons properly making such request have called a meeting of shareholders, that officer shall forthwith cause to be given to the shareholders entitled thereto notice of a meeting to be held on a date not less than ten nor more than 60 days after the receipt of such request, as the officer may fix. If the notice is not given within 15 days after the receipt of such request by the president or the secretary, then the persons properly calling the meeting may fix the time of the meeting and give notice thereof in accordance with Section 1.04(A), or cause the notice to be so given by any designated representative.

Recommendation and Vote

The affirmative vote of the holders of common shares entitling them to exercise not less than two-thirds of the voting power of Park is required to adopt the proposed amendments to Section 1.04 of Park's Regulations. The effect of an abstention or a broker non-vote is the same as a vote **AGAINST** the proposal. If adopted by the shareholders, the proposed amendments to Section 1.04 of the Regulations will become effective immediately without any additional action.

Common shares represented by properly executed and returned proxy cards will be voted as specified or, if no instructions are given, except in the case of broker non-votes, **FOR** the adoption of the proposed amendments to Section 1.04 of Park's Regulations.

Your Board of Directors recommends a vote *FOR* the adoption of the proposed amendments to Section 1.04 of Park's Regulations.

**PROPOSAL NUMBER 3:
ADOPTION OF AMENDMENT TO SECTION 1.11 OF
PARK'S REGULATIONS TO PERMIT ELECTRONIC VOTING
OF SHAREHOLDER PROXIES**

Proposal

Section 1.11 of Park's Regulations presently allows a shareholder to vote by proxy, if the proxy appointment is in writing and signed by the shareholder. Effective September 13, 1999, the Ohio General Corporation Law was amended to expand the methods a shareholder can use to appoint a proxy. Ohio law permits a shareholder to appoint a proxy by any verifiable communication authorized by the person appointing the proxy. Any transmission that creates a record capable of authentication that appears to have been transmitted by the person appointing a proxy is permitted, and would include electronic mail, telephone or other electronic media, as well as traditional written proxies. Park's Regulations currently do not expressly provide for shareholder appointment of a proxy by electronic mail, telephone or other electronic media. The proposed amendment to Section 1.11 of Park's Regulations would clarify and confirm that shareholders are expressly authorized to utilize the more modern forms of proxy appointment permitted by Ohio law.

Table of Contents

Park's Board of Directors has unanimously approved, and recommends that shareholders adopt, an amendment to Section 1.11 of Park's Regulations to permit a shareholder to use electronic mail, telephone and other methods to appoint a proxy. The proposed amendment would expressly provide that a shareholder could appoint a proxy by a writing signed by the shareholder or a verifiable communication authorized by the shareholder. The text of Section 1.11, as amended, would read as follows:

Section 1.11. Proxies

At meetings of the shareholders, any shareholder entitled to vote thereat may be represented and may vote by a proxy or proxies appointed by a writing signed, or a verifiable communication authorized, by such shareholder, but such writing or verifiable communication must be filed with the secretary of the meeting before such proxy shall be allowed to vote thereunder.

Recommendation and Vote

The affirmative vote of the holders of common shares entitling them to exercise not less than two-thirds of the voting power of Park is required to adopt the proposed amendment to Section 1.11 of Park's Regulations. The effect of an abstention or a broker non-vote is the same as a vote **AGAINST** the proposal. If adopted by the shareholders, the proposed amendment to Section 1.11 of the Regulations will become effective immediately without any additional action.

Common shares represented by properly executed and returned proxy cards will be voted as specified or, if no instructions are given, except in the case of broker non-votes, **FOR** the adoption of the proposed amendment to Section 1.11 of Park's Regulations.

AUDIT COMMITTEE MATTERS

Report of the Audit Committee for the Fiscal Year Ended December 31, 2005

Role of the Audit Committee, Independent Registered Public Accounting Firm and Management

The Audit Committee consists of four directors who qualify as independent under applicable AMEX Rules and SEC Rule 10A-3. The Audit Committee operates under a written charter adopted by Park's Board of Directors, a copy of which is attached as Annex A to this Proxy Statement. Under its charter, the Audit Committee is responsible for assisting the Board of Directors in the oversight of the accounting and financial reporting processes of Park and Park's subsidiaries. In particular, the Audit Committee assists the Board of Directors in overseeing (i) the integrity of Park's consolidated financial statements and the effectiveness of Park's internal control over financial reporting; (ii) the legal compliance and ethics programs established by Park's management and the Board of Directors; (iii) the qualifications and independence of Park's independent registered public accounting firm; (iv) the performance of Park's internal auditors and independent registered public accounting firm; and (v) the annual independent audit of Park's consolidated financial statements. The Audit Committee is responsible for the appointment, compensation and oversight of the work of the independent registered

Table of Contents

public accounting firm employed by Park. Ernst & Young LLP (E&Y) served as the independent registered public accounting firm for Park for the 2005 fiscal year.

During the 2005 fiscal year, the Audit Committee met nine times, and the Audit Committee discussed the interim financial and other information contained in each quarterly earnings announcement and periodic filings with the SEC with Park's management and E&Y prior to public release.

Park's management has the responsibility for the preparation, presentation and integrity of Park's consolidated financial statements, for the appropriateness of the accounting principles and reporting policies that are used by Park and Park's subsidiaries and for the accounting and financial reporting processes, including the establishment and maintenance of adequate systems of disclosure controls and procedures and internal control over financial reporting. Management also has the responsibility for the preparation of their report on the establishment and maintenance of, and assessment of the effectiveness of, Park's internal control over financial reporting. E&Y is responsible for performing an audit of Park's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and issuing E&Y's report on the consolidated financial statements based on such audit, for issuing an attestation report on management's assessment of the effectiveness of Park's internal control over financial reporting, and for reviewing Park's unaudited interim financial statements. The Audit Committee's responsibility is to provide independent, objective oversight of these processes.

In discharging its oversight responsibilities, the Audit Committee met with Park's management, E&Y and Park's internal auditors throughout the year. The Audit Committee often met with each of these groups in executive session. Throughout the year, the Audit Committee had full access to management, E&Y and Park's internal auditors. The Audit Committee discussed with the internal auditors and E&Y, before each audit began, the overall scope and plans for their respective audits. The Audit Committee also discussed with management, the internal auditors and E&Y the adequacy and effectiveness of Park's systems of disclosure controls and procedures and internal control over financial reporting and related accounting and financial controls, including Park's systems to monitor and manage business risk, and legal and ethical compliance programs. The Audit Committee met separately with the internal auditors and E&Y, with and without management present, to discuss the results of their respective examinations. The Audit Committee also reviewed management's assessment of the effectiveness of Park's internal control over financial reporting and E&Y's attestation report on management's assessment, and discussed with management and E&Y the bases for the conclusions expressed in their respective reports. In addition, the Audit Committee discussed and reviewed with E&Y all communications required by the standards of the Public Company Accounting Oversight Board (United States), including those described in Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as modified, and by SEC Rules, as well as significant current accounting developments and issues.

The Audit Committee has received from E&Y the written disclosures and a letter describing all relationships between E&Y and Park and Park's subsidiaries that might bear on E&Y's independence consistent with Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as modified. The Audit Committee has discussed with E&Y any relationships with or services to Park or Park's subsidiaries that may impact E&Y's independence and objectivity, including the non-audit services rendered by E&Y, and the Audit Committee has satisfied itself as to E&Y's independence.

Management's Representations and Audit Committee Recommendations

Park's management and E&Y have represented to the Audit Committee that Park's audited consolidated financial statements as of and for the fiscal year ended December 31, 2005, were prepared in

accordance with accounting principles generally accepted in the United States of America, and fairly present in all material respects the consolidated financial condition, results of operations and cash flows of Park and its subsidiaries. The Audit Committee has reviewed and discussed those audited consolidated financial statements with management and E&Y.

Based on the Audit Committee's discussions with Park's management and E&Y and the Audit Committee's review of the report of E&Y to the Audit Committee, the Audit Committee recommended to the Board of Directors that Park's audited consolidated financial statements be included in Park's Annual Report on Form 10-K for the fiscal year ended December 31, 2005, for filing with the SEC.

Pre-Approval of Services Performed by Independent Registered Public Accounting Firm

Under applicable SEC Rules, the Audit Committee is required to pre-approve the audit and non-audit services performed by the independent registered public accounting firm employed by Park in order to ensure that those services do not impair that firm's independence from Park. The SEC Rules specify the types of non-audit services that an independent registered public accounting firm may not provide to its client and establish the Audit Committee's responsibility for administration of the engagement of the independent registered public accounting firm.

Consistent with the SEC Rules, the Audit Committee Charter requires that the Audit Committee review and pre-approve all audit services and permitted non-audit services provided by Park's independent registered public accounting firm to Park or any of Park's subsidiaries. The Audit Committee may delegate pre-approval authority to a member of the Audit Committee and if it does, the decisions of that member must be presented to the full Audit Committee at its next scheduled meeting.

All requests or applications for services to be provided by the independent registered public accounting firm must be submitted to the Audit Committee by both the independent registered public accounting firm and the Chief Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with SEC Rules governing the independence of the independent registered public accounting firm.

Fees of Independent Registered Public Accounting Firm

On April 5, 2005, the Audit Committee appointed the firm of E&Y to serve as the registered public accounting firm for Park for the 2005 fiscal year. Fees billed for services rendered by E&Y for each of the 2005 fiscal year and the 2004 fiscal year were as follows:

Audit Fees

The aggregate audit fees billed by E&Y for the 2005 fiscal year and the 2004 fiscal year were \$495,000 and \$262,500, respectively. These amounts include fees for professional services rendered by E&Y in connection with the audit of Park's annual consolidated financial statements and reviews of the consolidated financial statements included in Park's Quarterly Reports on Form 10-Q. For the 2005 fiscal year, audit fees include \$225,000 for internal control reviews and attest services. For the 2004 fiscal year,

Table of Contents

Audit-Related Fees

The aggregate audit-related fees billed by E&Y for each of the 2005 fiscal year and the 2004 fiscal year were \$20,000 and \$15,000, respectively. The fees under this category relate to the audits of the Park pension plan and the Park ESOP.

Tax Fees

E&Y did not bill any tax fees for the 2005 fiscal year or the 2004 fiscal year.
